

A handbook on the global conspiracy

Behind the ostensible government sits enthroned an invisible government owing no allegiance and acknowledging no responsibility to the people. To destroy this indivisible government, to befoul the unholy alliance between corrupt business and corrupt politics is the task of the statesmanship of the day.

Theodore Roosevelt (29th President); *An Autobiography* (1913), Appendix B.

The individual is handicapped by coming face-to-face with a conspiracy so monstrous he cannot believe it exists. The American mind simply has not come to a realisation of the evil which has been introduced into our midst. It rejects even the assumption that human creatures could espouse a philosophy which must ultimately destroy all that is good and decent.

J Edgar Hoover; *The Elks Magazine* (1956).

We are opposed around the world by a monolithic and ruthless conspiracy that relies primarily on covert means for expanding its sphere of influence – on infiltration instead of invasion, on subversion instead of elections, on intimidation instead of free choice, on guerrillas by night instead of armies by day.

JF Kennedy (35th President); speech to the American Newspaper Publishers Association, 27 April 1961.

Contents

Section 1: Preamble

- Introduction.
- A personal testimony.
- Simple questions.
- A Biblical perspective: an eschatological satanic world empire.
- Biblical principles for society that are opposed by the Elite.

Section 2: Structures and foundations

- Open components of the global Elite.
- The secret societies of the Elite.
- The three key centres of Elite power.
- Globalism.
- A summary of essential cabal principles.
- Some key members of the Elite.
- Aspects of the Elite.
- Heinous Practices.
- Spiritual beliefs.
- Short timeline of key Elite events.
- Epistemological movements to change society.
- Symbolism used.

Section 3: Key strategies under construction

- World depopulation.
- Specific strategies for depopulation.
- Vaccines.

- Big Pharma.
- Big Aggro.
- Education.
- Creating constant fear.
- Trusts.
- Chemtrails [Stratospheric Aerosol Injection].
- Transhumanism.

- Climate Change alarmism.
- False flags.
- Economics.
- Needless Wars.
- The media.
- The current engineered global crisis.

Section 4: Epilogue

- What do we do about all this?
- Conclusion.
- General bibliography.

Section 1: Preamble

Introduction

One of the great problems today, for people alive to what is really going on, is getting through to loved ones who think that you are bonkers. When you try to explain, you get bogged down in details about a complex set of issues that folk cannot get their minds around. It is too much to take on in one sitting. You may have spent years researching the web of deceit that undergirds the conspiracy to change the world into a satanic workshop, therefore it is not surprising that outsiders cannot even begin to grasp what is happening, and so they shut down.

The cognitive dissonance that we are up against, resulting from the constant bombardment of educational conditioning, propaganda and false stories, is a mountain difficult to climb. So, in this paper I will try to lay out a broad foundation of what's involved and try to be as brief and concise as I possibly can. This is a handbook to explain the global conspiracy to remodel the world.

The Rockefellers and their allies have, for at least fifty years, been carefully following a plan to use their economic power to gain political control of first America, and then the rest of the world. Do I mean conspiracy? Yes I do. I am convinced there is such a plot, international in scope, generations old in planning, and incredibly evil in intent.

Congressman Larry P McDonald, The Rockefeller File (1975) Introduction.

A personal testimony

I first became aware of the global conspiracy decades ago and did some research but did not buy into the 'few people controlling the world' idea. In the 90s I was open to the fact that a few people may seek to control the world but I believed that the 'Murphy's law' factor prevented it. That is, such a conspiracy was far too complex and too difficult to control, even with all the wealth at the conspirator's hands. They would make too many mistakes (they do). I also questioned why whistleblowers had not exposed the situation to the world long ago (in fact, many have and some have been killed for it).

So, although I looked into this conspiracy theory, and attended some talks on it, I was sceptical for many years that a secret cabal could pull this off.

I think it was a combination of the break up Yugoslavia and the shenanigans in the EU that made me change my mind. Clearly something supra-Parliament was doing evil things to undermine Britain and Balkanise it like Yugoslavia. Someone had a plan to destroy Britain and the perpetrators were supra-national government.

The more I researched certain aspects, the more it proved that the conspiracy theories were actually true. In fact it is observable that so called conspiracy theorists are far more researched on their topics than sceptics. When 9/11 happened I was immediately suspicious. Again, as I researched, it was clear that this event was a false flag; the collapse of building seven alone proves this. This event then led to a number of others, the Patriot Act in the US, Homeland Security, anti-libertarian laws in Britain, the Iraq War, the Afghan War and so on. All these coalesced into a greater understanding of what was going on and that indeed there is a secret cabal controlling nations.

So, like the modern sceptics, I was initially opposed to the idea of the Illuminati (for want of a better word) striving to build a one world government for many years.

I truly understand how hard it is to unlearn years of conditioning to discover that things are not as you once perceived them to be.

Simple questions

In order to challenge sceptics out of their slumber, here are a few killer questions that should make sane people realise that things are not as they seem.

Why does the media sing in unison?

The media all over the world spouts the same stories, using the same language and even the same phrases all at the same time. This was especially noticeable during the Covid crisis: *'three weeks to flatten the curve'*; *'build back better'*; *'vaccines are safe and effective'*; *'the Great Reset'*.

It can only mean that there is a superior power above the media issuing the plots and by-lines. All media is controlled.

Why did no one go to the moon after the initial landings?

Landing on the moon was considered important enough to spend billions on the projects. Why is it not important now?

It should be easier to get to the moon now. There is more computing power in a Fitbit watch than in the whole Apollo 11 spaceship. Why has no one tried? Why did Russia never bother to go to the moon if it was in a space race? [They considered it impossible.]

Why did astronauts say that they never saw stars out of the spaceship windows or on the moon?

Why did no one explain how the astronauts survived going through the Van Allen radiation belt which should mean immediate death?

Why has no powerful telescope ever published photos of the large debris left (e.g. lunar module) on the moon? We can see details of Mars and other planets but not the moon.

How did the lunar module work on the moon when the NASA technical specifications show that the battery would not operate at those temperatures?

Why was JF Kennedy killed and by whom?

Lee Harvey Oswald could not have killed JFK for many reasons. One is that he was behind Kennedy and the killer shot, as seen in the Zapruda film shot at the time, was from the front into his throat. Witnesses prove that more shots were fired than Oswald was claimed to fire.

JFK was the most popular president in history. The people loved him. Black people saw him as their hope in the civil rights movement. He would seem to have no domestic enemies.

The night before Kennedy was shot, Lyndon Baines Johnson told his wife (only revealed after his death) that Kennedy would be got rid of the next day.

Kennedy was about to close a tax exemption, worth millions, granted to the Texas oil companies. He was also about to remove the US military advisors (15,000) from Vietnam,

which would have prevented US involvement in the Vietnam War and cost the military industrial complex billions.

He threatened to expose the global Elite and spoke of a covert conspiracy and also threatened to terminate the CIA.

Who gained from his death?

[Answer: LBJ, the Texas oil companies, the CIA and the military industrial complex.]

How did the twin towers collapse?

Not by ignited aeroplane fuel; this cannot reach the temperatures required to melt huge steel fabricated frames. These frames mostly dissolved into nothing.

Building 7 collapsed on its own in what engineers have stated is a controlled demolition. No planes hit this building.

Only a controlled demolition with charges of military nano-thermite could do this. Traces of the effects of this material were found at the debris site still burning days later. There are hundreds more reasons why the establishment narrative is a lie (see later).

Without the catalyst of this tragedy, multiples policies would never have occurred, such as: the Iraq War, the Afghan War, the War on Terror etc. (see later).

Why did the Covid lockdowns and restrictions happen?

Covid was downgraded to a non-serious disease by PHE on 19 March 2020 before the first lockdown. Why then the lockdown?

The infection fatality rate was known to be very low (less than 0.2%) very early on. It was similar to flu. Why the panic?

It was known, in peer-reviewed papers, that facemasks were of no use to stop an airborne virus but do cause harm (including cancer) to the wearer. Why were they then imposed?

Airborne viruses can travel miles. Why then was social distancing of 6 feet imposed?

Why were medications that contribute to death in respiratory patients given to people with supposed Covid?

The excess deaths for 2020 were below average for the century. There was never any kind of pandemic. Sweden had no lockdowns but had a better medical outcome than the UK.

The various restrictions had nothing to do with a medical emergency but had another purpose. [See later.]

Libya

Why was Libya attacked by the US and NATO with airstrikes? Why did the US resource Salafist rebels? Why did Hillary Clinton seek the death of Gaddafi?

Libya was no threat to the West. It had one of the highest standards of living in the world, better than America. British ex-pats said it was a paradise. Married couples were given \$30,000 by the state to start their life together. It was a stable nation in a continent in turmoil. Now it is a failed state with slave trading markets and internecine fighting between

radical Islamic factions. It spawned ISIS. The culture has been trashed and decent people's lives ruined. For what?

Why does the US keep intervening?

The US has been involved in over 100 regime change operations, coups, fomented rebellions and annexations in the last 120 years. It has military bases all over the world, including air bases, army bases and missile sites. It is the most warlike and aggressive nation on Earth.

It annexed Hawaii and deposed the queen in order to steal the sugar industry. It killed Saddam Hussein in order to establish military bases in Iraq and steal half of the oil. It started a war in Afghanistan to re-establish the heroin industry. We could go on and on.

Why do people not know this?

Why the assassinations if there is no secret Elite in power?

I give a list of key assassinations later.

- General Patton said that the wrong side won WWII and threatened to expose secrets about the Allies that he kept in a black book. He was killed shortly afterwards. His book vanished instead of being given to his widow.
- Princess Diana threatened to tell secrets about the royals. She was then murdered (see later).
- David Kelly exposed the lies about Tony Blair's propaganda about Iraq to justify the war. He was then murdered. [He was said to cut his wrists but there was no blood at the scene.]
- Robin Cook resigned from Blair's cabinet and threatened to expose the Iraq dossier scandal. He was then murdered. [He 'fell' off a mountain, despite being a very experienced mountain climber on an unchallenging climb.]
- Jeffrey Epstein had all the data on celebrities and Elite figures visiting his paedo-island to sexually abuse minors. He was murdered in prison to keep him quiet.
- John Lennon was considered a threat to the US establishment for his political views. He was murdered, but not by the claimed assailant who was on the wrong side to shoot him.
- Robert Kennedy was killed by a shot in the back (by a security agent) but his claimed assailant was in front of him.
- Abraham Lincoln was killed because he went against the bankers and issued Greenbacks. Every US president that resisted the bankers was murdered.

We could go on and on. The assassinations make no sense unless there is a conspiracy by people in power. It is the Elite establishment that has the most to gain.

Conclusion

Things are not as they seem. There is a supra-national power controlling events and governments and it is against you.

A Biblical perspective: an eschatological satanic world empire

How does the idea of a secret cabal striving to build a totalitarian world government comply with the Bible? In short, it is fully compliant; the Bible teaches that such a thing will occur in the end.

Scripture shows us that God will allow Satan to run free at the end to build a proxy world government fully under his control. This will be the flowering of all evil, the attempted destruction of Christianity, and the reversing of all God's principles and laws resulting in nations fully representing the Devil. It is the fulness of sin coming to a head followed by the harvesting of mankind by God and final judgment of all men.

Let no one deceive you by any means; for *that Day will not come* unless the falling away comes first, and the man of sin is revealed, the son of perdition, who opposes and exalts himself above all that is called God or that is worshiped, so that he sits as God in the temple of God, showing himself that he is God. 2 Thess 2:3-4

But know this, that in the last days perilous times will come: For men will be lovers of themselves, lovers of money, boasters, proud, blasphemers, disobedient to parents, unthankful, unholy, unloving, unforgiving, slanderers, without self-control, brutal, despisers of good, traitors, headstrong, haughty, lovers of pleasure rather than lovers of God. 2 Tim 3:1-4

Little children, it is the last hour; and as you have heard that the Antichrist is coming, even now many antichrists have come, by which we know that it is the last hour. 1 Jn 2:18

Then I stood on the sand of the sea. And I saw a beast rising up out of the sea [peoples and nations], having seven heads [7 kings] and ten horns [fulness of power], and on his horns ten crowns [kingly authority] and on his heads a blasphemous name. Now the beast [political world power opposed to God] which I saw was like a leopard [swift], his feet were like *the feet of a bear* [powerful], and his mouth like the mouth of a lion [ravenous]. The dragon [the Devil] gave him his power, his throne, and great authority. Rev 13:1-2

And all the world marvelled and followed the beast. So they worshiped the dragon who gave authority to the beast; and they worshiped the beast, saying, 'Who *is* like the beast? Who is able to make war with him?' Rev 13:3-4

Now when the thousand years [the Gospel age]¹ have expired, Satan will be released from his prison and will go out to deceive the nations which are in the four corners of the earth, Gog and Magog, [sinful nations of the world] to gather them together to battle, whose number *is* as the sand of the sea. Rev 20:7-8

I saw a woman [sinful society/apostate church] sitting on a scarlet beast which was full of names of blasphemy, having seven heads and ten horns. The woman was arrayed in purple and scarlet [kingly character], and adorned with gold and precious stones and pearls, having in her hand a golden cup full of abominations and the filthiness of her fornication. And on her forehead a name was written: MYSTERY, BABYLON THE GREAT, THE MOTHER OF HARLOTS AND OF THE ABOMINATIONS OF THE EARTH. I saw the woman, drunk with the blood of the saints and with the blood of the martyrs of Jesus. Rev 17:4-6

¹ The period from the cross to the releasing of Satan to dominate the Earth.

We cannot analyse this further in this paper. Suffice to say that it is Biblical teaching that a satanic world empire will develop at the end which will be totalitarian in rule, brutal in authority, and wicked in expression. It will represent the fulness of Satanic power in the world.

Biblical principles for society that are opposed by the Elite

Compassion to all

But I say to you, love your enemies, bless those who curse you, do good to those who hate you, and pray for those who spitefully use you and persecute you. Matt 5:44

Finally, all *of you be* of one mind, having compassion for one another; love as brothers, *be* tenderhearted, *be* courteous; not returning evil for evil or reviling for reviling, but on the contrary blessing. 1 Pt 3:8-9

Love

You shall not take vengeance, nor bear any grudge against the children of your people, but you shall love your neighbour as yourself: I am the LORD. Lev 19:18

Family

Every one of you shall revere his mother and his father. Lev 19:3

For God commanded, saying, 'Honour your father and your mother'; and, 'He who curses father or mother, let him be put to death.' Matt 15:4

Honour your father and *your* mother. Matt 19:19

Children, obey your parents in the Lord, for this is right. Honour your father and mother. Eph 6:1-2

Fathers, do not provoke your children to wrath, but bring them up in the training and admonition of the Lord. Eph 6:4

God sets the solitary in families. Ps 68:6

The holy women who trusted in God ... being submissive to their own husbands ... Husbands, likewise, dwell with them with understanding, giving honour to the wife, as to the weaker vessel, and as being heirs together of the grace of life, that your prayers may not be hindered. 1 Pt 3:5-7

Work

We labour, working with our own hands. 1 Cor 4:12

If anyone will not work, neither shall he eat. 2 Thess 3:10

Justice for all

Do justice to the fatherless and the oppressed. Ps 10:18

Defend the poor and fatherless; Do justice to the afflicted and needy. Deliver the poor and needy; Free them from the hand of the wicked. Ps 82:3-4

Defend the poor and fatherless; Do justice to the afflicted and needy. Deliver the poor and needy; Free them from the hand of the wicked. Ps 106:3-4

Righteousness

Righteousness exalts a nation, But sin is a reproach to any people. Prov 14:34

It is an abomination for kings to commit wickedness, For a throne is established by righteousness. Righteous lips are the delight of kings, And they love him who speaks what is right. Prov 16:12-

13

Take away the wicked from before the king, And his throne will be established in righteousness.
Prov 25:5

Deception

He who works deceit shall not dwell within my house; He who tells lies shall not continue in my presence. Early I will destroy all the wicked of the land, That I may cut off all the evildoers from the city of the LORD. Ps 101:7-8

If a ruler pays attention to lies, all his servants *become* wicked. Prov 29:12

Capitalism, fair trade

You shall not cheat your neighbour, nor rob *him*. The wages of him who is hired shall not remain with you all night until morning. Lev 19:13

If you sell anything to your neighbour or buy from your neighbour's hand, you shall not oppress one another. Lev 25:14

You shall not pervert justice; you shall not show partiality, nor take a bribe, for a bribe blinds the eyes of the wise and twists the words of the righteous. You shall follow what is altogether just. Deut 16:19-20

Go, sell the oil. 2 Kg 4:7

Behold, therefore, I beat My fists at the dishonest profit which you have made. Ezek 22:13

Debt jubilee

In the Year of Jubilee the field shall return to him from whom it was bought, to the one who owned the land as a possession. Lev 27:24

At the end of every seven years you shall grant a release of debts. Deut 15:1

Rule

Learn to do good; seek justice, rebuke the oppressor; defend the fatherless, plead for the widow. Isa 1:17

A ruler who lacks understanding *is* a great oppressor, *but* he who hates covetousness will prolong *his* days. Prov 28:16

Section 2: structures and foundations

Open components of the global Elite

Describing every Elite group would occupy hundreds of pages. Its strategies are devolved into multiple subsets with major controlling entities managing devolved organisations. The top levels are very secretive and involve specific family bloodlines (some say 13 bloodlines, which include the Windsors) that have held power for centuries.² Some would include in this group the *Committee of 300* and others.

Some better understood major entities include: the UN, the WEF, the Bilderberger Group, the Club of Rome, the Club of the Isles, Chatham House, the Council on Foreign Relations, and so on. These all have their specific functions; for example the CFR deals with foreign policy that chiefly affects the USA. Each Elite establishment controls a set of policies that national governments are expected to implement, such as economic policy, social issues, foreign policy, immigration etc. However, we will focus here on more commonly understood institutions.

The United Nations

This is an international organisation (headquartered in New York) of countries set up in 1945, in succession to the League of Nations [1919], theoretically to promote international peace, security, and co-operation. Such a unit was a long-term plan of the Rothschilds. Originally the Congress of Vienna [1814–15] was supposed to evolve into a league of nations but this was scuppered by Russia (resulting in the Elite's hatred for Russia).

Administration is by the Secretariat, headed by the Secretary-General. The chief deliberative body is the General Assembly, in which each member-state has one vote; recommendations are passed but the UN has no outward formal power to impose its will. The Security Council bears the primary responsibility for the maintenance of peace and security; other bodies carry out the functions of the UN with regard to international economic, social, judicial, cultural, educational, health, and other matters.

In fact, the UN is a front to deliver the goals of the global Elite and its hands are soured in corruption and criminal activities. The specific tasks that it operates through its subsidiaries are usually centred on the opposite of what is externally claimed. For example, peace-keeper military units, sent to administer peace in troubled areas, have been formally exposed as corrupt criminals. For example, the units that controlled sex-trafficking and slavery in Bosnia after the Yugoslavia Balkanisation.³ The presence of UN troops did not even stop massacres right in front of them. There are more security resolutions against Israel than any other nation yet the UN has done nothing to stop Israeli atrocities against Palestinians, which include shooting pregnant women, old ladies and young boys.

² This would include the Black Venetian nobility whose power was transferred from Venice to Amsterdam, and then London, which is based upon banking. It is claimed that the origin was the trading Phoenicians. The usual list is: the **Rothschilds** (Bauer), Bruce, Cavendish (**Kennedy**), De Medici, Hanover, Hapsburg, Krupp, Plantagenet, **Rockefeller**, Romanov, Sinclair, Warburg, Windsor (Saxe-Coburg-Gothe). A different list is: Astor, Bundy, Collins, Du Pont, Freeman, **Kennedy**, Li, Onassis, **Rockefeller**, **Rothschild**, Russell, Van Duyn, the Merovingians [a dynasty of kings of the Franks, named after Mérovée (died 458), the grandfather of Clovis.]. Those in bold are in both lists and are certain members of the inner core. In fact, there are many family bloodlines that have risen to power within the Elite (e.g. Bush, Clinton) so that the 13 is more like 30.

³ See the Rachel Weisz film 'The Whistleblower'.

The UN can sometimes be quite brazen in revealing its true colours. For example, in 2008 it published an article called 'The benefits of world hunger'. It argued that hunger is fundamental to the working of the world economy. Hunger produced a labour force prepared to work hard to stifle their hunger. It said quite openly, '*Ending hunger globally would be a disaster*'.⁴

The purpose of the UN is to be a preparatory strand in the political process of gathering nations into a world government. The UN drives the policies that nations deploy in unison; such as: the Green net-zero scam (via the IPCC) or chemtrails.

The WHO

The World Health Organisation is a United Nations agency established in 1948 with the supposed broad aim of attaining the highest level of health for all people, and supported by about 160 countries. Its head office is in Geneva, Switzerland.

The WHO does not conduct its own research but promotes biomedical and health research in collaborating centres worldwide, arranging medical conferences and training research workers. WHO compiles the *International Pharmacopæia*, monitors epidemics, evaluates new drugs, and advises on biological standards. It publishes quarterly an international journal of health development (*World Health Forum*) in Arabic, Chinese, English, French, Russian, and Spanish.

In reality the WHO is controlled by Big Pharma and its efforts go to cementing profits by such projects as: immunisation of all children against major communicable diseases, efforts to combat endemic diseases, such as malaria and tuberculosis, with vaccines and to give access to essential drugs and to family planning services.

One of the proven effects of such policies is the sterilisation of poor women in developing countries against their will (see later), to achieve an Elite goal (depopulation).

During the Covid crisis the WHO proved to be spectacularly useless, corrupt, confused, contradictory and autocratic. Its policies were set by the Elite, which changed on a whim. Measures were demanded of sovereign nations that had no scientific basis, such as social distancing, sanitisers, facemasks, visors, and experimental vaccines. It also failed to take action at the beginning, allowing infected Chinese people to travel internationally.

The recent attempt to get an international treaty signed, though thwarted by African nations temporarily, shows that the WHO seeks total domination over nations regarding health policy. The WHO will determine necessary action (such as lockdowns, vaccines) and every nation on Earth will then be legally compliant.

The current head of the WHO is a corrupt African politician who has no medical qualification whatsoever. He is just a pawn of the Elite. Despite his lack of credentials he has just been commissioned to a second term of office.

The purpose of the WHO is to gain total control over global health policy as a preparatory strand of world government.

⁴ United Nations, UN Chronicle, 'The benefits of world hunger'. After being exposed by InfoWars the UN removed this paper from their archive.

Agenda 2030

This is an updating of the previous Agenda 21. This is one of the most sinister set of policies imaginable. Despite having no formal power over nations, all that is currently going on in Britain to destroy normal life can be traced to Agenda 2030 objectives.

A report produced by Oxford University and Imperial College for the government⁵ has already suggested these plans for Britain:

- Petrol/diesel engines to be banned by 2029. Any new vehicle from now on must be compatible with Absolute Zero.
- Between 2030 and 2049 all new vehicles must be electric and the average size reduced to 1,000kg.
- Transport will become much more expensive.
- All airports to be closed down, except Heathrow, Glasgow and Belfast, by 2029. Transfers must be made by rail.
- By 2029 national consumption of beef and lamb must drop by 50% along with a reduction in frozen ready meals. By 2049 beef and lamb to be eradicated.
- Construction of new buildings must cease by 2050.

This complies with Agenda 2030.

To cut a long story short, the chief policy aims of this document, signed up for by all nations, is to drive ordinary people into large urban conurbations which will act like a hive. People will be concentrated in high rises and sterile blocks to enable the greatest surveillance and work output.

Rural areas will be re-wilded into huge parks that are forbidden to workers in the key cities. All local rural villages are to be ended and people herded into cities. Only the Elite will be able to spend any time in the countryside.

The claim is that this is to facilitate action against global warming and climate change and to reduce poverty. Specific points include:

- Children are to be deliberately dumbed down (because intelligent people consume more CO₂).
- Children are to be deprived of food to stunt their growth (because fit healthy children consume more CO₂).
- Urban dwellers are to be cramped in houses of restricted size (to reduce CO₂).
- The countryside to be reserved for animals only with no husbandry.
- Farmland to be re-wilded. Synthetic meat and insects will replace farmed meat. [Note that the UK government is already paying farmers £100,000 to stop farming and also subsidising farmers to stop growing grain and plant wild flowers.]
- Cars will be abolished.
- Travel will be abolished.
- Population reduction through forced family planning.
- Privatised all water sources.
- Remove national sovereignty.

Currently there are restrictions on air flights, huge increases in the cost of petrol and diesel, food inflation, for two years the fake Covid crisis stopped all travel, Welsh schools are feeding

⁵ UK Fires, 'Absolute Zero', November 2019.

children insects – do you really think that all these are accidental? They are conditioning and preparation for Agenda 2030.

The WEF

The World Economic Forum is, ostensibly, the brainchild of Elite stooge Klaus Schwab. In essence his plan is to establish a worldwide Communist state where the Elite are in complete control.

The WEF has an annual meeting in Davos, Switzerland, which is attended by national leaders, aristocrats and the richest corporatists in the world. The local airports are flooded with private jets during the conference.

The WEF website shows its strategies in a complex set of hundreds of policies with subsets and overarching themes. Its plan is for world domination. Schwab's vision is also laid out in his books, 'The Great Reset' and the 'Fourth Industrial Revolution'.

However, the WEF originated in a CIA-funded Harvard programme, an international seminar, headed up by Henry Kissinger and furthered by John Kenneth Galbraith and Herman Kahn (all CFR members). Schwab met Kissinger at Harvard and they became lifelong friends. The WEF was formed by the Elite involving the CFR, CIA and Round Table members. The claim of the WEF website that it originated in Europe independently is a lie.

Some of its goals include Technocracy and transhumanism. Technocracy is the domination of society by robots and AI, controlled by the Elite.

