

The Great Geo-Political Reversal

This essay seeks to get to the heart of whose side you are on as we approach the end.

You must remember that the great feature of the end times is deception; it is by deception that the Devil promotes his plans and strategies. You must start seeing behind the superficial, behind the norm, behind the propaganda. The Christian must use spiritual discernment if he is going to survive what is going on in the world. The great danger is that by deception you end up supporting the very people that are intent on destroying Christianity and blaspheming your Lord.

It is my contention that literally millions of people calling themselves 'Christian' are actually supporting the plans of Satan for the end. They are unwittingly following demonic doctrines in theology, sociology, psychology, science, ethics, epistemology and many more. In this paper I simply seek to examine geo-politics and show that many Christians are supporting the wrong people; in fact, they are supporting the enemies of Christ.

Huge political changes have occurred in the last 100 years and the most amazing is the reversal of world politics. The reason for this is that the power base of the global elite in control has overtly changed from east to west.

The previous situation

The original Christian basis of America¹

The original immigrant population of America largely derives from the 13 colonies that were a haven for Protestant refugees from an oppressed Restoration (Stuart) Britain.² It was also a later haven for foreign immigrants seeking work and a new life (most of whom were Protestants and Catholics),³ but the groundwork, social structures and government was established chiefly by Christians. Many early governors of states were Christian. Some cities were even established by Protestants, such as Philadelphia.⁴

From the Declaration of Independence, the American people were bound by the laws of God and the laws of the Gospel of Jesus Christ, which they all acknowledge as the root of their conduct. We all came together to obey the word of God.

John Quincy Adams [6th President of the USA, 1825–29].

¹ No nation is ever evangelical; however, some nations were founded on Christian principles with a judiciary based on God's law and many social structures established by Christians.

² For example in 1662, following the Act of Uniformity, 2,000 Reformed leaders were ejected from their Anglican churches and rendered jobless. Many emigrated to avoid royal persecution under Charles II. Many other opponents of the Catholic king were sent to the American colonies as slaves. Note that white slaves long predated Black slaves in the US.

³ Many Scots were Presbyterian Protestants; many Irish were Roman Catholic. There were also some German and Scandinavian Lutherans (i.e. Protestants) and some Dutch Reformed (Protestants).

⁴ The claim that the founding fathers were all Deists or Unitarians is simply not true. Some were, in fact some were Freemasons, but most were evangelical Christians.

This basis in God's law (with the Protestant work ethic) was the reason for prosperity and development. De Tocqueville wrote,

America is great because America is good. If America ceases to be good, America will cease to be great.

Alexis Charles Henri Clerel, Viscount de Tocqueville; French diplomat and historian [1805–59].

In the early 20th century America was still a strong bastion of Christianity. Dispensationalism and evolutionary theory were only beginning to take hold and in general the US was a stronghold of conservative Protestantism, as exemplified by the publication of *'The Fundamentals'*.⁵ Indeed, very many US churches and seminaries would have considered themselves consistent Calvinist even by 1930. The Reformed churches had been strengthened by a flood of Dutch and Scottish Calvinist immigrants around the turn of the century.

The US Constitution was still in practical force, though under attack since the Civil War and the initiation of the Federal Reserve in 1913. Woodrow Wilson had sown the seeds of the sell-out to the global elite corporatist forces that would soon take over America entirely, but in the first half of the 20th century conservative Christianity was still powerful in social life and was the formal basis of government. Society was still based upon Christian principles: abortion was illegal, prayers were said at schools, and Christian values were at the basis of social mores. Homosexuality was illegal in all states until 1961 and sodomy was only considered Constitutionally acceptable by the Supreme Court in 1986.

The anti-Christian basis of the USSR

The great enemy of western Christian society was Communism, which had taken hold of Russia after the 1917 revolution. It would soon take over China and a number of other countries with Cuba being the closest to the US.

Russia, which had been a strong Russian Orthodox Christian nation for centuries, was changed into an atheistic, nihilistic, Communist state overnight. There proceeded a widespread persecution of Christians that lasted nearly 100 years. Hundreds of thousands of priests were killed; millions of Christians martyred and thousands of churches were burned. The Red Terror, initiated by Lenin⁶ and continued by Stalin, did not only kill the enemies of the state but committed the most foul tortures, massacres, and executions. I will not delve into the nature of these but they were more despicable than medieval torture. The main feature of Soviet totalitarianism was a hatred of Christianity.

Throughout the 20th century America pitted itself against the USSR on the basis that it was the champion of Christianity, democracy, liberty and freedom involved in a great fight against the evils of Soviet despotism, totalitarianism, cruelty, barbarism and atheism. This propaganda war pervaded all aspects of society. It was everywhere. Even childrens' comic book heroes concentrated on fighting the evils of the Soviets, as Captain America had fought against the Nazis. Hollywood made scores of Cold War films.⁷

⁵ A series of essays, then collated in books, by eminent Christian scholars in America to defend the traditional Protestant faith against modernism, secularism, scientism and liberalism.

⁶ Yes Lenin condoned massacres and oppression just as much as Stalin.

⁷ The best of these are the more independent quirky movies like, *The Quiller Memorandum*, *the Third Man* or *The Ipcress File*.

The point of this paper is that today all this has reversed; completely turned around. The problem is that so few Christians in the west understand this.

The Jewish basis of Soviet Communism

Let us first understand something important. Who was behind the Bolshevik Revolution and the development of the Communist state in Russia? Was it Russians? No, it was Jews.

I have proved this in previous papers (e.g. ‘The Depths of Deception’) so I won’t repeat all that here. It is not debatable; it is a historic fact accepted by Jewish authorities and historians (see later).

To summarise:

- Who were the leaders of the philosophy behind Communism as practised in Russia? Answer, Marx and Engels – both Jews.
- Who were the leaders of the Bolshevik Revolution? Answer Lenin and Trotsky – both Jews.⁸ Also Molotov and Kaganovich were Jews. Lenin hated Russians and called them ‘Sh...heads’; he also said, ‘I don’t give a damn about Russia’.⁹ He ordered to have a million Cossacks executed and to implement the crudest terror tactics in the Russian civil war. He also ordered the execution of the Tsar’s family. He ordered indiscriminate hangings of prominent peasants to terrorise others. To deal with unemployment, he urged the execution of 10% of all workers. He ordered his own soldiers shot in the back. Oh, and by the way, Lenin was a noble, not a peasant (as were several other revolutionaries).¹⁰
- What about the Mensheviks? These were almost totally Jewish. Stalin called it ‘a Jewish organisation’.
- Who funded the revolution, at one point with a trainload of gold?¹¹ Jewish bankers like Rothschild and Warburg.
- Who co-ordinated the practical planning of the revolution in terms of funding and operations? Jacob Schiff – a Jewish banker.
- What was the composition of the early leadership of the Soviet Republic? 80% Jews. 15 Jewish Gulag commandants were Jews. In 1937, 17 of 27 Presidium members were Jewish, while 115 of 133 Council of People’s Commissars were Jewish. Such proportions are typical. There were 556 top people in the Bolshevik party in 1918; 457 were Jews; that is 82%. What formed the majority of the Cheka?¹² Jews.
- Who was the biggest mass murderer under Stalin. Genrikh Yagoda, a Jew, who killed at least 10 million Kulaks.¹³
- Who formed the victims of the Soviet (mostly Jewish) leadership? Native Russians, Cossacks, and particularly prominent Christians (priests, monks, patriarchs, nuns, choirboys etc.).

If you don’t believe me then read Solzhenitsyn who affirmed that the Soviet Union was a take-over of Russia by foreign forces, led by Jews, that subjugated real Russians.¹⁴

⁸ Strictly speaking, Lenin was a quarter Jew.

⁹ Russia Insider, ‘Russians are Sh*theads – Grandpa Lenin in his own words’, 23.11.17.

¹⁰ Such as Ordzhonikidze, Mayakovsky and Bokii.

¹¹ Trotsky took \$20 million worth of gold on a ship owned by Schiff to meet Lenin in Switzerland to finance the Bolshevik uprising.

¹² Cheka a forerunner of the KGB; an organisation for the investigation of counter-revolutionary activities. It executed many real and alleged enemies of Lenin's regime from its formation in 1917 until 1922, when it was replaced by the OGPU.

¹³ A post feudalism peasant in Russia wealthy enough to own a farm and hire labour. Middle class farmers.

*The Kiev Cheka ... two thirds were Jews. ...
Russia must come to terms with the Stalinist and revolutionary genocides ... and ... its Jewish
population should be as offended at their own role in the purges.
Aleksandr Solzhenitsyn, Two Hundred Years Together. [No English translation!!!]*

*You must understand. The leading Bolsheviks that took over Russia were not Russians. They
hated Russians. They hated Christians. Driven by ethnic hatred, they tortured and
slaughtered millions of Russians without a shred of human remorse. It cannot be overstated.
Bolshevism committed the greatest human slaughter of all time. The fact that most of the
world is ignorant and uncaring about this enormous crime is proof that the global media is in
the hands of the perpetrators.
Aleksandr Solzhenitsyn.*

The revolution, which became formalised in 1923, was never about the power of the workers, that is a deception; it was a coup by Jewish interests to instigate Communism, which is a Jewish creation as a tool to bring about world domination. The result of the 'workers' revolution' was actually the death of 20-60 million peasant workers.

In fact, the Bolsheviks did not even overthrow the Tsar; they got rid of the liberal westernised provisional government. The Bolsheviks were weak in February 1917 and did not play a part in the overthrow of the monarchy. However, when they were stronger and in power they murdered the Tsar's whole family in cold blood; some historians affirm in a ritual sacrifice. The leaders of the White movement were monarchists in the main who sought a merely titular crown of a liberal nation. The more moderate revolutionaries would not have implemented the terror tactic of Lenin and Stalin as they fought for liberty.

The leaders of the 'workers' revolution lived in as much opulence as the former Tsars, but they were more tyrannical and atheistic. Lenin occupied Grand Duke Sergei Alexandrov's estate and placed 75 million Francs in a Swiss bank in 1920. Trotsky seized Prince Yusopov's castle and had over \$80 million in US bank accounts. Cheka / KGB leaders ate off gold plates while peasants starved to death. Jewish Communism was just another word for plunder. This is essential Talmudic doctrine: murder Gentiles and defraud them.¹⁴ In fact, a prime factor of Soviet (Jewish) Communism was anti-Christian principles.

