

A very simple primer on the global elite

Introduction

Some, otherwise sensible, people refuse to connect the data and understand that the world is being controlled according to a certain agenda aimed at global totalitarian control and the methods used to do this are psychopathic. They cannot get their heads around the fact that the people in real control are sociopaths and psychos.

I used to be one of those doubting people. For years I believed that no one could successfully organise a global conspiracy; organisations make too many mistakes and always fail to plan for unforeseen eventualities. In addition, there would be multiple whistleblowers. I used to try to find holes in the various elite conspiracy theories. But the more I researched the more I saw that there is a global conspiracy; the cabal does make mistakes;¹ whistleblowers are everywhere, but are quickly silenced. Since then I have written much on how this conspiracy fact is being worked out.

This paper is to simply explain very basic facts about this conspiracy. I won't bother with detailed sources and references, you can find them in other papers, the point is to explain the logic of what is going on and give an overarching viewpoint.

Glossary

- Cabal: A late 16th-century word from the French *cabale*, from the medieval Latin *cabala*. In history: a committee of five ministers under Charles II, whose surnames happened to begin with C, A, B, A, and L. A secret political clique or faction.
- Cartel: late 19th-century word from the German *Kartell*, from French *cartel*, from Italian *cartello*, from Latin *carta* (to card). An association of manufacturers or suppliers with the purpose of keeping prices at a high level and restricting competition.
- Conspiracy: A late Middle English word derived from the Anglo-Norman French *conspiracie*, based on the Latin *conspirare* 'agree, plot'. A secret plan by a group to do something unlawful or harmful.
- Corporatocracy: the rule by private corporations.
- Eugenics: the supposed science of improving a population by controlled breeding or eradication to increase the ratio of people with desirable characteristics.
- Hegemony: mid 16th-century word from the Greek *hēgemonia*, from *hēgemōn* 'leader' and from *hēgeisthai* 'to lead'. Leadership or dominance, especially by one state or social group over others.
- Plutocracy: mid 17th-century word from the Greek *ploutokratia*, from *ploutos* 'wealth' plus *kratos* 'strength, authority'. Government by the wealthy.

¹ For example, the manufactured Covid-19 'pandemic' was not properly implemented and instead of the expected 45 million deaths there were less than a million globally, and these figures were massively inflated. They had to rely on creating false panic by media manipulation and stupid government lockdown policies – which are now being found out as the raw data comes in. The elite are panicking because the narrative is unravelling. All this was a big mistake.

The satanic plan

All Christians should be aware of the basic satanic plan as explained by the Bible. This makes it very clear that:

- The Devil seeks to control the whole world and remake it in his image. He currently controls sinners' minds but seeks to govern the material world through a proxy.²
- He tried many times in history to achieve this through various empires (Assyria, Babylonia, Medo-Persia, Greece and Rome, Dan 8:19-23, 11:2-4) but these all failed (under God's providence) and each empire fell before it could conquer the whole world.
- A conspiracy is a secret plan by a group to do something unlawful or harmful. The Devil works chiefly through deception and lies.³ His strategy is often hidden in a conspiracy. Usually Satan centres attention on one thing (like a stage magician) but is really doing something more sinister behind this thing.⁴
- In the end times, God allows Satan to achieve control of the world for a short time to bring man's sin to completion and ready for harvest.⁵ This is a global, totalitarian, fascist state where sin dominates and all good is destroyed.⁶ It is a godless, hedonistic society centred on idolatry and demonic ideas, ruled by an antichristian, satanic cabal.⁷
- The goal of this world hegemony is to be the expression of Satan on Earth manifested through human proxies. Satan becomes king of the Earth for a short time working through men who think that they have become gods by serving the Devil. Note a precursor of this in the King of Tyre:

Son of man, say to the prince of Tyre, 'Thus says the Lord GOD: "Because your heart *is* lifted up, and you say, 'I *am* a god, I sit *in* the seat of gods, in the midst of the seas', Yet you *are* a man, and not a god, though you set your heart as the heart of a god ... By your great wisdom in trade you have increased your riches, and your heart is lifted up because of your riches)," Therefore thus says the Lord GOD: "Because you have set your heart as the heart of a god, behold, therefore, I will bring strangers against you, the most terrible of the nations; and they shall draw their swords against the beauty of your wisdom, and defile your splendour. They shall throw you down into the Pit, and you shall die the death of the slain In the midst of the seas. Will you still say before him who slays you, 'I *am* a god'? But you *shall be* a man, and not a god, in the hand of him who slays you.'" Ezek 28:2, 6-9

Thus Christians should be prepared to understand that a global conspiracy to bring about world government is entirely Biblical. If there is to be a satanic world government, then there will obviously be a hidden process to bring this about lasting many years. There will be a secret conspiracy to achieve totalitarian government by stealth. Satan has gained much wisdom in doing this (like a complex spider's web of deception) through 6,000 years of experience.

² Matt 4:8-9; Jn 7:7; 1 Jn 5:19.

³ Jn 8:44; 2 Thess 2:9-10.

⁴ 2 Cor 11:13-15.

⁵ Rev 20:1-3, 7-10.

⁶ Matt 24:9.

⁷ Rev 13:1-8, 14:8, 17:1-5, 18:1ff.

Characteristics of this end-time antichristian world empire

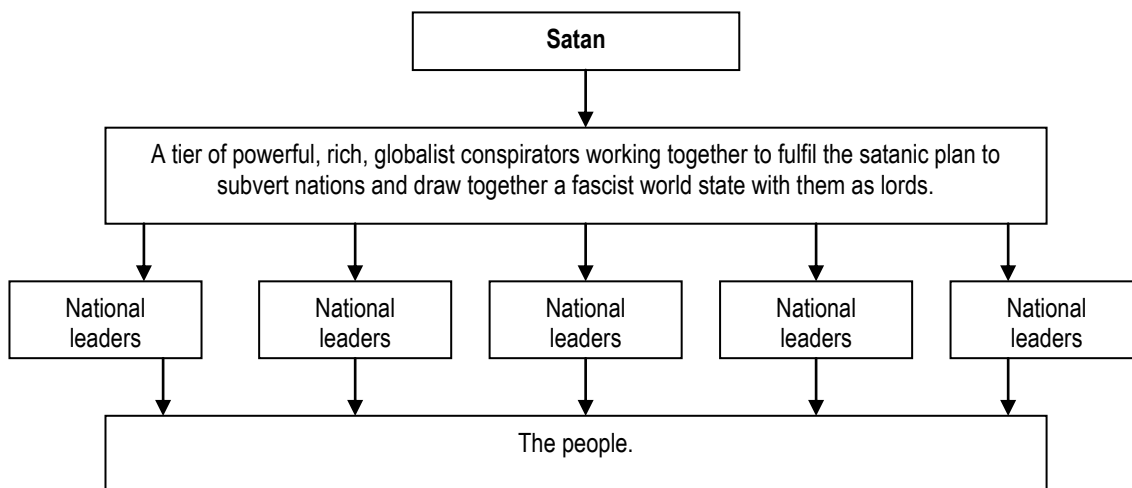

- Before the world empire is instituted, there are wars, strife, pestilences and famines (Matt 24:6-8). There will be false prophets, lawlessness and hatred (Matt 24:11-12). [This is where we are now.]
- As things get worse, basic human characteristics are perverted amongst religious and secular people: 'Now the Spirit expressly says that in latter times some will depart from the faith, giving heed to deceiving spirits and doctrines of demons, speaking lies in hypocrisy, having their own conscience seared with a hot iron, forbidding to marry, and commanding to abstain from foods which God created to be received with thanksgiving by those who believe and know the truth' (1 Tim 4:1-3). 'In the last days perilous times will come: For men will be lovers of themselves, lovers of money, boasters, proud, blasphemers, disobedient to parents, unthankful, unholy, unloving, unforgiving, slanderers, without self-control, brutal, despisers of good, traitors, headstrong, haughty, lovers of pleasure rather than lovers of God, having a form of godliness but denying its power. And from such people turn away!' (2 Tim 3:1-5).
- Despite this apostasy, the true hidden church will preach the Gospel to the whole world (Matt 24:14; Rev 14:6).
- The outward church will collapse into apostasy (2 Thess 2:3; 1 Tim 4:1; 2 Tim 4:3-4).
- The world empire is led and dominated by Satan (Rev 13:1-2).
- This empire brings peace and security after troubled times (1 Thess 5:3).
- However, it has a world ruler (symbolised as 'the beast from the sea' Rev 13:1-2; called the 'man of sin' 2 Thess 2:3). [This ruler could actually be corporate humanity.]
- This ruler appears to have died violently and is resurrected (Rev 13:14). [This again could be corporate and the dying was the former eradication of paganism, now restored in modern times.]
- All world leaders submit to this ruler (Rev 17:9-13, 15, 17, 18).
- However, the empire is only allowed by God to happen for a reason (Rev 13:7, 'granted').
- The empire is worldwide (Rev 13:7).
- The empire causes people to worship Satan (Rev 13:4, 8, 14:9). It is idolatrous (2 Thess 2:4).
- A religious system is set up and led by a world figure acting as prophet and priest who causes the world to worship Satan vicariously by worshipping the world ruler (symbolised as the 'second beast from the earth', the 'false prophet' Rev 13:11-12, 16:13, 19:20, 20:10). Some aspects of this worship will pretend to be a manifestation of Christ (Matt 24:5, 23-24).
- This religious leader exercises a form of supernatural power (Rev 13:13; 2 Thess 2:9).
- The empire is blasphemous (Rev 13:5-6, 17:3).
- World rulers think that they are gods and the rest of humanity their slaves (Gen 3:5, 'you will be like God' the original lie of the devil, THE lie - worshipping men, Rm 1:25. NB the deification of kings from ancient times. Ezek 28:2, 6-9; Acts 12:22.).
- The empire functions by deception (Rev 13:14; 2 Thess 2:10).
- The elite live in wealth and luxury (Rev 18:3, 7, 11-14, 16, 19).
- The empire is characterised by wickedness (Rev 17:2, 4, 5, 18:5).
- The empire is thoroughly demonic (Rev 18:2).