All of society is to be digitised and reliant on computers. This is also described as 'The Internet of Things'. The current rollout of 5G in every corner of Britain (without any democratic discussion or consent) is to enable this to work. Thus every appliance would be a Smart machine. Your fridge will supply information to the control centre, as will every other appliance you own. This enables 24-hour monitoring of domestic use.

Transhumanism is part of the technocratic plan but this time involving humans. The very nature of what it means to be human is going to change as people become cyborgs. The means of achieving this is through vaccine rollouts whereby nano-chips (in the form of graphene oxide) are inserted into the body, which merge to become microscopic computer systems. Already the Covid vaccines are causing vaccinated bodies to register on monitoring devices as a MAC address. This will also enable total control in what is described as 'The Internet of People'.

Another key issue is 'stakeholder capitalism' under the headship of the WEF. This is really about the destruction of nation states' sovereign government and control by global corporatists operating a collectivist system.

The WEF is also involved in the control of national governments through its young global leadership programme which has trained Jacinda Arden, Justin Trudeau, Emmanuel Macron and many more. Schwab boasted that most of Trudeau's cabinet were affiliated through this programme – which is why Canada has become a totalitarian state.

The WEF is a think tank to set policy for nations in order to facilitate the Fourth Industrial Revolution, a preparatory strand for world government.

The central banks

The Rothschilds realised early on that by controlling a nation's money supply you control everything.⁶ Thus was born the idea of central banks, controlled by Elite shareholders, that control the monetary system of nations and keep the governments in permanent debt. Only the central bank can print money and governments pay for this privilege instead of printing their own with no interest. The Rothschilds gained control of the Bank of England after the Napoleonic Wars ended.

It took longer for the Elite to gain control of the American system, which they did by nefarious means in 1913. Before then certain presidents had stood for treasury bills at no interest (as the Constitution stipulates), but these were usually assassinated (like Lincoln). So the Federal Reserve was established in 1913 and this has controlled the US monetary system ever since. It is neither federal nor a reserve bank but a private institution with shareholders. It has also caused depressions (as in 1929, which it admitted)⁷ and boom and bust scenarios. By controlling the money supply and also the interest rate, the Fed can effectively control the US.

Central banks are now instituted all over the world and nations that stood against having one found themselves in a war (e.g. Iraq, Libya, and Syria). Over all these is the Bank of International Settlements (BIS). This is the central bank of central banks that holds enormous power over governments and corporations.

The free world formed multilateral financial institutions ... to give up a degree of sovereignty. The International Monetary Fund can virtually dictate fiscal policies, even including how much tax a government should levy on its citizens. The General Agreement on Tariffs and Trade regulates how much duty a nation can charge on imports. These organisations can be seen as the protoministries of trade, finance and development for a united world.

Strobe Talbot (Clinton administration Deputy Sec. of State), Time Magazine.

The Jekyll Island meeting

The creation of the Fed began in a conspiracy of a cabal meeting on Jekyll Island off the coast of Georgia in 1913. This was presented as a hunting trip at a resort co-owned by JP Morgan. It was vital to keep the meeting secret; if it were known that a group of bankers had planned a bill to give them unprecedented power it would never have been passed by the House of Representatives.

The meeting comprised the Rockefeller representative Frank A Vanderlip, president of the National City Bank New York; Henry Davison representing JP Morgan; Charles D Norton, president of the First National Bank of New York; Paul Warburg of Kuhn Loeb and Col. Edward House, a founder of the CFR.

Their plan was to get a vote in Congress on 23 December 1913 when almost every congressman was at home on vacation. It was presented to Senator Nelson Aldrich, whose daughter was married to John D Rockefeller Jr., and thus it became known as the Aldrich Plan, which he presented to Congress.

The Fed system allows these bankers to print worthless Fiat currency and control the US money supply. They then lend out that money, to the government and to customers, and create vast debt repaid at interest rates they set. Thus the bankers get massively rich by doing

⁶ 'Give me control of a nation's money and I care not who makes its laws.' Mayer Amschel Bauer Rothschild.

⁷ Fed chief Ben Bernanke publicly admitted that the Great Depression was caused by the Fed shrinking the money supply.

nothing but print money from thin air and gain interest. They create nothing of value to society but they create debt slaves.

The purpose of the central banks is to develop total control over world currencies and interest rates in preparation for a unified global monetary system.

The rich rules over the poor, and the borrower /s servant to the lender. Prov 22:7

Banking establishments are more dangerous than standing armies; and that the principle of spending money to be paid by posterity, under the name of funding, is but swindling futurity on a large scale.

Thomas Jefferson (President 1801-1809); letter to John Taylor, 28 May 1816.

A power has risen up in the government greater than the people themselves, consisting of many and various powerful interests, combined in one mass, and held together by the cohesive power of the vast surplus in the banks.

John C Calhoun (Vice President 1825-1832); speech, 27 May 1836.

Zionism

Many of the top people in the cabal are Zionist Jews. They are also Talmudic or Kabbalah Jews, that is, their authority is the Talmud or the Kabbalah or both. Some are even worse following a sect of the Kabbalah called Sabbateanism, which is completely devoted to evil acts.

Zionism focuses on the State of Israel. It did not fold up after gaining Palestine for a Jewish homeland in 1948 through various conspiracies. It continues as an active force promoting and controlling Israeli power in the world. Much of this is through the Israeli secret service, Mossad, whose motto is '*By deception, conquer*'. Thus Mossad works closely with the CIA and MI6.

Zionism controls America. American Congressmen swear an oath to serve Israel. Anyone not supporting the principles of Zionism is usually unable to get a second term; funding will dry up. Currently Zionists are trying to get Noahide Laws⁸ legalised in the US. Many of the heinous acts of America in recent years were planned and activated by Zionist Neocons; such as, the Iraq War, the Syrian conflict and 9/11. The Project for a New American Century (foreign policy) was drafted by Zionists to serve Israel. This included several wars against Iraq, Libya, Syria, Yemen, Somalia etc.

Zionists in control of the US ensure that American policy serves Israel and not Americans.

The Talmud

The Babylonian Talmud is the chief scripture for modern Jews; it is not the Torah (Five Books of Moses). This was developed by Pharisees (the enemies of Jesus) resident in Babylon in the early centuries after Christ where they developed a syncretism between Babylonian occultism and Judaism. It comprises many volumes containing the advice and teaching of various rabbis.

Essentially, the Talmud reverses the ethics of the Mosaic Law. It is an utterly obscene, foul, blasphemous set of volumes. It utters horrific blasphemies against Christ. It condones all sorts of fornication, including incest, bestiality and paedophilia. It treats Gentiles like cattle

⁸ Laws supposedly deriving from Noah which amount to Judaism as applied to Gentiles. It gives rabbinic control over Christians.

and allows Jews to do anything against them with impunity, such as fraud, theft, lying, and even murder.

The Kabbalah

This represents the mystical and occult side of Talmudism. It was first transmitted orally and it uses esoteric methods including ciphers. The Kabbalah is extremely popular amongst Elite figures and celebrities.

When America collapses, Elite interests will be centred in Israel and London.

The Vatican

The papacy, as we know it, is merely the window dressing of a secret ancient sect of occult practitioners devoted to Babylonian 'wisdom', combined with a veneer of Christianity. Alexander Hislop reveals that much of the iconography and rituals of the Catholic Church are re-engineered constructs of Babylonian idolatry, such as the Madonna and child motif.

Vatican City (like Washington DC and the City of London, all are Elite control centres), is a sovereign city and country within Italy. It is owned by the Catholic Church and established as independent by the Lateran Treaty of 1929. The pope has his own private army, the Swiss Guard.

An example of the Vatican's corruption is evidenced by the paedophile scandals which the church did everything to cover up. This abuse had been going on for decades, perhaps centuries, and covered the whole world. A document typed in Latin, sealed by Pope John XXIII, was sent to every bishop in the world in 1962 revealing detailed instructions on how to keep the paedophilia a secret. Similar instructions were issued in 1922. There was an international conspiracy to cover up sexual abuse by priests.

Whistleblowers affirm that there is a secret aspect to the papacy, headed by the Black Pope⁹ (the outward pope is just a smokescreen) which conducts secret occult rituals in catacombs beneath the city. This includes ritual sacrifice of children and worship of Satan. Some aspects are visible; note the chamber where the pope sits which is decorated to resemble a serpent.

The Vatican seeks to gain global religious control.

See 'Jesuits'.

NATO

The North Atlantic Treaty Organisation is an association of European and North American states, formed in 1949 for the defence of Europe and the North Atlantic against the perceived threat of Soviet aggression. It includes most major Western powers, although France withdrew from the military side of the alliance in 1966.

After the collapse of the Soviet Union in 1990 it ceased to have any reason for existence. In fact, it grew and expanded Eastwards, contrary to diplomatic agreements with Russia. It thus became an aggressive, expansionist military force, which destabilises the world. The current conflict in Ukraine is an example of the effects of this. It has also been involved in supplying arms to rebel factions in Libya and Syria. It is the chief military arm of the Elite.

The expansion continued this week with the accession of Sweden and Finland, which is red rag to a bull for Russia. A Russia – Finland war could well be on the cards. Meanwhile NATO pledged to increase its troops in Europe to 300,000, further threatening behaviour (in fact

⁹ The head of the Jesuits.

it does not have the resources to do this). Also America announced that it was building a new military base in Poland; another threat to Russia. Furthermore, NATO is starting to negotiate with Australia and New Zealand about membership and is drawing up diplomatic advances to Pacific nations to develop alliances threatening China. NATO has already verbally threatened China and Iran, as well as Russia.

NATO is no longer any kind of European/US defence force; it is an aggressive, expansionist warmongering lap-dog to implement US foreign policy, which is in itself the outflowing of CFR policy. NATO has certainly become the military arm of the Elite with global ambitions.

The CIA

This is dominated by Zionists and serves the purpose of doing their dirty work. This includes: rendition of prisoners (enabling torture in a foreign land), assassinations ('wet jobs'), blackmail, illegal surveillance operations, and controlling drug trafficking into the US, chiefly from Afghanistan and Latin America. In the 1960s it was responsible for dumbing-down the teenage population with LSD, Cannabis and the permissive revolution to hinder a potential uprising, largely caused by revulsion of the Vietnam War. It has also engineered various mind-control programmes, such as MK Ultra and Project Monarch to achieve various ends.

The CIA, with others, planned and assassinated JF Kennedy, who had promised to smash the CIA to the four winds and complained about a secret society running America by stealth.

The CIA foments revolutions and helps to establish regime change. For example, it was involved in the 2014 removal of the democratically elected president of Ukraine who favoured better relations with Russia. Instead the CIA put in a puppet leader, a Jew, who would do their bidding. This was the beginning of the downfall of Ukraine, which became a centre for criminal activity including human trafficking and the development of Nazism. The anti-Russian, pro-Nazi stance of the current puppet Zelensky (despite campaigning for peace) has led to the current war.

The Council on Foreign Relations

A private institution founded in 1921 by Colonel Edward Mandell House (presidential advisor), Elihu Root (Secretary of War), Paul Warburg (banker) and others. It was funded by the Rockefellers and works to promote the global agenda on behalf of the international banking elite. The Fed controlled the money; the CFR controlled the ideology with a focus on foreign policy. Its goal is a global empire run by the elite. The CFR's Study No. 7 states: '*The US must strive to a) Build a new international order*'.

Many members are not aware of any conspiracy, but there is a group within the organisation that really controls it. One of their goals is a merger of Canada, Mexico and America called 'The American Union' with its own currency, the amero.

The overall goal of the Elite is a series of federal unions that then merge into a world government with a CBDC¹⁰ currency potentially called the Phoenix.

The Trilateral Commission

Similar to the Council on Foreign Relations (which is American), but international in scope. It is a vehicle for multinational consolidation of the commercial and banking interests.

¹⁰ Central Bank Digital Currency.

The Tavistock Institute

Formed in 1947 and based in London, it is a think-tank to combine research in the social sciences with professional practice. It deals with problems in organisational development, institution building and change in all public sectors. It pioneers work in behavioural science to control people; i.e. brainwashing techniques and crowd control methods using psychology. The CIA has always worked on guidelines set up by the Tavistock Institute. Tavistock Institute has developed such power in the US that no one achieves prominence in any field unless he has been trained in behavioural science at Tavistock or one of its subsidiaries. The drug revolution (LSD) was a Tavistock programme run by the CIA.

Common Purpose

A Tavistock Institute project, which is a globalist change agent. It has over 80,000 trainees in over 36 cities yet is unknown to the public. Trainees are cherry picked to be placed into significant elitist jobs with loyalty to CP aims (inc. the EU), not national sovereignty. They then subvert the department they are placed in, such as schools, town councils or the NHS.

Chatham House

Formerly the Royal Inst. of International Affairs (1919). This is a key centre of the Anglo-American Elite and sets crucial policy decisions [see Milner Group later].

The Atlantic Council

A globalist think tank focused on international affairs founded in 1961 that is based in Washington DC. It is militaristic and staffed with CIA, generals, CEOs, and hawkish politicians. It is closely connected to NATO. It supported al-Qaeda terrorists in Syria and Libya. It has called Washington to prepare for WWII with Russia and China. It has also promoted Internet censorship.

The Fabian Society

A Socialist organisation that promotes the principles of extreme Marxism and Eugenics by stealth.

The Council for Inclusive Capitalism

Founded by Lynn Forester de Rothschild. The Vatican publicly aligned with this council in 2020. Indeed one of the narratives of this council is that all religions must unite with the leaders of capital to build a society and an economy that is fair and for all.

Its mission statement is similar to that of the WEF and is focused upon a 'shared economy'; i.e. Communism. It advocates climate change alarmism, net zero, economic revolution (Great Reset), eradication of nation states, government by corporations and so on.

The leaders are called, 'The Guardians' (not at all spooky). Members have included: Mastercard, Allianz, Dupont, the UN, BP, Bank of America, Johnson and Johnson, VISA, the Rockefeller Foundation, the Ford Foundation, Mark Carney, and many more.

Think Tanks

There are many passing think-tanks of greater or lesser importance that are used to formulate governmental policy. Some of these are so important that they are responsible for wars and regime change operations. One such was the Project for a New American century founded by William Kristol and Robert Kagan. This shaped the foreign policy of the GW Bush administration. It called for regime change in Iraq, pursuit of multiple wars, the use of biological weapons, increased US military activity in Asia etc.

[PNAC's] ideology was summarised in a major position paper, Rebuilding America's Defences, in 2000. This document advocated a global Pax Americana unrestrained by international law.

Peter Dale Scott.

Foundations

There are also many charitable foundations that are used to develop Elite policy goals under the guise of humanitarian projects. These include: The Rockefeller Foundation, The Carnegie Foundation, the Ford Foundation, George Soros' Open Society and so on.

In 1954 the Congressional Reece Committee Report, with research headed by Norman Dodd,¹¹ showed that certain foundations (Rockefeller, Carnegie, Ford) were actually working towards turning the US into a collectivist state paralleling and partnering with the Soviet Union. In other words they were developing Communism by stealth in the US.

Corporatist control

Virtually all firms in the world are owned by a handful of people. Most are centred in three hedge funds / investment groups: Blackrock, Vanguard and State Street. When you pare down the ownership of corporations, eventually the control is seen to be in these groups.

The wealth of the world is owned by 0.01% of the world population. This gives power and control. For example, all significant media is owned by less than five groups. Big Pharma invests in media organisations to ensure that they do not criticise its products. The same people that rule Big Pharma also rule the media.

The world is not as it seems. A very few people own everything. That is how they wield power. When a few individuals control banking and most corporations these people have more power than any national government.

The model of the EU

Like the USSR was, the EU is a prototype to work out Elite plans for world government.

This is a federal system joining nations together to become a United States of Europe (that was the official stated purpose). The plan is for a single currency, open borders, a federal army (defence force), centralised taxation and political control.

Although there is a veneer of democracy because it has a parliament, this is an illusion. The power is in the hands of the Commission, which is filled with unelected (usually corrupt) failed leaders like Ursula von der Leyen.

It generates mountains of bureaucracy seeking to dominate every area of life, imposing penalties for non-compliance. It also wastes huge amounts of money and its accounts have failed to be properly audited for many years because of fraud. It is an increasingly corrupt Socialist organisation developing by stealth.

Conclusion

Plans and actions that are in the public domain already show you the following:

- There is a supra-national legislative body – the UN.
- The people that determine national policy are the super-rich Elite. They include bankers, financiers and corporatists.
- Agenda 2030, signed up for by your government, has goals including: no private property, forcing people into cities, forbidding access to the countryside, hindering

¹¹ Dodd was chief investigator for the Special Committee on Tax Exempt Foundations.

children of nutrition and education, stopping personal travel, forbidding meat, restricting or ending personal cars, etc.

- The Elite plans for a technocratic society based on digitisation and complete surveillance. It plans transhumanism whereby people become digitised machines.
- The Elite has training schools for social leaders that are programmed to follow their plans and infiltrate all levels of societal institutions.
- Foreign and domestic policy is set for national government by supra-national bodies.
- The Elite has already proved to conduct secret operations against society, such as flooding LSD in the market for teenagers or heroin products to criminal gangs.
- There is an expansionist supra-national military force.
- The media is fully controlled by Elite people.
- Key organised religions are actually dominated by satanic principles.
- The money supply is a big Ponzi scheme based on fiat currency and debt. This is controlled to create booms and busts to suit Elite plans.

This is all in the open.

The secret societies of the Elite

We can only look at a few of these here, but there are very many of them.

Committee of 300

Originated from the East India Company council of 300. It is perhaps the top layer of the Elite (some would say that there is a committee of 30 or 13 above this).

It controls the Federal Reserve, global insurance companies, corporations, foundations and communication networks. Its front organisations include the Royal Institute for International Affairs (Chatham House), the Club of Rome, NATO, the UN, the Council on Foreign Relations etc. Headed by Queen Elizabeth.

The Milner Group and Anglo-American dynasties

The Milner Group was a secret society beginning with Lord Balfour, Lord Rothschild, Alfred Milner and Lord Grey as an inner 'Circle of Initiates'. It was based on earlier secret societies, notably Cecil Rhodes' Round Table. Rhodes [1853–1902] had instructed in his will that his vast wealth be used to construct a secret society based upon the Jesuits' constitution to promote the British Empire. The Milner Group operated between 1901 and 1925. The Round Table influence created the CFR and other institutions for furthering Elite objectives.

Here is a timeline of Elite organisations from the time of Cecil Rhodes centred on the Milner Group.

- The Cecil Rhodes bloc. Planned for a Federation of the Empire.
- 1891: The secret society of Cecil Rhodes. WT Stead and Lord Rothschild made trustees of Rhodes' vast estate, according to his 4th will.
- 1897-1910: Milner's Kindergarten.
- 1901-1925: The Milner Group.
- 1907: Closer Union [South Africa].
- 1909: The Round Table. [To accomplish throughout the Empire what had been achieved in South Africa. To form local groups of influencers to be activists for imperialism.]
- 1917 onwards: Creation of the Commonwealth of Nations.
- 1919: The Royal Institute of International Affairs. [The Milner Group 'writ large'.]
- 1919-1939: The Milner Group holds significant power and influence. Many Cabinet ministers come from it.
- 1939-1945: WWII. The Milner Group has a large role in key departments: the Research and Intelligence Dept. of the Foreign Office (Chatham House); the British Embassy in Washington; the Ministry of Information and the agencies involved in economic mobilisation.

Most of these involved the same people and financial backers. It controlled: The Times, the Round Table, Chatham House, the Rhodes Trust, Oxford and All Souls in particular.

The rise of the Labour Party was a blow to its influence. It was also riddled with failure: according to Quigley it directed Britain into many disasters before 1940. Its imperial policies have failed; the Commonwealth broke up. Its foreign policy almost destroyed western civilisation. The Times lost its influence. Its influence in Oxford has declined. It continues now in the form of Chatham House.

Freemasons

Freemasonry originally developed from the Knights Templar and arose from stonemason associations. It gradually changed from a workmen's guild to a speculative, philosophical society. Its modern form developed from 1717 with the Grand Lodge of England.

Freemasonry contains a number of gullible but well-meaning people who thought they were joining a humanitarian charity of professional people. However, the real purpose of

Freemasonry is hidden from such people and it is only disclosed to ranks higher than Master Mason (3rd degree). Thus there is a secret society within a secret society. The top level is a 33rd degree Mason.

Freemasonry is a fraternity within a fraternity – an outer organisation concealing an inner brotherhood of the elect.

Manly P Hall, Masonic philosopher, Lectures on Ancient Philosophy, p433.

The real Freemasonry is utterly satanic, being based upon the Kabbalah and Satanism. It is devoted to serving Lucifer under various guises. One of these is the Masonic god Jahbulon, a composite of Yahweh, Baal and Osiris. Masonic leader Albert Pike openly stated that Masonry was devoted to Satan but that this was hidden from the lower orders.

[The lower orders] are intentionally misled by false interpretations. It is not intended that he shall understand them; but it is intended that he shall imagine that he understands them. ... their true explication is reserved for the Adepts, the princes of Masonry (the 32 and 33rd degree Masons).

Albert Pike, *Morals and Dogma*, p819.

Satan is not a black god. ... the instrument of liberty or free will. [Freemasons] represent this force ... under the mythological and horned form of the god Pan; thence came the he-goat of the Sabbat, brother of the Ancient Serpent and the light-bearer.

Albert Pike, *Morals and Dogma*, p102.

Its antichristian legacy is shown by Satanist and 33rd degree Freemason Aleister Crowley:

Freemasonry asserts that every man is himself the living, slain and re-arisen Christ.

Aleister Crowley, *Confessions of Aleister Crowley*, p669.

Theosophy leader Alice Bailey also explained that Freemasonry was occultic.

It is a far more occult organisation than can be realised, and is intended to be the training school for the coming advanced occultists.

Alice Bailey, *Externalisation of the hierarchy*, p511.

Freemasons lie at the heart of all British institutions, and particularly the aristocracy,¹² the judiciary, the secret services and the police force. A Metropolitan Police report (2002) leaked to the press in 2014 revealed that an investigation by Scotland Yard discovered that an organised criminal network of Freemasons controlled the police forces.¹³ An investigation called Operation Tiberius found that the Metropolitan Police were infested with corrupt Freemasons using their position to commit crimes.¹⁴ This is why certain investigations never succeed, such as into institutional paedophilia. Remember that paedophile criminal Jimmy Savile was very close to police chiefs and the monarchy.

The Illuminati

Masonry combined with the Illuminati after 1781. This was a secret revolutionary group run by the Rothschilds devoted to overturn Christian society and rule the world. It was created in 1770 by Mayer Rothschild delegating Adam Weishaupt to lead the cult, which formally started in 1776. When it was exposed in Bavaria it went underground and morphed into various incarnations; but one development was infiltrating Freemasonry and slowly taking it over.

THE ORIGINAL ILLUMINATI GOALS

In 1785 a Court of Enquiry in Bavaria was told that the goals were:

¹² The head of the British Freemasons is the Prince Edward, Duke of Kent.

¹³ The Independent, 'Revealed: how gangs used the Freemasons to corrupt police', 13 January 2014.

¹⁴ Albert Macky, 'The encyclopaedia of Freemasonry', art. Illuminati of Bavaria.

- The abolition of all monarchy.
- The abolition of democratic government.
- The abolition of private property (which the Illuminati will gain); the abolition of patriotism.
- The abolition of the family (through the abolition of marriage and morality-changing education).
- The abolition of all religion and especially Christianity.

These are still the goals of the elite and parallel Marxism, Talmudic plans for Gentiles and the Protocols of the Elders of Zion (which is not a forgery but minutes of Rothschild meetings, plus later additions). For all intents and purposes we can consider that today the Illuminati is subsumed within Freemasonry.¹⁵

The influence of Freemasonry can be seen in the symbolic layout of Washington DC. The topography of buildings and streets was planned along Masonic symbolic lines. This can also be seen in parts of Tel Aviv. The 'All-seeing Eye' above a pyramid on the dollar bill is also a Masonic, occultic and Illuminati symbol. Other Masonic symbols can be found on multiple corporate products and business logos.

The bane of our civil institutions is to be found in Masonry, already powerful and daily becoming more so. I owe to my country an exposure of its dangers.

Captain William Morgan, murdered on 11 September 1826.

Jesuits

The 'Society of Jesus', an order of priests founded in 1534 in Paris by Ignatius Loyola, Francis Xavier, and others.

The Society became the spearhead of the Counter-Reformation, though originally intended as a missionary order. The success of Jesuits as missionaries, teachers, scholars – as well as the fear they engendered – shows how close they have been to their ideal of a disciplined force, effective in the cause of the Roman Church.

Essentially, the Jesuits follow 'the end justifies the means' code of practice. This enables them to commit any brutal crime in order to defend the Catholic Church, whether it be torture, mass burnings, imprisonment and so forth. The Spanish Inquisition is a classic example.

Jesuits planned and resourced the 1605 Gunpowder Plot to blow up Parliament and King James. Jesuits seeded Arminianism into England under Archbishop Laud to undermine Protestant faith. Jesuits covered up the paedophile scandals.

The head of the Jesuits, the Superior General, is also known as 'the Black Pope' whom many believe to be the real leader of the Roman church, wielding power in secret.

Rosicrucians

The order of the Rosy-Cross. A secret society which venerates the emblems of the Rose and the Cross as symbols of Jesus Christ's resurrection and redemption. However, this is also an alchemical symbol of heavenly perfection.

¹⁵ In fact, the Illuminati morphed in various guises as well as being immersed with Freemasonry. Thus the Illuminati became the Jacobins in revolutionary France, for example. The Illuminati constantly changes its name and leadership to hide itself. But Masonry was transformed into an Illuminati operation.

Rosicrucians are Gnostic, claiming to possess secret wisdom (*gnosis*) passed down from the ancients, but their origin is in the 17th century. The anonymous *Account of the Brotherhood* published in Germany in 1614 possibly launched the movement. It narrated the tale of a mythical German knight of the 15th century, Christian Rosenkreutz ('Rosy-Cross'), who travelled extensively to learn the occult wisdom and mystery teachings of the East, and then founded the secret order. Robert Fludd subsequently helped to spread Rosicrucian ideas. In later centuries many new societies were founded under this name.