*The Russian revolution is a reflection of the religious crisis we are living through now, an attempt to
establish an anti-Christian public and state system thought up by Friedrich Nietzsche and
economically and politically realised by Karl Marx. This anti-Christian virus was exported to Russia
from the west. ... Losing our bond with God and the Christian tradition, mankind has become morally
blind and gripped by materialism, irrationalism and nihilism. ... To make Russia great again the
Russian people should believe in God. This faith will strengthen their minds and will power. It will
make them strong enough to overcome themselves.*

Ivan Ilyin (Poet).

¹⁴ See, for example, his books, 'The Gulag Archipelago' and 'Two Hundred Years Together', plus essays.

¹⁵ I have given data on this in many papers.

In fact, Russian Communism was the working out of the principles published in the infamous *Protocols of the Elders of Zion*.¹⁶ Note, Protocol 3: *'Our fighting forces – Socialists, Anarchists, Communists – to whom we always give support ... We are interested in ... the killing of the goyim [Gentiles]'*.

This plan was worked out through Marx. Karl Marx, full name Moses Mordecai Marx Levi, was not only a Jew but was also a Satanist and a member of the *League of the Just*, which was a part of the Illuminati. The elite assigned Marx to construct the '*Communist Manifesto*'¹⁷ to outline plans for world domination.¹⁸ Baruch Levy wrote to Marx in 1879 explaining that the Jews would attain world domination by dissolving all other races and annihilating monarchies.¹⁹ Jews would then furnish all the world's leaders and all national governments would collapse. Jews would then abolish private property and become their own messiah having all the property in the world as the Talmud promised.²⁰ Communism was a means to that Jewish messianic end. Engels promoted violent revolution to establish Communism.

Jewish authorities formally supported Communism: Rabbi S Wiseman (or Rabbi Stephen 'Wise') stated, *'Some call it Marxism; I call it Judaism'*.²¹ The Jewish Chronicle stated that, *'the ideals of Bolshevism are consonant with the finest ideals of Judaism'*.²² The Jewish Voice affirmed that *'Anti-Communism is anti-Semitism'*.²³

The Communists repaid their debts to the Jewish banks. In October 1918 Jewish bankers in Berlin received 47 cases of gold from Russia. In New York, Schiff's Kuhn Loeb bank received £102 million in 1921. This was just the beginning.

Though many people try to deny this information and mutter about anti-Semitism, historical facts are facts. The Jewish character that prevailed in the early Russian Revolution and which continued until Stalin began attacking Jews after WWII (especially after 1948) stand as unequivocal facts.²⁴

Summary

In the first half of the 20th century there were two opposing world powers.

¹⁶ This is not a hoax or forgery but 24 lectures given by a highly intelligent person with experience in banking and economics around 1830. Many suspect it was a Rothschild. The fact that all the principles can be seen to be working out in recent history proves that it is not a hoax but an accurate plan. It is one of the most published works in history after the Bible. Anachronisms in it are explained by later additions to the text, in the late 19th century, to make it more relevant.

¹⁷ *Das Manifest der Kommunistischen Partei* in 1848 by Karl Marx and Friedrich Engels.

¹⁸ Base principles of the Communist Manifesto include: no personal property, all property owned by the state (abolition of private property); a progressive (rising) income tax (which didn't exist in the UK or the US at that time); abolition of inheritance rights; abolition of the family, abolition of nation states and monarchies, abolition of capitalism, collectivisation of resources; central banks; control of the media; equal obligation of all to work (note women's labour); building over rural areas (no distinction between town and country).

¹⁹ These were also the original aims of the founders of the EU.

²⁴ Stalin was contradictory. In the 40s he both supported Zionism and condemned anti-Semitism, but also persecuted Jewish institutions.

The USA was the champion of liberty and democracy and was still steeped in Christian principles and a superficial adherence to God's law, though it was being corrupted from within.

The enemy of the US was the USSR, which was a Communist state, at first largely run by Jews, and which had a despotic totalitarian government. It persecuted Christianity ruthlessly.

The current situation

Changes to Russia

So, the Russian revolution, which America was pitted against for a century and to this day, was really focused on a Jewish revolution that occupied Russia for decades. Changes began with the death of Stalin (poisoned by the elite for attacking Jews in the late 1940s) followed by de-Stalinisation by Khrushchev in the 1950s. After the Bay of Pigs incident nearly thrust the world into a nuclear holocaust, a certain rapprochement continued between the west and the east despite the Cold War.

After the collapse of the USSR in 1991 things began to rapidly change, at first for the worst. Initially there was chaos as capitalist reforms entered but worse was the rape of the country by elite-sponsored oligarchs. The debacle of the Russo-Afghan War was also debilitating and was also fomented by elites in America (though at least the Russians had the sense to get out in the end, unlike the US which is still embroiled in a pointless war, the longest in US history). What really changed everything was the leadership of Vladimir Putin.

After prosecuting, banishing and imprisoning the corrupt oligarchs, Putin, a student of economics and a profound political thinker, set about reversing the long decline of Russia and setting in place policies that would improve the economy and sort out social problems. At some point Putin was converted to Christianity and was secretly baptised. He then began a series of wise reforms based upon Biblical principles.

Eventually, the reforms and long-term planning led by Putin oversaw a renaissance of Russian Orthodox Christianity, which is now flourishing throughout Russia. Magnificent cathedrals that were burned by the Soviets have been rebuilt. Putin has publicly stated that the only way to build a strong society is when the government lives by Christian principles of morality and justice. This has led to a trickle-down effect of Christian mores in society, which everyone is benefiting from. I have explained elsewhere the benefits that ordinary citizens have to obtain a far better quality of life than in America (such as free or very cheap health care).

With good reason Putin is extremely popular in Russia, which is why the elite hate him as they can't fix elections. Contrary to western media, Putin has affirmed a strong belief in democracy as well as Christian ethics.

Threats by America

Despite this progress in Russia, the US, dominated by the global elite, instigated direct economic sanctions and led the UN to impose global sanctions (sanctions are usually a precursor to war). During the Cold War there was far more co-operation between the US and the USSR than people think. In fact, it was a US engineering firm that maintained the elevators for ICBM silos while many US firms set up in Russia. Yet when Putin instigates Christian reforms the whole world is commanded to issue sanctions against Russia. In the case of the EU this has even led to countries like Germany suffering economically from the

sanctions against Russia. Liquefied gas from the US is twice the cost of Russian pipeline gas, for example.

In addition the US has constantly threatened Russia in multiple ways by land and sea. A line of military bases, contrary to previous treaties, have expanded the role of NATO eastwards posing a direct threat to Russia on the borders of Europe. Make no mistake; this makes America (and NATO) the aggressor and a breaker of treaties. This mobilisation is still going on today with ever-increasing numbers of tanks, missiles and troops. In addition there are sea-based threats from carrier groups. On top of this is the co-ordinated political threats of war and constant speeches vilifying Putin and threatening nuclear attack, such as by John McCain.

Then there is the insane blaming of Russia for every problem in the west, a claim that verges on desperation. Thus we have the following:

- Russia is to blame for Hillary Clinton's defeat and Trump's success. [To this day there is not a shred of evidence for this whatsoever. Assange stated that his leaks were not sourced from Russia. In fact we know that the leaked information that was damning to Clinton (and true) was by insiders and whistleblowers. One was DNC staffer Seth Rich, who was then murdered before he could testify. There is also evidence that the CIA used algorithms to impersonate a Russian server.]
- Russia is to blame for the Brexit vote. [Just how could this have been possible? Some claimed Russian (but unproven) Tweets amount to a hill of beans.]
- Russia was behind the surprising strength of the French support for Marine Le Pen. [Again, no evidence.]²⁵
- Russia is to blame for the weakness of Angela Merkel's political situation.
- Russia is to blame for civil protests and riots in America. [In fact it is proven that Communist George Soros has far more culpability in this matter, as well as Barack Obama and the mainstream media.]
- Newsweek stated that Russia '*controls the American mind*'.²⁶ [Are they serious?]
- Russia is even blamed for the acrimony between Poland and the EU.

This has now become farcical and ordinary people are not buying it. In fact the majority of Americans are sick and tired of it dominating the news. Even some mainstream media channels, like certain Fox News programmes, have condemned this farce.²⁷ The only real illegal collusion with US politicians and Russia was Hillary Clinton's uranium deal for bribes.

Russian ingenuity causes advances

Surprisingly, the sanctions led the Russians to use their ingenuity to come up with new methods of agriculture and industry and even of banking and finance. The result is that Russia has grown significantly; far greater than many European countries. It also led to new trade agreements (such as with China or India), new banking treaties and growing involvement in Latin American countries, including Venezuela, Brazil, Columbia, Argentina, Mexico, Chile and Cuba. Meanwhile the sanctions severely damage Europe.

²⁵ Le Pen's loans from a Russian bank mean nothing at all. The elite ensured that she could not get a loan from any European central bank so she was forced to get a loan from where she could.

²⁶ Russia Insider, 'In another MSM embarrassment Newsweek unironically says Russia 'Controls the American mind', 24 November 2017. Apparently Russia did this with one troll farm and \$4,700 Google adverts.

²⁷ E.g. Tucker Carlson.

Russia has a far more sensible policy towards finance and currency. It has been buying gold to boost its reserves for years and now has the world's greatest stockpile (perhaps excluding China). Thus its currency is solidly backed, secure and trustworthy to investors. This leads to increased inward investment. Putin also developed a trade bloc with China, which other nations are running to join, and also established the BRICS banking partnership followed by a replacement for the elite SWIFT transfer service, based upon gold. Thus Russia's economy, unlike America is sound and solid. Meanwhile the US crumbles under \$21 trillion of debt, a failing currency, the possible collapse of the Petro-Dollar agreement with Saudi Arabia and bonds that are worthless held by banks that are insolvent; oh, and America probably doesn't have any gold left.

Meanwhile, Russia's agriculture this year hit an all time high and produce prospers. The first of two oil pipelines to China was completed. Russia's GDP was better than most other countries. New figures from the IMF show that Russia's GDP is expected to exceed \$4 trillion for the first time, the 6th largest in the world, almost on a par with Germany, growing by 1.8% in 2017. In addition Russia has no national debt and large gold reserves.²⁸

Despite only funding the military at 10% of American budgets, Russia has achieved superiority over the Americans in almost every area except quantity. Its tanks are better, its aircraft are much better and much cheaper to produce, its submarines are cheap and more effective while its missiles outperform anything the US can do. By comparison, the ineffectiveness of US missiles was seen in the attack on a Syrian air base where 39 Tomahawk missiles were fired. The first salvo failed to reach the target at all. Of the second salvo, using a different guidance system, only two missiles actually hit the tarmac. Millions and millions of dollars to make two holes which were fixed in 24 hours.