- The world is divided into those who follow the beast and those who follow Christ (Rev 13:16-18 – the mark is the mind given over to serve the beast). Christians are persecuted to death (Rev 13:7, 15, 17:6, 18:24; Matt 24:9).
- The empire will be characterised by betrayals and treachery (Matt 24:10).
- Dissenters are not allowed to buy or sell (Rev 13:17); that is, they cannot get mortgages, get credit, the money supply is curtailed and they cannot function in society. A cashless society and bio-marker ID enables this.
- The duration of this empire is short (Rev 13:5).
- The empire represents the fulness of mankind's sin and rebellion to God (Dan 8:23; Matt 13:30, 39-42; Rev 14:15-20).
- The empire falls at the coming of Christ and the end of the world (Rev 14:8, 17:14, 18:8-10, 19, 20-21; 2 Thess 2:8; Matt 24:29-31).

Conclusion 1

There is a satanic plan, outlined in the Bible, to deceive the nations and bring about a world empire ruled by the Devil through proxies. This is a totalitarian antichristian state where sin abounds and all godliness is destroyed but where the rich live in great luxury.

This can be illustrated in this way.

Are there groups of people seeking world domination?

The answer is, certainly there is; there are many. A few key groups are:

Talmudic Jews, Kabbalists and Zionists

The works of these groups openly state that it is their aim to take over the world. Indeed, the Talmud shows that it is the heritage of Talmudic Jews to own the world and to enslave the rest of humanity – which is conceived of as sub-human, or even animal-like. You can find videos of rabbis openly preaching that Jews are God's people while Gentiles are dogs; that a Gentile is mere dust on the scales compared to the value of a Jew and that every Jew in the messianic kingdom will have hundreds of Gentile slaves.

The Talmud is the product of Pharisees living in Babylonia after the fall of Jerusalem in 70 up to about 500 AD. Jesus stated that the Pharisees, who were his bitterest enemies, were Satanic. He also called them: vipers (Matt 3:7, 12:34, 23:33); sons of the devil (Jn 8:44); murderers (Jn 8:44); liars (Jn 8:44); whitewashed tombs; and sons of hell (Matt 23:29-33). These characteristics comply with what we know of the global elite.⁸

The Talmudic messianic kingdom is conceived as a corporate Jewish thing. There is no single messiah but corporate Jewry will rule the world. (A minority of orthodox Jews – Torah Jews - would differ on this and are opposed to Zionism).

The Talmud establishes the theology and practical ethics of Judaism, which include all forms of sinfulness; including paedophilia, incest, bestiality, theft and allowing the rape and murder of Gentiles. The Kabbalah is the mystical arm of Judaism, seen as almost as authoritative as the Talmud. Zionism is the political arm to establish the imperial hopes enshrined in the Talmud and Kabbalah. The worst sect of the Kabbalah is the Sabbateans who celebrate evil to bring about the messianic age.

That there is a conspiracy of Talmudic Jews aimed at taking over the world is not surprising; it has been their theological hope for 2,000 years; it is written in their sacred books.

Muslims

Again it is the open position of the Quran and Hadith that Muslims must conquer the world for Allah. In fact 'Islam' means submission, and the purpose of all Muslims is to work to take over the world and subject all people to Allah. This task is called 'Jihad' (holy war).

History proves this theological purpose established by Muhammad. Over 1400 years Islam conquered everywhere it went until prevented, such as by Charles Martel [c.688–741]. In this period Islam killed over 700 million people and enslaved countless millions.

⁸ Opposition to such folks is not anti-Semitic (most Jews are not Semites actually). It is not opposition to all people that identify as Judaists. The concern is with Talmudists, Zionists and Kabbalists who are openly against humanity.

It continues to strive for global domination to this day as attacks and Islamic terrorism occur on a daily basis. In Africa, Muslim terrorists kill Christians every week, sometimes over 100 at a time. In the week I wrote this, Muslim terrorists killed over 400 people in African villages but atrocities against Christian get ignored by the media.

Today, Muslims are being used by the global elite to serve various purposes but the plan is to exterminate them in the grand scheme of things, mainly through a third world war. Muslims do not figure greatly in the global elite except as pawns.

Marxists

It is the open statement of Marxism that it seeks to take over the whole world, get rid of capitalism and the bourgeoisie and establish a collectivist economic system in a claimed utopia (which never happens). Karl Marx affirmed that this was the natural order of things in his view of history called dialectical materialism.⁹ Marxism, and especially Marxist-Leninism (Communism), sought to overturn capitalist nations swiftly by revolution.

Cultural Marxism

After 1921 the failure of the masses to rise up against the capitalists in WWI led a group of Marxists to form what became known as Cultural Marxism. This became centred in the Frankfurt School and spread to America after WWII. The purpose of this group of sociologists and philosophers was to gradually, by stealth, destroy the basic principles of western society and especially the Christian foundations. Thus began a long march through culture, gradually taking over social institutions especially in education, which has finally led to Marxists running many aspects of society from the BBC to universities.

The Fabian Society

This is a Socialist group whose objective is the transformation of society into a collectivist utopia. Like Cultural Marxists, it aims at the gradual, rather than revolutionary, achievement of socialism.

Resources

- Paul Fahy; Cultural Marxism.
- Paul Fahy; The Depths of Deception.

Freemasons

There are two types of Freemason. The first is the lower orders up to the third degree (Master Mason). These are kept in the dark about the sinister purposes of Freemasonry and believe that it is a charitable brotherhood akin to the Round Table. The orders above the third degree become more and more satanic as they rise to the 33rd degree.

Masonic masters, such as Albert Pike, openly wrote that Freemasonry worshipped the Devil in various guises, usually as Lucifer (the light bringer) in the form of Egyptian gods or Jahbulon. Pike was committed to global elite objectives, which included global terrorism; many terrorists were Freemasons or led by Freemasons like Giuseppe Mazzini

⁹ The Marxist theory that political and historical events result from the conflict of social forces, interpreted as a series of contradictions and their solutions (problem, reaction, solution). The conflict is seen as caused by the material needs of the people.

[1805–72]. Freemasonry allied itself to the Illuminati 200 years ago and is committed to the same ideals, including world domination.

The Jesuit order

The outward expression of Roman Catholicism is dark enough but there is a hidden power behind this, which is run by Jesuits. This is a sort of parallel power structure that really controls the religion and it is very dark. This order is actually satanic in its foundations.

Roman Catholicism has always been two-faced. While it was burning the Talmud in public bonfires it was printing new versions to be kept in secret libraries. Open Catholicism has very occult principles but the Jesuits are the occult on steroids. Thus there have been multiple allegations of satanic rituals in secret places in the Vatican and the sacrifice of children (a common feature of the elite).

Jesuits have a high place in the global elite and they seek world domination.

Resources

- Michael Hoffman; *The Occult Renaissance Church of Rome*.

Luciferians ('Lucifer' = Latin: 'light-bearer')

These are groups that worship Lucifer, sometimes under different names. They include the Illuminati, Freemasons, Kabbalists, Jesuits and Talmudic Jews. Such people will deny worshipping the Devil (though some admit it) and prefer to talk of Lucifer as 'the light bringer', 'the bringer of wisdom or enlightenment'.

Many players in the elite are Luciferians.

The Illuminati

The Illuminati is the name of a historic group initially led by Adam Weishaupt, but under the orders of the Rothschild family. It sought to infiltrate various orders in society in order to subvert it from within. Its goal was world domination.

As its plans became publicly known it changed and morphed with new leaders and new names in different countries, such as the Jacobins in France that were behind the bloody revolution. Today, the Illuminati is known by various names including: the global elite, the New World Order, the shadow government, the deep state, globalists etc.

Resources

- Paul Fahy; *The Depths of Deception*.
- Paul Fahy; *Introduction to the global elite*.

There are other groups seeking world domination but these are the main ones.

The global elite

Comprises of various sets of people. Its base is the Illuminati (in its various incarnations), but it also includes European royal bloodlines, American and European power families (corporatists / bankers / financiers), Jesuits, Freemasons, Talmudic and Kabbalistic Jews.

Most of these are Luciferian in ideology. Many elite figures feature in several of these sets. For example, the Rothschilds are Jews, Luciferians, Freemasons and have British aristocratic titles.

Resources

- Paul Fahy; Introduction to the global elite.

Conclusion 2

There is no shortage of power groups determined to gain global domination by satanic methods. This is a simple historical fact.

- The reality of the satanic agenda.
- The great geo-political reversal.
- Money and power for satanic destruction.
- Cultural movements that deceive nations.
- Hypocrisy: how you are being manipulated.
- Why Christians must see through political lies.
- The expression of the man of sin.
- The satanic purpose.
- False flares.
- The expression of the man of sin.

Characteristics of the world rulers

Satan is working to achieve his goal of world domination and destroying Christianity, setting himself up as god in the creation of the true God.

Those he empowers and directs to work on his behalf in gathering this evil empire are chosen because they are the ones most like him. Satan uses existing servants who are devoted to the same evil aims as himself. This is just common sense. The more they serve Satan, the more they become like him.

Thus it should not surprise us that the global elite are Satanists and psychopaths. They will manifest the same characteristics as their father the Devil. Thus we will see the following exhibited in the real world rulers.

- **Hubris.** This is excessive pride or self-confidence. In Greek tragedy this was exhibited as excessive pride towards or defiance of the gods, leading to Nemesis [In Greek Mythology a goddess usually portrayed as the agent of divine punishment for wrongdoing or presumption (hubris)]. ‘How you are fallen from heaven, O Lucifer, son of the morning! How you are cut down to the ground, You who weakened the nations! For you have said in your heart: “I will ascend into heaven, I will exalt my throne above the stars of God; I will also sit on the mount of the congregation On the farthest sides of the north; I will ascend above the heights of the clouds, I will be like the Most High.” Yet you shall be brought down to Sheol, [i.e. Hades] to the

lowest depths of the Pit [i.e. the grave]¹⁰ (Isa 14:12-15). [Spoken of Satan vicariously through the King of Babylon.] ‘He shall regard neither the God of his fathers nor the desire of women, nor regard any god; for he shall exalt himself above them all’ (Dan 11:37). [Antichrist precursor vicariously for Satan.]