It is Gnostic in that it claims to hold mystery teachings that are only explained to a select few. It promotes a universal religion under one god. It predicts a future age of enlightenment based on Hermetic¹⁶ doctrines.

Some believe that the Knights Templar was behind this society and that it was the prompt to turn Freemasonry into a philosophical fraternity rather than a guild.¹⁷ The 18th degree of Freemasonry is called 'The Knight of the Rose Cross'. There are also connections to Mormonism, whose founder, Joseph Smith, was a Freemason. Adam Weishaupt, initiator of the Bavarian Illuminati, was a Rosicrucian.

The Bilderberger Group

This is Europe's version of the Council on Foreign Relations and acts on behalf of the Committee of 300, the Vatican and others. Co-founders were political advisor Joseph Retinger and Prince Bernhard of the Netherlands in 1954. Its object is to remove independence from all countries and allow the old aristocracies to rule despotically behind the consensus of the UN. It meets annually in secret with great security; attendance is strictly by invitation. No official membership but a collection of movers and shakers.

For many years the very existence of this meeting was kept secret but sequestering a hotel, surrounding it with armed guards and every major political and corporatist leader attending led to knowledge breaking out.

Sponsors funding this meeting include: Henry Kissinger, Goldman Sachs, Microsoft, David Rockefeller and the Washington Post. In 2012 the cost amounted to \$900,000 per meeting.

Leaked documents from 1955 show that they were planning to create the EU and a central European currency decades before they came into existence. The initial iteration of the EU came into being shortly afterwards as the EEC,¹⁸ set up by the Treaties of Rome in March 1957. The EU arrived in 1993. It has proved that wars, controversial laws, and economic booms and busts can be traced back to prior Bilderberger discussions.

Clearly, this highly secretive discussion group of major Elite power players is a root foundation for globalist plans.

Skull and Bones Society

This was originally an Illuminati group based at Yale University created in 1832, also known as 'The Brotherhood of Death'. It later became associated with US military and political leaders. GW Bush and John Kerry are members. 'Bonesmen' are responsible for creating the CIA, Federal Reserve, various government departments and various media monopolies.

The society has many items in common with the Illuminati. One of the two founders, William Huntington Russell, was studying in Germany (hotbed of the Illuminati) just before he

¹⁶ Hermetic: relating to an ancient occult tradition encompassing alchemy, astrology, and theosophy.

¹⁷ Christopher McIntosh, *The Rosicrucians*, p43.

¹⁸ European Economic Community.

returned to America and founded the society in 1832 using the same symbols, riddles, goals and initiation practices. The skull and cross-bones (Jolly Roger) was also used by the Knights Templar, pirates and Nazis.

The initiation ceremony involves lying in a coffin and describing one's sexual experiences. Outsiders are called 'Barbarians'. The membership comprises power operators, like bankers and politicians. Those that rise to political power, such as GW Bush, then appoint 'bonesmen' into positions of power. The list of bonesmen that have held government posts is very long. The atomic bomb was a Skull and Bones project.

Their fascination with death is due to a denial of an afterlife and considering that they are gods on the Earth. They have very disturbing rituals and have been accused of worshipping Satan.

According to the document, 'The Mardi Gras Secrets', the Skull and Bones society has been involved in the assassinations of several presidents and other politicians under orders from the House of Rothschild. For example, Lincoln was killed for threatening the Elite bankers when he issued Greenbacks (interest-free money).

The author is Mimi L Eustis, the daughter of Samuel Todd Churchill, a high level member of the secret New Orleans Mardi Gras Society called the Mystick Crewe of Cronus. This society was a chapter of Skull and Bones, which began as a front for the activities of Masons Albert Pike, Judah Benjamin and John Slidell who became leaders of the Confederacy. The information came from Churchill's deathbed confessions. Mrs Eustis made this public when she was dying. Eustis claims that the Skull and Bones society is a political assassination hit team to enforce compliance with Rothschild plans.

For assassinating Lincoln, Pike, Benjamin, Slidell and August Belmont were made secret 'Kings of the Mystick Krewe of Comus'. Teddy Roosevelt and FD Roosevelt were also a secret King of the Mystick Krewe of Comus.¹⁹

Bohemian Grove

This is a 2700-acre stretch of private Redwood forest in California north of San Francisco. In mid-July about 1,000 Elite men gather for a retreat, which began in 1872. Many US presidents have been members of this group.

The gathering is initiated by the *Cremation of Care* ritual, which depicts a human sacrifice at the base of a demonic statue. Their mascot is the Owl of Minerva, a symbol of wisdom, which was also used by Adam Weishaupt.

One of their sayings is, '*weaving spiders come not here*', which is a reference to the Greek myth of Arachne, who was turned into a spider for not acknowledging that her weaving skills came from Athena, goddess of weaving. It means, do not challenge the leaders.

The club is divided into 124 different camps on the grounds. The Hill Billies Camp mainly comprises men from banking and politics and big business; it includes the Bush family. The sign for this camp is a cloven-footed horned devil.

The Manhattan Project (atomic bomb) and the United Nations were hatched at the grove.

¹⁹ From Henry Makow PhD, 'Rothschilds murdered at least seven US presidents'.

There are allegations of serious criminality at the grove, including child sacrifice, snuff films, and sadistic child abuse. These are outlined in Senator John DeCamp's book, 'The Franklin Cover-Up'.

The Club of Rome

An umbrella organisation comprising the Black Nobility dynasties and Anglo-American bankers. The goal is world government through manipulating economic recessions and depressions. [See depopulation.]

The Club of the Isles

A European cartel centred in London and headed by the House of Windsor. This controls every aspect of the global economy, banks, insurance, big pharma, raw materials, factories etc.

The JASONS

This is a secret society of scientists, founded in 1960, used by the Elite to formulate research and reports into Elite projects. It is separate from official governmental authority but funded by DARPA and others.

Some of its projects include: the foundation of the global warming scam (report: 'The long term impact of atmospheric carbon dioxide on climate').

OTO

The Ordo Templi Orientis is a Satanist group that developed in the late 19th century in Germany. It is now based on the teachings of Aleister Crowley. It is a secret society with 13 degrees of rank. *The Book of the Law*, which Crowley wrote on the dictation of a demon, includes trampling down the weak, avoiding compassion, killing, torture and child sacrifice. It also focuses on sex-magic, the belief that exotic and radical sex can bring about enlightenment and occult power.

Conclusion

This is just a very short analysis of Elite institutions. These entities comprise a massive interlinked labyrinth of operations like a spider's web.

The three key centres of Elite power

The City of London

This is the centre of financial and economic power.

The City of London ('the Square Mile') is an independent province within London and the British Isles. It is autonomous and sovereign. It is ruled by the Rothschilds and the Queen has to bow down to the London Mayor²⁰ before she sets foot in its precincts. It has its own laws, officers and pays no tax.

Washington DC

The centre of political and military power.

Another autonomous, sovereign state within the United States but entirely separate.

Vatican City

The centre of religious power and deception.

Another autonomous, sovereign state within Italy; ostensibly ruled by the pope.

Globalism

A key constituent of Elite policy and character is globalism.

The Elite comprises institutions that are globalist in nature. Thus there are banking organisations that are global (IMF, World Bank, BIS); corporations that own everything are global in scope (Blackrock, State Street, Vanguard); strategic think tanks are global (WEF, Chatham House); structural organisations are global (UN, WHO); social initiatives are global (BLM, transgenderism, Gay issues) and so on. All that the Elite work towards is to gain more and more control over global issues.

²⁰ Not the publicly elected mayor of London, currently Sadiq Khan, who controls the rest of London.

This means diminishing the power of localised institutions, such as nation states and local regulators. Politicians are put into power that put their focus on globalist initiatives as opposed to national interests. Globalist companies, such as Big Pharma, are given special treatment at the expense of local people that politicians should be representing.

Everything is focused upon enabling world domination in every sphere.

In the next century, nations as we know it will be obsolete: all states will recognise a single global authority ... National sovereignty wasn't such a great idea.
Strobe Talbot (Clinton administration Deputy Sec. of State), Time Magazine.

A summary of essential cabal principles

The Elite gradually gained control over all banking, media, entertainment, crime, Pharma and corporations as well as domination over governments, NGOs, think tanks, education systems, medical systems and so on. This control has been accumulating since at least 1815. For example, the beginning of Elite control over medicine began in 1901 and was cemented after 1910. The beginning of Elite control over education began after 1908. The total control over US politics came after the assassination of JF Kennedy in 1963.

By controlling the societal institutions, the Elite can determine policies, get them enacted and institute projects without the public understanding what is really going on. By just controlling the media you can hide all sorts of political criminality.

The very first keystones in understanding what is going on are as follows:

- There indeed is a secret cabal,²¹ the global Elite, of super rich oligarchs²² that seek to develop a Socialist, totalitarian world government.'
- This world government, in fulfilment of Biblical prophecy, will be satanic and ruthless.
- The Elite are eugenicists and Malthusians that seek to get rid of 93% of the world population and bring it down to 500 million.
- The remaining population of vital workers will be virtual slaves (serfs)²³ in a system to replace democratic capitalism called 'neo-serfdom' or 'neo-feudalism'.
- The Elite are also technocrats devoted to transhumanism for total control of humanity.
- The Elite seek to destroy religion, the family, traditional ethics, and all national sovereignty. It seeks to create large federalised international communities (like the EU) and then combine them into a world government.
- In pursuing these goals, the Elite actively hate and despise ordinary people and seek to kill them, especially Christians (being Luciferians and worse). People tied into this structure, therefore, intend to do you harm; this includes politicians, medical authorities, policemen, judges, the military, the secret services and all heads of the establishment.

As soon as you accept that the controllers of the world hate you and seek your death, then a great deal of world affairs begins to make perfect sense.

²¹ A secret political clique or faction.

²² An oligarchy is the rule of a few.

²³ Serf: (feudalism) an unfree medieval peasant under the control of the lord whose lands he worked, representing the bottom tier of society. They were denied freedom of movement, freedom to marry without permission, and were obliged to work on their lord's fields, to contribute a proportion of their own produce, to surrender part of their land at death, and to submit to the justice and penalties administered by their lord in the manorial court in the case of wrongdoing.

The Covid crisis is a perfect example of this. The people trusted everyone above them: the PM, the science advisors, the establishment, the hospitals, the doctors and so on. What happened?

- The PM locked the people down in a pointless exercise (from an epidemiological perspective)²⁴ in order to institute total control. It was clear from the start that this would kill more people than a claimed pandemic;²⁵ the facts are now being established by studies proving this to be the case.²⁶
- ‘The science’ proved to be false science based on false data, twisting of facts, false graphs, pressure from outside Britain (e.g. Bill Gates) and scientists with vested interests (connections to vaccine companies, and Bill Gates). SAGE leaders Patrick Vallance and Chris Whitty were tied to Big Pharma and stood to make millions from the vaccine rollout.
- The government used scare tactics based on military brainwashing techniques to create intense fear in the population to make them compliant.²⁷ How could this be a benevolent government?
- Lies were pushed by the government that knew they were lies: 1) there is a deadly virus about (PHE had already decided on 19 March 2020 that Covid was not a serious infectious disease; the Diamond Princess case established an infection fatality rate of less than 1%.²⁸ It was later proved to be about 0.15-0.3%). 2) You can pass it on without knowing you have it (it was known early on that there is no asymptomatic transmission). 3) PPE and hand-washing were demanded everywhere (it was known early on that there is no fomite transmission). 4) Facemasks were demanded (despite studies showing that they are useless to combat an aerosol virus). 5) Schools were closed despite it being clear that children are at no risk and do not pass it on to teachers. The whole government narrative was a lie from top to bottom. Sweden did not lock down or close schools and had a lower mortality rate than all of Europe.
- People were deprived of the ability to see loved ones, especially at the point of their death. This is wicked in the extreme.
- The elderly were subjected to nothing short of genocide. Sick people were relocated from hospitals into care homes where infections ran rampant. They were treated with Midazolam, morphine, ventilators and Remdesivir, all of which contributed to their murder – by doctors.²⁹ The spike of deaths in spring 2020 was the deliberate murder of the elderly, mostly in care homes. Many nurses and good doctors have declared that what went on was murder. [Remember the Elite are eugenicists.]
- There was never any pandemic of any sort. The excess mortality statistics show that 2020 was a good year compared to virtually every year before 2009. The Covid statistics of death are false. The people that died from Covid without prior co-morbidities is a tiny fraction of the government figure. An FOI request to Sussex NHS trusts showed only one person died of Covid with no co-morbidities in the whole year. By December 2020 the

²⁴ Johns Hopkins Institute for Applied Economics, global health and the study of business enterprise, *Studies in Applied Economics*, Jonas Herby et. al., ‘A literature review and meta-analysis of the effects of lockdowns on Covid-19 mortality – II’, 20 May 2022.

²⁵ I wrote and said so in my first Covid paper in March 2020.

²⁶ Daily Sceptic, Hugh McCarthy, ‘Lockdowns killed hundreds of thousands of children, says the UN – was it really worth it?’.

²⁷ Laura Dodsworth, ‘A state of fear: How the UK government weaponised fear during the Covid-19 pandemic’, Pinter & Martin (2021).

²⁸ Prof. John Ioannidis established this and constantly re-evaluated the IFR throughout. Covid was similar to flu.

²⁹ See my paper, ‘The corporate manslaughter of the elderly, frail and vulnerable’.

official number of under-60s with no underlying medical conditions who died from Covid stood at 388.

We could go on (my many papers on Covid explain the details of this). The point is that the government waged war against the people of Britain for a known lie. The reason was a prior agenda that had nothing to do with a virus. The reason was to get everyone to take an experimental RNA or DNA vaccine (whose test trials were falsified)³⁰ that was part of a plan to establish biological control over people and to enable complete surveillance, but also to kill as many unnecessary people as possible (some batches were harmless, others killed thousands). The official figures (based on VAERS, MHRA, EudraVigilance, DAEN)³¹ show that 77,000 have died from the Covid vaccine, and the numbers still climb. Studies³² show that, due to under-reporting, this figure needs to be multiplied by 100. It was also part of the Elite plan to control the crashing economy, destroy small independent businesses etc.

All that was demanded by governments was previously written up in strategy papers, discussion groups, simulations and plans by the rich super elites. The government complied with a prior plan to dominate society determined by elites like the Rothschilds and the Rockefellers. This is exposed in items like *Event 201* (Bill Gates), the *SPARS* pandemic document (Johns Hopkins University), *Operation Crimson Contagion* (conference), *A world at risk* (report), the Rockefeller *Lock Step* document and many others.³³ The Rothschilds established patents and orders for PCR tests for Covid in 2016. The bio-weapon vaccines had been available in basic form since the early 2000s and are the subject of hundreds of patents going back to 2002.³⁴

The Covid fake crisis is a classic example showing how the entire establishment was committed to your social control and intent on your harm. Sadly it has taken some people the experience of losing a child to the vaccine or an aged parent to Midazolam and malpractice, before they understood this.

The ruling hegemony³⁵ hates you and seeks your death.

The common goals

There are multiple informal and formal factions within the global Elite. Whatever their differences, they all have the same chief goals. In some, such as Marxism, they are openly published; in others they are hidden in secret.

The following list is a summary of the goals of Talmudism (Jews), Marxists, the Illuminati, the Jacobins (French revolutionaries) and the modern global Elite. These are in full agreement.

- Destroy Christianity and all religion (Jews would except Talmudism).
- Destroy all nations and replace with internationalism. Discourage patriotism and encourage a universal brotherhood. [For Jews this is a fraternity for Jews not Gentiles.]
- Subdue all people as slaves to a ruling cabal.
- Eradicate the private property of the people.

³⁰ The release of the Pfizer test data, demanded by a US court, proves this conclusively.

³¹ Vaccine adverse reaction reporting system for the US, Britain, the EU and Australia,

³² Such as the Harvard Pilgrim Home study. Even the corrupt MHRA states that the Yellow Card system represents only 10% of the real adverse reaction figure.

³³ See my paper, 'The Covid pandemic narrative was planned for years'.

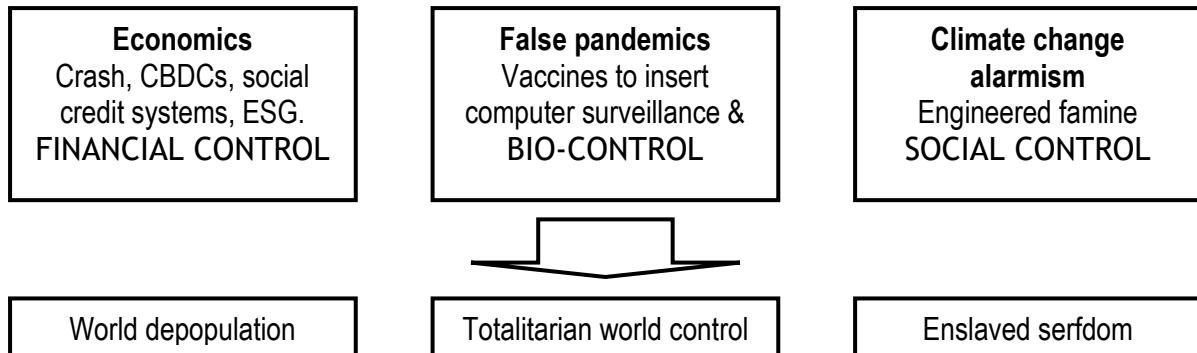

³⁴ See my paper, 'The Coronavirus Patents'.

³⁵ Leadership or dominance, especially by one state or social group over others.

- Elimination of the intelligentsia (to prevent revolts).
- Denial of human rights. There is only submission to Elite regulations.
- Eradication of the family.
- State control of children.
- Authoritarian rule of the state. No dissent allowed.
- Collectivism. Centralised control of everything.
- Totalitarian world government ruled by the Elite.

Notice that all these aims are the opposite of Christian principles and God's law for men.

Overarching strategies

Having established some uncomfortable basic principles, I will now expound a simplified analysis of some of the strategies being used to control and harm you.

Some key members of the Elite

- The Rothschild family.
- Cecil Rhodes.
- Lord Milner.
- The Rockefeller family.
- Winston Churchill.
- The Bush family.
- The Clintons.
- The Morgan family (bankers).
- The Warburgs (bankers).
- The House of Windsor.
- The Kennedy family.
- The Astor family.
- The Bundy family.
- The Dupont family.
- The Carnegie family.
- The Vanderbilt family.
- The Taft family.
- Henry Kissinger.
- Tony Blair.
- Emmanuel Macron.

- Klaus Schwab.
- George Soros.

At the dawn of the 20th century, some sixty ultra-rich families, through dynastic intermarriage and corporate, interconnected shareholdings, had gained control of American industry and banking institutions. ... that manipulated, bribed, and bullied its way to control the destiny of the United States.

F William Engdahl; 'Gods of money: Wall Street and the Death of the American Century'.

Names for the Elite

- The Global Elite.
- The Cabal.
- The Conspiracy.
- The Deep State.
- The Shadow Government.
- The New World Order.
- The Illuminati (this was a historic organisation founded in 1776 but it morphed into Freemasonry and other forms and so the term is not that useful now).

Characteristics of the Elite

The Elite comprise many ranks, like the levels within a pyramid. As with Freemasons, only the top members have full knowledge of what is going on. This means that some of the lower members are useful tools who may be sincere in their aims and think that they are serving humanity. This is not the case with the higher ranks. Therefore, this assessment of the characteristics of these higher ranks may not apply to lower members.

Satanists

Though some would deny this, they do accept that they are Luciferians. To them the serpent was not the cause of man's downfall but of his enlightenment about good and evil and thus the ability to become a god. In fact, this is the essence of Satanism – man becoming a god.

But it goes further than just seeing Lucifer as the light bringer. Many of the Elite's symbols, rituals, actions and beliefs point to them being outright Satanists. Most are Freemasons and the higher level of Freemasons practice Satanism and take inspiration from historic occultists like Eliphas Levi. Freemasonic leader Albert Pike openly admitted this in his book *Morals and Dogma*. They practice clearly occult rituals and commit satanic wickedness, such as murders, sex magic, worship of Lucifer, child abuse and child ritual murder.

The Jewish portion of the Elite also worship Satan in the form of Lucifer following Talmudic and Kabbalistic traditions. '*Most Jews do not like to admit it, but our god is Lucifer ... and we are his chosen people. Lucifer is very much alive.*'³⁶

³⁶ The Harold Wallace Rosenthal interview, 'The Hidden Tyranny', with Walter White Jnr., the editor of the Conservative monthly *Western Front* in 1976. [Available on-line free].

Psychopaths

The chief character of the Elite is that they are psychopaths. They literally have no care or compassion about ordinary people and live only for themselves. They can cause untold harm to people and it means nothing because they have no empathy.

Sociopaths

They are also sociopaths because they are extremely antisocial. Their policies work to harm society.

Arrogant

They are supremely arrogant, believing that they can do anything they want and it will be right. Nothing is more important than their own will.

They are Malthusians

I.e. committed to reducing the world population because it is supposedly overcrowded. In fact, it is not and there are plenty of resources for everyone were it not for the greed of the rich nations.

They are eugenicists

The corollary of being Malthusian; they need to sterilise and get rid of people that do not fit their competency scale.

They are insane

Truly the Elite are certifiable. Their plans for the world are crazy, whether it is getting rid of meat and eating insects, dimming the sun by aerosol injection, promoting transgenderism, giving deadly Covid shots to babies and so much more. They are so insane that they openly state their ridiculous beliefs, such as when Henry Kissinger called all old people ‘*useless eaters*’ or Prince Phillip wishing he could be reincarnated and cause mass death.

The elite are many more things: stupid, Gnostic, autocratic, technocratic, hubristic and so on. The point is that these people are not normal. They were not raised to be normal and do not live normally. They live in their own insane world believing that they have the right to dominate lesser people – you and me.

Resources

- Paul Fahy, The psychology of the global Elite.

Aspects of the Elite

- **Banking:** they control the world’s central banks, many owned by the Rothschilds. They control the hub of banking in the US Federal Reserve, the World Bank, the European Central Bank, the City of London, the BIS and the IMF etc. They created fiat-money and fractional reserve banking etc.
- **Total control of economies:** manipulating national economies, creating recessions and bubbles, increasing debt etc. ‘*The Depression (1929) was not accidental. It was a carefully contrived occurrence. The international bankers sought to bring about a condition of despair here (USA) so that they might emerge as rulers of us all.*’³⁷
- **Financial institutions:** they control Wall Street and all the stock exchanges, particularly that of London.

³⁷ Louis T McFadden, Chairman of the US House of Representatives’ Banking and Currency Committee, (1932).

- **The military industrial complex:** they control the chief military industries, especially in America, such as Grumman, McDonnell Douglas, Halliburton etc.
- **Corporatocracy:** Most companies in the world are under the control of global corporations run by as few as five men. E.g. the Rothschild, Rockefeller and Warburg banking combines control Big Oil. *'The bankers control the world's major corporations, media, intelligence agencies, think tanks, foundations and universities.'*³⁸
- **Secret services:** the elite created and own the major secret services or intelligence agencies, which are numerous (why does America need 17?). Chief among these are the CIA (which is the elite's chief global asset), the NSA, FBI, US military intelligence, MI5 / MI6 and Mossad.
- **Big Pharma:** they control all the pharmaceutical industries, which are not devoted to making people well but to promote sickness and to make money, as well as fulfil Elite programmes – such as sterilisation of Blacks, the dumbing down of youths, or inducing death through fake vaccines.
- **Control of western foreign policy:** this is largely developed by the Council on Foreign Relations (which dominates US foreign policy; in fact the state department has been controlled by the elite for 100 years) and the Trilateral Commission. Organisations like the UN and NATO are there to implement elite foreign policy plans. Evaluate the last several decades of NATO and the UN and see if they ever did any good.
- **Total control of the media:** this involves all the major western news organisations on radio, TV and the press; all the various aspects of entertainment, and especially Hollywood. In America over 90% is owned by Jews. Whistleblowers have explained that the CIA control newsfeed and routinely write the script for news reporters. Anyone who goes against the CIA direction is smeared, fired or killed.
- **Total control of education:** this began when the major foundations in America (Ford, Carnegie, Guggenheim and Rockefeller) decided to take over the school / college curricula beginning with dominating history to change the way that people thought and inspire Socialism. It began in 1908 and within 60 years fully controlled US and UK education. Today in Britain, education is dominated by Common Purpose graduates, an Elite controlled charity that promotes leadership training. Most graduates go on to influential posts in society. In history, thinkers that changed social mores were often Elite dupes and change agents, such as Nietzsche or Marx.
- **Propaganda and mind control:** this is effected through education, political control (laws) and the media of all sorts (movies, books, magazines, art, documentaries, games, entertainment etc.). Sometimes the elite use actual conditioning programmes, such as the MK Ultra operation in America, which intensely brainwash people.
- **Predictive programming:** According to their Luciferian dogma the Elite face no guilt or Karma from their evil actions against people if they warn them in advance and give them the opportunity to escape. Thus they tell the world what they are going to do in movies, books and dramas. What is portrayed as fiction is actually the plans of the Elite for the future. For example, the following are movies that explain what the Elite are doing or planning to do: The Matrix, The Hunger Games, AI, Three Days of the Condor, Capricorn I, and so on.
- **Control of religion:** the plan is to gradually effect a syncretism of all religions that in reality worships Satan. Detrimental changes in Christian doctrine and practice have often stemmed from Elite change agents and dupes, such as CI Scofield. Large churches and organisations that led apostasy were often paid by elite bankers.
- **Perversion of ethics:** this includes the promotion of pornography, LGBT issues, changing laws, gender reassignment and so on. The intention is to reverse the Biblical

³⁸ Henry Makow.

concepts of righteousness, godliness and morality to be replaced with satanic standards based on pride and selfishness.