The shocking poverty caused by inbuilt American military corruption is exemplified in the F-35 Joint Strike Fighter ('Lightning II'). This is a dog of an aircraft that is incredibly expensive and all tests are showing that it is too complex to work properly in almost every scenario.²⁹ It is even being outperformed in tests by F-16s that are four decades old.³⁰ Its uselessness is proved by the US Navy only ordering two while ordering 16 supposedly defunct FA-18s.

Meanwhile Russia has developed 4th generation planes like the Sukhoi SU 34 and 35 which are light years better and much cheaper, as well as Tupelov and MIG warplanes and bombers - the effectiveness of which has been seen in the Syrian conflict and which has disturbed the US military. Other nations see the value of this and are buying Russian warplanes instead of American ones, such as India which has a first class air force.

I will restrict the temptation to say more about military superiority; my main point is about moral superiority. At this point I need to explain who actually controls America.

Who rules America now?

America is now an anti-Christian state! Some may find this shocking but this has been the case for a long time if you know what is really going on.

²⁸ America has a national debt of \$21 trillion and no gold reserves. China has the largest economy of \$23 trillion.

²⁹ Stupid Britain is committed to buy these for the new aircraft carrier; itself an obsolete white elephant, when F-35s do not even work properly on ships at the moment. We would have been better off keeping British made GR7 Harrier jets.

³⁰ Daily Mail, 'Pentagon say reason most expensive fighter jet ever the F-35 lost a dogfight with the F-16 from 40 years ago was because it did not have a special coat of stealth paint', 3 July 2015.

Over a hundred years or even more, there has been a slow coup going on in the US.³¹ This has led to the operation of the Deep State (the control of military, finance, commerce etc.) and a Shadow Government (the overall political sovereignty), which is really controlling what America does, especially in foreign policy. Those who control America do not work for Americans but for another state that is centred in Communism. The federal government is a traitor to the American Constitution and virtually imprisons Americans in a host of draconian laws, repression and taxes.

All parts of US Congress are loyal to the Shadow Government above the interests of the American people. Multiple facts (whistleblowers, court cases, scandals, witness testimony) have proven that members of both Houses are thoroughly corrupt, with the exception of a very few people (like Rand Paul). The levels of corruption are shocking.

All levels of the secret services, the State Department, and the military complex are also thoroughly corrupt (why does the US need 17 secret services?). Huge amounts of money are wasted daily, despite the nation having a national debt of \$21 trillion. Money is thrown at everything (like military projects) that fail to perform. The corruption of the FBI alone is seen in the Las Vegas massacre where proven facts are denied and a false story is broadcast to protect the guilt of the FBI in other areas.

Meanwhile the nation suffers rust belts (ruined cities), massive unemployment, broken bridges, worn out roads and a failing infrastructure. The Deep State has crushed the country and stolen its assets.

We could write page after page outlining the failings and corruption endemic in America (which was why people voted for Trump) but enough has been said. What we need to know is who really controls the US?

Now the global elite are given all sorts of names (Illuminati etc.) but what is the main connection?

Many will assert that it is Freemasons, and indeed they play a part but Freemasonry was developed as a form of Judaism for Gentiles and thus it gained its occult character, chiefly worshipping Lucifer through proxies (Jahbulon etc.).³² Freemasons were involved in the original Illuminati in Bavaria. Some may assert that it is Jesuits, and again these play a part. The papacy became embroiled with Jewish Kabbalism, Talmudism and Luciferianism since the Middle Ages. Some may say that it is the bankers; but who runs the central banks? Some may say that it is the corporatists; but who runs the global corporations? Some say it is the royal bloodlines from Europe; these too play a part.

The people that hold all these things together and who form the centre of the power that is in control are Zionist Jews. This can be proved quite easily when one simply searches for the names of the people in control of all the important institutions, or the power players in world politics. Note that new members to the US Congress are asked to sign a pledge to support Israel; if they don't, all their funding ceases (thus they will not be able to stand for office again) and they are blackballed.

³¹ The policy was a slow take-over but heightened at certain points by a dramatic coup, such as in the assassination of JFK who was opposed to the elite and threatened its power, or after the 9/11 tragedy.

³² Catholic saint Maximilian Kolbe [1894-1941]. *'We can safely identify a criminal mafia called "Freemasonry". The hand manoeuvring all this toward a clear and specific goal is international Zionism'*. Henry Makow; 'Freemasonry is a Jewish Proxy'. Quoted in 'Illuminati 3: Satanic Possession', p14.

Who controls the central banks? Jews such as the Rothschilds, the Warburgs, the Morgans, Citibank, Goldman Sachs etc. Who controls the money supply (the Federal Reserve)? Answer, Jews such as the Rothschilds, JP Morgan and ten others. Who acts as chair or governor of the Fed? Jews such as Janet Yellen, Ben Bernanke, Alan Greenspan etc. Who installed Barack Obama's cabinet? The Jews in Citibank.³³ Who controls the press media? Mostly Jews.³⁴ Who controls the rest of mainstream media? 90% Jews. Who controls the entertainment industry (Hollywood, TV etc.)? Jews.³⁵ Who controls the financial markets, Wall Street and the City of London? Jews.³⁶ Who controls the world banks (IMF, World Bank, ECB etc.)? Jews. Who determines US foreign policy? *The Council on Foreign Relations*. Who runs the CFR? Jews. Who are the Neocons that had a stranglehold on the presidency? All Jews.³⁷ Most global firms are actually owned by five global corporations; who owns them? Mostly Jews. Who controls organised crime? Mostly Jews, certainly in the US and Russia. [Listing the names to prove all this would take up a book on its own.] Who are the main political power players? Jews like Henry Kissinger and George Soros.

Sometimes there is a Gentile puppet who fronts an organisation that is actually controlled by Jews internally, such as the IMF. Sometimes people portray themselves as Gentiles when they are Jews, such as Rupert Murdoch who promotes himself as Scottish but is a son of a Jewish mother.

When Trump came to office he promised to drain the swamp of the corrupt officials that ruled America (which were mostly Zionist and Neocon Jews). However, it soon became apparent that all of Trump's top advisors and officials were Zionist Jews and the swamp drained him.³⁸ This proves that the elite control the presidency (at least as far as foreign policy is concerned). In the past, presidents that resisted Jewish control were assassinated.³⁹

How did all this come about?

Jews are only about 2% of the American and any other population but are outrageously over-represented in the halls of power. This was what happened in 1930s Germany, which led to the rise of National Socialism since Germans were being scourged by leading, corrupt Jews. The national anger at Jews was created by the policies and actions of Jews that owned much of the infrastructure and who had declared economic war on Germans.

³³ As revealed by WikiLeaks.

³⁴ E.g. Time-Warner is owned by Jews. CBS is owned by Jews. ABC is owned by Jews. See later for more data.

³⁵ In 2003 it was reported that, '*seven Jewish Americans run the vast majority of US television networks, the printed press, the Hollywood movie industry, the book publishing industry and the recording industry*'. A vice president could say, '*The people who own and manage national impact media are Jewish and, with other influential Jews, helped create a disastrous US Mid-east policy*' ... *Not only the media but in academic communities, the financial communities, in the foundations*'. The elite hated Walt Disney because he owned an influential media company but was a Gentile; when he died they made sure the new CEO was Jewish. See later.

³⁶ Rothschild took over the Bank of England after the Napoleonic War.

³⁷ E.g. under GW Bush's presidency these included Dick Cheney, Donald Rumsfeld, Paul Wolfowitz, Richard Perle etc.

³⁸ Trump's Treasury Secretary is Steve Mnuchin (Jewish); his chief economic advisor, Gary Cohn, is Jewish; other presidential advisors include: Stephen Miller, David Freeman, Jason Greenblatt, Carl Icahn, Boris Epshteyn, David Shulkin, Reed Cordish, Abraham Berkowitz. The main influence over Trump is his son-in-law, Jared Kushner (a Jew) and his Jewish wife Ivana Trump who have very close ties to Israel.

³⁹ E.g. President McKinley was killed by Jews in 1901, specifically Socialist Polish Jew Leon Czolgosz. This was to regain the control of US currency after President Jackson stopped the Rothschild's central bank. See Bro. Nathanael, 'Assassination of President McKinley was by Jews'.

In fact, in the early 20th century several Jews explained how all this was going to happen by stealth over time, just as it did. Some of these were Jewish whistleblowers, others were boastful Jews who felt superior.⁴⁰

Saul Alinsky [1909-1972]

The global elite are Communists and tend to dominate through Socialist principles; but that is not to say that they haven't used right-wing puppets or appeared as Republicans. In fact some of their worst policies arrived with their control of GW Bush. Nevertheless, the base political stance is Communism (hence the establishment of Communism after the elite controlled Russian Revolution).

Alinsky was a Jewish Communist writer who had enormous influence over Democrats like Hillary Clinton and Barack Obama. His methods were revealed in his book, '*Rules for Radicals*' (1971)⁴¹ which taught how to reform a political system from within by a process of grass roots community actions and thus create a Communist state.

His motivation can be seen from his dedication of this book to Lucifer, the first rebel. Some would consider Alinsky a Neo-Marxist, but he is just a pragmatic Communist. In a 1972 Playboy interview he affirmed that he would choose to go to hell rather than heaven. This was not a nice person.

Hillary Clinton is the arch-puppet of the elite at the moment and a woman of great wickedness, which will one day come to light.⁴² Clinton was devoted to Alinsky and wrote a thesis about him, wrote to him and met him; in fact Alinsky turned her towards Socialism. His methods undergird all her political philosophy, which explains a great deal of her wickedness. He taught:

- Situation ethics.
- That radicals should create problems.
- That radicals should not fear corruption and should seek power.
- That love is a human frailty.
- That fear brings results.
- He questioned the role of law and taught that conflict was essential to an open society.
- He urged deception, such as hiding one's plans for power to coerce people by using the language of morality.
- Like Marx he demonised people for working hard and prospering in life, especially the middle class.
- Change is brought about by relentless agitation and trouble making, without any thought about resulting social chaos.⁴³

⁴⁰ See the Harold Wallace Rosenthal interview, 'The Hidden Tyranny', (1976).

⁴¹ Saul D Alinsky, '*Rules for Radicals: a pragmatic primer for realistic radicals*'.

⁴² Her sins include, treason, bribery, global fraud, cronyism, covering up paedophiles in Washington, the Libya scandal, perjury, and she has been accused by some investigators of murder and drug running. She is also an open witch.