- Adversarial. The name ‘Satan’ means ‘adversary’.
- Accusatory. The word ‘Devil’ means ‘the accuser’.
- Lies. The Devil is the father of lies. ‘You are of your father the devil, and the desires of your father you want to do. He was a murderer from the beginning, and does not stand in the truth, because there is no truth in him. When he speaks a lie, he speaks from his own resources, for he is a liar and the father of it’ (Jn 8:44).
- Deception. The Devil chiefly works by deception. ‘Satan will be released from his prison and will go out to deceive the nations’ (Rev 20:7-8).
- Portraying oneself as a philanthropist. ‘Satan himself transforms himself into an angel of light. Therefore it is no great thing if his ministers also transform themselves into ministers of righteousness, whose end will be according to their works’ (2 Cor 11:14-15).
- Iniquity. Throughout Scripture servants of the Devil are called ‘workers of iniquity’.
- Child-killing. The Old Testament explains that ritual killing of children was a major feature of satanic inspired Canaanite idolatries (e.g. Molech worship), which were taken up by the Israelites. Child killing has continued throughout history as a by-product of satanic rituals.
- Murder in general. ‘The devil, ... was a murderer from the beginning’ (Jn 8:44)
- Sociopathy. [See ‘evil purposes’]
- Psychosis. [See ‘murder’.]
- He is like a roaring lion chewing people up. ‘Be sober, be vigilant; because your adversary the devil walks about like a roaring lion, seeking whom he may devour’ (1 Pt 5:8).
- He makes people disobedient to God. ‘In which you once walked according to the course of this world, according to the prince of the power of the air, the spirit who now works in the sons of disobedience’ (Eph 2:2).
- He tempts people to sin. ‘Then Jesus was led up by the Spirit into the wilderness to be tempted by the devil’ (Matt 4:1).
- He captures people. ‘They may come to their senses and escape the snare of the devil, having been taken captive by him to do his will’ (2 Tim 2:26).
- He has evil purposes. ‘Lest Satan should take advantage of us; for we are not ignorant of his devices’ (2 Cor 2:11). ‘Devices’ means ‘an evil purpose’.
- Bringing into bondage. ‘Him who had the power of death, that is, the devil, and release those who through fear of death were all their lifetime subject to bondage’ (Heb 2:14-15).
- Blasphemers and idolaters. ‘... causes the earth and those who dwell in it to worship the first beast’ (Rev 13:12). ‘He shall exalt and magnify himself above every god,

¹⁰ Sheol (Hebrew), Hades (Greek) and the grave refer to the place of departed spirits where men live in torment facing judgment until the Day of Judgement when they are sentenced to hell, everlasting punishment.

shall speak blasphemies against the God of gods, and shall prosper till the wrath has been accomplished; for what has been determined shall be done' (Dan 11:36). [Antichrist precursor accepts worship vicariously for Satan.]

These characteristics are what we see manifested in events perpetrated by the global elite in the last 200 years or so. The deep state leaders mimic the wickedness of their inspirer. They are: proud, liars, idolaters, murderers, deceivers, paedophiles, slave-traders, kidnappers, sociopaths, psychopaths, blasphemers and wicked people. These are the people who control governments.

Conclusion 3

The global elite are spawned by Satan and thus exhibit the same wickedness.

Precursor of this empire: USSR

The USSR was a dry-run, or a precursor, of what the global elite want to do with the whole world. It was a totalitarian state, funded and resourced by Jewish bankers, mediated by Jacob Schiff, with the leadership being, in the main, Jews. The Cheka in the 1920s was 85% Jewish, for example.

What were the characteristics of this totalitarian state after the Bolshevik Revolution.

- It was extremely anti-Christian. Millions of Christians were killed, thousands of clergy were killed and thousands of churches were burned. No synagogue was ever damaged and anti-Semitism was illegal. Christian men, women, children, priests and nuns were horrifically murdered.
- It was horrendously brutal and ruthless. Most 'enemies of the state' were shockingly tortured before they died. To describe these tortures is unnecessary here, but they were far worse than mediaeval tortures.
- It instituted a reign of terror called 'The Red Terror'. Just as another precursor of the elite (in the guise of the Jacobins) was the French Revolution, which soon became a Reign of Terror with brutal massacres.
- It was hypocritical and deceptive. The Marxist message was to fight for the workers but the leadership stole the mansions of the rich and sequestered away great wealth in foreign secret bank accounts.
- It was belligerent. It threatened world domination by warfare.
- It was dictatorial. The totalitarian state controlled everything in life and made citizen's lives a misery through corruption and incompetent government.
- It was self-worshipping. It developed cultic adoration for leaders that had to be obeyed.
- It was full of treachery and betrayal. It prospered on the betraying of friends and relatives, who were then tortured for what they thought or said.

This horrific picture is what the elite want to bring to the whole world.

The decision

Virtually everyone admits that society is collapsing; that things are much worse than decades ago; that something is wrong with the nation. Many old people have affirmed that they are glad they are dying soon and will get out of this madness; that life is not worth living anymore. All see that something is very wrong.

The question is: what is the cause of this madness? Is it merely accidental; is it just random issues that have developed to worsen society bit by bit? Or is it following some master plan and the downgrade is deliberate?

Christians have to affirm that there is a satanic plan to destroy godliness in society and bring mankind into the fulness of sin before the judgment – because that is clear Biblical teaching. Most Christians would agree that we are nearing the end times, no one knows how near; so it is logical that the degeneration of society is part of this satanic plan. The downgrade is deliberate action by people in global power above nations. The problems stem from supra-national bodies and individuals.

Are there supra-national powers determining nations?

Only a fool would suggest no. It is clear that there are many bodies, and even individuals, that determine how national governments work. In the 1990s George Soros alone nearly destroyed the nation's exchequer by his radical stock market trading. National sovereignty vanished after WWII.

At the height of the Cold War, the globalists were still in charge. Coca Cola was exported to the USSR while the USSR exported Vodka to America. This 'Vodka-Cola' scenario affected multiple global brands. At one point it was American service engineers that kept the Soviets missile system elevators working. While US politicians abhorred the Soviets in public, in private the Rockefeller and other foundations were working to develop a parallel collectivist system in America.¹¹ While condemning Communism, it was American bodies that resourced Chairman Mao's insurrection.

For 50 years Britain has been illegally dominated by the European Union and has had very little national sovereignty. At this very minute Britain is still struggling to get out of the EU despite a referendum result demanding it four years ago. The EU still controls about three quarters of British jurisdiction through international treaties.

You could argue that Britain is also dominated by America. In the 1950s Britain and France attacked Egypt with airstrikes for taking over the private Suez Canal and the government fell. The US stopped that war from continuing. Tony Blair took us into an illegal war against the opinion of the vast majority of British people (exemplified in the biggest demonstration ever) and against expert opinions (of weapons inspectors). The reason was that George Bush wanted his Neocon¹² wars against Iraq and Afghanistan that had no point whatsoever to British interests.

You could argue that NATO dominates British policy. Note the various illegal airstrikes performed by the RAF in places like Yugoslavia, Libya, Syria and Iraq or the training of terrorists by our special forces in Jordan, Syria and Iraq.

American foreign policy is determined by the Council on Foreign Relations. This was openly admitted by Hillary Clinton while in office as Secretary of State. This is an elite organisation focused on foreign policy. This is why America gets involved in foreign wars and military actions that cost trillions and have no foundation in a security threat to the US.

¹¹ See the Reece report for details.

¹² Jewish neo-conservative hawks in the US government that dominate radical plans for a global take-over. The Iraq War, Afghan War, Syrian incursion of terrorists, and the fall of Libya was planned by these Neocons over 20 years ago.

Economic and monetary policy is determined by global bodies such as the World Bank, the IMF the ECB, or the Bank of International Settlements. In 2008 events in America (collapse of certain sub-prime stocks) nearly destroyed the British economy and crashed the banks.

The UN has dominated Britain on many occasions, pushing us into illegal military operations that served no British purpose, such as bombing innocent people in Yugoslavia or pushing troops into the Kosovo and Bosnian Wars. Britain has signed up to both Agenda 21 and Agenda 2030 whereby the UN seeks to bring about totalitarianism worldwide under the excuse of sustainability. This dominates certain areas of national domestic policy, from energy to town planning.

Economic and domestic policy has been determined by global bodies, such as demands for climate change action when there is no evidence for it. Cheap, efficient coal-powered power stations have been shut down and instead we burn precious wood from ancient Virginian trees, shipped across the Atlantic with a greater CO₂ footprint. This alone shows the stupidity and hypocrisy of the Green movement.

The City of London is a separate entity from the rest of Britain and has had its own sovereignty since 1067 when it made a compact with William the Conqueror. It has its own mayor and unelected officials and is a registered private company. The Square Mile is the domicile of banks and financial corporations and operates in a clandestine manner. It is a tax haven and secret jurisdiction by its connections with offshore dominion havens like the Channel Isles and the Cayman Isles. After the collapse of the empire (for which the City was the generating financial power) it developed into a second empire as a sovereign financial power servicing the needs of the global elite, rich corporations and global institutions. It launders money, acts as a tax-haven, finances terrorism, services drug cartels and much more. It is so powerful that it dominates Westminster and determines policy or obstructs anything deleterious to its purposes. The City truly dominates Parliament. The global elite, and especially the Rothschilds, own the City and the City lords it over Westminster.

Britain is at the mercy of global pharmaceutical corporations to continue its medical services. Britain is at the mercy of global agricultural corporations to continue its food supply. Britain is at the mercy of global financial corporations to continue its economic system. The City (the Square Mile) in London where the banks are situated is a private fiefdom. Such private firms, for example, set the price of gold, silver and platinum; control stocks and shares; or set lending rates (the Bank of England works in tandem with the Federal Reserve). Britain is at the mercy of global energy corporations to continue its ability to function.

We could go on and on. National sovereignty ended decades ago when the empire collapsed beginning with WWI and consummating with WWII. After 1945 we began to lose our empire and our sovereignty.

Conclusion 4

So, there is no doubt that there are supra-national powers that determine how nations work. That cannot be questioned.

Is there a connection between the conspiratorial groups and the power bases?

Though it would be a tedious task, one can quite easily demonstrate that the people involved in the groups seeking global control, are also leaders of groups dominating aspects of society.

For instance we can take the Rothschild family. This organised the original Illuminati conspiracy under Weishaupt and fed multiple conspiracies thereafter. It funded both sides in the Napoleonic Wars and used its communications network to fool the British stock market and take over the Bank of England. It funded WWI and WWII. It funded the Bolshevik Revolution. It was the power, with other banking families, to take over the American currency by creating the illegal Federal Reserve by deception. Meyer Amschel Rothschild [1743–1812] said that he didn't care who the government was if he could control the money supply – that enabled him to control the national powers. Rothschild central banks are controlling nations in multiple countries and wars have been instigated against powers that refused a central bank (e.g. Syria, Iraq, and Libya).

There are five global companies that control over 90% of all other companies worldwide. The Rothschilds control some of these as well as controlling other powerful resources, such as: financing national governments, controlling the gold and diamond supply, controlling the price of gold, controlling petro-chemical firms.

It is safe to say that the Rothschild group has far more power than any country.