- **Control of the drug trade:** this brings in more finance for the elite than the exchequer of the US. The elite have controlled the drug trade since the British controlled the opium supply to China in exchange for silk. When the Taliban burned the poppy fields and decreased the heroin supply by 90%, America went to war against the Taliban and immediately restarted the heroin supply. The drug trade also has the benefit of distracting, dumbing down and atrophying potential rebels, especially in the US Black community.
- **Spying on entire populations:** data mining ('Eschelon' etc.), phone tapping, email and social media surveillance, CCTV, surveillance through smart-phones, computers and smart TVs, etc.
- **Eugenics:** population control through various means, such as vaccines or disease.

Heinous Practices

- **Paedophilia:** High numbers of people in the top positions of society are involved in paedophilia. There are multiple allegations from whistleblowers, retired policemen, social service staff and victim survivors that this is the case. Some are enticed into some act which is filmed, which is then used to blackmail them forever to do the elite's will. Hollywood is filled with paedophiles and this fact is currently being exposed. In Britain, all levels of the establishment have paedophile rings: Westminster, the judiciary, the police force, the military, the secret services, the magistracy, Freemasonry, the media industry (especially the BBC which covered up Savile) and the entertainment industry.
- **Child sacrifice:** at the top end of the sexual abuse of children is satanic ritual abuse. This is widespread but continually covered up. Some victims that survived have given formal statements that they saw such ritual abuse. Multiple victims in various countries give the same story. Some victims have alleged that famous celebrities were seen beheading children, torturing children or cutting their throats. Such claims have involved America, Britain, Belgium and Australia, but it is commonplace. Hundreds of thousands of children go missing every year and no one does anything.
- **Assassinations:** to protect their secrets the elite routinely kill those witnesses who are a threat to their existence. For example, the CIA has an assassination squad ('wet jobs') to murder Elite targets. Check out the number of people who exposed Hillary Clinton's wickedness who then died suddenly in odd circumstances or were just murdered, like Seth Rich. For example, when Walter Rathenau [founder of General Electric, Wiener Press] exposed the Council of 300, he was assassinated within months as a warning to others.
- **Instigating war:** to achieve geo-political aims. Almost all modern wars were unnecessary and were started as part of a global elite plan. Not only do the Elite start wars to achieve geo-political goals but they also profit from the exercise by financing both sides. The Rothschilds financed the Crimean War, as well as the Mexican War and the American Civil War. The House of Morgan financed the British Boer War. Jews financed Hitler and the Bolsheviks gained \$20 million in gold, organised by Jacob Schiff.
- **Instigating revolutions:** the rise of terrorism and revolutions were almost all due to Elite strategies, including the French Revolution and the Bolshevik Revolution (financed by Jewish banks and led by Jews). Over 80% of the leadership of the Soviet Cheka (KGB), which murdered millions, was Jewish and Jewish organisations openly affirmed that Communism was Jewish in origin and ethos.

- **Instigating coups and regime change:** Most of the world's coups in the last 100 years have been triggered by global Elite operations. Many have been down to the CIA (e.g. Ukraine, Syria) or NATO's Operation Gladio.
- **False flags:** these are frequently used to enable a policy that would otherwise be unpopular. The great example is 9/11. This was conducted by the Elite, using the CIA and Mossad in control with stooges that were previously CIA Muslim assets.³⁹ The outrage this caused enabled GW Bush to initiate laws and wars that would have been unthinkable beforehand: the Iraq war based on lies; the Afghan War based on safeguarding the heroin supply; the Patriot Act; Homeland Security; The War on Terror (controlling the Middle East); bombing Somalia and Yemen; etc.
- **The use of dupes:** the Elite frequently work on idealistic dupes, giving them money and direction, when it suits their purpose. Hitler was duped for example and Jewish bankers gave him momentum. Elite corporations, like IBM or Ford, continued to assist him throughout the war. Stalin was massively resourced by America as was Chairman Mao.
- **Bribery:** many people, especially politicians are seduced by bribes. One example is that of PM Edward Heath who was bought for about £30,000 to take Britain into the EEC.
- **Blackmail:** when bribery doesn't work and a dupe is not available, then blackmail is used. Usually it is some sort of sex scandal and very often paedophilia.

Spiritual beliefs

This is difficult to analyse as the Elite do not comprise a single unit with a single distinctive belief system. However, there are common factors that most, if not all, the top Elite players seem to adhere to.

Luciferianism

I have already explained this. The Elite are all Luciferians, albeit in different ways. The Luciferianism of Freemasonry is slightly different to the Luciferianism of Talmudic Jews. But in the end they worship Lucifer as light/wisdom giver. Some are very Gnostic in their interpretation of this, seeing Lucifer as the giver of knowledge to man despite the evil machinations of the Demiurge creator.⁴⁰

The Elite is antichristian at root; it is a satanically-inspired faction. Therefore it is unsurprising that the Elite see Satan as good and the Creator as bad. The Creator was hindering mankind but Satan, through the serpent, brought the knowledge of good and evil showing how a man could become a god. This concept is explained in the Bible as THE lie;⁴¹ the basic foundation of all satanic aspirations and temptation.

Thus Lucifer – the spirit of Intellectual Enlightenment and freedom of thought – is metaphorically the guiding beacon, which helps man to find his way through the rocks and sand banks of life for Lucifer is the Logos in his highest. ... Lucifer is divine and terrestrial light, the Holy Ghost and Satan

³⁹ The idea that these were fundamentalist jihadists is nonsense. They were seen drinking, partying and going to strip clubs before 9/11.

⁴⁰ In Gnosticism: a heavenly being, subordinate to the Supreme Being, that is considered to be the controller of the material world and antagonistic to all that is purely spiritual.

⁴¹ Rm 1:24-25, 'Therefore God also gave them up to uncleanness, in the lusts of their hearts, to dishonour their bodies among themselves, who exchanged the truth of God for the lie, and worshiped and served the creature rather than the Creator, who is blessed forever. Amen'.

Helena Blavatsky (Theosophy leader), *The Secret Doctrine*, Vol. II, p162, p513. [This is the highest form of blasphemy.]

This serpent, Satan, is not the enemy of man, be he who made gods of our race, knowing good and evil; he bade, 'know thyself' and taught initiation. He is the Devil of the Book of Thoth, and his emblem is Baphomet, and Androgyne who is the hieroglyph of arcane perfection.

Aleister Crowley, *Magick – in theory and practice*, p193.

Kabbalism

Many, not all, Elite players are Kabbalists.⁴² This is not just Talmudic Jews, Kabbalism has become extremely popular in establishment circles (e.g. Madonna is a Kabbalist). Kabbalism dovetails in with Luciferianism quite easily.

Mainstream Kabbalism is occult / mystical Judaism which heavily features symbolism and gematria (a Kabbalistic method of interpreting the Hebrew scriptures by computing the numerical value of words, based on those of their constituent letters).

Sabbateanism

Many Elite figures are actually devotees of an extreme form of Kabbalism called Sabbateanism. This was developed initially by Rabbi Sabbatai Zevi [1626-1676] and subsequently Jacob Frank.

Zevi was a Sephardic ordained rabbi and Kabbalist who claimed to be the messiah. He travelled widely and gained a following; some wealthy Jews supported him. He married a prostitute and began to teach licentiousness. A messianic movement developed far and wide, extending to the Netherlands with Zevi gaining a million followers. By this time many rabbis followed him.

Teaching: Essentially it is Satanism being summarised as '*praised be he who permits the forbidden*'; in other words Satanism's '*do what thou wilt*'. Sin is a virtue and obeying the Torah is a sin. Doing good only slows down the appearance of the messiah, who will come when chaos reigns. The Kabbalah is a reversal of the Torah.

Sabbateanism was revitalised by Zevi's follower Jacob Frank [1726-1791] who continued the movement, claimed to be the embodiment of Zevi and this later spawned the Illuminati, being called 'Sabbatean-Frankism'. When Weishaupt's Illuminati was established Rothschild set Frank up in Frankfurt as the new head.

Modern Sabbateans believe that the full messianic age will only come when evil fills the world and so devotees are encouraged to practice as much evil as possible to hasten this Jewish millennium: corporate Jewry ruling the world.

It is important to understand Rabbi Zevi and Sabbateanism since so many Jews in positions power and influence today are followers of his wicked theology. For example, Sigmund Freud was a Sabbatean Kabbalistic Jew who used his fabricated psychoanalysis method to make money, calling his patients 'suckers' – whom he abused.

Sabbateanism stems from Kabbalah and this arises from the Talmud. The overriding belief of each is that Jews are God's children; a different order of creature with divine origins and future. Gentiles are 'cattle' or 'dogs' who are not really human. Rabbis openly teach that

⁴² Kabbalah; also Kabbala, Cabbala, Cabala, or Qabalah. Origin: from medieval Latin *cabala*, *cabbala*, from Rabbinical Hebrew *qabbālāh* 'tradition', from *qibbēl* 'receive, accept'.

Gentiles are the dust in the scales when weighed against a Jew. This explains Zionist arrogance, hubris and brutality. The goal is the messianic age where the Jewish people, as one, become their own corporate messiah (called by some the egregore)⁴³ and rule the Earth with every Jew owning hundreds of Gentile slaves.

Sex magic

Sex magic is a gross, radical form of Satanism which believes that the act of depraved sex (heterosexual or homosexual), and the use of body fluids, can achieve great occult power. This was most famously practised and written about by Aleister Crowley who practised obscene, depraved rituals and at one point was thrown out of Italy for them.

Sometimes the sex magic involves children and even babies. Followers of Crowley have been imprisoned for practising his rituals on children.⁴⁴ Crowley also taught that murdering babies brought great power. There is a reason that a million children go missing every year and multiple witnesses have affirmed that the Elite practice ritual killing of children. In some cases this is to gain adrenochrome to prolong life by drinking a child's blood. In other cases it is just killing as part of a satanic ritual.

For the highest spiritual working one must accordingly choose that victim which contains the greatest and purest force. A male child of perfect innocence and high intelligence is the most satisfactory and suitable victim.

Aleister Crowley, *Magick – in theory and practice*, p95.

There is no doubt that sex magic and child abuse is far more commonplace than you would think, and it poses an attraction for people in power with no scruples. Jimmy Savile showed how a person practising such things could be at the centre of power in the UK, a mentor to Prince Charles, friend of Louis Mountbatten and a regular welcome dinner guest at PM Maggie Thatcher's house.

One subset of this wickedness is 'spirit cooking' where body fluids are mixed into drinks and imbibed along with certain rituals, such as painting walls with faeces and blood. It is a Thelema⁴⁵ ritual. Marina Abramovic, friend of Hillary Clinton (alleged to be a witch by one of her security guards), was famously outed for this in New York. Defenders of Abramovic state that 'spirit cooking' just referred to an artwork and there was no ritual. However, photos and videos of her with goat's heads and other occult paraphernalia seem to imply that rituals were indeed involved. In her famous leaked email to lobbyist Tony Podesta, she mentions cooking such a dinner; not an artwork then.

No afterlife

Why are the Elite so wicked, uncaring and cruel? Do they not fear divine judgment and an eternity of hell? No they don't because they do not believe in any kind of afterlife at all. All is now. That is why they seek to prolong their lives with various new technological discoveries.

They do not believe in an all-powerful, supreme, holy, God of justice nor do they believe in either heaven or hell. They are social Darwinists; there is only now and life is for those who claw their way to the top by treading on others.

⁴³ A spiritual entity arising from the collective thoughts of a certain group.

⁴⁴ Such as Lost Prophets musician Ian Watkins.

⁴⁵ The occult faction established by Aleister Crowley in the early 20th century..

This is why Crowley's dictum, '*Do what thou wilt*' is so popular. The Elite are utterly selfish and completely centred on gaining power in this life because they do not believe there is another existence after death. There is no accountability for actions in their belief system.

Hegelianism

The Elite are fans of the philosopher Georg Wilhelm Friedrich Hegel [1770–1831] who, among other things, did not believe that the masses were intelligent enough to be part of the democratic process. He believed in a superior elite governing body.

Hegel was also famous for his Hegelian Dialectic of reasoning set out in his *Science of Logic* [1812–16]. This underlies his idealist concepts of historical development and the evolution of ideas.

The form of this is: Thesis, Antithesis, Synthesis; or better known as: problem, reaction solution. To effect social change the Elite produce problems. These lead to a reaction and then a solution – which was the original intention of the Elite in the first place. This is why so many problems fill the world, caused by political decisions. For example, a false flag is an engineered problem.

Transhumanism

Because the Elite cannot gain eternal life by following Satan, they strive to seek an artificial form of immortality. This is transhumanism.

Regarding the slave serfs in the New World Order, transhumanism is a means of control and surveillance. Internal nano-computers, inserted via vaccines, will eventually enable remote monitoring and total control over a person's thoughts and feelings. It will enable social credit limitations, as exists in China now.

However, for the Elite cabal, transhumanism means defeating death through technological means and enhancing physical prowess. It is a counterfeit of Biblical eternal life whereby they hope to become a god through being a cyborg. Google engineer Ray Kurzweil states that by 2045 the Elite will achieve immortality through cybernetic enhancements.⁴⁶ Geneticist Richard Seed reckons that reprogramming human DNA will be the means to achieve transhumanism and divinity.

All this is hubris of the first order.

- Paul Fahy, Why all religions do not lead to God.

Short timeline of key Elite events

- 1 May 1776: MAYER ROTHSCHILD assembled influential friends in 1773 to establish the Illuminati, which planned to rule the world, and in 1776 commissioned ADAM WEISHAUPT (professor of Canon law at University of Ingoldstadt) to organise and establish it.
- 1782: the Illuminati ally themselves with Freemasonry at the CONGRESS OF WILHELMSBAD.

⁴⁶ Wall Street Journal, 'Will Google's Ray Kurzweil live forever?', 12 April 2013.

- 1785: Illuminati plans detailing their conspiracy, including the upcoming French Revolution, are found by chance in Bavaria. The Bavarian authorities arrest what members they can find, outlaw the Order of the Illuminati, and warn France (to no avail) while the rest of the Illuminati go underground.
- 1789-1799: FRENCH REVOLUTION, ending the French Bourbon monarchy.
- 1796: President John Adams warns the US of the dangers of Freemasonry. His son John Quincy Adams continues this warning.
- 1797: John Robison, of Edinburgh University, writes 'PROOFS OF A CONSPIRACY' regarding the Illuminati.
- 1815: The Rothschilds get advance notice of the Battle of Waterloo victory and use this to make a killing on the London stock market. After this they get control of the Bank of England.
- 1823: American Samuel Russell established Russell & Co. to SMUGGLE OPIUM from Turkey into China (where it had been outlawed) under the armed protection of the British army.
- 1832: THE SKULL AND BONES fraternity is founded by William H Russell (second cousin of Samuel) under the Russell pirate flag.
- 1834: MAZZINI appointed as Illuminati director. Mazzini appoints PIKE to be Illuminati leader in the US.
- 1840: Pike designs plans for three world wars and three revolutions. Pike becomes Mazzini's superior.
- 1848: Illuminati Jew KARL MARX writes 'THE COMMUNIST MANIFESTO'.
- 1856: SKULL AND BONES ESTABLISHED AT YALE UNIVERSITY.
- 1856-1860: Second Opium War. Treaty of Tientsin allows Britain control of most of China trade.
- 1859: Rockefeller's oil fortune begins in Pennsylvania.
- 1859: Darwin's 'ORIGIN OF SPECIES'.
- 1861: US Civil War begins.
- 1862: US authorised issuance of 'Lincoln Greenbacks' as legal tender, and again in 1863. Bankers received no interest from this and plotted revenge.
- 1865: Lincoln assassinated.
- 1870 or 71: Satanist ALBERT PIKE (Sovereign Grand Commander of the Southern Jurisdiction of the Scottish Rite of Freemasonry) writes up the Illuminati strategies for the future in a letter to revolutionary leader Giuseppe Mazzini. This is based on three world wars and the destruction of Christianity and atheism. He announces the establishment of a secret society (revolutionary Illuminati) within a secret society (Freemasonry). Only selected high degree Masons would be told. Pike called the secret society the 'New and Reformed Palladian Rite'.
- 1877: STANDARD OIL COMPANY incorporated and becomes leader in the oil market.
- 1884: THE FABIAN SOCIETY is founded to promote socialism.
- 1890-1896: CECIL RHODES is Prime Minister of South Africa. He controls the gold and diamond wealth of Africa and worked to establish a ruling elite, establishing his Rhodes scholarships.
- 1891: Rhodes forms secret society ROUND TABLE GROUP with William Stead. Rhodes now controls 90% of world diamonds supply.
- 1899: The Warburgs, Morgans and Rothschilds bankers become affiliated.
- 1904: JOHN D ROCKEFELLER writes plans to mould people, reduce national intelligence to lowest common denominator, destroy parental influence, destroy traditional customs and eliminate learning in order to produce perfect human nature.
- 1904: EUGENICS being taught in universities. Many governments then follow eugenic plans, such as sterilising criminals and the disabled or even killing certain people types.

- 1909: Vaccinations had been steadily increasing over the last 100 years, always producing more victims than benefits. A report by W B Clark, 'Cancer and Vaccination by Aesculapius, in the New York Press, stated that cancer was practically unknown until cowpox vaccination began. Vaccinations continue to be an Elite method of causing illness, weakness and death.
- 1913: THE FEDERAL RESERVE is created which transfers the power to create new money from the government to a private bank, which then loans money to the government at interest. This is at the crux of the Elite's plans. Woodrow Wilson (whom the Elite blackmailed) would later say that he ruined his country by introducing this act, which gave power to a few bankers. Founders include the Rothschilds, JP Morgan and Paul Warburg.
- 1917: the Elite bankers fund the BOLSHEVIK REVOLUTION in Russia. The Romanov dynasty is murdered, fulfilling a key Elite aim.
- 1917: BALFOUR DECLARATION; the British government agrees to give the Jews Palestine, in a secret agreement with Zionists.
- 1919: the ROYAL INSTITUTE OF AFFAIRS is instituted in England and the Institute of International Affairs in the US, attended by Fabian Socialists.
- 1921: Col. House reorganises the American Branch of the Institute of International Affairs into the COUNCIL ON FOREIGN RELATIONS. From this point, 80% of the top US governmental positions were occupied by CFR members.
- 1921: Duke of Bedford, the Marquis of Tavistock, creates the TAVISTOCK INSTITUTE in London. Develops brainwashing techniques, plus crowd control and modifying human behaviour projects.
- 1935: Lobotomy introduced in the US. Over 30 years 100,000 people have their brain partly removed, including children.
- 1937: William Donovan begins to build the OSS (later CIA) from the Communist Lincoln Brigade. Meets Kim Philby in Spain.
- 1938: FDR makes secret agreement with Churchill to let the British SOE control US policies, ceding US sovereignty to Britain. FDR sent Donovan to London for indoctrination before setting up the OSS (later CIA) under the control of the SOE-SIS⁴⁷.
- 1939: Col. Stewart Menzies, one of the four that set up the OSS, is appointed head of MI6 until 1951. British SIS renamed as MI5/6.
- 1945: Operation Paperclip imports 6423 Nazi scientists to US. This importation continued until 1973. Much of the work involved mind control projects.
- 1945: The allies mandate compulsory vaccination, the first cases of autism follows pertussis (whooping cough) vaccine introduction.
- 1945: Post-war nitrate supplies designated to be added to food chain as fertiliser.
- 1947: CIA created from the OSS.
- 1948: establishment of THE STATE OF ISRAEL.
- 1948: Standard Oil changes its name to Esso.
- 1948: CIA's OPERATION OHIO, an assassination squad, kills over 100 European people by 1958.
- 1948: Lucky Luciano, with US government support, starts heroin labs in Cuba.
- 1950: The U.S. begins spraying its citizens with chemicals. The Navy sprays bacteria over San Francisco as an experiment. Many people succumb to pneumonia-type disease, one person dies. This is merely the first of many such experiments.
- 1951: CIA PROJECT ARTICHOKE – behaviour modification techniques, using hypnosis, drugs and electric shocks.
- 1951: Allen Dulles orders 100 million doses of LSD. In 1953 becomes director of the CIA.

⁴⁷ Special Operations Executive and the Secret Intelligence Service (later MI5/6).

- 1952: Establishment of the EUROPEAN ECONOMIC COMMUNITY (Common Market).
- 1952: US begins to fluoridate city water supplies. Cancer deaths in these cities far exceeds that of un-fluoridated areas.
- 1953: Planning meeting held by Dulles and others for Ford Foundation research into Mescaline and LSD. Dr Sidney Gottlieb runs CIA drug programme.
- 1954: Defence Intelligence Agency states that LSD is a new agent for unconventional warfare and orders 100 million doses from I G Farben through Sandoz.
- 1954: PRINCE BERNHARD establishes the BILDERBERGER GROUP.
- 1954: Mass introduction of sugared drinks in the US. Excess sugar had been known to cause multiple diseases, including diabetes, heart disease and even cancer.
- 1954: Cloudbuster experiments in Maine.
- 1957: EEC (or COMMON MARKET) - An economic organisation of European states set up by the Treaties of Rome in March 1957.
- 1958: Dr A Lansing (President of the Gerontological Society) states that finding a cure for cancer and heart disease would be a major financial disaster that would bankrupt the social security system and insurance companies. The Elite want people sick to keep the population weak and fund Big Pharma and hospital profits.
- 1960: Tavistock Institute launches social programmes to induce people to indulge in brief sexual relationships – weakening the family unit.
- 1960: Development of a laser instrument.
- 1963: JFK assassinated on 22 November.
- 1968: THE CLUB OF ROME established.
- 1968: Martin Luther King assassinated.
- 1968: Robert F Kennedy assassinated 6 June.
- 1969: CIA achieves direct communication between brain and computer.
- 1969: the Gay revolution is launched in the US.
- 1970: FDA Commissioner Dr Herbert Ley blows the whistle on the FDA's corrupt relationships with Big Pharma. He is ignored by the US government and Ley is forced out. Many FDA leaders end up in top jobs in Big Pharma. They also own stock in companies they regulate.
- 1972: Esso changes its name to Exxon.
- 1973: David Rockefeller founds the TRILATERAL COMMISSION.
- 1973: A Club of Rome report divides the world into ten kingdoms.
- 1975: Lt. Col. Michael Aquino leaves Anton Levey's Satanic Church to establish the Temple of Set. Is linked with US agencies in ritual abuse, sacrifice and mind control.
- 1975: Project Gabriel – sonic weapon development.
- 1976: CIA monitoring device (Teleguard TG2 DE) installed in television sets.
- 1976: HIV virus discovered in African blood banks. All cases of African HIV / AIDS emanate from areas where large-scale vaccinations took place.
- 1976: US Ambassador Walt Stoessel tells his Moscow staff that Soviet microwaves cause behavioural problems as well as leukaemia, cancer and cataracts.
- 1980: Scientists at Los Alamos National Labs claim that weapons exist that can operate on the power of the human mind and can kill.
- 1981: UN debt for land swap. Nations in debt to the IMF and World Bank give up land.
- 1986: A study shows that nearly every drug that appeared on the streets in the 1960s had been tested and refined by the CIA and Army scientists.⁴⁸
- 1987: Iran-Contra hearings.
- 1988: People who expose AIDS as a human creation are killed.

⁴⁸ Lee and Shlain, 'Acid Dreams: The CIA, LSD and the Sixties Rebellions', Grove City Press (1986).

- 1990: FEMA in the US is given huge powers in a national emergency.
- 1990: US Supreme Court rules that religious freedom is not a right (unconstitutional).
- 1990: HAARP PROJECT begins.
- 1992: Los Angeles riots occur simultaneously with mind control projects and frequency wave manipulations, using cell phone frequencies and transmissions from nearby ship aerals.
- 1993: THE MAASTRICHT TREATY [the 'Single European Act'] abolishes trade barriers and established fiscal unity in the EU Eurozone. The Euro was accepted as an accounting currency in 1999 and physical currency entered circulation in 2002. 'EUROPEAN UNION' replaces the EEC.
- 1993: Seattle Times (6 October) announced that all polio in the US was caused by vaccines.
- 2001: 9/11 false flag operation puts police state US policies into overdrive. Facilitates false war against Iraq and Afghanistan. Leads to the Middle East chaos that now reigns.

Epistemological movements to change society

Within the scope of the Elite are multiple projects that work independently but are closely connected to Elite aims and personnel. These are used as agents of change to alter society, or alter the thinking of society, by changing the nature of knowledge and truth. They are more philosophical and sociological than clumsier instruments of the Elite (such as war or revolution).

Cultural Marxism

Cultural Marxism is essentially the aims of Marxists to overthrow Western Christian societies by stealth over time rather than an immediate violent revolution. The Fabian Society was devoted to this end but a more powerful movement developed from the thinking of the Communist Antonio Gramsci [1891–1937].

Gramsci realised, after WWI, that Western nations were not susceptible to a sudden Marxist revolution because they were intrinsically tied into Christian morality and principles. He then proposed a cultural revolution to slowly strangle and destroy the Christian and moral principles of society to make nations susceptible to a Marxist overthrow.

This was then developed by philosophers and sociologists at the Frankfurt School in Germany and finely honed. Radical ideas were dressed up in academic language to impress educationalists and politicians. After WWII the group largely migrated to eminent positions in American universities funded by the Rockefellers. Some settled in France as leading thinkers.

Their goals were summed up by Münzenberg: '*A Marxist revolution enabled by the destruction of Western Christian culture to establish the 'dictatorship of the proletariat'. And 'We must organise the intellectuals and use them to make the Western civilisation stink. Only then after they have corrupted all its values and made life impossible, can we impose the dictatorship of the proletariat. ... Make life impossible for everyone'*'. This is achieved by a slow taking over of all institutions by stealth, especially education and the media.