⁴³ Note Clinton's effect on Libya.

- Always depict your opponent as evil, slander them and try to destroy them.⁴⁴
- Bully the people with a relentless programme of change.
- Finally, target the churches for radical infiltration (as he infiltrated the Catholic Church).⁴⁵

Much of this comes straight out of Jewish Talmudic doctrine.

The elite's methods in taking over the USA demonstrate the tactics of Alinsky: a commitment to slow, phased control of everything over time. The current actions of George Soros in funding Antifa are straight out of Alinsky: civil disobedience and guerrilla tactics while demonising Trump at every opportunity.

Take over the money supply

Let me issue and control a nation's money and I care not who makes the laws.
 Father of Mayer Amschel Bauer (1744-1812), who later changed his name to Rothschild (1790).

Those who control the nation's money control the nation. In America the Constitution understood this and stipulated that the government treasury department should control banks and print currency without debt. A battle ensued for the Rothschilds to control the US banking system over many decades. They eventually succeeded in this through furtive means in 1913. Then began a process of installing subsidiary 'federal' banks in other states and all around the capitals of the world. They already owned the Bank of England.

Thus the US Federal Reserve is not federal at all but is a private central bank with shareholders. Its board is a series of bankers led by the Rothschilds. The policies of the Fed are responsible for racking up huge amounts of debt in a Ponzi scheme system, which is out of control. Individual citizens are broke and in debt while the government national debt is over \$20 trillion, which is unpayable. US Treasury bonds are actually worthless. Already Puerto Rico has financially collapsed; other nations will follow. Even Germany's banks are on the verge of collapse, especially Deutsche Bank, which is trillions in debt.

In this crooked system, bankers, financiers and corporatists have been able to get rich beyond all imagination. The top 1% (or even less) of the population owns most of the money while the rest of the population is poor or struggling with wage values going backwards. Thus some call the global elite a Kleptocracy (e.g. Max Keiser).

All this is part of the plan for the elite to control nations. As part of the 1% their riches enable them to have great power, and particularly the power of political control.

Take over the political establishment

The way this covert rule is performed is to control both sides of the left and the right. Thus whatever government is in power, only what the Shadow Government desires is what gets done.

This is achieved by a number of means. These include:

- Getting your own people into positions of government

⁴⁴ Note the elite's constant smearing of Trump in the media.

⁴⁵ E.g. the Campaign for Human Development (1969) was an Alinsky branch of the US Conference of Catholic Bishops having offices in dioceses across the US.

- Getting your own people into senior civil service positions.
- Getting control of government agencies.
- Blackmailing current Congressmen by filming them committing sexual abuse or corruption. [This is done by providing call girls, sexual entertainment and establishing paedophile rings within government.]
- Paying people off and making them rich (bribery).
- Propaganda attacks to smear opponents.
- Financially destroying opponents.
- Killing those who oppose you.
- Frightening people with threats to their family.

Total control of the media; elimination of free speech

In order to control society the elite first control the media so that everything is filtered through their policies. Mainstream media has become a joke, especially in America, where fake news is spewed out day by day. This used to brainwash the masses but now the people have become savvy to what is going on and no longer trust it but look to independent sources.

Thus the elite is now involved in a process of closing down free speech illegally to try to eliminate the alternative news media that opposes it and which is so popular. Videos get de-monetised, videos get deleted, channels get terminated, posts get removed, Facebook pages get targeted. All of this is both illegal (against the Constitution) and against natural law. The fact is that the Jewish owners of Google, Facebook, YouTube etc are simply tools of the global elite and are merely pawns for the bigger satanic game.

Take over education

Education and entertainment are also under the complete control of the elite, hence the programming and conditioning of kids to change their moral basis from Christian to pagan, to be emotionally unstable and to be completely dumbed-down. There is no space for more on this here.

The education of elite children in private institutions is of a higher standard.

Prior loyalty to Israel

The big problem with Zionist Jews in positions of authority in the US is that their prior loyalty is to the State of Israel. Indeed, many Zionists in power have dual Israeli/US citizenship. This is why policies continue to be developed by the US that work against Americans but favour Israel.

It also explains why billions of tax-dollars go to Israel every year as 'aid'; this is \$10.1 million every day. Palestinians suffering from US made bombs receive nothing. Obama signed a new 10-year deal with Israel to give a package of \$38 billion over ten years. This is in additions to billions raised by fundraisers and charities.

Expressions of this control

Hatred of Christianity

Talmudic Jews are Luciferians. They hate Christianity, blaspheme Christ in the foulest ways and promote the killing of Christians (as well as multiple sins including paedophilia). All these come from the Talmud and one can easily find the proof of its wickedness in page after page. [See later for some examples.]

Many Jewish sources openly state that the god they worship is Lucifer. For example, ‘*Most Jews do not like to admit it, but our god is Lucifer ... and we are his chosen people. Lucifer is very much alive*’.⁴⁶ This was said by Harold Wallace Rosenthal in an interview with Walter White Jnr., the editor of the Conservative monthly *Western Front* in 1976. Rosenthal was the PA to New York Senator Jacob Javits.

Thus it comes as no surprise that American foreign policy, under the control of Talmudic Jews, has been responsible for tens of thousands of Christian deaths in recent years. Many were killed in the destruction of Mosul alone (an illegal operation); thousands were killed by US proxy jihadis in Syria.

Note the allies and enemies of America:

Ally of America	Enemy of America
Saudi Arabia – which kills Christians by proxy (jihadi terrorists) and is guilty of massive civil rights abuses. Its formal religious policy is to kill Christians and other non-Muslims. [This also applies to the Gulf States .] The US and UK sell billions worth of arms to the Saudis which is used to kill civilians in Yemen.	Russia – which is now a Christian nation experiencing a revival of Russian Orthodoxy. It is formally committed to democracy and Christian principles.
Israel – which hates Christians (see the Talmud), wishes to enslave Gentiles (see the Talmud), which is guilty of massive civil rights abuses, apartheid and massacres. Israel’s Mossad was behind many false flag attacks on the US, which many believe includes 9/11 in co-operation with the Saudis. The US gives Israel billions in aid packages every year.	Syria – which has always protected the civil rights and toleration of minorities, including Christians. It is a safe haven for Christians in the Middle East under Assad (but a dangerous place wherever US supported Muslims are in control).
Britain – which is America’s lap dog. It fully supports US foreign policy and has heavily financed and supported jihadi terrorists in Syria and elsewhere – who kill Christians.	Iraq – which has been a safe haven for Christians for thousands of years until America stepped in. After many Christians were killed through US military action, and many fled the country in US occupation, the last safe centre for Christians in Mosul was bombed to smithereens by America killing thousands of civilians including many Christians.
France, Germany and the EU generally – the EU was originally formed with the aid of the CIA to be a United States of Europe run by the elite who run the US. It is also America’s lap dog. It fully supports US foreign policy and has heavily financed and supported jihadi terrorists in Syria and elsewhere – who kill Christians.	Libya – which had relented on its terrorist supporting past and had established a socialist benign government under Gaddafi including toleration of Christians. After US airtrikes and fomented coup, it is now a failed state where Christians are killed and enslaved by Muslim terrorists supported by America. The slavery capital of Africa is now Libya.
Egypt – which persecutes Christians, especially Coptic Christians, in brutal ways that include crucifixion. The US gives Egypt billions in military aid.	North Korea – whose official published policy is the toleration of Christian churches.
Turkey – Turkey has an appalling human rights record and many Christians have been persecuted in an increasingly Islamic society that was once secular.	China – which has a very large population of Christians. Although China has persecuted churches in the past under Mao they are tolerated to a degree today.
	Iran – although Christians were harassed under Khomeini, churches are able to survive in Iran despite its Muslim overlordship. Historic Armenian and Assyrian churches are protected by law. Meanwhile Christianity is growing at the fastest rate in the world.

Paedophilia

One day the level of sexual abuse, rape, torture and murder of children will come into the open. Data is emerging from victims but it is quickly shut down by those in power and denied.

Paedophilia serves multiple purposes for the elite.

⁴⁶ The Harold Wallace Rosenthal interview, ‘The Hidden Tyranny’, (1976) [available on-line free].

- It serves as a significant attack on Christ and Christian doctrine since nurturing of children, to whom the kingdom belongs, is a vital issue.
- It serves the purpose of Satan since many of the child murders by the elite are human sacrifices to the Devil in satanic rituals to gain supposed spiritual power. Some of these are found in the teachings of Aleister Crowley [1875–1947] and his Thelema school. Friends of Hillary Clinton have been exposed as practising Thelema magic using foul rituals involving human body secretions ('Spirit-Cooking').
- The sick elite perverts like it. There is abundant evidence linking powerful elite people, like Bill and Hillary Clinton, to paedophiles and paedophile networks (such as Jeffrey Epstein – a Jew who ran a sex island until his conviction).⁴⁷
- It enables blackmail. Many politicians are being blackmailed through films of them committing deviant and criminal sex with children.

Thus there are multiple reports about paedophile hotels run for high level politicians and statesmen in America, especially in Washington DC where individuals can order what they want as if ordering a meal. Ex CIA leader Robert Steele says that bodies of tortured and murdered children are disposed of in a great incinerator in New Jersey.

It should be no surprise that Talmudic Jews are involved in such crimes as the Bible explains how the Jews committed ritual sacrifices of children to Molech in the OT. The Talmud also endorses paedophilia and murder of Gentiles (see later)

A constant attack on Russia and Christians

Since the focus of the global elite, as the pawns of Satan, is to destroy Christianity on the path to creating a world power, one current focus of attack is Russia, where Christianity and Christian principles are flourishing in a revival.

In the recent past I have explained how Middle Eastern nations that gave protection to Christian churches and other minorities were targeted for regime change and war by the elite. This was to fulfil plans made with Israel (the Yinon Plan) and Saudi Arabia (Wahhabi war against Shi'ites). Thus thousands of Christians were killed by: a) America forces (e.g. in Iraq; b) American munitions in multiple states (e.g. missiles in Libya); c) proxy terrorists working for the US and funded, trained, and supported by it (e.g. in Syria).

Promotion of continual wars

No wars occur unless my sons deem it so.
Mother of Mayer Rothschild.

The plan to enhance the State of Israel to Greater Israel by sub-dividing neighbouring states and annexing them is leading to war after war in the Middle East. Next in line are a potential war with Iran, which could start a world war, and a war with Lebanon. Meanwhile America is dropping bombs and missiles in multiple nations illegally: Pakistan, Afghanistan, Somalia, Yemen etc. Israel is deploying missile strikes on Syria illegally. Both America and Israel have illegal military bases in Syria. Whistleblowers in the NSA and CIA have stated that Israel has given the US until February to start a war in the Middle East.⁴⁸

⁴⁷ Prince Andrew and many others have been linked to Epstein and this orgy island involving minors.