The Rothschilds are Talmudic, Kabbalistic Jews and are also tied in to the British aristocracy through Baron de Rothschild. Nathan Rothschild [1840–1915] was the first Jewish British peer of the realm. Lionel Nathan, Baron de Rothschild [1808–79], was Britain's first Jewish MP. The Rothschilds are thus part of at least one group seeking world domination but are also leaders in multiple global power structures that have enormous global power over nations.

That is just one family. We could follow a similar line with the Rockefellers or the Morgans etc.

Conclusion 5

There is a connection between the conspiratorial groups and the power bases.

Examples of a conspiracy

Here I will just offer some simple facts without getting into any detailed analysis. I will summarise from memory without consulting sources. Readers should do their own research.

CIA assassin squad

A special contract-killing unit was created by President Eisenhower in 1959 to get rid of enemies of the state covertly. This was called 'Operation 40'. The later president GHW Bush was in charge of financing this unit. The original key purpose was killing Fidel Castro using Cuban exiles, which they failed to do.

Today the black ops wing is called the Special Activities Division, within that, the Special Operations Group. Every US conflict has produced an assassin group, such as the Phoenix Programme in Vietnam.

The CIA has been assassinating people for decades; sometimes sub-contracting killing to gangsters like the Italian Mafia; sometimes using foreign nationals, like the Cubans; and sometime using trained military personnel.

John F Kennedy assassination

The official narrative is that Lee Harvey Oswald killed JFK from the book depository building a very long way behind the cavalcade. The facts are:

- Such a sniper shot, with the rifle claimed to be used, would be almost impossible. No sniper would choose such a location.
- JFK was claimed to have been shot from the rear by Oswald.
- In fact the killing shot was from the front, through the throat and out of the back of the head. The sniper was in front of JFK not behind.
- JFK had publicly stated that he intended to crush the CIA and spread it to the four winds.
- He also stated that he would crush the secret society that had a grip on power in the US.
- He was also trying to get US advisors (i.e. soldiers) out of Vietnam.
- Lyndon Johnson had prior knowledge of the impending assassination as explained many years later by his widow. Johnson made millions out of the Vietnam War, which he accelerated using lies and illegal actions (e.g. Gulf of Tonkin incident).

The evidence points to a conspiracy led by the CIA that involved the Mafia and probably Mossad.

Robert Kennedy assassination

The official line is that the assassin Sirhan shot Kennedy from the front, where he was standing facing Kennedy.

- Robert Kennedy's son openly states that his personal investigations prove that the CIA killed his father.
- The coroner's report specifically stated that Kennedy was killed by shots to the back.
- The only person able to do this kill shot was a CIA agent called Caesar, who had a pistol of the correct calibre and was standing directly behind Kennedy.

Princess Diana assassination

The official line is that Diana was killed in a car accident caused by paparazzi distracting the driver who was drunk on duty.

- The coroner's report did not state accidental death.
- All the relevant CCTV cameras at the scene were out of action.
- The driver was not drunk. The blood sample was later proven to be switched for another.
- After the crash a doctor, who was present at the time on the scene, examined Diana and said that she was stable without life-threatening injuries. Diana was able to speak.
- Diana was put into an ambulance alive and stable.
- The ambulance took 45 minutes to get to a hospital, passing two nearer hospitals on the way.

- When she arrived at the hospital she had massive trauma injuries to her chest. She had clearly been murdered in the ambulance.

David Kelly assassination

The official line is that Kelly killed himself by slashing his wrists and taking paracetamol due to shame about exposing the government's lies about the threat of Iraq's weapons of mass destruction.

- Kelly was found by the first responder medics sitting at the base of a tree. There was no blood on the ground whatsoever. No sign of suicide.
- These medics were dismissed by secret service agents who took over the scene.

9/11

Official line: Muslim terrorists hijacked passenger airlines and flew them into the twin towers and the Pentagon. Another hijacked aeroplane crashed in Pennsylvania after a passenger rebellion.

- With only a few hours training in a Cessna, it would have been impossible for these hijackers to perform the complex manoeuvres of a heavy aircraft in the manner claimed. Experience pilots have tried to simulate this and failed.
- No aeroplane crashed all the way through the towers from one side to the other. This is faked footage. It is physically impossible for a lightly structured aircraft to smash through nearly 50 hardened steel frames that made up the tower framework. Even bird strikes can cause aircraft to crash because the light aluminium structure of aeroplanes (necessary for flight) cannot withstand pressure.
- The original eyewitnesses on the streets never mentioned seeing any planes.
- The BBC announced the destruction of one of the towers 20 minutes before it collapsed.
- WTC7 collapsed in a heap without any plane striking it or without any significant fire. This is impossible.
- Such towers were built to survive an aircraft crash. No other similar tower ever collapsed in such a way.
- The towers collapsed within their own footprint in a manner commensurate with engineered demolition explosives. These designed explosions can be seen on footage showing puffs of smoke below the path of the collapsing floors, one by one.
- The debris continued to smoulder for weeks in a manner that could only be explained by thermite.
- Traces of thermite were found in the debris and removed.
- Part of an engine found in the street proved to be from the wrong type of plane.
- No aircraft hit the Pentagon. The profile is wrong, the angle is wrong. There was no debris.
- Lampposts in the flight-path of the claimed plane were still standing but should have been crushed.
- The damage was more likely caused by a cruise missile.
- The area of the Pentagon destroyed was the exact place where the financial records were kept for auditing. These were necessary to investigate trillions of missing dollars from budgets recently admitted by Donald Rumsfeld.. The investigation collapsed.
- The aircraft crash site in Pennsylvania showed no signs whatsoever of a crashed aircraft.

- One of the passengers managed to get a call to a family member saying that the whole thing was fake.

We could go on for item after item, including the London 7/7 terrorist attack, the murder of General Patton or the John Lennon assassination. These are either false flags to blame a third party (e.g. 9/11), contract-killings to get rid of a potential political problem (e.g. JFK) or to get rid of awkward witnesses able to contradict a certain narrative (e.g. David Kelly).

Example of the repercussions of a false flag

Take 9/11; what did the elite gain from this?

It was a necessary national crisis to stupefy the population and make them amenable to accept certain unpopular policy decisions. These include:

- Enact the policies drafted in the *Project for the New American Century* and the *Rebuilding America's Defences* paper, which paved the way for American imperialism and increasing totalitarianism. These were based on the Israeli *Yinon Plan* to Balkanise the Middle East after a series of wars and initiate Greater Israel dominating southern Iraq, Syria, Lebanon, northern Egypt and Jordan.
- Give an excuse to go to war against Iraq. The reason was to gain control of the oil and gas supply, have military bases in a strategic area, and to institute a central bank and reaffirm the dollar, which Saddam was going to ditch in favour of the Euro. The media poured out multiple lies to demonise Saddam and link him to Al Qaeda, which he was actually opposed to. The military action killed well over a million innocent Iraqi people, created tensions in the Middle East and exacerbated Islamic terrorism.
- Go to war in Afghanistan to reinstate the supply of heroin to the west. This is why the US is still there in their longest war.
- Set up Homeland Security.
- Enact the already drafted Patriot Act, which ripped up the civil rights of free citizens.
- Increase security measures to demoralise society (such as screening air travel passengers).

Conclusion 5

The narrative that governments often publish is constantly proved to be false. They lie about events and the truth is that there was a conspiracy to commit the atrocity.

This proves that there are powers that seek to commit atrocities, or even start wars, on the basis of lies. For example, the Iraq War was based on lies but Britain went to war when there was no credible threat. Many commentators (including myself) published statements before the war explaining the lies, so the government themselves must have known the facts.¹³ Since there was no purpose for Britain to go to war, the government must have been following the orders of powers above that did have a purpose in ousting Saddam Hussein.

Conclusion: there is a power above national governments directing certain policies, even policies that are against the best interests of the nation involved.

¹³ Robin Cooke (Foreign Secretary) knew this and resigned. He was later murdered in a staged mountain climbing accident.

Organisations and institutions that control the narrative and events

I am not going to evaluate all the global elite groups, but I do explain these in my paper, *'Introduction to the global elite'*. Suffice to say that there are various organisations, both government and private, that have real power over multiple aspects of national policy and political decisions. Presidents have admitted that these really control governments.

Just a few of these are;

- The Federal Reserve: a private bank that controls American money supply and interest rates since 1913. It has openly admitted that it has caused crashes like the Great Depression. Central Banks are a subset of this..
- Financial institutions. Wall Street, City of London.
- The Central Intelligence Agency: A federal agency in the US responsible for co-ordinating government intelligence activities. It was established in 1947 and originally intended to only operate overseas; it has since also operated in the US and operates well beyond its original remit. For example, German whistleblower journalists have explained that the CIA wrote their stories on certain subjects and only the narrative put forward by the CIA was to be followed on pain of losing your job or worse. We can prove that the CIA killed RFK and come close to proving that it killed JFK. The CIA also controls drug trafficking across the world; note its involvement in Afghanistan, which was a war to reinstate the heroin supply after the Taliban had burned the poppy fields and stopped supply to the west. The CIA works directly with Israel's Mossad and Britain's secret services (MI5, MI6).
- The Council on Foreign Relations: controls American foreign policy, as openly admitted by Hillary Clinton.
- The Bilderberger Group: sets policies to be fulfilled in Europe. Europe's CFR.
- The Trilateral Commission: Similar to the Council on Foreign Relations (which is American), but international in scope. It is a vehicle for multinational consolidation of the commercial and banking interests.
- The Club of the Isles: a European cartel centred in London and headed by the House of Windsor. This controls every aspect of the global economy, banks, insurance, big pharma, raw materials, factories etc.
- The military industrial complex.
- Corporatocracy (global corporations).
- Big Pharma.
- Mainstream media.
- The entertainment industry.

There are many more but this is sufficient to make my point in a brief paper.

Resources

- Paul Fahy; Introduction to the global elite.

Methods of control

Oligopolies¹⁴

Over the last 120 years the elite, through their vast wealth, have managed to gain control over large parts of various infrastructure interests. For example:

- The top 1% of rich people own 90% of the world's wealth.
- Five elite families own half of the world's wealth.
- 90% of all media companies are owned by five globalist corporations.
- Over 90% of all companies are owned by five globalist corporations.
- Most of the world's banks are owned or controlled by a few Jewish banking families.
- Interest rates are determined by the elite, which happen to be Jewish bankers.
- Over 95% of Hollywood production companies are owned by Jewish families.
- A small number of pharmaceutical companies control most of the world's medicine.
- A few cartels control most of the agricultural produce.
- The CIA controls most of the illicit drug trafficking.
- One elite Jewish family controls the price-setting of gold, silver and diamonds.
- A handful of Jewish individuals control almost all aspects of on-line social media.
- One of the largest monopolies in the world is Google, owned by a Jew.
- Windows and Apple control most of the world's computers.
- A handful of people control the world's telecommunications.
- Bayer-Monsanto dominates world seed and pesticide operations.
- Steel production is owned by a few elite families including US Steel, largely owned by the banking firm JP Morgan.
- A few companies control safe uranium production.