Pioneer thinkers: Georg (György) Lukács, Antonio Gramsci. Key figures: Theodor Adorno, Max Horkheimer, Herbert Marcuse, Willi Münzenberg, Erich Fromm, Jurgen Habermas, Wilhelm Reich, Saul D Alinsky. Most were Marxist Jews. Both Marxism and Cultural Marxism derive from Talmudic principles to oppress Gentiles.

The targets of Cultural Marxism are:

- Christianity; Christian roots of society.
- The family.
- White male patriarchy.
- Education systems
- Civic organisations.
- Entertainment.
- Science.
- Patriotism
- History.

One of the tools in changing society was fomenting hatred between minority groups and others in order to create destabilisation of society and provoke civil war. Thus Cultural Marxism is responsible for the multiple victim groups of claimed oppression in Western society: Homosexuals, Transexuals, Racial minorities, Feminists, Muslims etc.

To feed this social unrest it was planned to engender mass migration of Muslims into the West that would not integrate but would set up ghettos and further destabilise society.

The great success of the Cultural Marxists has been in education systems, which are now largely in the hands of radical Socialists.

It is Cultural Marxism that explains why Britain is in the state of insanity that it now exists in.

Postmodernism

As Cultural Marxism led to insanity in culture, so Postmodernism led to insanity in thinking.

Postmodernism is the outcome of Cultural Marxism that focuses on diminishing truth by watering it down to mean anything held personally. It has led to the situation where 'my truth' (no matter how false) is true and the opposing truth cannot be considered.

As a reaction to modernism and scientism Postmodernism is distrusting of axioms. It is eclectic, contradictory, mystical, superficial, parody, ironic and celebrates transience. It opposes confidence in scientific truth; it denies fixed meanings. It is an attack on objectivity and certain knowledge.

This movement then leads to lesser movements, such as deconstruction of history or literature, or questioning the veracity of language. It leads to uncertainty, individualism, subjectivity and irrationality. One Postmodernist stated that WWII did not happen.

The use of situation ethics

This is a characteristic of many subversive groups.

It refers to the case of justifying lying in order to achieve a perceived good end. Thus politicians frequently lie and confuse, sometimes quite blatantly, because they are convinced that it will lead to a greater good – the implementation of their objectives.

Wokeism

Wokeism is hard to define because it is so amorphous and contradictory. In general it purports to be a liberal movement focused upon social justice. In reality it feeds narcissism, anger, and hatred. Woke people are intolerant and even violent towards people that do not agree with their point of view. It censors and de-platforms people that contradict Woke

ideology. They focus on false victimhood. They pander to Progressive ideals based on supposedly supporting social justice but which really end up pushing nonsense in the place of common sense.

This is just another Elite-controlled movement based on anti-truth, anti-common sense, and anti-wisdom. It seeks to further dumb-down gullible people.

Ordinary sane people do not buy into this metropolitan socialist Elite rubbish; so much so that they walk away from items that change into Wokeness, giving rise to the saying, '*get Woke, go broke*'. The latest example is Halifax, which gave badges to staff identifying their chosen LGBTQ pronouns asking customers to use those terms or go somewhere else. Thousands of customers closed their bank and savings accounts and Halifax lost hundreds of thousands of pounds within days in the biggest PR disaster of modern times. After Netflix became increasingly Woke, such as by issuing a drama about a pregnant man, it lost hundreds of thousands of subscribers. Conversely, the new film *Top-Gun: Maverick* deliberately avoided Wokeness and became the biggest selling movie of the year.

Strategies used to destabilise and fragment society

Destroy the family unit.

This is accomplished by:

- Getting women out to work through financial necessity. Increase the cost of rents and mortgages.
- Get women to focus upon a professional career as their purpose in life instead of being a mother. Make motherhood seem demeaning to modern women.
- Make it fashionable for children to denounce parents and distance themselves from them.
- Isolate White men. Inflict guilt upon White males for: chauvinism, misogyny, colonialism and White privilege.
- Dumb-down education. Especially ruin teaching on history.
- Condition kids in school through propaganda. Especially pervert their ethics and encourage inappropriate sexuality.
- Get families to cease eating together as a unit. Do this through television, entertainment, video games, conditioning, fast food, ready meals and also time famine.
- Criminalise loving corporeal punishment of children.
- Emphasise kid's rights and ignore their family and civic responsibilities.

Destroy the effectiveness of the church

- Diminish truth; focus on other things (mysticism, social life, social work etc.).
- Diminish theological precision. Make doctrine variable.
- Diminish the authority of the Bible (liberalism, modernism, bad translations etc.).
- Encourage authoritarian leadership and pyramidal hierarchy.
- Focus on money.
- Infiltrate occult ideas into doctrine and practice.
- Stop people fellowshipping and get them centred on emotionalism or intellectualism instead. [E.g. emotional mystical worship or popular speakers.]

Pervert the media

- Gain complete control over all media sources.
- Supply newsfeed via the secret services.
- Change real news for propaganda.

Pervert morals through entertainment

- Use movies to condition kids.
- Use TV to condition kids.
- Use video games to condition kids.
- Use YouTube and such like to condition kids.

Focus on sex

- Free pornography.
- Introduce subliminal sexual messages in children's entertainment. [Disney films are full of this.]
- Detailed and graphic sex education to children as young as four.
- Encourage masturbation in young kids.
- Encourage homosexuality and transgenderism in kids.
- Encourage social fornication as normal, such as sex-pics on mobile 'phones.

Develop multiple marginal victim groups (Intersectionality)

- Focus on identity politics and diversity. In education, entertainment and society.
- Introduce hate laws.
- Introduce employment quotas and discrimination favouring.
- Fragment society into multiple groups at war with each other: Feminism, GAY movement, transgender movement, WOKE, Muslims, Christians, White vs. Black, vaxxed vs. unvaxxed etc.
- Make certain opinions illegal.
- Issue sanctions against dissidents; such as de-platforming, cancel culture, firing.

Take-over all national governments

- Over time, put your placemen in positions of power.
- Use blackmail (especially paedophilia) to control politicians.
- Create think tanks that work out policies that are then passed on to governments (e.g. UN, CFR, Tavistock, Trilateral Commission etc.).
- Groom young politicians through think tanks and leadership programmes (e.g. WEF global leaders).
- Common Purpose. This leadership programme conditions trainees to become 'Manchurian candidates' in positions of power in all institutions, loyal to progressive, globalist goals.

Introduce (illegal) parliamentary statutes or government diktats that oppose the Constitution

- Limit freedom by restricting ancient liberties: freedom to worship, free speech, freedom of assembly, freedom of movement.
- Do this by instituting crises that overpower the Constitution: such as a claimed pandemic or terror threat.

Create wars

- Use wars to institute major changes in society when people are scared and distracted.
- Curtail liberties under the guise of safety or security.

Conclusion

There are other destructive movements but this is sufficient to show how society is being damaged by lies.

Resources

- Paul Fahy, Cultural Marxism.
- Paul Fahy, Pervasive lying.

Symbolism used

The symbols are taken from various occult sources including alchemy,⁴⁹ Hermeticism,⁵⁰ Freemasonry, Greek mythology, ancient civilisations and oriental religions. The Elite like to push these symbols into all walks of life; whether it is the town planning of Washington DC, the one dollar bill, their use in the music and movie industries, or their appearance on domestic products. This is to celebrate their control over everything.

The all-seeing eye

This symbolises the omniscience of God; God seeing and knowing everything. It is found in Egypt where it represented Horus. It is sometimes called 'The eye of Providence'.

For the Elite it speaks of their claimed power to see all things, through their monitoring agencies, like Big Brother watching over society in 1984. These systems now watch, listen and record everything that people do through Smart devices that have webcams and microphones.

In Muslim eschatology the antichrist (the Dejjal) is represented by one eye.

Some claim that the Biblical antichrist will be blind in one eye taken from Zech 11:17. However, this is symbolic language meaning that the power (arm) and wisdom (right eye) will be broken – judicial blindness. As a shepherd his arm should have been feeding the flock and his right eye should have been watching over them. His arm may denote his secular power, which shall be taken away from him, and his right eye his political judgment. This was fulfilled by the judgment on the Pharisees, the shepherds of the Jews. Specifically when Christ said to the Pharisees, 'I have come that those who see may be made blind', Jn 9:39.

The pyramid

The pyramid is an ancient structure that is essentially representing reaching up to heaven; man becoming a god. Ziggurats are a type of step-pyramid. The square base represents the earth while the apex speaks of the highest; heaven.

Pyramids can also symbolise leadership hierarchy; the powerful at the top (nearest to heaven) with descending levels of rank below (nearest to the earth).

The sun

The sun god was the beginning of idolatry whereby powerful kings were deified as the sun god and their consorts as the moon goddess. This goes back to Nimrod in Babylonia. Therefore the sun has always been a primary symbol for occultists and the Elite. In simple terms the sun represents power and light; light = knowledge. The sun also brings life.

⁴⁹ Alchemy is based on the supposed transformation of matter. It was concerned particularly with attempts to convert base metals into gold or find a universal elixir. Early alchemy degenerated into superstition and mysticism, but the art flourished once again in the 8th century in Arab countries.

⁵⁰ Relating to an ancient occult tradition encompassing alchemy, astrology, and theosophy.

The Elite are Luciferians at best and Lucifer means 'light bringer'⁵¹ and used to refer to the dawn or to Venus, the morning star. The sun as a symbol can, therefore, be used to speak of Lucifer and his enlightenment.

Serpents

In Biblical theology, symbolic of Satan the tempter; the cause of the Fall of man. The serpent thus symbolises temptation and deception. In some religions and cults the snake is often a chief god of slyness, deception and deviousness. Sometimes associated with medicine (as in the caduceus).⁵²

The characteristics of snakes gives rise to idolising them.

- Their eyes are always open because they have no eyelids. Thus always seeing.
- They move swiftly over ground despite having no legs but glide.
- They were considered wily, even by Jesus.⁵³
- They appear quickly from nowhere and disappear just as fast in the undergrowth.
- They have power to kill in their venom.
- The venom can be used medicinally, such as a blood thinner, when taken orally.

In opposition to the Biblical narrative, the Elite (like some occult and Satanist groups) believe that the serpent brought knowledge to mankind. For Freemasons the serpent is the giver of wisdom, giving man knowledge of himself and his potential. In giving knowledge, the serpent is also the symbol of the universal saviour of mankind who brings redemption through giving knowledge of good and evil. This is a reversal of truth. Thus Satanists speak of the serpent making men gods.

The Phoenix

A symbol of resurrection or immortality. In classical mythology it was a bird that lived for five or six centuries in the Arabian desert, after this time burning itself on a funeral pyre and rising from the ashes with renewed youth to live through another cycle.

In American symbology, such as on the Great Seal, the phoenix is depicted as an eagle. Many images of the white-headed eagle really represent a phoenix.⁵⁴ The 'Phoenix' is also the proposed name for a new global currency.⁵⁵

The owl

The owl is an ancient symbol of wisdom and was associated with Athena (Roman Minerva),⁵⁶ goddess of wisdom. Also called Pallas (meaning unknown) Athena. The owl is also associated with all-seeing in witchcraft (it can turn its head around 360 degrees and can see in the dark).

It is the symbol of the Bohemian Grove and Adam Weishaupt's Illuminati. It also appears on the one-dollar bill.

⁵¹ The origin is the Old English, from Latin, 'light-bringing', 'morning star', from lux, luc- 'light' + -fer 'bearing'. In Victorian and Edwardian times it referred to a brand of matches.

⁵² An ancient Greek or Roman herald's wand, typically one with two serpents twined round it, carried by the messenger god Hermes or Mercury. This was used as a symbol for doctors. A snake was the symbol of Asclepius, in Greek mythology, the patron of healing.

⁵³ Matt 10:16, 'Be wise as serpents and harmless (innocent; lit. 'unmixed') as doves'. Gen 3:1, 'Now the serpent was more cunning than any beast of the field which the LORD God had made'.

⁵⁴ Cf. Manly P Hall, *The secret teachings of all ages*, p282.

⁵⁵ *The Economist*, January 1988, cover. *The Economist*, 'Get ready for the Phoenix', Vol 306, p9-10 (9.1,88).

⁵⁶ However, to Rome she was the goddess of war or handicrafts.

The pentagram

Also pentangle: a five-pointed star that is formed by drawing a continuous line in five straight segments, often used as a mystic and magical symbol. Compare with pentacle - a talisman or magical object, typically disc-shaped and inscribed with a pentagram or other figure, and used as a symbol of the element of earth. The Satanic pentagram is upside down. In Freemasonry it is called 'the Blazing Star' figuring the sun. In witchcraft it speaks of the elements, earth, water, fire, air and spirit.

Obelisk

An obelisk is a stone pillar, typically having a square or rectangular cross section, set up as a monument or landmark. They were often associated with Egypt.

The Elite set up obelisks in key centres. In London there is Cleopatra's Needle on the Embankment, taken from Egypt; others stand in Washington, New York, Paris and the Vatican.

In general, obelisks portray a phallic symbol; often associated with regenerative power.

The skull and crossbones

The symbol used on pirate flags to represent death, which has been adopted by various occult and Elite groups. Associated with death-cults, which is why it was adopted by the Skull and Bones society, the Illuminati and the Nazis. The Knights Templar used the sign as a symbol for fighting to the death.

Baphomet

The man-goat symbol used in the occult and Freemasonry as the horned god. Sometimes identified with the Greek god Pan, god of flocks and herds, typically represented with the horns, ears, and legs of a goat on a man's body. The Greek word *pas* or *pan*, meaning 'all', gave rise to his identification as a god of nature or the universe.

The horned goat-god is readily associated with the Devil in various types of occult systems. In Satanism it is called 'The Goat of Mendes'. It appears in the book '*Transcendental Magic*' by occultist Eliphas Levi. It was accepted by Aleister Crowley to be the 'devil's emblem'. Levi claimed that it was worshipped by the Knights Templar.

The square and compass

The prime symbol of Freemasonry; originally representing the trade of the stone mason but often used today as figurative of God the Creator; in Freemasonry 'the Great Architect'. It also speaks of the connection between heaven and earth represented by two pyramids, one pointing up the other pointing down.

Section 3: key strategies under construction

World depopulation

Though many think that this is fanciful, the Elite has been very open in declaring this to be their true position. I will just give some quotes and make no further argument about the desire.

The most merciful thing that a family does to one of its infant members is to kill it.
Margaret Sanger, founder of Planned Parenthood.

We want to exterminate the Negro population.
Margaret Sanger

A total world population of 250-300 million people, a 95% decline from present levels would be ideal.
Ted Turner, (founder of CNN) interview in *Audobon* magazine.

In searching for a new enemy to unite us, we came up with the idea of pollution, the threat of global warming, water shortages, famine ... The real enemy, then, is humanity itself.
Alexander King, Bertrand Schneider, founder and Secretary respectively of the Club of Rome, *The First Global Revolution*, p104-105 (1991).

In order to stabilise world population, we must eliminate 350,000 people per day.
J Cousteau, explorer and UNESCO courier (1991).

Cut the population by 90% and there aren't enough people left to do a great deal of ecological damage.
Mikhail Gorbachev

The elderly are useless eaters.
Dr Henry Kissinger

The purpose of US foreign policy in Africa is to reduce the population and preserve the mineral resources for America. [Sic.]
The 'Kissinger Report' (National Security Study Memorandum, **NSSM 200**: Implications of worldwide population growth for US security and overseas interests, 10 December 1974). [Note: this means that US overseas aid strategies are really about depopulation.]

The present vast overpopulation, now far beyond the world carrying capacity, cannot be answered by future reductions in the birth rate due to contraception, sterilisation and abortion, but must be met in the present day by the reduction of numbers presently existing. This must be done by whatever means necessary.
Initiative for the United nations, *ECO-92 Earth Charter*.

The ideal sustainable population is ... more than 500 million but less than one billion.
Club of Rome,⁵⁷ *Goals For Mankind*.

According to the trial run carried out by the Pol Pot regime in Cambodia. It is interesting to note that Pol Pot's genocidal plans were drawn up in the US by one of the Club of

⁵⁷ The Club of Rome is a high-level elite group run by aristocrats.

Rome's research foundations and overseen by Thomas Enders, a high ranking State Dept. official.

Dr John Coleman, Targets of the Illuminati and the Committee of 300.⁵⁸

Human population growth is probably the single most serious long-term threat to survival. ... If it isn't controlled voluntarily, it will be controlled involuntarily.

If I were reincarnated I would wish to be returned to earth as a killer virus to lower human population levels.

Prince Philip, Duke of Edinburgh, *Quotes*.

UK population must fall to 30 million.

Jonathan Porritt, chief advisor to PM Gordon Brown; patron of the Optimum Population Trust. *The Sunday Times*.

Maintain humanity under 500 million in perpetual balance with nature.

Georgia Guidestones. [An elite mission statement engraved on monoliths in Georgia (near Atlanta) that appeared in 1980. This is a granite monument with a list of ten objectives engraved in various languages. It was recently blown up.]

The Puerto Ricans are the dirtiest, laziest, most dangerous and thievish race of men ever inhabiting this sphere ... I have done my best to further the process of extermination by killing off eight and transplanting cancer into several more. ... What the island needs is something to exterminate the entire population.

Dr Cornelius Rhoads, Rockefeller Institute (who also headed chemical warfare projects), letter to the Puerto Rican Nationalist party (1931).

The world today has 6.8 billion people. That's headed up to about 9 billion. Now if we do a really great job on new vaccines, health care, reproductive health services, we could lower that by, perhaps, 10-15%.

Bill Gates, *Ted Talk*, 2010. [15% of the current world population is over 1 billion people. Gates' vaccine programmes initially targeted poor people in Africa and India.]⁵⁹

Conclusion

There is not a shred of doubt that the Elite seek to get rid of most of the people in the world by a variety of means (sterilisation, vaccine deaths, war, engineered famine etc.).

Specific strategies for depopulation

It's the official policy of the US

Certain policy statements laid out the official doctrine of abetting depopulation. Here is the timeline.

- 1972: '*Limits to Growth*' (Dennis Meadows et. al.) affirmed that the world's resources were already exhausted and mankind was on borrowed time. This drove Elite plans for hastening depopulation. However, it was completely fallacious and resources grew in the years after that.
- 1974: **NSSM 200**. The 'Kissinger Report' (National Security Study Memorandum 200: *Implications of worldwide population growth for US security and overseas interests*, 10 December 1974). The necessity of depopulation as a national strategy was laid out by Kissinger. This was then focused on stopping population growth in Third World

⁵⁸ 'Conspirators hierarchy: the Committee of 300.'

⁵⁹ It is true that the context of this statement is climate change but that does not alter the fact that he claimed to reduce world population by 15% with vaccines. How do vaccines reduce world population if they are not harmful? Surely a benevolent vaccine would increase the world population?

countries that would otherwise deprive the US of necessary resources. Resulting from this, food aid after a natural disaster was withheld until the country accepted US policy on birth control and abortion.

- 1979: Under President Carter, and especially Secretary of State Edmund Musky, there were presidential reports *Global 2000* and *Global Futures*. This confirmed US policy of eugenics, depopulation and euthanasia. At this point foreign policy regarding overseas aid is no longer humanitarian but centred on depopulation with genocidal overtones. Thus the focus on aid was not providing clean water and medicines but sterilisation, abortions and depopulation.

These policies, also furthered by the UN, World Bank and the IMF, ensure that 40,000 people die every day in third world countries that could be saved if the proper aid was given – they die of malaria, dysentery, dirty water, lack of medical supplies etc. Yet these nations are flooded with birth control pills and abortion centres.

The Club of Rome

In 1968 this was formed by Alexander King and Aurelio Peccei. It was essentially a club of fascists. Peccei had been a fascist under Mussolini stationed in the Balkans where he committed numerous crimes. King once stated that the whole purpose of the ecological movement was to stop the economic development of third world countries. This was to slowly get rid of Black and Brown people who threatened the domination of the Aryan master race.

The Elite are eugenicists

The Elite are Malthusians, in that they seek depopulation based on the discredited ideas of Thomas Robert Malthus [1766–1834]. But they are also eugenicists based on the equally discredited views of Francis Galton [1822–1911].

A basic timeline would be:

- 18th century: Malthus.
- 19th century: Galton.
- 19th century: Darwin.
- Early 20th century: The Eugenic Movement.
- 1914, Margaret Sanger publishes, 'Family Limitation'.
- 1914-18: WWI.
- 1921 International Eugenics Congress.
- 1927: Sanger establishes World Population Conference in Geneva.
- 1920s: Eugenics switches focus on to population studies.
- Margaret Sanger.
- Guy Irving Burch. Founds The Population Reference Bureau (1929). Publishes 'Human Breeding and Survival' (1945).
- 1939: WWII. Nazis pursue eugenic strategies.
- Eugenics out of favour due to Nazi extremes. Family planning and population control favoured instead.
- 1940s: William Vogt. 'Road to Survival' (1948). Banker Bernard Baruch writes the introduction.
- Fairfield Osborn. 'Our Plundered Planet' (1948).
- Late 1940s: population control imposed on the Japanese people by the US.
- 1950s: William Vogt National Director of Planned Parenthood Federation of America (1951 to 1962).

- 1953: Sanger becomes first president of the International Planned Parenthood Federation.
- Fredrick Osborn, 'Preface to Eugenics'.
- 1960s: Lawrence Lader, 'Breeding ourselves to death'. Lincoln and Alice Day, 'Too many Americans'. Paul Ehrlich, 'The population bomb'.
- 1969: Richard Nixon calls for a national population policy.
- 1972: Nixon commissions the Rockefeller Commission on Population.
- 1974: NSSM 200.
- Gerald Ford signs an executive order implementing NSSM 200.
- 1979: Global 2000 report.

The problem both with depopulation and eugenics is – who is it who gets to decide who is eradicated? The hubris of the Elite is that they give this no second thought; they are the deciders because they are the apex of society.

The more benign form of eugenics is sterilisation. Deciding to stop the fertility of certain unsavoury ethnic types. The harsher form is using various means (e.g. pandemics, vaccines, wars) to actually wipe out certain people types.

There is no space here for a history of this, except to say that it was immensely popular and open for thirty years until the horrors of the Third Reich made it too hot to handle. The eugenic movement continued but in secret. Here are some better known eugenicists:

- HG Wells.
- Bill Gates.
- Adolph Hitler.
- Josef Mengele.
- Margaret Sanger.
- William Shockley.
- Marie Stopes.
- Helen Keller.
- George Bernard Shaw.
- Winston Churchill.
- William Beveridge.
- Theodore Roosevelt.
- Jacques Cousteau.
- John Maynard Keynes.
- Bernard Russell.

Sterilisation through vaccines

Vaccines have been used to sterilise people for decades. This has been proved over and over again. Often there is a specific ethnic type targeted, usually Black or Brown people.

At the current time, the Covid vaccine is proving to cause stillbirths, abortions, and horrific newborn baby deaths. The Pfizer vaccine was never tested on pregnant women and cannot be deemed safe for them. Lab rats that were pregnant and tested had multiple fatalities and disorders (such as organs appearing outside the baby's body).

The VAERS and Yellow Card reporting systems show high levels of pregnancy problems and baby deaths, which are being completely ignored. Currently, the world is seeing a 60% drop in fertility rates.

Before Covid, other vaccines, such as for tetanus or flu were used for sterilisation purposes. Bill Gates' vaccine used on poor people in Africa and India sterilised numerous women and girls without their consent. This was exposed in Kenya by the Catholic Church (a major health care provider).⁶⁰ Another UNICEF tetanus programme was conducted on millions of women in the Philippines, which produced sterility. Eventually a court order halted the programme.

The WHO, going back to the 1970s, developed a vaccine to cause sterility in order to reduce the population explosion in Third World countries.⁶¹ This vaccine was a hybrid of the tetanus toxoid and a molecule called beta hCG⁶² – which aids foetal development. The process was to get the immune system to attack hCG and reduce fertility.

The WHO then deceived poor people in Africa and India to have a tetanus jab, which rendered them infertile. This was discovered by the Catholic Church. After that a cover-up operation was initiated, including threats by the WHO to silence doctors. The government lied saying that the vaccines were safe until multiple further tests and reports proved that they were harmful. Eventually the health minister pushing the WHO vaccines was removed after a financial scandal.

Other means of sterilisation

Sterilisation is going on through a number of processes. These include: birth control pills that pass into the sewer system and are then transmitted through poorly filtered waste water back into the drinking water system.

Soy products that cause infertility in males. It is known that soy has an effect on male fertility. Soy products are related with lower Testosterone, Estrogen and Estradiol and lower sperm count.⁶³

Green activism is driving gullible men to drink soymilk instead of dairy from cows.

Death through vaccines

Again the vaccines used by Bill Gates in India and Africa not only sterilised women but also caused thousands of deaths. There is currently a high court case underway in India seeking to prosecute Bill Gates for murder of a specific individual and for harms caused to several others. In India in 2011 there were 47,000 new Polio cases reported right after folk received the Gates Polio vaccine. These are crippled children! The Polio vaccine was the major cause of Polio infection.

In 1961 Albert Sabin's oral vaccine contained a live virus. Over time most cases of paralyzing polio were attributed to Sabin's vaccine. In 1999 the US government recalled the vaccine. For nearly 40 years a vaccine had been giving children polio.

However, vaccines have been killing people since they began in the mid-1700s. Vaccines frequently kill healthy people, such as with the smallpox vaccine in America. When Edward Jenner started his vaccine campaigns people declared that they killed more people than small pox. This massive kill rate from vaccines has been covered up by the medical

⁶⁰ For details see my paper, 'Bill Gates'.

⁶¹ Scientific Research, October 2017; 4(10).

⁶² Human chorionic gonadotropin.