⁴⁸ This could be against Syria first but Israel also wants war with Iran, as does Saudi Arabia. Meanwhile Israel is ramping up for war with Lebanon again, which Saudi Arabia seems to be complicit in. The problem

Over and above all this, the US is constantly threatening war with Russia and even provoking China in the South China Sea, as well as talking about removing Kim Jong Un from power in North Korea. All of these could start a world war also.

The reasons why the elite like war is: a) to make tons of money. All wars lead to bankers becoming filthy rich.⁴⁹ The second is that each war is intended to play a part in the gradual development of world power. For example: WWI was to destroy empires and national sovereigns,⁵⁰ destroy Russia⁵¹ and begin the process of Zionism.⁵² WWII was to develop Communism in the USSR⁵³ and Europe, destroy Germany, initiate the European Union and to initiate the State of Israel in Palestine.

Development of domestic despotism

The elite are a despotic group of only a few thousand people. However, the top table is led by a powerful cabal of bankers, financiers and corporatists creating an oligarchy, the elite of the elite.

Wherever they have influence they seek to create a dumbed-down, passive, heavily regulated society. Thus laws are passed which are draconian in intensity and wicked in their import. Americans are controlled by this heavy totalitarianism even now. Citizens can be arrested without trial and locked up indefinitely. All citizens' personal details are stored on databases. All citizens' mails, emails, telephone calls, texts and posts are saved and collated for later use. The police have become heavily militarised. Police can (and do) shoot suspects and not face a murder trial.

Depopulation and making society weaker

Because the elite are evil, one of their goals is to depopulate the earth and remove over six billion people. Thus the elite are actively involved in multiple means of achieving this.

One method is to target certain people groups for sterilisation. One racial group that has been targeted is Black Africans. Historically, various means have been used including aerial spraying over Black neighbourhoods causing cancer. Today the commonest method is using vaccines. Some vaccine programmes are used to actually bring illness to certain areas. The Ebola crisis in Africa, for example, began in vaccinated areas. The biggest threat is sterilisation through vaccination, against targeting Blacks. This has been proved by independent laboratories.⁵⁴

Another method is promoting foods that destroy sperm counts in men. In the last 20 years the sperm count of western males has collapsed. One reason is the use of oestrogen in foods, both natural and chemical. For example, the elite kills two birds with one stone when it promotes soy food and drinks. Soy drinks in particular contain a lot of natural

is that war with Syria or Iran would escalate into war with Russia, and then world war. Robert Steele has reported this in interview with Sarah Westall.

⁴⁹ The Rothschilds, for example funded both sides in the Napoleonic War and even in the Second World War. Britain only paid off its WWII war debt to bankers just over ten years ago.

⁵⁰ Which it did successfully, such as: the Ottoman Empire, the German Empire and monarchy, the Austro-Hungarian Empire and monarchy.

⁵¹ The Jewish elite hated Russia after the earlier persecutions and banishment.

⁵² *The Balfour Declaration* to Lord Rothschild in 1917.

⁵³ The USSR had a huge boost of industrialisation due to American injections of cash and expertise. This was initially to boost arms production to fight on the eastern front, such as the T-34 tank, which was the best on the field at the time. However, it gave a great impetus to the previously backward economic state. After the war, Jewish Communists in America gave the plans of nuclear weapons to the USSR. This enabled the two superpowers to be on a par.

⁵⁴ See *The Health Ranger*.

oestrogen-creating chemicals, which reduce male sperm counts and feminise men. This feminisation makes men useless to be active as thinking opponents of the state making them whinging snowflakes. But soy is also full of genetically modified organisms and GM food (due to pesticides and herbicides) has been repeatedly proven to be highly toxic. Thus 93% of Americans now show Glyphosate in their bloodstream. It is even found in the milk of nursing mothers and the blood of foetuses. This is known to cause cancer, neurone damage and many other sicknesses.

There are multiple other results of the elite controlling Big Pharma, which is making trillions of dollars making people sick for no need. The HPV vaccine, for one example, is killing girls, paralysing others and does no good whatsoever to stop uterine cancer. The side effects to this one vaccine are more than every other vaccine added together. It has also been proved to be pointless and damaging. Why is it still being actively promoted? It makes money for the elite and kills people; job done.

Introduce and encourage multiple perversions and dystopia

All forms of this are a means to make society weak and ineffective so that the people cannot revolt.

As well as the chemical feminisation of men, there is also a constant psychological assault on men from the nursery upwards. This aims to make men into feminists and even to make them confused about their own sexuality. Feminised men are no threat to a totalitarian government.

Thus we see a massive rise in cases of even children under seven asserting that they are the wrong gender, and stupid parents cave in to this and initiate medical programmes to enable this life choice. These include hormone therapy but in serious cases it includes surgery. Of course we already see examples of men in later life that deeply regret this medical intervention because the cause was a phase of psychological disruption and illness in their immature life, but medical changes have then ruined them.

Another aspect is the introduction of homosexual advances in society. This was also done to a) reverse Biblical principles; b) make society confused and weaker. Thus homosexuality has gone from being illegal in the 1960s to now dominating the media, education, and entertainment.

The psychological collapse of young people is evidenced in many ways, but it includes the fact that as well as people identifying as the opposite sex, people are now taking this confusion even further. For example:

- There is a girl who identifies herself as a lizard and uses make up to have the appearance of a reptile.
- There is a middle-aged man with a wife and children who has abandoned his family to pretend to be a six-year old girl. He has moved in with a sick older couple who treat him as a young girl.
- There are now many people that live with dolls and manikins, even using such things for sex.
- There are white people who affirm that they are actually Black and get their hair turned into dreadlocks but their skin is white.
- There is a fat, white American man who has affirmed that he is actually a Filipino, even though he cannot speak that language.⁵⁵

⁵⁵ The national language of the Philippines, a standardised form of Tagalog.

Such things have caused many sane commentators to state that the world has gone mad. But that is what the elite want. They want a confused, depraved and weak society that they can dominate.

Ruin Christian morals through relentless media and education outlets

Here I will simply list some of the outlets involved.⁵⁶

- Viacom Inc. is owned by Murray Rothstein (aka Sumner Redstone). This promotes pornographic videos, violence inducing Gangsta-rap (MTV) and a Gay cable channel. Viacom was merged with Westinghouse Broadcasting's CBSC television with a new board consisting mostly of Jews with Redstone as Chairman.
- Comcast owns NBC. This is owned by Brian Roberts (a Jew) and Jeff Zucker was appointed CEO of NBC Universal. Roberts holds awards from the Simon Wisenthal Centre, the United Jewish Appeal of New York and the Anti-Defamation league of B'nai B'rith.
- ABC is owned by Walt Disney Company, which has Robert Iger (a Jew) as President. The largest shareholders are Sidney Bass (a Jew) and his brothers.
- Walt Disney Productions is owned by the Jew Michael Eisner. [As an example of corruption, note in the animation *Pocahontas* (one of his first films) that the whites are shown as contemptible and John Smith discards Christianity to follow Indian shamanism. In fact it was Pocahontas that converted to Christianity in real life.]
- CNN is a holding of Time Warner, which is owned by the Jewish Bronfman family.
- Newsweek and the Washington Post are owned by the Eugene Isaac Meyer 'Graham' family. Eugene Meyer was chairman of the Federal Reserve in the 1930s. His heir, Katherine, took her husband's surname 'Graham'. Her son Donald is the current chairman of the Meyer-Graham concerns.
- News Corporation (which includes FOX News and the Wall Street Journal) is owned by Rupert Murdoch; a Zionist Jew.
- The New York Times is owned by the Sultzberger family.
- US News and World Report is owned by Mortimer Zuckerman.
- US movie directors are mostly Jews, such as Stephen Spielberg, Woody Allen (i.e. Allan Koningberg, a paedophile), Jim Abrahams, JJ Abrams, Michael Bay, George Cukor, David Cronenberg, Cecil B DeMille, Richard Donner, David, Max and Richard Fleischer, Zoltan Korda, David Mamet, Leonard Nimoy, Frank Oz, Alan J Pakula, Roman Polanski, Sam Raimi, Harold Ramis etc. etc. Wikipedia lists scores of mainstream movie directors that are Jews. [I do not claim that all movie directors are subversives but that they are over-represented by a minority demographic.]
- The American Library Association president is Leslie Burger.
- The American federation of Teachers president is Ted Kirsh.
- The Communication Workers of America president is Morton Bahr.
- The Newspaper Guild chairwoman is Carol Rothman.
- The executive director of the National Academy for Science is Harvey Fineberg.
- The American Psychiatric Association president is Paul Applebaum.
- Simon and Shuster Publishing is owned by Viacom.
- Random Hose publishing is owned by Samuel Newhouse and family.

The Talmudic policy of conditioning people through the media:

⁵⁶ I acknowledge some assistance here from Bro. Nathanael.

- Replace marriage with divorce.
- Advocate abortion on demand.
- Destroy historic family life (e.g. show married life as full of strife, or show adultery as normal if you follow your heart, show women working not homemakers).
- Advance Feminism.
- Demand that homosexuality is normal.
- Emphasise the erotic.
- Corrupt western Christian history.
- Support evolutionary theory and Eugenics.
- Promote Socialism.

And so on. [Note that amongst themselves, rabbis teach the opposite of these things to Jews; '*Homosexuality is for Goys*', for example.]

Remember that Jews comprise only 2% of the American population. Such power concentrated in a minority is extremely dangerous; worse if that minority has morals devoted to destroying Christianity.

Summary

The world is still centred on tension between two great superpowers (though China is also emerging).

Russia is no longer Communist but a lesser form of Socialism. It is currently led by a man who claims to be a Christian and had proved to be a devout supporter of Russian Orthodoxy. He has supervised the dragging up of Russia from the gutter to be a vibrant, powerful, economically successful world power to be reckoned with. In addition there is a Christian renaissance underway, fully supported by Putin, and Christian mores undergird the nation. Russia no longer threatens any western nation but is determined to defend itself against western aggression. It has repeatedly sought to enable peaceful treaties in contended areas like Syria, rebuffed by America.