Brainwashing and deception

See 'media' and 'education' next.

With the various monopolies working together in tandem, the elite ensure that their strategic message is pumped out day after day in various situations. These include: the Press, the broadcasting companies, news outlets, social media platforms, schools, universities, textbooks, journals, commentary and blogs. The result is that ordinary people are hit with the same messages from a wide variety of sources and they easily become conditioned to whatever the message is.

Look at the effects of brainwashing about Covid-19. There was no pandemic. The real number of deaths are very low; the epidemic was like a medium flu season. Most people have mild or even no symptoms. Your chances of surviving it if healthy are well over 99.7%. The virus peaked in mid-March before the lockdown. Public Health England downgraded the disease from being a high-risk infection on 19 March. The virus is now virtually dead with few (if any) hospitalisations. It is hard to catch and is not transmitted via surfaces and not easily outdoors. The death rate this year is less than the five-year average.

Despite all these facts, the nation is petrified and walks in fear daily. It does nonsensical things like wearing facemasks that only cause harm. Some people attack others without

¹⁴ When the providers of goods and services in a market are reduced to a small number of controllers. A state of limited competition, in which a market is shared by a small number of producers or sellers.

masks and fear everybody, jumping out of the way from approaching people on pavements. Most folks think that many millions died worldwide and that hundreds of thousands of people in Britain are infected and are thus deadly.

Why is this? it is because there has been a constant barrage from authority figures telling lies and scaremongering. The media gave exaggerated stories month after month and hid the truth. Professional epidemiologists were ignored and not interviewed. Teachers and professors told kids lies and got students to do crazy things, like wear masks constantly in school and keep separate from classmates when kids are hardly affected by the virus. People were lied to by newspapers, journals, blogs, news programmes, television commentators, teachers, and politicians, all following a global elite line that was determined years ago in a planned scam to take control of society.

Fear

Goebbels¹⁵ said that you could get a nation to do anything you want if you can create enough fear in the population.

The elite have been using fear as a means to control people for decades. Going back in time we can see the following used to scare nations: the Yellow Peril, the Red Terror, the Nazis, the Cold War, serial killers, nuclear war, Black radicals, terrorism (e.g. the IRA bombs, the Black Panthers, Palestinian outrages etc.), advancing Communism in SE Asia, AIDS, various flu outbreaks, the radical Islamic threat, Saddam Hussein, Gaddafi, ISIS, CO₂, and Covid-19.

Each one works for a while and then fades, so that a new scare is required. The elite want the nation to be in constant fear.

Increased surveillance and harsh policing methods

The elite are able to spy on you from a multiple variety of sources: your landline telephone, your smartphone, your smart television, your emails, your texts and your messaging. They are literally listening in to everything you say on your 'phone and storing it. Edward Snowden made this clear, but we already knew.

You are spied on by CCTV cameras almost everywhere you go in cities. You can be recorded hundreds of times in one day.

All your computerised medical data is held by the authorities.

All your on-line history is archived – what sites you visit, what you purchase, who you talk to, what people you listen to most and so on.

In short, the elite (such as through the CIA) know everything about you. They know all your personal history, how healthy you are, who you like, what your girlfriend's name is, where you work, how well you perform at work, what your hobbies are, what you like to buy, your criminal record, your educational achievements, your credit score, your savings, your tax paid and so on.

All this is farmed for various purposes. It can be used for targeted advertising to get you to buy stuff you don't want. It can be used to gather evidence against you if required. It can be used to find you.

¹⁵ (Paul) Joseph Goebbels [1897–1945], German Nazi leader and politician. From 1933 Goebbels was Hitler's Minister of Propaganda, with control of the press, radio, and all aspects of culture, and manipulated these in order to further Nazi aims.

This data can be used by the police to persecute you and this is being done throughout the world every day. People are being arrested and threatened with jail for making a comment on Facebook. People making slight factual comments about Islam are prosecuted under hate crime laws. People considered as offending homosexuals, no matter how delicately, can be arrested and fined for discrimination. Your livelihood can be ruined even if you later are found innocent. This has happened to many people.¹⁶

Unrighteous laws

The plan of the elite is to create a terrifying distraction event (such as 9/11, 7/7), to scare the population into submission and then bring in draconian laws under the guise of meeting a supposed threat. This has happened multiple times in the last 20 years; an example would be the US Patriot Act.

Another method is to create a class in society that is supposedly persecuted by the majority and then create draconian hate-laws supposedly to protect this group from discrimination. Once you have brought in a few of these, ordinary people cannot think or speak openly anymore for fear of offending someone who then prosecutes them.

Censorship

Dissenters to the elite narrative have to be silenced and this is done through multiple avenues to censor the opposing view. Thus, for example, criticism on Facebook, Twitter, YouTube and so on is deleted, de-funded¹⁷ and shadow-banned.¹⁸

The mainstream media is dominated by the elite narrative and gives no opportunity for opposing views and labels such views as conspiracy theories or quackery.

Summary

All these things are used to enhance control of your person. Many of these measures were brought in under the pretence of terrorism threats, but they are being used domestically to control citizens.

The effects in society

The deleterious negative effects in society are largely down to the decisions made by the global elite and their policies enacted secretly by national governments. For example:

Drug abuse

There are multiple ways that you can immediately stop the problem with drugs on the street, which drives most violent crime and burglaries – but no one adopts these measures. I have seen first hand that the police care nothing about stopping this.

This is because the government does not want to stop this because drug sales fund the global elite more than anything else. Revenues going to the CIA bring in more than taxes. Pallet loads of drug money are taken to the Federal Reserve.

Just look at the various policies and drug Tsars to combat illicit drugs – none have made even a tiny dent in the amount of drugs on the street. In addition to secret finance, the elite

¹⁶ One British couple accused of being Islamophobic in their own hotel were prosecuted and eventually found to be innocent but the costs caused them to lose their business and sell their hotel.

¹⁷ De-monetising YouTubers gradually puts these people out of work.

¹⁸ Your site does not come up on searches.

want as many people as possible hooked on drugs because that dumbs down a population and hinders dissent and rebellion.

Governments have been using drugs and causing misery for over 200 years. Controlling drugs goes back at least to the Opium Wars [1839–42; 1856–60] and the British Empire profiting from the suffering of the Chinese.¹⁹ However, America was already involved in drug trading. Handling drug trafficking gradually passed to the CIA, which I have explained in other papers (e.g. Depths of Deception).

The global elite want people hooked on drugs.

Financial control

The control of the central banks in almost all countries means that the elite control everything. It was a plan to get nations and individuals hooked on debt so that both can be controlled.

Medical abuse

I have explained the development of allopathic medicine several times, but since 1901 Rockefeller controlled the medical establishments of the west.

It started when John D Rockefeller realised that you could make synthetic drugs out of by-products of the petro-chemical industry – which he owned. Rockefeller established the Standard Oil Company in 1870 and by the end of the decade exercised a virtual monopoly over oil refining in the USA.

The Rockefeller Foundation, after 1901, started taking over medical institutions and especially training universities through financial grants. Gradually his placemen were in many positions of authority and eventually the medical boards were taken over. At the same time he used his publicity machine and friends in the Press to vilify private doctors and nutritionists who were smeared as ‘quacks’. Eventually his political control enabled him to criminalise many aspects of medicine. You needed a licence to practice gained from being trained at a Rockefeller university.

In time, people who had genuine cures, such as for cancer, were criminalised. Some were hounded out of the country; some lost their ability to practice; some were murdered.

The point is that you cannot make a profit from a cure that derives from herbs and spices, or tree bark or tree sap and any natural thing. Gradually allopathic²⁰ medicine took over former natural cures and patented drugs for profit. For example, aspirin²¹ originally derived from tree bark but now it is synthetically produced in pill form, which you pay for.

All this led to what we now call Big Pharma; that is the globalist, corrupt, pharmaceutical companies that dominate allopathic medicine, governments and the media. Now there is no profit to be made in getting everybody healthy quickly. That is logical. Healthy people are bad for business. What Big Pharma wants is for everybody to be sick enough to live on a cocktail of drugs but not too sick to die. In America today, old people can be on dozens of drugs at one time.

¹⁹ In the early 19th century British traders were illegally importing opium from India to China to increase trade. This led to two wars.

²⁰ Allopathy - the treatment of disease by conventional means, i.e. with drugs having effects opposite to the symptoms.

²¹ *Acetylierte Spirsäure* ‘acetylated salicylic acid’; the element *Spir-* being from the plant genus name *Spiraea* - a shrub of the rose family.

Worse than this there are more than a dozen ways to cure cancer effectively. These include: I/V vitamin C, vitamin D, vitamin B1, Essiac, and GCMaff. My daughter cured a cancerous brain tumour the size of a golf ball with vitamin C. Now all the natural cures of cancer have been debunked by the medical establishment and charities constantly demand money to find the elusive cure for cancer. This money goes to keeping people sick.

The people that find cures for cancer either get dismissed, imprisoned, banished or murdered. Right now David Noakes and his nurse Lyn Thyer are rotting in a French prison for providing an effective natural cure (GCMaff) to their patients (some of which were treated free). The corrupt British legal system illegally extradited them, despite them being innocent of any crime.

The global elite want people sick and dependent upon medical drugs.

The domination of the media and censorship of dissent

The global elite gradually captured 95% of all mainstream media slowly after 1900 by using their vast amounts of money. It began with buying up newspapers and then spread to television news, broadcasting corporations, journals, textbooks and entertainment firms (e.g. Hollywood). In more recent years the elite captured all the major forms of on-line news, commentary and entertainment, such as: Facebook, Google, YouTube, Twitter and Amazon.

Through controlling the media the elite was able to control the social narrative. But as more dissenting voices appeared on-line, it became necessary for the elite to start censoring and deleting these voices. Free speech on the Internet was thus eroded as alternative news speaking the truth was obliterated from most public forums and ordinary people had to search to find them (which most people are too busy to do). Amazon also deleted books on subjects opposed to the elite, such as anti-vaxxer books or books considered anti-Semitic because they told the truth about various subjects.