⁶³ Studies: 'Soy products related with slightly lower testosterone and lower Estradiol in Japanese men'. 'Soy milk given to Japanese men results in lower Estrogen concentrations'. 'Soy food intake related to lower sperm concentration among men from an infertility clinic'.

establishment controlled, since 1901, by the Rockefellers. The flu vaccine alone has killed thousands and injured many more.⁶⁴

Spanish flu – not flu but vaccination adverse effects

The worst example is the Spanish Flu, which was neither Spanish nor was it flu. It was caused by an experimental Rockefeller bacterial meningitis vaccine initially given to soldiers in January 1918 in Fort Riley, Kansas, America which led to a bacterial infection.⁶⁵ ‘*Medical and scientific experts now agree that bacteria, not influenza virus, were the greatest cause of death during the 1918 flu pandemic.*’⁶⁶ This was then passed on to soldiers in Europe who were living in cramped barrack conditions and transport. The vaccine was also given in England, France, Belgium, Italy and other countries.

Death was by bacterial pneumonia. Vaccinated people and adults in cramped cities died but unvaccinated people in rural areas did not (similar to Covid today). As usual the truth was covered up. So the millions that died suffered as a result of a needless vaccine. A report by the controller of the experiment, Dr F Gates, admits that the vaccines produced harmful side effects. Many US troops were sick before they even travelled to the trenches and infected others.

The Great War had also resulted in food shortages and poor nutrition. In addition there was poor sanitary conditions following the Industrial Revolution and urbanisation, smog, and limited access to doctors – all of these contributed to a heavy death toll.

Vaccine contents

The contents of vaccines proves that their intent is malicious. There are multiple carcinogens, heavy metals, and poisons present in vaccines, such as mercury or Polysorbate 80. Why would vaccines contain mercury or carcinogens? It is the mercury (in the form of Thimerosal) and adjuvants (like aluminium) that cause the brain and nerve damage seen in vaccinated children; often expressed as autism, allergies, SIDS, ADHD, paralysis, seizures and many other diseases. [See later.]

The Covid vaccine

Officially there are already over 77,000 deaths associated with the Covid vaccines in just the US, UK, EU and Australia. However, it is universally agreed, and studies prove,⁶⁷ that due to under reporting, this figure needs to be multiplied by 100. Therefore it is already possible that vaccine deaths are in the range of 7,700,000; this does not include most of the world. Covid vaccine deaths are in the millions, which is why there is a massive spike in excess mortality everywhere where the vaccine was rolled out. In one week recently, the ONS reported that there were 1300 excess deaths (deaths above what would be expected). This is shocking.

In some cases, the deaths are extreme. One case is young people. The UK ONS released figures showing that vaccinated children are 30,200% more likely to die than unvaccinated children.⁶⁸ Undertakers are affirming that huge numbers of children are dying. Coffin makers have said that bulk demands for smaller coffins are occurring and that this has never

⁶⁴ See my paper, ‘Influenza vaccine’.

⁶⁵ Rob Scholte website, ‘Russ Winter – the truth revealed about the deadly 1918 Spanish Flu: it was actually Dr Frederick L Gates’, 2 September 2021.

⁶⁶ New Scientist, ‘Bacteria were the real killers in 1918 flu pandemic’, 4 August 2008.

⁶⁷ E.g. Harvard Pilgrim Home report.

⁶⁸ For data see article in The Expose, ‘Exclusive – UK govt. admits Covid vaccine is killing kids after publishing report proving vaccinated children are shocking 30,200% more likely to die than unvaccinated children’, 8 July 2022.

happened before. There is genocide of kids happening before our eyes and no one cares about it.

The future will be about finding a way to reduce the population. ... Of course, we will not be able to execute people or build camps. We get rid of them by making them believe it is for their own good ... We will find or cause something, a pandemic targeting certain people, a real economic crisis or not, a virus affecting the old or the elderly, it doesn't matter, the weak and the fearful will succumb to it. The stupid will believe in it and ask to be treated. We will have taken care of having planned the treatment, a treatment that will be the solution. The selection of idiots will therefore be done by itself; they will go to the slaughterhouse alone.

Jacques Attali (Bilderberger), *Verbatim: 1981-1986*. [This explains exactly what happened in the Covid crisis 39 years before it occurred.]

Vaccination is a barbarous practice, and it is one of the most fatal of all the delusions current in our time, not to be found even among the so-called savage races of the world. I cannot also help feeling that vaccination is a violation of the dictates of religion and morality. Those who are conscientious objectors to vaccination should of course, have the courage to face all penalties or persecution to which they may be subjected by law, and stand alone, if need be, against the whole world, in defence of their conviction.

Mahatma Ghandi.

Toxic food and vaccines to cause cancer

The prime causes of cancer today are toxins in rubbish food and vaccines. I show elsewhere the actual carcinogens present in vaccines.

Toxic food

Most food in supermarkets today is just toxic; full stop. Even the products that say 'healthy' on the packaging are toxic, and sometimes the most toxic. Explaining this is a long process which cannot be detailed here. Essentially, good, simple, organic, local, food products were gradually replaced (via supermarkets which only began in the 1970s) with bad, processed, non-organic, distant food products that had little nutritional value.

Problems include:

- Removing good saturated fat and replacing it with High Fructose Corn Syrup which results in diabetes and cancer.
- Filling processed food with chemicals, preservatives and E-numbers.
- Packaging meat with nitrogen putting nitrates into the food.
- Using seed oils that cause inflammation. All seed oils (rape, sunflower etc.) are bad. This means polyunsaturated fat spreads are bad.
- Transfats.
- Hydrogenated processes.
- Too much salt added.
- Too much sugar added.
- Milk that is filled with hormones, antibiotics and steroids but pasteurised to get rid of all the natural goodness.

We could go on. The very worst type of food is a processed ready meal that is then cooked in a microwave. Even good quality meat cooked in a microwave is turned from protein into prions, that cause cancer.

It is bad food that is driving obesity, diabetes, gut disorders, nervous disorders and cancer.

The Elite purpose in controlling food is to make people weak and ineffective so that they don't rebel and also become good customers for allopathic medicine. The more that die through eating badly, the happier the Elite is.

Vaccines

Vaccines have been causing cancer for decades and this has been covered up.

Johan Salk's polio vaccine, funded by Rockefeller, Carnegie and Mellon foundations, in 1955 contained cells from Rhesus monkeys that contained Simian Virus 40, a carcinogen mutation. This caused cancer in many recipients. 1.8 million children had participated in the 1954 trial. Finally, on 11 July 2013, the CDC admitted that between 1955 and 1963 over 98 million Americans received one or more doses of a polio shot which was contaminated with Simian vacuolating virus 40 (SV40), which causes cancer. The CDC and Google took this page down but it was cached and saved.⁶⁹

Dr Michele Carbone, Asst. Professor of Pathology at Loyola University in Chicago, verified the presence of SV40 virus in tissue and bone samples from patients who died. He found various bone cancers and lung cancer.

Creation of new diseases

Big Pharma is constantly creating new diseases and syndromes. This is partly an excuse for adverse events to vaccines (autism, SIDS, SADS, ADHD, Guillain Barre Syndrome) and also a means to generate more profits for new drugs along with depopulation (AIDS, Covid).

Not satisfied with creating illnesses to promote their fake cures and vaccines, the Elite patent specific diseases to make money out of research on them. Here is a list of some:

Disease	Patent No.
AIDS	US Patent 5676977
H1N1	US Patent 8835624
Ebola	US Patent 20120251502
Swine Flu	US Patent CA2741523 A1
BSE	US Patent 0070031450 A1
Zika	ATTC VR-84 (Rockefeller Foundation)
SARS	US Patent 7897744 & 8506968
Coronavirus	US Patent 10130701

The US Supreme Court ruled that it is forbidden to patent a natural substance from nature. Therefore, all the above were manufactured in a laboratory in order to be patented.

These new maladies ensure greater control of Big Pharma over lives and more people dying.

Engineered famines

The current food crisis is already the worst in living memory but it will get much worse than this in coming months and will last years. Even before the current crisis 33% of American families could not afford sufficient food. Massive inflation, caused by government policies like money printing, have ensured that the poor cannot afford many food items. Pasta has

⁶⁹ CDC, Vaccine Safety, Cancer, Simian Virus 40 (SV40) and Polio Vaccine fact sheet.

gone up 500% in a few weeks. Eventually there will be no pasta because supplies of wheat have been crippled by multiple factors (not Russia).

Some countries have already experienced food riots and collapse of the government. Sri Lanka is the first but more are underway. This is already leading to violence against rich people and leaders but also to shopkeepers in America. Yet this is only the beginning due to the perfect storm of events.

Key events have been the destruction of massive food processing centres in America within a short period. In two cases it was claimed to be the result of planes hitting the buildings (pull the other one). Mostly the destruction was by arson. Over a 100 have now been destroyed within a few months in the US. There have been 610 incidents globally.⁷⁰ How is this a coincidence?

Then there is the destruction of millions of chickens on the claimed basis that they have Covid. One million were killed in Lincolnshire alone. Then whole herds of hundreds of cattle just dropped dead in the fields, apparently by poisoning. Then there is a plague of locusts in Africa destroying crops. There have also been both floods and droughts causing crop failure. Added to this is the high price of diesel, seeds and fertiliser has meant that many farmers have not planted their usual crops this year.

Most people are not aware that Ukraine Nazis have been burning wheat supplies; hundreds of tons have gone up in smoke. Exports were hindered by Ukraine mining and blocking the ports around Odessa and Mariupol. It was not the Russians hindering this; in fact the Russians have opened up the blockade and wheat is now getting through (Ukraine exports about 30% of global wheat). With wheat supplies low other countries have stopped their usual exports to protect their own people, such as Hungary and India. Many people in the developing world rely on wheat as their basic staple.

On top of this is the net zero insanity, which is leading to more and more farmers leaving farming. The UK government is paying farmers £100,000 to quit and giving subsidies to turn agricultural land into wild flower meadows. Nitrogen and methane emission reduction plans in The Netherlands are crippling farmers and have led to massive strikes. The plans effectively mean halving farming and cutting livestock by 30% by 2030. Ask yourself, why would any sane government – when facing an unprecedented food and energy crisis – enact plans to ruin farming? This will affect many countries as The Netherlands exports much of its farming produce.

Now famines suit the Elite agenda because they kill millions of people, and especially poor Black and Brown people. This current food crisis has clearly been engineered; it is not an accident.

Typically, the Rockefellers had predicted this crisis in a 2019 document called '*Reset the table*'. This also explains how they seek to eliminate the meat industry as part of climate change nonsense. Essentially this is proposing a centralised and more organised food supply chain which they will own. Already the biggest owner of farmland in America is Bill Gates. The Elite are seeking total control over food supply.

Holocausts

170 million people were killed in the 20th century by governments.⁷¹ It is the accusers of Hitler that are responsible for 18 times the death by government attributed to the Reich. The

⁷⁰ You can see them mapped out at ZeeMaps #NPMA2021-2022

⁷¹ RJ Rummel, Journal of peace research, 'Power kills: genocide and mass murder'.

instigators of this mass murder are: Trotsky (Lev Bronstein), Joseph Stalin, Chairman Mao Tse Tung, Winston Churchill, Harold MacMillan, Dwight D Eisenhower, Tito (Josip Broz), Pol Pot, Harry Truman and FD Roosevelt.

To this we could add, in the 21st century, 1.5 million innocent Iraqis killed by Bush and Blair; hundreds of thousands of Syrians killed by NATO proxies; thousands of Libyans killed by Clinton; hundreds of people killed by Obama's drones and so on.

It is incredible that popular western politicians could mercilessly kill millions of people, including innocent civilians, without the public even being aware of it. For example, Eisenhower killed 1.5 million German POW soldiers and civilians (including children) after WWII ended by imprisoning them in the open air with no food or shelter. People resorted to drinking from muddy puddles and digging holes for shelter. This is an astounding crime; yet no one knows about it. Churchill also sent 6 million Germans into Russia under captivity whereupon they were murdered or imprisoned in gulags and slowly died.

People like Saddam Hussein were vilified by Western politicians yet these people killed thousands of times more people than Saddam ever did.

Quotes

All our emphasis [is] upon stopping ... the reproduction of the unfit'.

Margaret Sanger, *Birth Control and Racial Betterment*, (1919).

Childbearing should be a punishable crime against society, unless parents hold a government license.

David Brower, first executive director of the Sierra Club.

Society has no business to permit degenerates to reproduce their kind.

Theodore Roosevelt.

We have to take away from humans in the long run their reproductive autonomy as the only way to guarantee the advancement of mankind.

Francis Crick (discoverer of the double-helix structure of DNA).

Vaccines

No vaccine is 100% safe

This is a subject that most people just cannot get their heads around. They have spent their whole life believing that vaccines are a force for good and have killed off multiple infectious diseases. Both of these things are false. In fact, vaccines are a means of keeping people weak, developing new diseases, introducing mRNA and nano-technology and also killing very many people. Big Pharma does not even claim that vaccines are completely safe yet governments and doctors tell you that they are.

The basic principle of vaccine is not scientific but dangerous. No vaccine that has ever been made is 100% safe; all vaccines have killed and injured people. Big Pharma does not need to prove that vaccines are 100% safe in order to be authorised. My contention is that all vaccines are evil and it is certain that vaccines have killed and maimed millions of people. The current official statistics for Covid vaccine adverse reactions is in the millions and the UK government is now admitting this by paying out the full compensation of £120K for the deaths of two victims. This will open the floodgates.

Immune barriers

The body has a comprehensive immune system which has various levels and barriers. One of these barriers to disease is the skin. Harmful pathogens normally enter the body through the nose, ears and mouth and the immune system has processes to combat these. However, injecting a toxic substance (no matter how attenuated) through the skin into the muscles or bloodstream by passes this safety barrier. Thus pathogens that could not get through the skin are pushed straight into the circulatory system. This is insane.

Attenuated pathogens

The traditional idea of vaccines is to inject an attenuated toxic substance (say Cowpox) into the body to provoke an immune response. The hope is then that the immune system will also recognise, having been primed, and attack a similar stronger pathogen (say Smallpox).

Today however we have new systems of injecting gene treatments in the form of mRNA or DNA and getting the body to become a factory creating certain items (such as the SARS-Cov-2 spike protein). This is experimental and the existing damage done to patients proves that this is exceedingly dangerous.

Safety protocols

The safety protocols for vaccines are insane. Vaccines (and drugs) are authorised if the safety margin is 50%; that is only 50% of people will have an adverse reaction or die. If only 50% die, then the vaccine is considered effective. This is officially called LD 50 (lethal dose). This is the current regulatory system in America and the MHRA have complied with this but lowering it to 40%. Killing 40% of people is considered acceptable if it saves 60% of people ('saves' is questionable). It is considered satisfactory that all drugs will kill some people; i.e. there is no LD 0.⁷²

This formula assumes that 100% of people will die from the pathogen and saving 60% is therefore laudable (50% in the US). But this is never true. Even the Black Death only killed 33% or so of the population. It also does not take into account using a harmless medication, such as Vitamins C or D. In the case of Covid both these (plus zinc) were shown to have beneficial effects, but the vaccines are killing hundreds of thousands. Intense Vitamin C

⁷² Dr Jennifer Daniels, The lethal dose: why your doctor is prescribing it.

cured polio victims in the 50s but this was outlawed and vaccines (e.g. Salk's) were given, which killed hundreds of thousands.

Example, Brilinta. This is a blood thinner to prevent heart attacks. However its risk factor is 2.6% per year. That is, 2.6% of patients will die every year. However, the risk factor for dying from a heart attack is 1% per year. The medication kills nearly three times as many people as the drug to prevent it. Worse, with this drug you have an 11% chance of severe bleeding requiring four units or more of blood.

Are you waking up yet?

Vaccine history

The history of vaccines is shocking. Vaccines have been killing people since the 1700s. In fact, you can make a good case that no vaccine has ever done any good but has done great harm.

Example: measles vaccine. In 2014 the US CDC director of the National Centre for Immunisation and Respiratory Diseases, Dr Anne Schuchat, stated that no one in the US had died from Measles since 2003. In that period there were 108 deaths associated with the four different Measles vaccines in the US.⁷³ The vaccines were made by Glaxosmithkline Biologicals (GSK), MERCK & Co Inc., and Lederle Laboratories. One should note that doctors rarely attribute deaths from vaccines believing that they are safe and that the cause must be unknown; therefore, the number of deaths is probably much higher.

The US Court of Federal Claims shows that there were 111 claims settled against the MMR vaccine from 2004 to 2019, some are related to deaths caused by the vaccine.⁷⁴ It takes years to win a case in the vaccine court so this figure is probably very low.

The Measles vaccine was much more deadly than the disease itself.⁷⁵

The normal claim is that vaccines eradicated multiple diseases in the 20th century as more were rolled out. This is just a plain lie. Various diseases, such as TB or cholera, were dying out. This was due to improvements in society. It was the provision of clean drinking water, better nutrition, better housing, better sewage systems, a better health care system, dentists etc. that caused the prevalent diseases to disappear in the 20th century. Vaccines just happened to come along while this was going on and claimed the credit. In some cases it was environmental issues that caused disease and when this changed the disease vanished, such as polio caused by DDT pesticide. The polio vaccine did not cause the disease to vanish; in fact many polio inoculations in the 60s gave children cancer. This is now an accepted fact.⁷⁶

Example: Measles vaccine.

- In 1900 only 13 out of every 100,000 people died from Measles.
- In 1940 the proportion was less than one.
- In 1960 the proportion was 0.2 in 100,000.
- In 1963 the Measles vaccine was invented. The propaganda stated that the vaccine had wiped out the disease. This was a lie.

Example: polio

⁷³ US Government, The Vaccine Adverse Event Reporting System (VAERS). See www.medalerts.org

⁷⁴ www.usfc.uscourts.gov

⁷⁵ See presentation by Dr Moss, www.Learntherisk.org, video '127 deaths from the Measles vaccine'.

⁷⁶ Seattle Times (6 October 1993) announced that all polio cases in the US were caused by vaccines.

- Polio appeared suddenly in 1907.
- This was called poliomyelitis or inflammation of the spinal cord.
- This gave an opportunity to Simon Flexner [see later] of the Rockefeller Institute to develop a virus theory. He wrote a paper claiming, that because he could not find any polio pathogen, there must exist an invisible cause – a virus. He did not investigate other potential causes. The tests involved monkeys but no virus was isolated. The samples injected into monkey brains included all sorts of contaminants.
- So no polio virus was ever discovered. However, the claim that it was viral meant that Rockefeller could make a vaccine to combat the virus and make millions.
- No attempt was made to investigate toxic causes, such as arsenic pesticides or vaccine adverse reactions.
- Soon after the Rockefeller Institute claimed to have also discovered the virus for Smallpox, mumps, measles and Yellow Fever. All of these claims were false.
- Rockefeller's control of the AMA⁷⁷ meant that the propaganda went to every American doctor.
- In 1911 Flexner succeeded in having the symptoms of polio to be entered into Public Health law as a contagious infectious disease caused by a virus. Yet they admitted that they did not know how the virus entered the body. Also children with polio were put in general hospital wards and did not pass the affliction on to nearby patients.
- After 1945 Rockefeller's DDT was promoted as a safe insecticide for everything from malaria to head lice. Insects were blamed for carrying the virus. Farmers sprayed crops, councils sprayed public areas, mothers sprayed children and their mattresses. After 1945 there was a massive explosion in polio. Cases went from 25,000 in 1943 to over 280,000 in 1952. Doctors that warned about the accumulative toxic effects of DDT were silenced. BHC (benzene hexachloride) was also being liberally sprayed, which is even more toxic. Polio cases also increased in the summer when spraying was most active.
- Doctors (e.g. Dr Biskind) testified that the Rockefeller Institute created the 1945-1952 health emergency called polio.
- Doctors that cured polio victims with intravenous vitamin c to detox the body were smeared and ignored. Rockefeller's attention was on a vaccine because polio was caused by a virus.
- Sometime by 1952 polio cases began to decline. This was before the Salk vaccine. This was due to farmers, whose cattle were suffering from being sprayed with DDT, were advised by the Dept. of Agriculture to reduce DDT use. This drew public attention to concern about DDT and domestic use plummeted. By 1956 polio cases had fallen by two thirds.
- It was AFTER the decline that the Salk vaccine was introduced. Deaths and paralysis from the Rockefeller vaccine were covered up. Polio-like cases rose again but were re-classified as: acute flaccid paralysis, chronic fatigue syndrome, encephalitis, meningitis Guillain-Barre syndrome, and muscular scleroses.

Components of vaccines

If people knew what was being injected into them they would not allow themselves to be vaccinated. Sadly, not only patients, but doctors also have no idea what is in vaccines. Here are examples of what is commonly in vaccines.

Human embryo cells

Cell-lines are cells from aborted babies and are cancerous.

⁷⁷ American Medical Association.

Many vaccines contain cells derived from aborted fetuses and even from murdered live newborn babies. Yes this is a fact. Some babies had organs removed while they were alive. This is common practice but hidden in research under euphemisms. It is not secret knowledge; it is openly understood. It has also been testified in a US court of law.

Babies are strategically aborted to find a suitable cell line for virus replication. This replication is necessary in the process of attenuating (weakening) viruses before they are cultured and put in a vaccine. These cell-lines are sometimes called 'immortal', which means that they are cancerous.

The Rubella vaccine inventor admitted that scores of babies were strategically aborted to establish cell-lines for vaccines. The original scientist, Dr Stanley Plotkin, who helped develop the first human diploid cell-line for a vaccine, openly admitted that babies were strategically aborted to find a suitable cell line for virus replication.

The official story is that only two babies were aborted to develop the WI-38, WI-26 and WI-44 cell lines, but this is a lie. These have been used for decades to replicate viruses for vaccine development. Cellular division is used to create more substrate for vaccine development. Today the WI-38 cell line is used in vaccines targeting varicella (chickenpox), rubella (in MMR vaccine), hepatitis A, shingles, and rabies.

On 11 January 2018 Dr Stanley Plotkin gave a deposition admitting that 76 babies were aborted to establish the WI-38 cell line developed at the Wistar Institute in Philadelphia. This deposition, in front of a lawyer, was in a case defending the rights of a mother who refused to vaccinate her child due to concerns about the ingredients. Scientists obtained viable organs including pituitary glands, lungs, skin, kidneys, spleen, hearts and tongues from the babies.

Plotkin's research inspired the development of other cell-lines which required multiple dead babies. For example, British researchers developed the NCR-5 cell line in 1966 using lung tissue. These are used today to make vaccines for diphtheria, tetanus, pertussis, hepatitis A and B, polio and adenovirus. In 1985 American researchers developed cell-line PER C6 taken from the retina of a selected aborted baby which was used in the vaccines for Ebola and HIV.

Most vaccines contain HEK, which is human embryo kidney cells. In some cases these are from aborted babies, but in many cases they are taken from live babies outside the womb which are carved up whilst alive and the parts, such as kidney, removed. Such as HEK 293, which is a genetically modified human embryonic kidney cell in the Oxford Covid vaccine. This is no conspiracy theory, it is common knowledge amongst immunologists and courts have received formal evidence stating that this is the case.

The HEK 293⁷⁸ cell line originated from a healthy little girl, born alive and outside the womb in 1972 in the Netherlands. She was killed for the harvesting of her organs. Trafficking of children for organ harvesting is sadly a global tragedy that few talk about. This cell-line was used to test the Covid vaccines. Today, laws against animal cruelty have made it easier for researchers to get organs from human fetuses and newborns.

People that have had the Covid vaccine have had cells from murdered babies placed into their bloodstream. This means that no Christian could possibly accept a vaccine with this in it. Since Christians comprise half of the world's population, it is clear that most Christians have no clue about this.

⁷⁸ Human Embryonic Kidney.

Mercury

Many vaccines contain a preservative called Thimerosal, which is a form of mercury (a methyl mercury compound). The vaccine contains 25,000 times higher concentrations of mercury than what the US authorities allow in public water supplies. Flu vaccines supplied by GlaxoSmithKline contain over 51 parts per million mercury; which is 25,000 times the limit on public water supply demanded by the Environmental Protection Agency.⁷⁹

The mercury content in vaccines caused a 4,250% increase in foetal deaths during 2009.⁸⁰

Formaldehyde

Many flu vaccines also contain formaldehyde, which damages the brain, causing blindness, cancer and seizures. This is a preservative chemical used to preserve cadavers and tissue.

MSG

This salt, known to be harmful in food, is also present in some vaccines. It is a neurotoxic chemical that overexcites brain neurons to cell death and endocrine damage.

Aluminium

This toxic metal is often present. It is known to cause dementia and Alzheimer's disease. Gels and salts of aluminium are added to the vaccine as adjuvants to help it stimulate a better response. Adjuvants inflame the immune system to force it to respond to a pathogen.

Antibiotics

This is another reason why there is an antibiotic resistance in the population today.

For data see the CDC's factsheet on its 'Vaccines and Immunisations' page, 'Ingredients of Vaccines'.

Beta-Propiolactone

Known to cause cancer plus problems to the guts, liver, nerve, skin and respiratory systems.

Gentamicin Sulphate & Polymyxin B (antibiotics)

Can cause allergic reactions that can be life-threatening.

Genetically modified yeast

Unknown genetic repercussions.

Neomycin Sulphate

Interferes with vitamin production that can lead to epilepsy and brain damage. Allergic reactions.

Phenol / Phenoxyethanol

Used as an anti-freeze. Toxic to all cells and can destroy the whole immune system.

Polysorbate 80 & 20

This causes cancer. It is present in many vaccines, especially the flu vaccines.

Monkey kidney cells

These are also cancerous.

⁷⁹ Natural News, 'Flu vaccine contains 25,000 times more mercury than is legally allowed in drinking water', 24 June 2014.

⁸⁰ Study published in Human & Environmental Toxicology.

The ONC gene

One Covid vaccine variant is an RNA stick containing the ONC gene related to adenovirus which causes cancer.

Flagellin

The Covid mRNA vaccine encodes for the protein flagellin, which is an unapproved vaccine adjuvant, which stimulates inflammation. It enhances the cytokine response of the macrophages.

*Biomarkers**mNEONGREEN*

Some vaccines contain mNeonGreen, which has bioluminescent properties taken from marine invertebrates.