America is no longer free, democratic or peaceful. It ceased to be a Christian nation years ago. It suffers from draconian despotic laws that seek to repress the people. The real rulers of the US have been those in the Shadow Government and Deep State, many of which are Jews. Foreign policy is determined by Jews, Neocons and Zionists, for the sake of Israel. Jewish lobbies control most of Congress (such as AIPAC). Foreign policy that supports Jewish Zionist goals has murdered thousands of Christians and killed over a million and a half innocent people since 2001. Critics are silenced by the Zionist Anti-Defamation league and others like it.

This is a great reversal.

The position of 'Jews' at the end

Because anti-Semitism is such a provocative issue; because claims of racism are so prevalent today (even though Jews are not a race),⁵⁷ because the elite control hate-laws which put people in prison for questioning the Zionist hegemony, I will stick to hard facts here and not speculation or conjecture.

⁵⁷ Jews are many races (Khazars, Edomites, Yemenites etc.) with a common culture and religion.

Who can you not criticise?

It has been said that if you want to know who controls the world, ask who you are not allowed to criticise without punishment. Many eminent historians have been severely punished for questioning Jewish claims; some have been imprisoned for years. One admirable historian in Germany, Ursula Haverbeck, has been threatened with prison twice, despite being in her mid-80s, for denying the Holocaust.⁵⁸ Only questioning Jews or Jewish history can get you incarcerated in prison for thought crimes against a religious group. You can slander and lie about Christianity quite safely, but do not question the Holocaust.

Any group that is beyond valid criticism and whose axioms, when questioned, are sanctioned by imprisonment is clearly using despotic powers and destroying civil liberty. This is straight out of Orwellian fiction.

That the top echelons of power in every area of society are occupied by Jews is unquestionable because it can be seen by simple research. Are those that rule society pursuing wicked and insane policies? Yes they are. Who are these people? Just go and look.

Who are the enemies of Christ?

Who were the enemies of Jesus? Jews; in particular the religious and social leaders of the Jews. The synoptic Gospels identify Jesus' enemies as scribes, Pharisees, Sadducees, priests and Herodians. John's Gospel simply calls the enemies of Jesus, 'the Jews'. Jesus condemned them all in powerful terms.

When he saw many of the Pharisees and Sadducees coming to his baptism, he said to them, 'Brood of vipers! Who warned you to flee from the wrath to come?'. Matt 3:7

The Pharisees went out and plotted against Him, how they might destroy Him. Matt 12:14

They are blind leaders of the blind. And if the blind leads the blind, both will fall into a ditch. Matt 15:14 [Followers of Pharisaic teaching are just as guilty as the rabbis that teach it.]

They understood that He did not tell *them* to beware of the leaven of bread, but of the doctrine of the Pharisees and Sadducees. Matt 16:12

Woe to you, scribes and Pharisees, hypocrites! For you devour widows' houses, and for a pretence make long prayers. Therefore you will receive greater condemnation. Woe to you, scribes and Pharisees, hypocrites! For you travel land and sea to win one proselyte, and when he is won, you make him twice as much a son of hell as yourselves. Matt 23:14-15

You are witnesses against yourselves that you are sons of those who murdered the prophets. Fill up, then, the measure of your fathers' *guilt*. Serpents, brood of vipers! How can you escape the condemnation of hell? Matt 23:31-33

Then the Pharisees went out and immediately plotted with the Herodians against Him, how they might destroy Him. Mk 3:6

Woe to you, scribes and Pharisees, hypocrites! For you are like graves which are not seen, and the men who walk over *them* are not aware of *them*. Lk 11:44

⁵⁸ One of her crimes was repeatedly writing to the German authorities asking where six million Jews were killed in the Holocaust. She never received an answer.

The Jews persecuted Jesus, and sought to kill Him. Jn 5:16

The Jews sought all the more to kill Him. Jn 5:18

The Jews sought to kill Him. Jn 7:1

The Jews took up stones again to stone Him. Jn 10:31

When the chief priests and officers saw Him, they cried out, saying, 'Crucify *Him*, crucify *Him!*' Pilate said to them, 'You take Him and crucify *Him*, for I find no fault in Him'. The Jews answered him, 'We have a law, and according to our law He ought to die, because He made Himself the Son of God'. Jn 19:6-7

From then on Pilate sought to release Him, but the Jews cried out, saying, 'If you let this Man go, you are not Caesar's friend. Whoever makes himself a king speaks against Caesar'. Jn 19:12

Who killed Jesus? Jews and Messianic Christians will say, 'The Romans' but that is not what the Bible says. The Bible clearly says that it was the Jews that killed Christ. Thus Jews were the enemies of Christ throughout his ministry and were also the murderers of Christ. This rejection of the Messiah by his own people was prophesied by Christ many times.⁵⁹

From that day on, they [chief priests and Pharisees] plotted to put Him to death. Jn 11:53

Judas, having received a detachment of *troops*, and officers from the chief priests and Pharisees, came there with lanterns, torches, and weapons. Jn 18:3

All the people answered and said, 'His blood *be* on us and on our children'. Matt 27:25

Him, being delivered by the determined purpose and foreknowledge of God, you have taken by lawless hands, have crucified, and put to death. Acts 2:23

Jesus Christ of Nazareth, whom you crucified. Acts 4:10

The God of our fathers raised up Jesus whom you murdered by hanging on a tree. Acts 5:30

And we are witnesses of all things which He did both in the land of the Jews and in Jerusalem, whom they killed by hanging on a tree. Acts 10:39

Those who dwell in Jerusalem, and their rulers, because they did not know Him, nor even the voices of the Prophets which are read every Sabbath, have fulfilled *them* in condemning *Him*. And though they found no cause for death *in Him*, they asked Pilate that He should be put to death. Acts 13:27-28

So, those who killed the physical body of Christ on Earth were Jews, particularly the Pharisees who followed their own traditions rather than the Torah.

⁵⁹ Matt 21:42-45, 'Jesus said to them, "Have you never read in the Scriptures: "The stone which the builders rejected Has become the chief cornerstone. This was the LORD's doing, and it is marvellous in our eyes"? Therefore I say to you, the kingdom of God will be taken from you and given to a nation bearing the fruits of it. And whoever falls on this stone will be broken; but on whomever it falls, it will grind him to powder.'" Now when the chief priests and Pharisees heard His parables, they perceived that He was speaking of them'.

My contention is that, at the end, it will be those who call themselves Jews, followers of Pharisaic Talmudism,⁶⁰ that will try to kill the corporate body of Christ.

Does the Bible give us any clues about this? Yes it does.

Firstly, Paul tells us that it is the Jews who are the enemies of the Gospel. Paul also condemns them as children of wrath (like the Pharisees).

Concerning the gospel *they are* enemies. Rm 11:28 ['Enemies' = hostile, hated, odious.]

The Judaeans, who killed both the Lord Jesus and their own prophets, and have persecuted us; and they do not please God and are contrary to all men, forbidding us to speak to the Gentiles that they may be saved, so as always to fill up *the measure of* their sins; but wrath has come upon them to the uttermost.
1 Thess 2:13-16

Note that Paul states that Jews are hated as regards the Gospel. As enemies of the Gospel they are hated by God and men.

Secondly, Acts shows us that Paul's statement is true; it was Jews that caused localised revolts against Gospel preaching all over the empire. It was Jews that caused the arrest and trials of Paul.

When the Jews saw the multitudes, they were filled with envy; and contradicting and blaspheming, they opposed the things spoken by Paul. Acts 13:45

The unbelieving Jews stirred up the Gentiles and poisoned their minds against the brethren. Acts 14:2

Then Jews from Antioch and Iconium came there; and having persuaded the multitudes, they stoned Paul *and* dragged *him* out of the city, supposing him to be dead. Acts 14:19

The Jews who were not persuaded, becoming envious, took some of the evil men from the marketplace, and gathering a mob, set all the city in an uproar and attacked the house of Jason. Acts 17:5

When the Jews from Thessalonica learned that the word of God was preached by Paul at Berea, they came there also and stirred up the crowds. Acts 17:13

The Jews with one accord rose up against Paul and brought him to the judgment seat. Acts 18:12

As they were seeking to kill him, news came to the commander of the garrison that all Jerusalem was in an uproar. Acts 21:31

Thirdly, John explains, in Revelation, that Jesus condemned those who called themselves Jews but were actually a synagogue of Satan.

I know the blasphemy of those who say they are Jews and are not, but *are* a synagogue of Satan. Rev 2:9 [To Smyrna.]

⁶⁰ The Babylonian Talmud was written by the descendants of the Pharisees that Jesus condemned. Modern Judaism is Pharisaic religion condemned by God (except for the small minority of Torah Jews).

Indeed I will make *those* of the synagogue of Satan, who say they are Jews and are not, but lie -- indeed I will make them come and worship before your feet, and to know that I have loved you. Rev 3:9 [To Philadelphia.]

The messages to the seven churches are exhortations to the church throughout history and particularly the end of history. A feature of opposition to the church includes a Jewish synagogue (assembly) of Satan.

There is a group of supposedly Jewish people having power in the world that are actually pawns of the Devil. They are not ethnic Jews at all but are false Jews. This would apply to the Khazars that rule the world now and particularly rule Israel.

At this present time we have the occupants of the high places on Earth (in politics, banking, media and commerce) being mostly Khazar Jews.⁶¹ These are endeavouring to build a world empire that is devoted to Lucifer. This has all the appearance of coming under the banner of the synagogue of Satan prophesied by Jesus.

Conclusion

From the beginning, God called Jews a 'stiff-necked people'. They continually disobeyed him throughout OT history and committed spiritual adultery over and over again. Worse than that, their idolatry involved the sacrificial murder of infants in fires to Molech.

Note that the last word of the OT is 'curse'. In that book Malachi says, 'Judah has dealt treacherously, and an abomination has been committed in Israel and in Jerusalem, for Judah has profaned the LORD's holy institution which He loves: he has married the daughter of a foreign god' (Mal 2:9) and 'You are cursed with a curse, for you have robbed Me, even this whole nation' (Mal 3:9). The promises of blessing in Malachi are to those in the New Covenant after the coming of Christ; those who love God faithfully (Mal 4:2-6).

In NT history it was the leaders of the Jews that rejected Jesus and attacked him at every opportunity. Eventually the sects grouped together, with the people, to denounce Jesus to Pilate and secure his death, accepting the blame on themselves and their descendants.

At this present time it is the policy of Neocon Zionists, mainly through the US and the UK, which has been killing Christians in the Middle East through bombs, missiles and proxies. Jews in positions of power have been instigating change after change through legislation to attack the Christian basis of western society at every level.⁶² Jews like George Soros are behind the orchestrated migrant crisis in Europe, which is ruining society and raping young girls. The biggest threat to Christian principles in western society is Zionism.