For example, the BBC gradually become dominated by Left-wing, woke, elite-supporting executives and the political bias in news items became so obvious that it has led to a Parliamentary enquiry and pressure from the PM. But it is not just the news, it is a bias and blatant lies in all forms of programming, down to childrens' programmes. Over time the BBC lost all its original values espoused by Lord Reith²² and became utterly corrupt. It even protected Jimmy Savile when his paedophile activities were well understood by executives.

If you take any subject, say the Syrian conflict, you can catch the BBC telling lie, upon lie upon lie. You find the truth from investigating journalists who were on the scene at the time giving an opposite story. The truth is proven when independent journalists always predict things accurately but the BBC fails to predict anything correctly. In one example the BBC said that a certain hospital in Syria was bombed by Syrian forces killing innocent sick people. Independent journalists went there six months later and found the hospital still standing – there had been no bombing. The source used by the BBC was a Syrian dissident and Al Qaeda supporter publishing from his bedroom in Coventry.

By controlling all the media outlets and censoring dissenting voices, the global elite completely manage the way that most people think. For example, in the Covid-19 scam the mainstream media has pumped fear into the population at unbelievable levels for month

²² John (Charles Walsham) Reith, 1st Baron [1889–1971]: Scottish administrator and politician, first general manager [1922–7] and first director general [1927–38] of the BBC. He played a major part in the growth of the BBC and championed the moral and intellectual role of broadcasting in the community.

after month. Most people are terrified and believe that millions have died from the virus and that hospitals were overcrowded. The truth is that fewer people died in 2020 than in the previous five years and the hospitals were empty. 99.7% of people survive infection and for most people the symptoms are minor. The people that died virtually all died from co-morbidities. The claimed pandemic was much less than a bad flu season. The truth was at complete odds with the media narrative.

As an example of the elite controlling the media narrative take Bill Gates. He has allocated \$250 million to the BBC, NPR, NBC, Al Jazeera, ProPublica, National Journal, The Guardian, The New York Times, Univision, Medium, The Financial Times, The Atlantic, the Texas Tribune, Gannett, Washington Monthly, Le Monde, Centre for Investigative Reporting, Pulitzer Centre, National Press Foundation, International Centre for Investigative Reporting, and more. Gates did this funding secretly by using sub-agents.²³

During the fake pandemic, the media groups treated Gates like a medical expert and he was constantly in the news – despite having no qualifications of any sort (not even in computing). No one except Anthony Fauci had as much traction in the media – yet both of these have an agenda and are using false information to create panic and push vaccines.

Gates also funds an army of fact-checkers, such as the BBC, the Poynter Institute and Gannett, which use their platforms to silence dissent and claim that the opposing narrative of the elite is a conspiracy theory.²⁴

Critics of Gates have exposed how he has injured, sterilised or killed hundreds of thousands of women and children in Africa and India. He has been legally penalised for shady business practices. He stole the basic design for Windows. He also has holdings in companies linked to child labour. Gates-controlled media have also steered the world towards accepting Gates' personal goals: vaccines, GMO crops, surveillance (e.g. track and trace), ID biomarkers (ID 2020 in vaccines), eugenics, and increased totalitarianism (e.g. in lockdowns). By the way, Gates is an eugenicist from a long line of eugenicists.²⁵

This is the point of the elite's control of the media. The elite are sociopaths and Satanists; their father Satan is the father of lies. Thus the media is a lying machine to put over propaganda to the masses to condition them. The media is an elite brainwashing tool.

Education

Sadly, the worst programming tool of the elite occurs from their domination of the education systems of the west. These have not only dumbed-down education to very poor levels but they feed propaganda into the minds of the young and churn out woke puppets.

The take over of education was a deliberate ploy stemming from Cultural Marxists after 1921 in Europe and Rockefeller strategies in America after 1908. Gradually, after several decades and particularly after the mid-60s, Socialists gained majority control. They especially took over the humanities and arts in universities to the point where these have become places to get stupid at great financial cost.

The brainwashing of children is shocking when you see it first hand. Even children under ten have been turned into woke puppets. Worse still is the sex-education of children as young as five whereby utter filth is taught to kids, with pictures and diagrams, coaching them perversions they are taught are normal behaviour. For example, six-year old kids are

²³ Editorial: Robert F Kennedy Jnr., Children's Health Defence.

²⁴ The idea of calling dissidents 'conspiracy theorists' was dreamed up by the CIA as a smear tactic.

²⁵ See my paper on Bill Gates.

taught about masturbation, homosexuality and gender fluidity. This is why brain-damaged, confused children under ten demand to change their gender and brain-damaged, conditioned parents get them life-changing surgery. This is insane.

By taking over education, the elite are able to create strata of obedient serfs in society that gradually rise to positions of power. After 40 years you have most people under your control.

Summary

Now we could list item after item from chemtrails that poison the air and the soil, to fluoridation that pours aluminium waste into the water supply or toxic genetically modified material and herbicide in supposedly healthy foods;²⁶ and many more matters.

The point is that the global companies that control the narrative all work in conjunction with each other. Thus Big Pharma is connected to the mainstream media so that the message put out to the people is in support of allopathic medicine and smearing nutritionists. Big Pharma is bigger than the Petro-Chemical Industry. The CIA dominates national governments to ensure the continual supply-line of illicit drugs. Globalist banks are too big to fail and are always bailed out by taxpayers. And so on.

In this way corrupt, sociopath people control the power behind national governments. This is why nothing works and nothing gets better. It is why we go to war despite no threat to our security. It is why we pay taxes on items, which pay for things that do us no good at all. Why would the government commit us to pay trillions to eliminate CO₂ emissions by 2030 when CO₂ is beneficial to nature and increases the growth of plants or when termites produce more CO₂ than humans? Why burn foreign trees instead of local coal?

The answer is that governments do not work on common sense and must do what they are told by the powers above them that control the world.

Conclusion 7

All the institutions that society depends on are controlled by globalist corporations and official bodies to further the goals of the global elite. They are not devoted to doing society good and constantly do society harm.

Goals of the elite

- To rule the world through a small cabal of bankers, politicians, corporatists, aristocrats and others in a totalitarian system.
- Destroy Christianity and remove Christian values from society.
- Eradicate all sovereign nation states to be replaced by world government.
- Reduce the world's population to 500 million. These become serfs in a new feudal system to elite overlords.
- The abolition of democratic government.
- The abolition of private property.
- The abolition of patriotism.
- The abolition of the family.

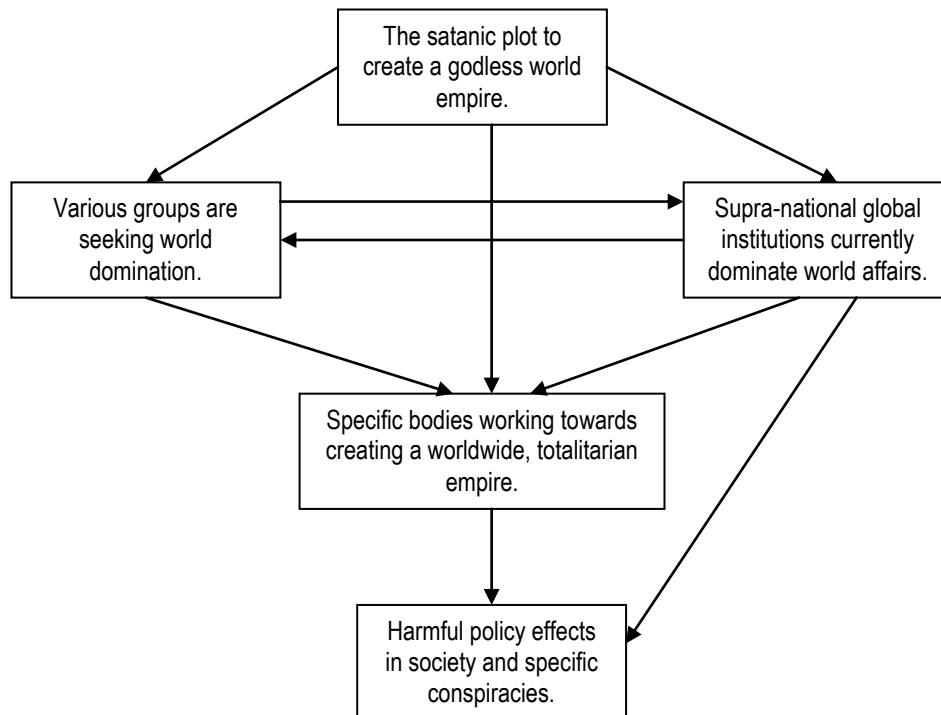

²⁶ For example oats, apparently healthy, are one of the products that have the most glyphosate in them derived from GM food. Most American corn and soy is GM.

- One global language

Note that these goals are repeated in Marxism, Cultural Marxism, the Protocols of the Elders of Zion,²⁷ Freemasonry, Talmudism, the Jacobins and the Illuminati – proving a correlation of purpose.

²⁷ This is not a forgery but minutes of a Rothschild meeting with later additions. Even if it was a forgery it has proved to be extremely prescient in light of historical events.

Diagram

Why the elite pursue evil objectives

Most rational people judge by themselves and cannot appreciate that the elite are evil. For example, people have said why would Bill Gate's do evil things when he has so much money; it isn't credible.

Satanism

The answer is that most of the elite are Satanists, pure and simple, and thus do not operate at a rational human level. It may be that a few are not Satanists but the vast majority are. Virtually all the elite are Luciferians, but that is not necessarily Satanism. Some Luciferians approach this philosophically in the guise of heavenly wisdom or divine enlightenment and do not engage in satanic rituals. Some Kabbalists worship their version of Lucifer in an abstract or theoretical way. Many Talmudists worship themselves or the Jewish agglomeration, although they are worshipping Satan by proxy.

Nevertheless, the vast majority of elite people are Satanists to one degree or another. As a result they behave in irrational sociopathic and psychopathic ways.

For example, the friends of Hillary Clinton have been exposed engaging in '*spirit cooking*' parties – devoted to demonism and all sorts of lewd, base activities, which I won't discuss. A whistleblower secret service guard to Hillary Clinton stated that she went every month to a witches' coven in LA. Jimmy Savile, friend of royals, aristocrats, prime ministers and high level establishment figures, was a necrophiliac and an extreme paedophile. Bill Clinton is an accused rapist. Jeffrey Epstein, friend of royals and Clinton and high profile people, was a convicted paedophile and trafficker. Prince Andrew is an alleged paedophile. Something is seriously wrong with these elite people.