LUCIFERASE

This is a unique biochemical agent; a near infrared bioluminescence enzyme called Luciferase. This makes the quantum dot contents passed in a vaccine readable through a mobile device. This enzyme allows implanted data to be read long after the vaccination.

Genetic codes

Dr Luis De Benito, a digestive physician, observed that his patients were registering a MAC computer address via Bluetooth. A study on this phenomenon is in preparation.

He told his patients to switch off their mobile phone and then checked his Bluetooth application on his phone to find that the patients registered a MAC (Media Access Control) address. When he checked their records, it was only the vaccinated patients where this occurred; unvaccinated patients did not register. His sample was 137 patients.

He did not understand how a single vaccine could develop different MAC addresses until he consulted IT engineers and biologists who said that the vaccine contents had to engage with the individual DNA to produce a personalised address. The code was produced by the interaction of the vaccine and genetic material, notably HLAs.

Patents

The Moderna and Johnson and Johnson patents list graphene oxide hydrogels containing the mRNA technology. The hydrogels are used as biomarkers and quantum dots. The vaccine imparts Biochips (wireless nano-sensors).

PEG

This is the cause of the immediate vaccine adverse events, such as seizures, fits and collapse or death.

PEG (polyethylene glycol) is used as a drug delivery vehicle for the mRNA molecule, which is coated with PEGylated lipid nano-particles to protect the fragile mRNA strands and aid their absorption into the human cells.

70% of people develop antibodies against PEG. This means that many people (30%) can develop an allergic, possibly fatal, reaction. The PEG is thus the prime cause of anaphylactic shock in vaccine recipients.

Electrically-positively-charged lipids.

These are known to be highly toxic. They disrupt the mitochondria in the cells and also disturb oxygen supply, which breaks up water into inactive species. This can result in DNA

damage. The result of this is very similar to the damage caused by gamma radiation on the body.

As with radiation, there is a dose limit to every individual, which differs. The more shots you have, the closer you get to this limit and the more likely a fatal event. However, some people are deeply affected by the first dose. This explains some of the variation in adverse events.

No proper long-term toxicity studies were ever carried out so no one knows what the dose tolerance is.

Pfizer and Moderna are developing more of this mRNA vaccine technology to be used against other viruses and diseases.

HIV

This is identified in the patents for Covid vaccines.

Snake venom

This is identified in the patents for Covid vaccines.

Ebola and Marburg

Dr Ariyana Love, claims that her research shows that Ebola and Marburg are included in the Johnson and Johnson vaccines and possibly others. It is apparently stated in the patent literature.⁸¹

US Patent 20140017278 is the Adenovirus serotype 26 and serotype 35 filovirus vaccines which code the cell for Ebola and Marburg spike proteins. These contents are in the Johnson and Johnson vaccines. These delete the E1, E3 and E4 genes, as mentioned in the patent. The deletion of these genes cause AIDS type symptoms (suppressed immune system), blood clotting, permanent sterility, cancer, nerve disorders and thrombosis. It is the E1 gene (chromosome X) that is responsible for repairing DNA. Without it cells die.

US Patent 1069417 human Adenovirus 5 vector which contains the E1 and E2b gene deletion as stated in the patent. This is used in the Sinovax vaccine. It encodes the cells with the Ebola spike proteins. This causes male sterility. It targets the lung cells deleting the E3 and E4 genes causing AIDS like symptoms, dementia and nerve disease.

According to Dr Love, Ebola and Marburg derive from E-Coli bacteria. The vaccines contain material from monkeys cloned with human cells, which are made sick and die and the rotted material is placed in the vaccines. All the Covid vaccines are using the same plasma from rotted cells.

The US government has been developing this technology since the 1950s testing it on US troops. They tested the Adenovirus 4, 5 and 7 vectors since 1950. It has a HIV coding envelope clave C1086 nano-technology.

The Covid spike protein

Moderna called their mRNA platform, '*the Software of life*'. The mRNA is an operating system. The idea is to instruct the human cells to produce artificial proteins long term. The software programmes the body to make its own medicine on command. This is bioengineering that has been called '*The Internet of Bodies*'. It is making genetically-modified people.⁸²

⁸¹ The Stew Peters Show, 'Doctor: Ebola virus in Covid shots'.

⁸² For an explanation see Dr Carrie Madej, 'Human 2.0', Brighteon.

[The vaccines] are not giving you a pathogen ... what they are doing is programming mRNA. MRNA is like DNA but it's the messenger RNA. It's what makes proteins in the body. It's kind of like a computer chip ... you tell it what to do. ... They've made a piece of this mRNA to create, in every cell of your body, that Spike protein (or at least part of it) and you're actually creating the pathogen in your body.

Dr Lee Merritt (former president of the Association of American Physicians and Surgeons and an award-winning spinal surgeon), *Natural News*, 'Doctor with bioweapons expertise calls Covid-19 vaccines 'weaponised medicine'', 5 February 2021. Interview in the Atlantic.

But the spike proteins are toxic. It is these that cause severe damage to the organs of the body.

The spike protein hijacks the mitochondria forever, which is at the heart of the immune system. Thus it takes over the immune system turning it into a weapon against the body.

Assembling antennae and technology

METAL

Metallic objects have been observed in the Covid vaccines that begin to self-assemble when stimulated by heat. It is suggested that these are forming antennae. Multiple types of toxic metal have been identified in the vaccines. [See later.]

GRAPHENE-OXIDE

This is a highly conductive, toxic substance that appears in a nano grid pattern. It appears to be some sort of technological foundation. The technological contents are highly reactive to 5G signals, which can only be the means to control what are effectively microchips inside the blood system and organs. It self-assembles and connects with other strands to make a circuit.

The problem is that graphene oxide turns into graphene hydroxide in the body. This has been likened to microscopic razor blades cutting the endothelium (wall lining) of the blood vessels. This is one reason for the prevalence of deadly blood clots.

A select timeline

- 1801: First widespread experimentation with vaccines begins.
- 1802: The British government gives Edward Jenner £10,000 for experimentation with smallpox vaccines. The idea of necessary re-vaccinations is sanctioned.
- 1822: Jenner was given another £20,000. Reports are suppressed claiming that his vaccines were causing more deaths than saving lives.
- 1880: First vaccine for cholera.
- 1885: First vaccine for rabies.
- 1890: First vaccine for tetanus.
- 1912: First whooping cough (Pertussis) vaccine introduced.
- 1921: BCG Tuberculosis vaccine introduced.
- 1927: In 1922 two London professors told the British government that the glycerinated calf lymph in vaccines caused death. After five years the government sets up an enquiry into vaccine lymph.
- 1931: Yellow Fever vaccine developed.
- 1933: Danish researcher Thorvald Madsen discovers that the Pertussis vaccine can kill infants without warning. American researches report that children react to the vaccine with fever, convulsions and collapse.
- 1936: Despite everything, Pertussis vaccine introduced in the US. Autism begins to appear in children after vaccination.
- 1943: General flu vaccine programme begins.

- 1947: Britain starts compulsory pertussis vaccination, despite evidence that it harms children and was never tested on infants 14 months old. Claimed that the vaccine is safe for kids as young as 6 weeks.
- 1948: Harvard Medical School publishes article showing that Pertussis vaccine caused brain damage. England bans smallpox vaccine.
- 1952: First vaccine for polio (Salk). This was later discovered to cause cancer.
- 1963: First vaccine for measles.
- 1986: The US gives legal immunity to the manufacturers of vaccines from being prosecuted in a civil court. Litigants have to attend a special 'vaccine court', which is kept away from media attention.
- 1996: Seattle Times (6 October) announced that all polio in the US was caused by vaccines.

Conclusion

The vaccines are a stealth intervention to achieve Elite goals. These include sterilisation of certain ethnic types (see earlier) and mass death. They are poison in a needle.

This is a technology designed to poison people.

Dr Michael Palmer, Associate Professor, Professor of Biochemistry, University of Waterloo.

[Studies] reveal the likelihood that myriad other immune dysfunctions, auto-immune diseases, and cancers, including leukaemia, lymphomas, sarcomas and other ailments linked to viral infections, have resulted from previously engineered microbes that have by accident or intent found their way from cancer virus laboratories into humanity's bloodstream by way of the most trusted public health preventative – vaccinations.

Dr Leonard G Horowitz DMD, MA, MPH.

This documented science virtually proves, through the process of elimination and a review of the most updated evidence, the origin of HIV/AIDS as an iatrogenic (i.e. man-made) outcome of specific vaccination experiments.

Origin of AIDS.com; Horowitz; 'Early Hepatitis B Vaccines and the 'Man-made' origin of HIV/AIDS', 7 November 2002.

Big Pharma

History

After securing his oil fortune and petroleum industry, John D Rockefeller realised that he could make synthetic medication from the waste products of petroleum refinery. This would tap into untold fortunes. Before this time people used the natural product, such as the bark of a certain tree instead of an aspirin pill.⁸³

From 1901 Rockefeller set about capturing the medical institutions by giving grants to people that favoured his new system called allopathic medicine (using drugs for everything). Over time, he managed to place his trained people into all the medical institutions and universities. This was the beginning of Big Pharma.

In 1910 he commissioned the Flexner report which cemented this process by giving medical credence to Rockefeller's aims. Then began a witch-hunt to demonise all opposition. Naturopaths, nutritionists and homeopathic practitioners were smeared and driven out of business. In some cases good doctors were assassinated while others were prosecuted as quacks.

Despite a number of doctors curing cancer patients with multiple products,⁸⁴ the might of the Rockefeller Foundation smashed them all. Some left the country (US), some were killed, some were jailed and some just gave up. Then the myth that cancer is incurable was spread (despite many people previously being cured) and allopathic treatments (which all fail) were

⁸³ *Aetylierte Spirsäure* 'acetylated salicylic acid' (the element *Spir-* being from the plant genus name *Spiraea*).

⁸⁴ Such as intense Vitamin C, Essiac, vitamin B17 (laetrile), GcMAF, sodium bicarbonate, enzyme treatments etc. IAA (intravenous ascorbic acid) cures many types of cancer and eradicates it completely. People given days to live have survived years after this treatment.

utilised instead. Chemotherapy is only 3% effective, according to its own Journal of Oncology. Why would anyone take a treatment that has a failure rate of 97%?

This complies with the Elite's plans for depopulation. Cancer kills up to 1 in three people today. In the past it was very rare. Elite strategies (such as toxic food) causes cancer and allopathic medicine ensures that most people die.

The history of allopathic medicine shows the evil basis underlying it. Today in America allopathic doctors are the third highest cause of death. 40,000 people a day are badly affected by one; yet no one complains. In the Covid crisis allopathic remedies such as Remdesivir, Midazolam, and morphine caused mass deaths yet people that took vitamin C, vitamin D, zinc, magnesium, vitamin K2 and other supplements recovered. Studies have since proved the effectiveness of these natural products.

Timeline

- 1876: Assoc. of American Medical Colleges – one of the principal vehicles of cartel control over medical education. It set standards for medical schools and set criteria for selecting medical students and curriculum development. One of the prime funders was the Rockefeller Foundation. Others included Rockefeller, Kellogg, Macy and Sloan Foundations and the Commonwealth Fund.
- 1901: John D Rockefeller opens the Rockefeller Institute for Medical Research in New York. By 1928 he had given \$65 million in funds.
- 1910: Abraham Flexner Report. This was sponsored by the Rockefeller Foundation and the Carnegie Foundation (Flexner was on the staff of the Carnegie Foundation for the Advancement of Teaching) working for the AMA. It evaluated medical schools and restructured US medical education. The new standard meant that schools could only be accredited if they emphasised drug-based research and treatment. Naturopathy was no longer recognised as valid. Rockefeller and Carnegie showered money on those schools that would submit to their plan but those that would not conform were denied funding and were forced out of business. By 1919 only 81 of 161 medical schools of 1905 remained in the US. After this report the three most influential people in American medicine were Abraham Flexner, his brother Simon Flexner (Rockefeller Institute) and William Welch (of John Hopkins Medical School and the Rockefeller Institute).
- 1913: The International Health Commission was established by Rockefeller. This established how health and science research would be conducted. Many of today's health institutions are modelled on this commission (e.g the UN's World Health Organisation).
- 1918: Rockefeller endows the first school of public health at John Hopkins University.
- 1921: The Rockefeller Foundation gives \$357 million to medical schools worldwide. This spreads his allopathic system globally.
- 1924: Morris Fishbein became the editor of the Journal of the AMA who transformed the health industry into a money-making machine and used smear campaigns to eradicate competitors.
- 1938: The AMA indicted Rife⁸⁵ for fraudulent medical practices despite the fact that his treatment cured cancer patients that had been declared terminally ill by the establishment. This shows that Rockefeller's allopathic system had gained complete control in America by this time.

⁸⁵ Dr Royal Raymond Rife's Frequency Technology. This bacteriologist developed this treatment in the 1930s. It is a machine that targets disease-causing micro organisms by the use of frequencies. In 1934 he successfully cured 16 terminally ill cancer patients at the Scripps Institute in Southern California. A team of specialists confirmed his results. The Elite had to take action and Rife was ruined and his treatment shut down by the actions of Morris Fishbein, head of the Journal of the AMA

- 1939: New Memorial Sloan-Kettering [Allopathic] Cancer Centre opened in New York – John D Rockefeller donated the land and gave \$3 million funding. This is one of the most influential cancer clinics in the world. In 1960 Lawrence Rockefeller becomes its chairman. During WWII it performed experiments applying chemical warfare weapons to the treatment of cancer, which evolved into chemotherapy.
- 1940s: Rife's work destroyed and his methods vilified.
- 1956: FDA issues public warning about the Hoxsey cancer treatment.⁸⁶ In 1960 Hoxsey's method was banned in the US by the FDA. Allopathic practitioners are now acting like health police enforcers.
- 1977: Sloan Kettering rejected B17 for cancer treatment despite multiple case histories showing its effectiveness. Doctors that supported B17 were sacked.
- 1991: The Rockefeller Foundation starts the children's vaccination initiative. In concert with the UN Development Programme, UNICEF, WHO and the World Bank. Today's American teenagers have been inoculated up to 98 times.

Today, nearly half of the faculty members of medical schools receive a portion of their income from foundation and research grants while 16% are entirely funded this way. Elite funders include: Rockefeller, Carnegie, Ford, Kellogg the Sloan Foundation and the Macy Foundation.

Crimes

Pharmaceutical companies are amongst the most corrupt, criminal organisations on Earth. They are constantly involved in court cases and have been fined billions, yet they continue. Their convicted crimes include: fraud, bribery, racketeering, injury and death.

A few examples

- Johnson and Johnson: Has multiple lawsuits against it claiming its baby powder products cause cancer. The Press found that the company knew since 1971 that asbestos was contained in its baby powder.
- The company has been convicted by the US Security Exchange Commission of wide-scale systemic bribery. In 2013 it was fined \$2.2 billion for off-label promotion and bribery.
- Pfizer: In 2004 it agreed to pay \$430 million to settle charges alleging bribery of doctors and health-care officials to gain regulatory approval for drugs. In 2009 it was fined \$2.3 billion for off-label promotion and bribery.
- GSK (GlaxoSmithKline): It was convicted of the largest human healthcare fraud case, which resulted in 2012 in a \$3 billion settlement. It failed to disclose safety data; it paid bribes to doctors; it made false statements about the safety of Avandia.
- It was fined \$490 million by China for bribery in 2014 for crimes in 2001.
- In 2010 it was fined \$750 million for poor manufacturing practices.
- AstraZeneca: In 2003 it was fined \$355 million for Medicare fraud. In 2010 it was fined \$520 million for off-label promotion and bribery.

This is but a small sample of convicted crimes.

⁸⁶ Harry Hoxsey promoted a cancer treatment developed by his father (a veterinarian) which is a herbal mixture applied internally and topically. Dozens of patients were cured. In 1936 he developed the largest independent clinic in Dallas, Texas. The AMA attacked him viciously. Hoxsey sued the journalists and won. A Hoxsey centre opened in Tijuana (Mexico) in 1963 and continues to operate with an 80% success rate.

Injuries

Studies have shown that doctors in America are the third highest cause of death. Doctors kill more people than accidents. Multiple studies have corroborated this data.⁸⁷ *The New England Journal of Medicine* showed that there were over 40,000 medical mistakes made EVERY Day in the US!⁸⁸ Medicare patients' records from 2007 through 2009, showed that 1 in 9 patients developed a hospital-acquired infection. A study in the *Archives of Internal Medicine* in 2011, showed that sepsis and pneumonia caused by hospital-acquired infections killed 48,000 patients in 2006 alone. A June 2010 report in the *Journal of General Internal Medicine* said that in 62 million death certificates (1976 to 2006), almost a quarter-million deaths were coded as having occurred in a hospital setting due to medication errors. An estimated 450,000 preventable medication-related adverse events occur in the U.S. every year.

During the Covid crisis 40% of the Covid cases in hospital were nosocomial (hospital acquired). The use of Remdesivir with morphine directly killed people. Why would you give a respiratory patient medications that reduce breathing ability? Why would you use a ventilator on people whose alveoli are blocked with plaque? The ventilator simply kills the patient by collapsing the lungs since the air has nowhere to go. Doctors cannot be this stupid. This means that, since they are following government guidelines, someone planned to kill people with hospital treatments.

In fact hospitals have been causing avoidable deaths for decades, and this is not just the Liverpool Care Pathway which slowly kills elderly patients by starvation and dehydration. Yet only the big scandals, such as at Staffordshire, come to light. Note that the biggest mass murderer this century was a doctor (Harold Shipman)⁸⁹ whose record should have come to light much sooner.

New diseases

To keep profits rolling, new diseases keep being made up. These require new medications.

Some of these are adverse reactions to vaccines, such as autism. The trajectory of autism exactly follows the vaccine rollouts to kids. We even understand the mechanism now, which is damage to the intestines, which leads to nerve damage. Before the 20th century autism was virtually unheard of; now it is affecting increasing numbers of children every year.

Another vaccine side effect is Guillain Barre Syndrome, or paralysis. This syndrome was made up to excuse the vaccine manufacturers when it affected patients who had the Swine Flu vaccine.

Other syndromes include ADHD, which is also an effect of vaccines coupled with toxic substances in food and drink.

Yet another is SIDS (sudden infant death syndrome), which is really the result of vaccines. A recent one is SADS (sudden adult death syndrome) to explain the huge numbers of deaths of healthy young people, especially athletes, dying from Covid vaccines. These are dying

87 A JAMA article by Dr. Barbara Starfield, from Johns Hopkins School of public health, came to the conclusion that doctors (or the conventional medical system) were the third leading cause of death. Four years later Gary Null published a report which confirmed this. See: Dr G Null, book: *Death by medicine*, (2011).

88 November 25, 2010.

89 It is considered that he killed hundreds of patients and watched them die. It was accepted by a court that there was hard evidence that he killed around 100. Suspicions were raised early on about his abnormal death toll but nothing was done.

from heart attacks, strokes, myocarditis and the effects of huge blood clots. Instead of facing facts, doctors act baffled and made up this syndrome.

Cholesterol, a vital ingredient produced by the liver to repair cells and damaged blood vessels, was demonised (at least so called bad cholesterol LDL, which is nonsense; there is no bad cholesterol) and so statins were produced to bring down cholesterol levels. This made over \$12.5 billion a year but has now categorically been proved useless. Not only useless but highly damaging. In fact, most heart attack victims in America had low cholesterol. Meanwhile statins have made people's lives a misery for decades by causing nerve damage, muscle damage and liver disease.

Mental health

This area is an utter scam.

Doctors claim that there are multiple mental disorders: schizophrenia, bi-polar disease, and many more, but there are no tests to prove these conditions and they are simply made up. Diagnosing them is impossible because people cannot even decide what they are. Doctors say that it is based on a chemical imbalance in the brain but they have not a shred of evidence to affirm this.

Medications are then prescribed for these disorders which are basically medical straightjackets. They control emotions and stop people from acting severely by suppressing normal activity. People on these have no life and no hope.

The real cause of mental disease is a spiritual matter that often results from trauma, crisis or amphetamine drugs. Trauma leads to spiritual vulnerability and this leads people open to demonic attack, which is the real cause of mental disease. It is an onslaught against the minds of weak people that have no defence. Because doctors do not accept that it is an attack from outside, they have no effective treatment. This is why decades of research and new medications for mental disease have led to far more of it, with suicides at their highest level since WWII.

The demonic attack makes people think ill of themselves and others. The attacks are malicious, lying, ruthless, contradictory and evil. They make the victims hurt themselves and others. The victims need compassion (which they usually fail to get) and spiritual counsel.

Christians need not fear demons. Demons cannot occupy a person who is obeying God and living in the Spirit. Demons work on the old nature alone.

Most medical interventions don't work

A new meta-analysis published in the *Journal of Clinical Epidemiology* finds that there is no high quality evidence to support most modern healthcare interventions and pharmaceutical drugs used in hospitals today.

Almost every single aspect of the medical system is a fraud. 94% of medical interventions lack evidence. The majority carried more risk than benefit. Thus most drugs are promoted as safe and effective but there is no proper evidence or solid clinical data to support this.

Data (US)

- The number of iatrogenic (induced by a doctor) deaths since 1 January 2000 is 17,630,724.
- There were 9,895,605 deaths from hospital errors.
- 2,383,941 deaths from adverse drug reactions.

- 2,204,021 deaths from general medical errors.
- 365,126 deaths from opioids.
- 1,686,750 deaths from hospital infections.
- 512,030 deaths from prescription drug related events.
- 22,490,054 deaths from chemotherapy.
- 2,451,945 from hospital malnutrition.

Medical regulators funded by Big Pharma

A BMJ article explains how Big Pharma funds all the medical regulator agencies. How can anyone expect these agencies to be unbiased? These agencies include: the (US) FDA, MHRA, European Medicines Agency (89% funded by Big Pharma), Therapeutic Goods Agency (Australia).

Conclusion

The main issue with Big Pharma is that it wants you sick, and to keep you sick, so that it can continue to make money. There is no profit in making you well.

As the NHS collapses in self-destruction (it is now near the bottom of the international league table) the problems with allopathic medicine are becoming clearer. More people are waking up to the fact that the whole system is failing. More doctors are awakening to the need for a new holistic approach to medical care. The system is in terminal decline.

Big Aggro

This is another huge subject covering a long history of take-over by Elite operations. The current system was initiated by Rockefeller-funded research and designed to benefit the Elite. It was designed to create dependency on biotech and oil companies. This system destroyed historic practices (which worked)⁹⁰ and led to the destruction of the environment through the use of pesticides, herbicides, chemical fertilisers and genetically modified

⁹⁰ Such as crop rotation or moving livestock to fertilise fields.

substances. Vast fields of crops (monoculture) required more pesticides, herbicides and fertilisers that are all derived from petroleum (Rockefeller's chief business).

This developed out of the 'Green Revolution' during the 1940s when the Rockefeller Foundation's Natural Science Division combined with large agricultural companies. The plan was to introduce this new type of farming that required pesticide, herbicides and fertilisers, derived from Rockefeller oil, in order to make more money and centralise farms under their control. In fact, it added costs and required taxpayer subsidies.

How did it achieve this change? In a word, bribery. For example, in 2008 the Agribusiness industry gave more than \$65 million to US Federal political candidates. The American USDA is supposed to be responsible for assessing the impact of GM crops yet it receives 5% of the net sales of any commercial products using Monsanto's products.

Another method is when the same people run government regulatory bodies and subsequently an Agribusiness, or vice-versa. For example, Clarence Thomas has been a Monsanto attorney and also a US Supreme Court justice. Ann Veneman was a board director of a Monsanto subsidiary and then US Secretary of Agriculture (2001-2005). Mickey Kantor was a Monsanto board member and then a US Secretary of Commerce. Michael R Taylor was Monsanto's vice president for public policy and then FDA Deputy Commissioner for policy. There are many more examples.

Essentially, the Elite have been causing damage to farming practices and then buying out the mom and pop farming business that fall on hard times. Bill Gates now owns more farmland than anyone else in America. Farms are then concentrated into huge single operations using intense chemical fertilisers, insecticides and herbicides which later results in a chemical/bio sludge that gets washed off the land into water courses.

Agri-business is the second most profitable industry after pharmaceuticals with an annual revenue of over \$800 billion.⁹¹ Agribusiness is dominated by Elite corporations, such as Monsanto, Cargill, Bunge and ADM.

This will increase this year as wheat farms are facing a crisis due to droughts, the price of fertiliser and labour shortages. They have contracts whereby they promise to produce a certain yield, which they will not be able to produce this year. Thus their contracts will lapse and Blackrock will buy up all the remaining independent wheat giving the Elite complete control of US food production.

Add to this the whole GMO industry which is ruining farming worldwide; It has caused the death by suicide of hundreds of thousands of Indian farmers who adopted GM products and saw their yields collapse. Monsanto has, by this process, privatised seeds. Through contractual obligations farmers can only buy expensive seeds from Monsanto and not produce their own for free.

By using GM crops glyphosate is poured onto grains which can withstand the poison. However, despite Monsanto's claims otherwise, glyphosate gets into the human digestive system and is not excreted but resides as a toxin causing cancer. All oat products recently tested were shown to have high levels of glyphosate. Most soy crops are GM. 98% of Americans tested revealed glyphosate in them. It is even present in breast milk. Yet GM crops are being touted as the way forward for farming.

⁹¹ William Engdahl, 'Seeds of Destruction: the geopolitics of GM food', 6 March 2005.

In short, the Elite have ensured that, like other businesses, only a few firms control the whole farming and food production industries.

Elite objectives in agribusiness

- Control the world's agriculture.
- Dominate agriculture with GM crops.
- Make farmers dependent upon Elite products, such as fertilisers, herbicides and pesticides.
- Patent all seeds so that they must be purchased from Elite sources.
- Monoculture.
- Privatised water supplies.
- Gain control over food so that the Elite has the power of life or death.

Education

I have already explained that Cultural Marxism has led to the complete take-over of schools and universities by Socialist radicals intent on conditioning children. This is especially visible in the humanities rather than technical subjects.