This attack on Christianity will continue, as the book of Revelation makes clear. Those who are intent on killing the corporate body of Christ are the same followers of Pharisaism that killed Jesus.

Disclaimer

I am not a hater of Jews; indeed I have had Jewish friends and admire many Jewish musicians, artists and performers. My favourite singer-songwriter was Ashkenazi Jewish (Laura Nyro).

Individual Jews are not the problem. Indeed, some sub-sets of Jews agree with what I say. These comprise both atheistic, non-political Jews and Torah Orthodox Jews who hate Zionism as being contrary to God's laws. Indeed, there are many Jews who campaign against the government of Israel and openly support Palestinians under siege. In the last 100 years, many Jews have spoken out against Israel and Zionism and its subversion of America. Today one of these, Brother Nathanael, is publishing highly effective videos explaining this. He is an American Jew that converted to Russian Orthodoxy.

The problem is with Talmudic Jews who are committed to evil as part of their religion⁶³ and Zionists who are committed to elevate Israel above all the nations on Earth and dominate every sphere of life and then enslave Gentile humanity.

NB some statements by good Jews:

- *'All Jews are crooks ... [involved in] monkey business.'* A 90-year old Jewish grandmother living in Jerusalem (the reference is to usury). A film by the grandson, Yoav Shamir, *'Defamation'*, Cinephil, Knut Ogris Films.
- *'Jews control the world.'* Jerusalem Jew, *'Defamation'*, Cinephil, Knut Ogris Films.
- *'Jewry is destroying Christianity throughout the world.'* Brother Nathanael Kapner (a Jew), Mission Statement.

Statements by the Jewish Press:

- *'[Israel is] World leader in the sex-slave trade.'* *Jerusalem Post* magazine, 16 June 2000.
- *'Israel at the centre of the ecstasy drug trade.'* *Haaretz*, 29 November 2009.
- *'Israel admits organ harvesting.'* *The Guardian*, 21 December 2009.

The biggest problem in the world today is Talmudic / Kabbalistic Zionism. This is even using Islamic Salafism to its own ends.

Conclusion

The current situation

In the past the warfare between Christianity and atheism was centred in a Christian, right-wing America versus a Communist, left-wing USSR. This is now reversed. Today, America is dominated by a Socialist Shadow Government committed to war and hostility against Russia, which is a slightly right-wing, Christian state.⁶⁴

Most Christians have not woken up to this fact. Added to this is the global elite sponsored development of Dispensationalism and Messianic Christianity whereby gullible Christians believe the ludicrous propositions of political Zionism. This leads churches to proclaim support for Israel at any costs and to call for war against nations that Israel feels threatened by.

⁶³ Talmudic Jewish groups, like the Sabbateans, actually have a doctrine that teaches that when the earth is filled with evil, then their messiah will come. Their messiah is corporate Jewry. Thus they do all they can to perpetuate universal wickedness. [See appendix.]

⁶⁴ In comparison to its previous history.

The most appalling spectacle is when American churches cheer on Israel and call for nuclear war against Israel's enemies, including Russia. They thrive on the massive anti-Russian propaganda that is being promulgated, especially the false claim (there is no evidence) that Russia intervened in the American presidential election and the UK's Brexit vote.

Thus US Christians fall completely under the spell of a satanic snare, presided over by the elite, to support Luciferians and murder Christians in many states and attack a nation committed to Christian reforms. This is insane. US Christians that support Israel and support US foreign policy literally have Christian blood on their hands.

If claimed Christians have no discernment whatsoever to understand the folly of this, then I have to say that I doubt that they can be true Christians at all. They are completely in the control of the enemy of Christ. Let's look at some details.

- How can you be a Christian and support Jews that teach that Christ is suffering boiling excrement in hell? This is what the Talmud teaches.⁶⁵
- How can you be a Christian and support Jews that teach that sex with a three-year old girl is OK? This is what the Talmud teaches.⁶⁶
- How can you be a Christian and support Jews that teach that perverse sex is acceptable, including bestiality? This is what the Talmud teaches.⁶⁷
- How can you be a Christian and support Jews that teach that sex with young boys is OK? This is what the Talmud teaches.⁶⁸
- How can you be a Christian and support Jews that teach that stealing from Gentiles is fine? This is what the Talmud teaches.⁶⁹
- How can you be a Christian and support Jews that teach that murdering Gentiles is fine? This is what the Talmud teaches.⁷⁰
- How can you be a Christian and support Jews that teach that lying and perjury is acceptable? This is what the Talmud teaches.⁷¹
- How can you be a Christian and support Luciferianism?⁷²
- How can you be a Christian and support US foreign policy that has killed millions of innocent civilians, including thousands of Christians?⁷³
- How can you be a Christian and support unnecessary and illegal foreign wars that cost the US taxpayer trillions?⁷⁴
- How can you be a Christian and support US policy to create, support and fund Muslim terrorists that behead Palestinian, Iraqi and Syrian children.⁷⁵

Appendix One

Who owns Jerusalem?

This is not the place for a theological debate and you can see my contentions against Christian Zionism in many papers and in my book *'The Veil of Moses'*. But let's take just one key issue: Jerusalem.

Jerusalem was, for a long period, a Canaanite city, latterly held by the Jebusites. It was overcome by David, as king of Israel, becoming his capital. Israel only existed for a short time as a united monarchy under the rule of Saul and then David and for a short time by Solomon. After the break up of the nation, Israel was the term for the Northern Kingdom, which did not include Jerusalem. So Jerusalem was no longer part of Israel. Also other empires like Assyria and Egypt held sovereignty over Jerusalem at times. The Northern Kingdom of Israel was overcome and the nation deported and racial purity lost in pagan countries after 721 BC.

Jerusalem remained the capital of the Southern Kingdom known as Judah but it also included a part of Benjamin. This was occupied by kings of Judah until the Babylonian exile in 586, whereupon Jerusalem fell into ruin. At the return of a remnant of the exiles 70 years later, Jerusalem was rebuilt but it was under the sovereignty of the Persian Empire. Then it was controlled by the Greek Empire, then the Seleucids, followed by the Roman Empire. After the Jewish Revolt, Jerusalem was destroyed in 70 AD and the people killed or exiled. Only a handful of Jews lived in Palestine in peace with the majority Arab population, most were Sephardim that stemmed from Edomites.

So, Jerusalem was only the possession of a united Israel for about 120 years, and that was getting on for 3,000 years ago. For 2,000 years Palestine was in the possession of the Palestinian inhabitants. By what stretch of the imagination does that give modern Jews a claim on Israel? It was the possession of Canaanites, Egyptians, Persians, Greeks, Romans, multiple Muslim empires and local Arabs far longer than it was held by Israel.

In addition to this one has to understand that the kingdom was taken away from the Jews by the order of Jesus (Matt 21:43) and given to the Gentiles. The Jews were condemned by Jesus to be crushed to powder for their rebellion (Matt 21:44-45) and their leaders condemned to hell (Jn 8:44; Matt 23:15, 33). From a Biblical perspective, Jerusalem, the physical city, ceased to have any importance to God whatsoever; all the promises of the covenant were centred in Jesus after the cross, not some fleshly tribe. Jerusalem was a shadow, not the reality; a type of the promise, not the blessing of the promise.

Then you also have to consider that the majority of modern Jews (Ashkenazi) and the leadership and majority of Israel are not a Semitic people at all. They are Khazars, a Turkic-Mongol tribe that converted to Judaism as a political expedient in the late 8th century. This is not a theory but a proven historical fact and confirmed recently by Jewish genetic scientists. Such Jews have no claim on the land of Palestine whatsoever.

So the Semitic Israel only held on to Jerusalem for 120 years thousands of years ago. Before that it was Canaanite. After the division of the kingdom Jerusalem was under the sovereignty of Judah for 135 years then a number of Gentile empires. The inhabitants with the greatest claim are the Palestinians (Christian and Muslim) who have held it for 2,000 years even when under Muslim sovereignty.

Appendix Two

The Jewish-Saudi Connection

Some people find it hard to understand how there could be any connection between Israel and Saudi Arabia, since Arabs and Jews are bitter enemies. However, a common goal makes for easy bedfellows.⁷⁶ Here is the evidence.

The recent agreement

Israel currently has some sort of secret agreement with Saudi Arabia to pursue terrorist and military activities that have common objectives.

In Israel's case it is the furtherance of the Yinon Plan to Balkanise Syria, Iraq and other states to form the Greater Israel and dominate the Middle East. For the Saudis it is the furtherance of Wahhabi militancy to destroy Shi'ite power centres in Syria and Iran as well as killing minority groups that live in these areas (like Alawites or Christians).

ISIS has been a clear evidence of this. It was created and sponsored by the USA and Saudi Arabia to be used as a tool to initiate regime change in Syria. Saudi Arabia and the Gulf States also funded and supported the terrorists (not freedom fighters). This policy would have been successful in ruining Syria and killing Assad if Russia had not stepped in. With superior technology and tactics, Russia turned the tide and has nearly destroyed ISIS.

Israel too has been supporting ISIS. This was by missile strikes in addition to NATO strikes but also treating ISIS wounded in Israeli hospitals. All of this is documented and old news.

The leaked cable

A diplomatic Israeli Foreign Ministry cable had proved that Israel has covert ties with Saudi Arabia's administration and was the foundation of the support for jihadi terrorists like al-Qaeda and ISIS. The tie was based on the desire of both nations to see Iran destroyed or cut back.⁷⁷

The cable also proves that there is a covert Israeli-Saudi plan to effect the political destabilisation of Lebanon (and Hezbollah) as well as provoking a confrontation with Iran. Israel and Saudi Arabia both seek a war with both parties. One result of this was pressure applied by Mohammed bin Salman to force Lebanese Prime Minister Saad Hariri to resign whilst in Saudi Arabia.

The cable also urges Israeli foreign missions to pressure foreign governments to support the war against the Yemen Houthis, who are Zaidi Islamists supported by Iranian Shi'ites.

The cable proves that Saudi Arabia and Israel have a pact to work together to destabilise the Middle East.

The Saudi coup

After the coup by crown prince Mohammed bin Salman and the purge of many royal princes and business men, the first major political event in Saudi Arabia was the visit by Trump's senior advisor and son-in-law, Jared Kushner (a Jew). Kushner and bin Salman conferred long into the night over several days planning strategy. Kushner was

accompanied by US Deputy national security advisor Dina Powell, and White House Middle East envoy Jason Greenblatt (a Jew and supporter of Netanyahu). These four were planning a series of events to push the Middle East into war against Iran and Lebanon, long desired by Israel and planned by the US Neocons.