Eugenics

Eugenics did not die out with the Nazis but is alive and well in the elite. Many of the elite figures are eugenicists. Bill Gates is an eugenicist from a line of eugenicists.²⁸ How does he sleep at night having killed and injured hundreds of thousands of innocent young girls and women in Africa and India? To an eugenicist this is a good thing; it is getting rid of the weak, poor, frail, disabled people in society – which is the goal of eugenics.

Eugenics explains why many elite people favour wicked schemes.

Malthusianism

Thomas Robert Malthus [1766–1834] was an English economist and clergyman. In *Essay on Population* (1798) he argued that the population tends to increase at a greater rate than its means of subsistence, resulting in the necessary population checks of war, famine, and epidemics. In fact he was wrong; the earth can sustain its population easily if nature was conserved properly and if most of the produce was not wasted by the rich.

Virtually all elite players believe that the world is overpopulated and radical means must be used to depopulate the world by 95%. This is clearly spelled out by them openly in quote after quote, as well as being inscribed in granite in the Georgia Guidestones.

Eugenics is a tool to reduce the world's populations by covert sterilisation in vaccines, but this is not quick enough. Many have openly admitted seeking to kill whole swathes of the population through vaccines. Explanation of this would be too long to discuss here but most vaccines contain horrific mixtures of mercury, formaldehyde, aborted foetus cancer cells, Polysorbate 80, aluminium and many other toxins. Read the inserts; this is a fact.

Others have used bio-warfare in releasing pathogens into local populations, such as Ebola. HIV/AIDS can be traced back to creation in a laboratory. Some elite figures have confessed to killing people in medical centres through passing on cancer by vaccinations.

The elite believes that it is a righteous thing to seek to get rid of 13 out of every 14 people and so espouse otherwise horrific methods. When Prince Phillip was asked what he would come back as if reincarnation were true. He replied that he would come back as a virulent virus to kill millions of people. Such an answer is inhuman; but he said it with conviction.

Malthusianism explains why the elite want to get rid of 6.5 billion people.

Paedophilia

This is probably the worst facet of the elite, but it is documented for centuries that the elite actively abuse children. In fact they not only abuse them sexually but many aspects of the elite kill children in satanic rituals and drink their blood.

Right now in hearings throughout the world evidence is being gathered from witnesses of elite abuse and ritual killing of children. I have written scores of pages on this. In Britain there are paedophile networks in Westminster, in the police forces, in the military, in the judiciary and in many levels of the establishment.

One reason for this is the use of blackmail by the secret services. Once a person has been filmed doing something terrible, they can then be controlled forever. The reason that paedophile enquiries never go anywhere is because the people in control are the paedophiles. Check out the testimony of multiple whistleblower police officers that have exposed the levels of corruption.

²⁸ See my paper 'Bill Gates'.

Jimmy Savile is an example of just how much a paedophile can get away with for decades with no convictions when he is protected by high powers.²⁹ Savile was not only a paedophile but procured children from care homes for elite abusers that included royalty and prime ministers. He also engaged in abusing sick children in hospitals as well as necrophilia in morgues. Cyril Smith is an example of a politician that got away with abusing children for decades. These are just the tip of the iceberg.

The Bible explains³⁰ how ritual killing of children was endemic amongst the Jews before the exile. It was one of the things that the Israelites took over from the Canaanites (which had led to the Canaanite genocidal judgment of God). The offering of children to Moloch and other gods was horrific, including slow roasting on a statue of a bull/man god.

Stories of Jewish ritual killing of Gentile babies continued for centuries throughout Europe leading to multiple court cases and punishments. Jewish writer Ariel Toaff studied these and confirmed the reports.

One reason for this today is the illusion that drinking a sacrificed infant's blood prolongs life and health. There are multiple reports of incidents of this going on right now.

This is enough of the wretched subject here.

Getting rid of threats

The elite are experts in assassination. Sadly, these killings are not just a bullet to an individual's head but sometimes there is great collateral damage. Often a plane or a building has been blown up to get rid of one person.

To achieve the necessary shock to the nation to develop the destruction of civil rights in America and develop a police state, the elite happily killed over 3,000 people in the 9/11 tragedy. American drone strikes regularly kill dozens of innocent people, including multiple generations killed in bombed wedding receptions.

The removal of Saddam Hussein, a thorn in the side of the elite, led to over a million dead innocent civilians. Hundreds of thousands of innocents were killed in the Syrian insurrection, paid for and resourced by the elite. Hundreds of thousands were killed in the pointless Vietnam War. Millions were killed in the Red Terror of the Bolsheviks, paid for and supported by elite bankers. Millions were killed by Mao in China, supported by the elite while Chiang Kai-Shek³¹ was denied weapons that he paid for. We could go on and on. I have given evidence for all these many times.

Sociopathy

A sociopath is a person with a personality disorder manifesting itself in extreme antisocial attitudes and behaviour. It is based upon extreme selfishness and hubris.

²⁹ Savile was best friends with Prince Charles. He went to Margaret Thatcher's for dinner at New Year several times. He befriended premiers, royalty, and all aspects of the establishment. He was not only favoured by the police but also friends with the IRA. He was also a Freemason. He was knighted by the Queen.

³⁰ 2 Kg 23:10; 2 Chron 28:3, 33:6; Ps 106:37-38; Isa 57:5; Jer 7:31, 19:5, 32:35; Ezek 16:20-21, 23:37.

³¹ Chiang Kai-shek [also Jiang Jie Shi, 1887–1975], Chinese statesman and general, President of China 1928–31 and 1943–9 and of Taiwan 1950–75. He tried to unite China by military means in the 1930s but was defeated by the Communists (supported by the USA). Forced to abandon mainland China in 1949, he set up a separate Nationalist Chinese State in Taiwan.

As servants of Satan, the epitome of pride, the elite are full of hubris. Because they are so motivated by selfishness, they act in ways that ignore the damage and death done to swathes of the world's population by their policies. They simply do not care.

If a sociopath has untold wealth counted in the trillions, or many billions at least, and if they have great power through their wealth to be able to control governments, then expect world policies that are cruel, senseless and deadly.

How could the elite be paedophiles and abuse, torture and brutally kill children? Because they are sociopaths. How could they actively plan to get rid of nearly 7 billion people. Because they are sociopaths.

Summary

These are some of the reasons why the elite do wicked things.

Key foundations of the elite

To understand what is going on and how the elite are manipulating nations, you first need to get your mind around a few concrete facts; then you will be able to understand other matters and join the dots.

The elite are sociopaths and psychopaths.

This is hard for many because the media and education has brainwashed people from a young age to consider them as altruists and benefactors because they give to charity. You must see through this smokescreen.

The elite are Satanists

As willing servants of the Devil, the elite pursue a demonic strategy and seek to elevate evil in the world.

The elite hates Christ and seeks to destroy Christianity from the Earth

Many of the elite projects are not just aimed to destabilise society but do so in a way that reverses Christian principles. Thus, for example, the promotion of homosexuality and anti-discrimination laws to enable it to prosper. Another example is Feminism, which really seeks to ruin marriages and wreck families. One significant factor in the Covid-19 lockdowns is stopping Christians from fellowshiping together.

The elite seek to get rid of 95% of the world's population

They have openly stated that they want a world population of 500 million only. This means getting rid of 13 out of every 14 people.

The elite are eugenicists

This means that while they sponsor tolerance laws, in fact they are racists and bigots. They want to eradicate the weak in society that do not fit their profile. This includes: the elderly, the disabled, the frail, the long-term sick, the poor, mentally ill people, Gypsies, Black people,³² etc.

The weak are the very people that God commands we look after in society. But that is just another reason why the elite are opposed to them.

³² Though they currently sponsor Black Lives Matter in order to disrupt society and foment civil war, the elite really want to get rid of African Americans completely and to rape Africa.

The elite hates children and seeks to destroy the family

This has been openly admitted in multiple published works, such as the Communist Manifesto and the Protocols. The family has to be dismantled and people isolated in order to rule populations dictatorially. There are many examples of elite people that abused their own children and thousands of identical witness statements that elite figures sexually abused kidnapped kids.

These are the foundational key points of the elite. You have to understand that this is what they are like before you can press on understanding what they are doing.

When you understand that the elite are psychopaths, you can then research a given matter, such as 9/11, and easily understand that they could kill 3,000 people to pursue an agenda to break up civil rights.

Conclusions

There is a satanic plan, outlined in the Bible, to deceive the nations and bring about a world empire ruled by the Devil through proxies. This is a totalitarian antichristian state where sin abounds and all godliness is destroyed.

There is no shortage of power groups determined to gain global domination by satanic methods. This is a simple historical fact.

The global elite are spawned by Satan and thus exhibit the same wickedness.

There is no doubt that there are supra-national powers that determine how nations work. That cannot be questioned.

There is a connection between the conspiratorial groups and the power bases.

Many historical events that changed nations were conspiracies committed by the global elite contrary to the claimed official narrative.

There is a power above national governments directing certain policies, even policies that are against the best interests of the nation involved.

All the organisations that society depends on are controlled by globalist corporations and official bodies to further the goals of the global elite. They are not devoted to doing society good and constantly do society harm.

Conclusion

The global elite conspiracy is not a theory but a fact.

Quotes

Admissions of elite members

World government aspirations

We are grateful to the Washington Post, The New York Times, Time Magazine and other publications for almost 40 years. It would have been impossible for us to develop our plan for the world if we had been subject to the bright lights of publicity during those years. But the world is now more sophisticated and prepared to march toward a world

government ... The supranational sovereignty of an intellectual elite and world bankers is surely preferable to the national auto-determination practised in past centuries.

David Rockefeller, Bilderberger Meeting, Baden, Germany, 1991.

Some even believe we are part of a secret cabal working against the best interests of the United States, characterising my family and me as 'internationalists' and of conspiring with others around the world to build a more integrated global political and economic structure – one world, if you will. If that's the charge, I stand guilty, and I'm proud of it.

David Rockefeller, *Memoirs*, (2002).

We are on the verge of a global transformation. All we need is the right major crisis and the nations will accept the New World Order.

David Rockefeller, UN Dinner, (1994).

CFR

Its good to have an outpost of the Council right here down the street from the State Department. We get a lot of advice form the Council. So this will mean I don't have so far to go to be told what we should be doing and how we should think about the future.

Hillary Clinton; speech to the CFR.

CIA

It is inconceivable that a secret intelligence arm of the government has to comply with all the overt orders of the government.

James Angleton, CIA Counterintelligence head, testimony to the Church Committee.