Aside: bin Salman was a prime supporter of the creation and funding of ISIS, the architect of the Yemen War and the driver of sanctions against Qatar. He also brutally crushed the pro-democracy uprising in Bahrain. Bin Salman seeks the sort of autocracy that the founder of the Saudi state, Abdulaziz bin Saud ('Ibn Saud'), had. Like him, bin Salman is co-operating with Zionists to achieve his goals.⁷⁸

The historical connection

It seems very odd but there is a historic connection. There was a significant link between Judaism and Islam beginning in the 18th century. This is a long and complex history that I can only touch upon here.

A Turkish sect descended from a group of Sephardic Jews

This goes back to a self-proclaimed Jewish messiah named Rabbi Sabbatai Zevi [1626-1676]. He was a Sephardic Jewish Kabbalist who proclaimed himself to be the messiah in Smyrna in 1666 and quickly gained a million followers called 'Sabbateans'; this was a huge number to be reckoned with. Zevi had originally descended from refugees from Spain. Zevi's religion was, at root, a mixture of Kabbalism and Sufism (mystical Islam).

Zevi's doctrine was essentially Satanism, being summarised as '*praised be he who permits the forbidden*'; in other words Satanism's '*do what thou wilt*'.⁷⁹ Sin is a virtue and obeying the Torah is a sin. Doing good only slows down the appearance of the corporate messiah, who will come when chaos reigns.⁸⁰ The Kabbalah (Zohar) is a reversal of the Torah.⁸¹

This explains the wickedness and paedophilia of the elite, like the Rothschilds, who are Sabbateans.

When Zevi's movement, comprising many powerful businessmen, threatened the Ottoman Sultan of Istanbul, Mehmed IV; the Sultan gave him the choice of converting to Islam or torture and execution. Zevi immediately converted. This led to many rabbis excommunicating him, but he still retained followers who also converted to Islam, practising Kabbalism in secret and acknowledging Zevi as the messiah. These people became known as the Donmeh⁸² centred in Salonica (Macedonia) but also prominent in Turkey. Outwardly they followed Muslim traditions but privately followed Jewish Kabbalism. Donmeh ritual became a syncretism of Jewish rites, Kabbala rites, Sabbateanism and Sufism. In time the Donmeh branched into various sects, all holding to the messiahship of Zevi who revealed the true spiritual Torah. These broke all taboos and even indulged in orgies.

Thus Sabbateanism went underground until a hundred years later it was revitalised by Zevi's follower Jacob Frank [1726-1791] who continued the movement and this later

⁷⁸ Ibn Saud supported Chaim Weizmann (president of the World Zionist Organisation) in 1953 and later the first president of Israel. He accepted the Israeli statehood for a £20 million bribe (according to US Middle East envoy Lt Col Harold B Hoskins).

⁷⁹ Note Crowley, '*Do what thou wilt shall be the whole of the Law*'. 'Book of the Law', (1909) l. 40.

⁸⁰ The Jewish corporate messiah is when Jews control the whole world and become their own messiah / god.

⁸² 'Untrustworthy converts' – a Turkish word.

spawned the Illuminati, being called ‘Sabbatean-Frankism’. When Weishaupt’s Illuminati was established, Rothschild set Frank up in Frankfurt as the new head.

Frankism was a major Jewish movement of the 18th –19th centuries with Frank established as the new messiah in the spirit of Zevi. Its biggest numbers were in Poland and Eastern Europe. He went further than Zevi denying the validity of all laws (including the Jewish Halakha).

Frank was even worse than Zevi and encouraged people to commit all types of sin to bring forward the coming of the corporate messiah. All were obligated to transgress every boundary. This transgression includes incest, paedophilia and murder. Orgies were a key component of ritual, while magic began to be practised. Mixing the holy with sin was considered as virtuous. In a Gnostic-like philosophy, the true god could only be revealed through total destruction of social and religious structures, leading to licentiousness. Some see a connection, at least philosophically, with the later teachings of Nietzsche.

For more information on Kabbalism see ‘*The Depths of Deception*’; here we need to investigate the Islam connection.

Like many Crypto-Jews, Zevi’s conversion was merely superficial. While outwardly proclaiming to be a Muslim, he remained an inward Kabbalist Jew, practising its rituals in secret. This led to the sectarian group within Islam called Donmeh based on Zevi’s followers centred in Turkey. It was the Donmeh that later organised the ‘Young Turk’ movement.⁸³ They were also prominent in Ataturk’s government, who himself was a Donmeh.⁸⁴

Aside: The Young Turks wanted to destroy the Armenians, who were Christian. Under Ataturk they banished them from Turkish cities and massacred thousands. They also tried to exterminate the Assyrian Christians. Note this repeated policy when Jews or Crypto-Jews gain control, they then exterminate Christians.⁸⁵ They also expelled all Greek Orthodox Christians from Turkey.

In the 19th century the Wahhabi doctrine of fundamental (Salafist) Islam developed, a Sunni Muslim sect founded by Muhammad ibn Abd al-Wahhab [1703–92], which is the chosen form of Islam practised by the Saudis. It is affirmed that the man who started this was a Crypto-Jew, a Donmeh, seeking to foment revolution – a Kabbalist Jewish tactic.⁸⁶

⁸³ ‘The Committee of Union and Progress’, Turkish secularists who deposed Ottoman Sultan Abdulhamid II in the 1908 revolution and proclaimed the post-Ottoman Republic of Turkey after WWI. Abdulhamid’s only crime was to reject Zionism’s claims for Jerusalem. He refused to meet Theodore Herzl in 1901.

⁸⁴ ‘Mustapha Kemal Ataturk’ was a pseudonym. Some historians have stated that he was really descended from Zevi. It was Ataturk that abolished Arabic script for the western alphabet, abolished Muslim-Arabic names and changed the name of Constantinople to Istanbul. See Rabbi Joachim Prinz, ‘The Secret Jews’, (1973) and Prof. Marc Baer, ‘The Donme: Jewish converts, Muslim revolutionaries and secular Turks’.

⁸⁵ Recently we have seen this in Iraq and Syria. In history it was Crypto-Jews in the Jesuits that massacred and tortured Christians in the Spanish Inquisition. In Turkey it was Crypto-Jews committing genocide against Christians under the guise of Islam. In Russia it was mostly Jews that killed over 50 million Christians under the guise of Communism. It was Jewish policies and actions that started WWI and WWII, which killed millions of Christians and others. In Israel Jews have been killing Palestinians for decades, many of whom are Christian.

⁸⁶ Fomenting revolution is a Zionist tactic to effect change. Jews have been behind most terrorism and revolutions since 1789. They fomented the French Revolution through controlling the Jacobins. The 19th century revolutions were orchestrated by Jews like Mazzini [Illuminati director in 1834]. 20th century revolutions and uprisings were fomented by numerous Jews like Bela Kuhn in 1919 Hungary. We have seen that they were behind the Russian Revolution. Israeli terrorists massacred thousands of Palestinians at the

Al-Wahhab was certainly not the usual sort of Sunni Muslim. His education was in the minority Hanbali School of law and he was only rudimentary trained in Sunni tradition. As he progressed he opposed many popular Sunni doctrines and practices which were agreed by Sunni scholars. Thus he was rejected and opposed by most of the established Sunni lawyers in his lifetime, including his own family.

However, al-Wahhab established a pact with Muhammad bin Saud to help him establish the Emirate of Diriyah, beginning the dynastic power base for the House of Saud. After the formation of Saudi Arabia (by British machinations after WWI)⁸⁷ Wahhabism became the dominant form of Islam in Arabia and the Gulf States, which were later allied to America over oil supplies.

In the mid-18th century a British spy named Mr Hempher assisted in the establishment of the Wahhabi sect in order to bring about an Arab revolt against the Ottomans and pave the way for a Jewish state in Palestine.⁸⁸ He claimed to be an Azeri who spoke Turkish, Farsi and Arabic.

Wahhab's grandfather, Tjen Sulayman, was alleged to be Tjan Shulman, a member of the Jewish community in Basra, Iraq.⁸⁹ Shulman settled in Arabia (the village al-Ayniya in the Hejaz), where his grandson founded the Wahhabi sect.⁹⁰ Apparently Shulam had been banished from Damascus, Cairo and Mecca for quackery.

King Abdul Aziz ibn Saud, the first Saudi king, is claimed to be descended from Mordechai bin Ibrahim bin Moische, a Jewish merchant from Basra.⁹¹ He joined the Aniza tribe and changed his name to Markhan bin Ibrahim bin Musa. His son married a woman from the Anzah tribe of the Nejd and the Saudis descended from her.

In 1943 the Saudi ambassador to Egypt, Abdullah bin Ibrahim al Muffadai, allegedly paid Muhammad al Tamami to forge a family tree showing that the Sauds and the Wahhabs were one family descended from the Prophet Muhammad.⁹²

An Iraqi intelligence report dated 2002 and released in 2008 by the US Defence Intelligence Agency explains these Jewish roots of Wahhabism.⁹³

beginning of the State of Israel (Stern Gang, Irgun etc.). At Deir Yassin on 9 April 1948 the Irgun and The Stern Gang attacked and massacred over 250 men, women and children. They assassinated many individuals, including Count Folke Bemadotte of Sweden in 1948. They sank ships like the Patria in 1940 carrying refugees or the Struma killing 760 Jews. We could go on and on.

⁸⁷ Which included WWI British officer David Shakespeare leading a Saudi army that defeated opposing tribes. In 1915 the British envoy, Bracey Cocas, said to Ibn Saud, 'I think this is a guarantee for your endurance as it is in the interest of Britain that the Jews have a homeland and existence, and Britain's interests are, by all means, in your interest'. Saud replied, 'Yes, if my acknowledgement means so much to you, I acknowledge a thousand times granting a homeland to the Jews in Palestine'. Two years later the Balfour declaration was written. Turkish leader Kemal Ataturk also agreed to this as he was allegedly a Crypto-Jew. Investigative journalist Wayne Madsen has reported on this (Strategic Culture, 'The Donmeh: the Middle East's most whispered secret, part 2').

⁸⁸ Hempher's memoirs are found in Ayyub Sabri Pasha, 'The Beginning and Spreading of Wahhabism', (1888).

What is certain is that Saudi princes practise the same perversions as Sabbateans. Indeed, these are the main customers in Washington DC for high-level paedophile hotels.

Thus there is an alleged historic religious connection between Kabbalist Jews and the Saudi royal family going back over 200 years.