Depopulation

A total world population of 250-300 million people, a 95% decline from present levels would be ideal.

Ted Turner, (founder of CNN) interview in Audobon magazine.

In order to stabilise world population, we must eliminate 350,000 people per day.

J Cousteau, explorer and UNESCO courier (1991).

Cut the population by 90% and there aren't enough people left to do a great deal of ecological damage.

Mikhail Gorbachev

The elderly are useless eaters.

Dr Henry Kissinger

The present vast overpopulation, now far beyond the world carrying capacity, cannot be answered by future reductions in the birth rate due to contraception, sterilisation and abortion, but must be met in the present day by the reduction of numbers presently existing. This must be done by whatever means necessary.

Initiative for the United nations, ECO-92 Earth Charter.

The ideal sustainable population is ... more than 500 million but less than one billion.

Club of Rome, 'Goals For Mankind'.

Statements by opposers of the elite

A secret conspiracy

We are opposed around the world by a monolithic and ruthless conspiracy that relies primarily on covert means for expanding its sphere of influence – on infiltration instead of invasion, on subversion instead of elections, on intimidation instead of free choice, on guerrillas by night instead of armies by day.

JF Kennedy (35th President); speech to the American Newspaper Publishers Association, 27 April 1961.

The Rockefellers and their allies have, for at least fifty years, been carefully following a plan to use their economic power to gain political control of first America, and then the rest of the world. Do I mean conspiracy? Yes I do. I am convinced there is such a plot, international in scope, generations old in planning, and incredibly evil in intent.

Congressman Larry P McDonald, *The Rockefeller File* (1975) Introduction.

The real menace of our Republic is the invisible government, which like a giant octopus sprawls its slimy legs over our cities, states and nation ... The little coterie of powerful international bankers virtually run the United States government for their own selfish purposes. They practically control both parties ... these international bankers and Rockefeller Standard Oil interests control the majority of the newspapers and magazines in this country. ... [They seize] our executive officers, legislative bodies, schools, courts, newspapers and every agency created for the public protection.

John F Hylan, New York City Mayor; *New York Times*, 26 March 1922.

Private banks

Banking establishments are more dangerous than standing armies; and that the principle of spending money to be paid by posterity, under the name of funding, is but swindling futurity on a large scale.

Thomas Jefferson (President 1801-1809); letter to John Taylor, 28 May 1816.

A power has risen up in the government greater than the people themselves, consisting of many and various powerful interests, combined in one mass, and held together by the cohesive power of the vast surplus in the banks.

John C Calhoun (Vice President 1825-1832); speech, 27 May 1836.

The media

There is no such thing, at this date of the world's history, in America, as independent press. ... The business of the journalists is to destroy the truth; to lie outright; to pervert; to vilify; to fawn at the feet of Mammon, and to sell his country and his race for his daily bread. ... We are the tools and vassals of rich men behind the scenes.

John Swinton (former chief of staff for the *New York Times*), speech at New York Press Club, 1953.

This should suffice.

Documentary works of, and about, the elite

Space here only allows for a short summary of sometimes complex subjects. This is a select list out of thousands of works.

The Georgia Guidestones

An elite mission statement engraved on monoliths in Georgia (near Atlanta) that appeared in 1980. The origin was secret.

This is a granite monument with a list of ten objectives engraved in eight modern languages, plus a message in four ancient languages that gave us ancient esoteric religions (Babylonian, Classical Greek, Sanskrit and Egyptian hieroglyphs).

It includes:

- Maintain humanity under 500 million in perpetual balance with nature (this requires the death of 6.5 billion people).
- Guide reproduction wisely – improving fitness and diversity (i.e. Eugenics).
- A new global language.
- A world court.
- Centralised state control.

The Protocols of the Learned Elders of Zion

Jewish apologists claim that this work is a forgery based on an earlier Gentile pamphlet aimed at discrediting Jews. Other scholars affirm strenuously that it is a genuine document. Many affirm that it is the minutes of a meeting, or series of meetings, chaired by the Rothschilds regarding their plan for world domination. In its current form, it also contains later emendations.

The origin doesn't matter since the content has accurately predicted world events for 100 years. The subjects in this book have been gradually coming to pass generation after generation. This proves that there is a prior plan to what is going on in the world.

The original version was drawn up by Adam Weishaupt in 1776 and the essential features include:

- Destruction of all national governments.
- Destruction of all religions.
- Establishment of Luciferianism.
- Abolition of the family.
- Abolition of private property.
- Divide the masses into opposing camps, dividing them on politics, race, social, and economic issues.
- Arm the opposing sides and create incidents to cause them to fight and weaken themselves until they destroyed the nation and the religion.
- Use money and sex to bribe high-level people already in all national seats of power and influence. Then hold these people in bondage by blackmail.
- Place elite stooges in positions in colleges and universities to recommend exceptional students from well-bred families to be international agents. Scholarships would be given to those selected. These would later be used as advisors behind the scenes in government.
- Control the press and all media. Use the news as propaganda for the elite's strategies.
- Foment colonial wars to weaken the then dominant empires of Britain and France, beginning in 1789.

George Washington noted that the protocols were behind the Jacobins that fomented the French Revolution, and had spread their doctrines to the US and were behind the Revolutionary War.

George Washington letter

'George Washington Warns of Illuminati', (24 October 1798) Library of Congress. Also see John C Fitzpatrick, Editor; *'The Writings of George Washington from the Original Manuscripts'*, 1745-1799'.

John Robison

John Robison, Professor of Natural Philosophy at Edinburgh University, '*Proofs of a Conspiracy against all the religions and governments of Europe, carried on in the secret meetings of Free Masons, Illuminati, and reading societies collected from good authorities*' (1798).

Albert Pike

Albert Pike (Sovereign Grand Commander of the Southern Jurisdiction of the Scottish Rite of Freemasonry and Satanist) wrote the Illuminati strategies for the future in a letter to revolutionary leader Giuseppe Mazzini in 1870 or 71. This is based on three world wars and the destruction of Christianity and atheism. He announces the establishment of a secret society (revolutionary Illuminati) within a secret society (Freemasonry). Only selected high degree Masons would be told. Pike called the secret society the 'New and Reformed Palladian Rite'. This letter used to be held in the British Museum but is now missing.

Morals and dogma. The occult control of Freemasonry by a Satan worshipper and head mason.

Baruch Levy

Letter to Karl Marx (1879). Baruch ha-Levi (Baruch Epstein, 1860-1941) was a Lithuanian rabbi.

Extract: '*The Jewish people as a whole will be its own messiah. It will attain world domination by the dissolution of other races. by the abolition of frontiers, the annihilation of monarchy, and the establishment of a world republic [a] ... new world order. The children of Israel will furnish all the leaders. ... Thus will the promise of the Talmud be fulfilled. ... The Jews will have all the property of the whole world in their hands.*' Zionists claim that this letter is a fake. However, analysis of the Talmud and the Kabbalah shows that this is the real expectation of Talmudic Jews. There is nothing unusual in the letter, rabbis say such things every day.

Benjamin Freedman

Freedman was a former Talmudic Jew and an American businessman. He converted from Judaism to Roman Catholicism and became a fervent anti-Zionist.

The Hidden Tyranny. (1961). Reprint (2009). Explains how the Zionist part of the New World Order manipulated America.

Harold Wallace Rosenthal

Rosenthal was the PA to New York Senator Jacob Javits. Rosenthal openly and arrogantly exposes the depths of the Zionist take-over of America.

The Harold Wallace Rosenthal interview, 'The Hidden Tyranny', (1976) [available on-line free].

Shlomo Sand

Sand is history professor at Tel Aviv University.

The invention of the Jewish people, (2007). Paperback edition: Verso (2010).

Yuri Bezmenov

Former KGB agent, gave an interview where he explained the Socialist take-over of America by stealth. He explains that 85% of KGB activities were psychological warfare and cultural subversion by slow brainwashing. This is must watching. The process involves: demoralisation over many years to brainwash a generation; destabilisation over a few

years; crisis (e.g. war, revolution); a violent change of power creating normalisation (a collectivist Communist state).

He also gave many more interviews and speeches explaining the elite conspiracy.

Eustace Mullins

The World Order – a study in the hegemony of parasitism.

Carroll Quigley

Tragedy and Hope. History of the 20th century.

Nomi Prins

Collusion. How the central banks colluded with the Federal Reserve to corrupt and control the world's economies.

G Edward Griffin

The creature from Jekyll Island, Creation of the Federal Reserve.

George R Jordan

From Major Jordan's Diaries. How America gave nuclear bomb technology to the USSR.

William Guy Carr

Pawns in the game. How American foreign policy and constant war is part of the global elite's plans to develop a global despotic empire. History of the elite and CFR control of foreign policy.

General G Smedley-Butler

War is a racket. Elite bankers financing wars and making huge profits thereby.

James A Billingham

Fire in the minds of men. Elite history of revolutions

Ariel Toaff (a Jew)

Blood Passover: The Jews of Europe and ritual murder, (2007), Luchese-Gianetti.

Elizabeth Dilling

The Jewish Religion: The Plot Against Christianity, (1952).

Dilling is intellectually organised and clear but still drifts in her argument and sometimes doesn't source her quotes. Dilling is very useful both for her evaluation of the Talmud and her analysis of the Bolshevik Revolution. Hard copies of her book (that includes the exhibits – not found in the digital version, though some are located separately on the Internet) would be valuable but are hard to find and are expensive.

Edmond Paris

The secret history of the Jesuits.

Dr Gregor

A Sea of Blood: the truth about Bolshevik Russia, (1926). A Russian university professor's experience; twice condemned to death but escaped to Germany (though he was beaten unto deafness).

Col. John Beatty

The Iron Curtain Over America, (1952). This book was a best-seller and endorsed by a senator and four generals. Beatty was an author of books and college textbooks who had worked in Military Intelligence in WWII. His historical survey is well worth reading. A summary of his work can be found at Russia Insider, Bob Altzar Djurdjevic, 'This 1950s American best seller exposes Jewish control of US since WWI, Jewish role in Russian revolution', 1 November 2019.

The Reece Report

United States House Select Committee to Investigate Tax-Exempt Foundations and Comparable Organisations. This was an investigative committee of the House of Representatives between 1952 and 1954. It was initially chaired by Edward E Cox (who died) and then B Carroll Reece.

American Congressional investigation into the charitable foundations (e.g. Rockefeller, Carnegie) which found that they were working towards creating a Soviet style collectivist federal government. This report is now very hard to get hold of, even though it is a legal / Constitutional requirement to make it available.