There were several attempts to corrupt education in the 1800s but the real degeneration of the education systems began after 1908 when Rockefeller started the take-over of universities and schools, much like he took over medicine. By giving grants to institutions he placed lackeys into positions of power to corrupt the system from within.

But it is not just the teachers and tutors, it is government interference.

Governments have been continually corrupting education both in its curriculum development and the bringing in of groups outside the curriculum.

For example, today we have the overt sexualisation of very young children through various means; textbooks, teaching, role play, talks by outsiders, dramas and so on. Children as young as four are taught about the normalisation of masturbation. Kids as young as five are taught about transgenderism and told that they can choose what sex they are. The materials used in this teaching include very graphic images of sexuality. Some schools are now allowing boys, identifying as girls, to enter female only spaces.

The government is even giving grants to agencies that provide drag queens to go into school to read to children and give talks. One even wore a dildo. Another performed skits and sketches that included nudity to teach sexuality. The Family Sex Show was a theatre group aimed at schoolkids performing scenes involving nudity and descriptions of sexuality. It was funded by the government but was shut down after massive protests from parents.

None of this has been with parental consultation; it has simply been implemented with no debate. A Tory MP, Miriam Cates, has told Parliament that the government's 2020 relationships and sex education guidance has opened the floodgates to extreme content on sex in schools.

Aside from the sexualisation of young kids, the school system has been dumbing-down students for decades. There is no doubt whatsoever, as multiple studies and comparisons have shown, that modern schoolkids are not as bright and not as able to think critically as those in previous generations (say before 1970). Today kids are taught what to think; in the past kids were taught how to think.

One of the areas of significant dumbing-down is history. The curriculum ensures that very little of historical periods are taught but there is a heavy focus on WWII. This is to enable GroupThink in society to function more easily. For examples, modern kids have no problems when Anne Boleyn is depicted in a BBC drama by a Black woman. This is an insult to history and common sense. Most Tudor people would not even know about Black people and would never have seen one. Educated people knew about Moors and Mamelukes but very few would have ever met a Black person. The notion that a Tudor aristocrat could have been Black is preposterous and an insult to intelligence. In fact, Anne Boleyn was extremely fair and pale, as paintings show.

So kids leave school with little understanding of history (and are thus doomed to repeat it). They have little understanding of Divinity or Classical Culture. They have poor understanding of civics, how government works or how to fill a tax form. They are not taught how to manage money. Few people are now taught Domestic Science so kids don't learn how to cook. Even the three Rs are not taught properly. Many kids enter university being barely literate or numerate so that remedial classes have to be set up.

But this is just fine for the Elite. A barely educated nation is far less likely to initiate a rebellion or even understand the oppression that they are under.

Resources

- Lawrence Fox, Reclaim Party, Reclaim the Media video, 'Groomed: how schools sexualise your children'.
- BlazeMedia, 'The Family Sex Show – sex-ed production aimed at kids as young as five that features “non-sexual nudity” – cancelled in UK after “unprecedented threats”’, 19 April 2022.

Creating constant fear

The Elite need to keep populations under control and diverted because their shenanigans are so obvious. This is done by various methods, such as dumbing down education so that people are not very bright. But the main technique is to scare people to death. This is very effective. A population that is scared will comply with anything that the government deems to be necessary to provide safety and security. Scared populations cower and do not rise up in rebellion.

So the Elite have been preparing bogeymen for decades. There are seasons to this; as the population becomes hardened to one scare tactic, another new one is raised up to ramp up the fear level again. There are many of these going back 100 years: the Red terror; the Yellow Peril; serial killers on the loose near you; the threat of a nuclear bomb attack; terrorist attacks; bomb threats; Osama bin Laden; ISIS etc. Then there are the medical threats: Swine Flu, MERS, Bird Flu, Zika, Covid-19, multiple variants of Covid-19, Monkey-pox and so on.

The deliberate use of fear to afflict the population was openly admitted by the government's SPY-B team and the Cabinet Office. The use of military behavioural psychology to create fear involved the armed services 7th Brigade and 13 Signals. This fearmongering has used NLP⁹² techniques, massive propaganda assaults (posters, TV ads etc.), briefings by 'experts', newspaper articles and so on.

⁹² Neuro Linguistic Programming.

By using fear, the government was able to spread utter lies about a pandemic⁹³ that made people so scared that they willingly accepted martial law and destruction of their freedoms. Some people were so scared that they killed themselves.

You should ask yourself, how could you trust a government that spreads fear and lies to constrain its own people?

Resources

- Laura Dodsworth, A state of fear: how the UK government weaponised fear during the Covid-19 pandemic.

Trusts

The strategy of the Elite is to create a supposedly benevolent, philanthropic trust as a cover in order to (tax-free) continue developing a certain policy or overall strategy by stealth. Thus many trusts were formed since 1900, such as the Rockefeller Foundation, the Carnegie Trust, the Ford Foundation, the Bush Foundation, the Clinton Foundation, Open Society (Soros) and the Bill and Melinda Gates Foundation.

I explain, in this paper, how the Rockefeller Foundation was involved in the development of Big Pharma and the take-over of education systems; but all these foundations are involved in pursuing Elite objectives in vaccines, Net Zero projects, pandemic compliance and so on. [See elsewhere in this paper the Reece Report.] George Soros has funded many subversive movements, such as: Antifa and Black Lives Matter, as well as destabilising nations through financial corruption. The Clinton Foundation allegedly stole millions that were donated to help Haiti.

These organisations control vast amounts of input into society and work by lobbying, issuing directives to government, paying for chosen research while smearing and persecuting opposition, and gaining control of public bodies through sponsorship.

For example, Bill Gates funds the BBC – which is supposed to be (by charter) an independent news organisation. How can it be independent when it receives millions from Gates?

The MHRA also receives its major funding from Gates and has become completely corrupted. Gates' foundation people are also on the board. This is why the MHRA ceased being a clinical health regulator and became an ambassador for Big Pharma and vaccines. It is why millions of victims of vaccine adverse reactions, known to the MHRA, are not being treated, compensated or even investigated.

You can find a datasheet of all grantees on the Gates foundation website, it is small print and unstable. They include, GAVI, the Rotary International, the WHO, many media outlets (CNN, NBC, NPR, BBC, PBS, Al Jazeera, The Atlantic, The Guardian, The Financial Times, The Daily Telegraph, Le Monde, Der Spiegel, El Pais, The Lancet etc.), Viacom, Johns Hopkins University, Berkeley University, Harvard University and Cambridge University.

It is worrying that Gates gave \$319 million to media outlets '*in order to promote his global agenda*'. How can these recipients pretend to be unbiased when they depend on Gates for financial support (their advertising revenues are collapsing).

⁹³ Such as asymptomatic transmission and a high death rate – both of which are false.

Specific purposes for the grants included promoting: transgenderism, child sex education and climate change policies. He also supports fact-checking institutions.

An example of Gates' power is that he has personally changed storyline on TV shows, such as ER and Law and Order.

Philanthropy can and is being used deliberately to divert attention away from different forms of economic exploitation that underpins global inequality today.
Linsey McGoey, Professor of Sociology at the University of Essex.

It is not just the conflict of interest that's involved, it is the pursuit of Elite agendas in secret that is worrying. The Reece report showed that the Rockefeller Foundation was promoting a Communist subversion of the United States in the years before 1950. This was a revolutionary act of sedition. The female lawyer investigating this for Norman Dodd had a nervous breakdown when she found the compelling evidence of evil. It was publicly exposed in the Reece Report and then covered up by the US federal government; such is the power of the Rockefellers.

To show the extent of Rockefeller influence, here is a short list of items that it provided the finance for.

- The vaccine that created 'Spanish Flu'.
- Allopathic medicine.
- Education policies.
- The CFR.
- The Trilateral Commission.
- The Bilderbergers.
- Eugenics.
- The MK Ultra programme in universities, hospitals and government buildings.
- The 17 acres of land used for the UN in Manhattan.
- The development of facial recognition systems.

Chemtrails [Stratospheric Aerosol Injection]

This is considered to be fanciful and yet there are multiple US Congress papers documenting geo-engineering⁹⁴ by aerosol injection from aircraft going back to before WWII. You can find de-classified documents in the US Congress library outlining this strategy.

Its original form was rain-seeding by using localised silver iodide spraying. Today, however, it is not localised but global, using specialised large military aircraft spraying aerosols into

⁹⁴ E.g. United States Senate, Committee on commerce, science and transportation. May 1978. [NB chapter 5, 'The federal Government has been involved for over 30 years in a number of aspects of weather modification'. Homer E Newell, Federal Council for Science and Technology (Presidential report), Report to the [US] Interdepartmental Committee for Atmospheric Studies, 'A recommended national program in weather modification', November 1966.

the stratosphere. This spraying creates grid type patterns of cloud lines in the sky. Observing criss-cross patterns in the sky shows that this is not the contrails (condensation trails) emitted by a passenger airliner; it is something entirely different. Such patterns appear in my area every few weeks.

Chemtrails used as a military operation go back at least as far as the Vietnam War. Operation Popeye was a chemtrail operation to make the monsoons more serious along the Ho Chi Minh trail, which was the main supply route of the Vietcong. This is openly admitted and documented by the Pentagon.

It is debated exactly why there is so much activity using chemtrails today. It has been suggested that they are 1) geo-engineering for various purposes; 2) to make populations docile; 3) military weapons testing; 4) depopulation agents; 5) mandated vaccination. Items 1 and 5 are legalised in various US Acts (see later). We certainly know that many elite figures, such as Bill Gates, want to dim the sun with aerosols as part of the climate change agenda.

We can measure the effects of chemtrails on the Earth. Multiple agencies have been doing this for years and are very alarmed. There are various chemicals ejected as aerosols from the back of planes (up to 49). These include aluminium oxide and barium, which cause nerve damage. All are toxic. The levels of these chemicals can be measured, especially in places where they should not exist, such as high mountain pools. The high levels have shocked environmentalists.

Despite various national governments' denial of chemtrails, the Spanish government has now admitted that it has been spraying bio-cide chemicals from aircraft to combat Covid. A Royal Decree published 16 April 2020 authorised these chemtrails to be sprayed by the military.⁹⁵ This used techniques of nebulisation, thermo nebulisation and micro nebulisation. The Ministry of Health explained that such operations are routine for the military.

In 2015 four whistleblowers from Spain's meteorological agency told the European Parliament that chemicals were regularly being sprayed over the country to alter the climate. The chemicals were lead dioxide, silver iodide and diatomite.

A report by the UN's Intergovernmental Panel on Climate Change (August 2021) shows plans for solar radiation management and greenhouse gas removal geoengineering using sulphate aerosols.

Bill Gates has aimed to dim the sun for many years. In 2019 he funded research to develop machines that would spray seawater into the clouds to increase the ability to reflect sunlight into space and reduce global temperatures. In 2018 he funded scientists who proposed spraying the stratosphere with calcium chloride to slow the Earth's warming by blocking out the sun.

Such actions could become weapons whereby one country uses chemtrails to destroy the agriculture in another country.

Our analysis suggests that adverse public health impacts may reasonably be expected from SRM⁹⁶ via deployment of stratospheric aerosols.

University of Michigan study.

⁹⁵ Order SND/351/2020, 16 April 2020.

⁹⁶ Stratospheric Aerosol Injection.

Particulates identified

These have been identified by soil and water tests.

- Aluminium.
- Mercury.
- Radioactive thorium.
- Cadmium.
- Chromium.
- Nickel.
- Desiccated blood.
- Barium.
- Mould spores.
- Yellow fungal mycotoxins.
- Ethylene dibromide.
- Certain organic materials.

Fluoride in the water facilitates the movement of these particulates across the blood-brain barrier.

Medical spraying

This is vaccination without needles. Many of the components of chemtrails are also components in vaccines.

Aerial vaccines have been used in the US for some time, directed towards animals. Sanoff (a vaccine manufacturer) has subsidiary companies (e.g. Merial Ltd) who manufacture Raboral, an oral live-virus poisonous to humans but distributed to wildlife. In the US more than 12 million doses of Raboral V-RG vaccine are used every year.

Australian researchers found government documents detailing 39 specific projects to spray the sky with multiple genetically modified chemicals and medical components in order to combat a variety of diseases. Australians are being dosed with GMO medications from the sky without their consent.

There has been aerial spraying in the US to combat West Nile Virus and Simian Green Monkey Virus (SV-40). The vaccines include DNA delivery systems. Individuals in the spray area have had to be hospitalised with multiple ailments.

Case histories UK

For those who consider that our government would not spray chemicals and pathogens on to its own population, the fact is that it has done this many times in the past causing sickness and death.

The Dept. of Defence and the RAF have sprayed UK skies and modified UK weather and experimented on local populations. There were weather and biological trials between 1940 – 1979 conducted by Porton Down scientists. One result was the Lynmouth Flood tragedy of 1952 that killed 34 people. This resulted from a cloud-seeding experiment over Exmoor called ‘Operation Cumulus’.⁹⁷ Locals saw the sky turn dark purple and green before a huge downpour.

Secret trials sprayed bacteria onto millions of people as the MOD secretly tested germ warfare. This was proved by a government report finally released to MP Norman Baker,

⁹⁷ Devon Live, ‘Lynmouth flood disaster: RAF rainmaking experiment blamed for Devon’s worst ever flood’ disaster’, 15 August 2019.

which explained the history of this. The 60-page report covers over 100 covert experiments on the unknowing public.⁹⁸ One example was the release of an influenza variant over the south-east of England sprayed from a ship in the channel and carried onshore by the wind. The result was a severe flu outbreak in Sussex.

One chapter of the report, 'The Fluorescent particle trials', reveals that between 1955 and 1963 planes flew from the north-east of England to the tip of Cornwall along the south and west coasts dropping huge amounts of zinc cadmium sulphide on the population. Cadmium causes lung cancer.

In another chapter, 'Large area coverage trials', the MoD describes that between 1961 and 1968 more than a million people along the south coast from Torquay to the New Forest, were exposed to bacteria including *e.coli* and *bacillus globigii*, which mimics anthrax. These releases came from a military ship, the Icewhale, anchored off the Dorset Coast.

Anthrax experiments on Gruinard on the Scottish coast left the island so contaminated that it could not be inhabited for decades.

The DICE trials in south Dorset between 1971 and 1975 involved UK and US military spraying massive quantities of *serratia marcescens* bacteria with an anthrax stimulant and phenol.

In the 'Sabotage trials' (1952-1964) bacteria were released on the London Underground at lunchtime along the Northern Line between Colliers Wood and Tooting Broadway. This dispersed 10 miles.

Other tests involved attaching germs to spider webs to see how they survived in different environments in a dozen locations, including London's West End.

Some families in test areas accused the government of causing birth defects to babies. Villages at the centre of trials have had clusters of birth defects, such as cerebral palsy.

I have previously explained this and how America has sprayed cancer-causing agents over Black populations in urban areas. Governments have been spraying particulates on populations for decades; the current geo-engineering on a planetary degree is just an up-scaling of this.

Select timeline (USA)

- 1949: Geneva Act for Chemical and Biological Weapons: authorises using manned and unmanned aircraft for aerial spraying under national mandates.
- 2001: Patriot Acts.
- 2001: Space Preservation Act.
- 2005: Weather Modification Research and Technology Act.
- 2007: Pentagon project ID: 149AZ2 reveals a viral vector that will inhibit a specific disruption gene (VMAT2) within a human population. It identifies six methods of dispersal: high altitude release, water supply, insect transmission and various methods of diffusion.

These acts allow for: weather modification, vector control (killing viruses, insects) and mass inoculations of the public.

Transhumanism

The global Elite has multiple plans to change humanity by DNA manipulation and digital nano- technology. The purpose of these is to ensure total control over the individual. This control not only includes complete and total surveillance, not only of the person's whereabouts but also all his personal choices (e.g. what he buys, what he watches, who he talks to), but also human manipulation, such as mood control and even thought control.

To achieve this, multiple strategies need to be set in place. One of the mechanisms is global vaccination with nano-technology whereby computerised bio-systems are implanted that act as micro operating systems. This has begun with the Covid vaccines that have inserted graphene oxide into the bloodstream which then self assembles into circuits and antennae. This is why vaccinated people register as a MAC address. They have become a device. [Unfortunately, it is this graphene oxide, which turns into graphene hydroxide in the body which acts like razor blades cutting the blood vessel walls (endothelium) and causing deadly blood clots.]

The various booster jabs are actually updating this operating system, which is why the Elite demand continual vaccine shots forever, even when there is no Covid threat at all.

The Elite are ever fine-tuning this process and one goal is to be able to shut down people's capacity for spiritual activity or to eradicate the conscience. This has been warned about for 100 years.⁹⁹

Klaus Schwab has written about the approaching potential of nano-technology, inserted by vaccines, to control people's moods and thoughts, making these programmable from outside. The technology already exists but the rollout is yet to come.

This technology is being sold as beneficent to mankind. Some people have already had microchips implanted in them to enable purchases by scanning their skin. Elite

⁹⁹ E.g. Rudolph Steiner [1861–1925] warned of using vaccines for this purpose. 'The soul will be made non-existent with the aid of a drug. Taking a sound point of view, people will invent a vaccine to influence the organism as early as possible, preferably as soon as it is born, so that this human body never even gets the idea that there is a soul and spirit, ... I have told you that the spirits of darkness are going to inspire their human hosts, in whom they will be dwelling, to find a vaccine that will drive all inclination toward spirituality out of people's souls when they are still very young, and this will happen in a roundabout way through the living body.' Fall of the spirits of darkness – changes in humanity's spiritual make-up, (1917)

propagandists have already stated that soon people won't need mobile phones but will have a device operating within them. The head of Moderna boasted that people will have a computer system operating within them through vaccines.

The end result is a cyborg (a word the Elite does not like); part human, part machine to create a fully compliant drone to operate within the hive doing the bidding of the Elite.

One example of increasing transhumanism is 'Tech-tats' (technical tattoos). A company (Chaotic Moon Studios) is currently working on these tattoos which include bio-technology grafted on to the skin in the tattoo. This device will enable a person to effectively have a mobile 'phone on their skin and no longer need a mobile 'phone external device. It also stores medical and other data. This would enable a person to send data for testing to a doctor without actually seeing one.

- International Business Times, 'Tech Tats: Tattoos that can track your health data'.

Technocracy

This goes hand-in-hand with transhumanism. Academically, 'technocracy' is the rule by technocrats, technicians. The Oxford Dictionary defines it as, '*the government or control of society or industry by an elite of technical experts*'. However, the modern form of Technocracy is the control of society by machines and algorithms. One of these machines is people, controllable by remote computers. The global Elite are building a society that eventually will be run by computers, robots and AI.

This is why there is the push for all sorts of Smart devices which began with cell phones but is now extending to everything, even your fridge. This is the Internet of Things where everything is connected to a central control hub and where everything is monitored and programmable. People fit into this as the Internet of People, programmable as a result of internal nano-computers.

The mechanism to enable this control is 5G broadband. This is why 5G towers have been erected all over the country, with no democratic consultation, during the lockdown; especially in all schools and hospitals where the electromagnetic radiation will do the most damage. [5G, at high wattage, has the power to injure and even kill – an invisible weapon. The military already has EMF¹⁰⁰ or EMP¹⁰¹ weapons which can kill people from distance by burning them up inside. The 5G system uses the same principles. Even at a low level to run cell phones, 5G causes medical harms, such as nose bleeds, migraines, fits, seizures, fainting, vomiting etc. Children and the frail are especially vulnerable. This is the result of EMF microwave radiation which vibrates the water in cells and makes them boil. In test runs birds dropped dead out of the sky.]

The chief exponent and drum-beater for technocracy is Klaus Schwab of the WEF. It is his Fourth Industrial Revolution. The Elite intend for robots and AI systems to be able to run most operations in society and thus there is a need for only a small world population to do

¹⁰⁰ Electromagnetic frequency.

¹⁰¹ Electromagnetic powered.

the jobs that robots cannot do. How any sane person can trust this when machines and computer systems are always breaking down is beyond me.

This is why all sorts of processes in society are already being forced into computerised operations. This includes pre-booking (through a computer interface) appointments for the rubbish tip, GP consultations, hospital access points (such as phlebotomy), or ordering medication. It also explains the many bank closures as people are gradually forced into online transactions.

The Long Term Plan for the NHS includes Zoom consultations instead of face-to-face appointments with doctors. More and more payments are being made by Smartphone. Stores are rejecting cash, despite no parliamentary debate about removing it. AI cars are all the rage, even though they have killed people. Almost every interface in life today is dealt with by an algorithm and not a human being.

The irony in all this is that the push for sustainable Green power is driving nations into energy shortfalls and power cuts and energy rationing is likely in the immediate future. How will a computerised society function when the power is cut? The British government has already warned that next winter we must expect power blackouts every morning and evening.

Technocracy rides on the back of scientism, which treats science like a religion based on axioms ('the science') instead of true science which is a process of discovery that includes mistakes and corrections. Technocrats are both arrogant and gullible believing that all their technological innovations are foolproof and unerring. Technocrats also treat people digitally; as bots in a system rather than individuals with character.

Technocracy is closely linked to ESG and social credit systems. It links control over every area of life to ensure social compliance. Thus governors could turn off your money supply, your ability to travel, your ability to buy food, your ability to enter premises and so on – at the press of a button. Fail to comply, then you lose social credit. Technocracy is the digital system that allows this level of control through Smart technology in everything.

Notable assassinations

There is not the space here to analyse this subject as it would take many books. I allege that these notable deaths were assassinations by the Elite; I have good reason for concluding this.

- President William Henry Harrison (1841).
- President Zachary Taylor (1850).
- President Abraham Lincoln (1865).
- Alexander II (Tsar of Russia, 1881).
- President James Garfield (1881).
- William McKinley (US president, 1901)
- Archduke Franz Ferdinand (1914).
- Grigory Rasputin (1916). [This was organised by the British Secret Service through proxies like Yusopov.]

- President Warren Harding (1923).
- Senator Huey Long (1935).
- General George Patton (1945).
- President John F Kennedy (1963).
- Lee Harvey Oswald (claimed killer of JFK, 1963).
- Malcolm X (1965).
- Robert Kennedy (1968).
- Martin Luther King (1968).
- Jimi Hendrix (1970). [He was allegedly killed by his manager, Michael Jeffrey, who was, allegedly, a former British Secret Service assassin.]
- John Lennon (1980).
- Anwar Sadat (1981).
- Roberto Calvi (Vatican banker, 1982).
- Robert Maxwell (news mogul, 1991).
- Princess Diana (1997).¹⁰²
- David Kelly (UN weapons inspector, 2003).
- Robin Cook (British politician, 2005).
- Benazir Bhutto (2007).
- Muammar Gaddafi (perpetrated by proxy Islamic rebels, 2011).
- Jeffrey Epstein (child trafficker, 2019).
- Dr John Magufuli (former Tanzanian president, opposed Covid policies).
- Shinzo Abe (former Japanese Prime Minister, 2022; he opposed the Covid vaccine and supported Ivermectin).
- Prediction: Ghislane Maxwell. [Like Epstein she can name top Elite people, such as allegedly Bill Gates, Prince Andrew, Bill Clinton, as child sex abusers.]

Climate Change alarmism

I have written on this so many times that I cannot go over all the details again. I will just list some pertinent bullet points.

- The basis of the climate change alarmism is a lie. It depends on demonising carbon dioxide (CO₂) but this is nonsense. CO₂ is a wonderful molecule that supports life on Earth. By utilising CO₂, plant respiration produces oxygen as a waste product. CO₂ is vital for plants to grow and to produce O₂. In previous aeons (e.g. the time of the dinosaurs) there was 5-7,000 ppm of CO₂, today there is round about 400 ppm. The current level is dangerously low and close to a level that will cause plant extinction. The planet needs more CO₂. When CO₂ levels were very high in the past, there was no global catastrophe but life thrived.
- There is not a shred of proof that anthropogenic CO₂ emissions control climate.
- There is no confirmed science that atmospheric CO₂ causes global warming. In fact there is much evidence that rises in CO₂ historically lag behind warming.¹⁰³

¹⁰² For example: the coroner did not proclaim accidental death. She was alive at the scene of the crash and pronounced stable by a doctor who was passing by and treated her. When she got in the ambulance she was lucid. The ambulance then took 45 minutes, by-passing two hospitals, to take her to a third hospital where she was pronounced dead. She had been murdered in the ambulance. She also gave warning in writing to two people that she was about to be assassinated by her husband. The claims that her driver was drunk were lies; it was proved that his blood was switched in the investigation. The CCTV cameras in the relevant places all went down at the same time. This is just a part of the evidence.

¹⁰³ Ice core samples.

- The global temperature has not risen for seven years. In fact, global temperature has not significantly increased since the 1990s, apart from a couple of blips due to weather features like El Nino. The climate was much hotter in many years since 1880.
- The hockey stick temperature rise graph is a fake. In fact, this measures temperature from the mini ice age that ended in the early 1800s and thus gives a false impression. Global temperature over history needs to take into account many much warmer periods than today, both in human history and epochal history. For example, the Roman Warm Period and the medieval Warm Period were much hotter and were times of prosperity.
- Polar bears are thriving and not dying out.
- Walruses do not throw themselves off cliffs due to warming but because they are being chased by polar bears.
- The ocean's reefs are growing and are in fine shape.
- Damaging hurricanes are not increasing in number.
- Wildfires are not increasing in number and damage.
- The Maldives is not under water, despite alarmist claims that it would be by now.
- There is no scientific consensus supporting climate alarmism. In fact, the vast consensus of climatologists is opposed to this alarmism but this gets no media attention.
- Climate change projects actually damage the environment, such as biomass pellets which destroy ancient trees in Virginia and create more CO₂ than burning coal. Solar panels and wind turbines require massive mining and earthworks and huge amounts of industrial activity. Solar and electric car batteries require mining rare earth minerals using child slave labour in third world countries.

Social effects of climate change policies

- Massive limitations to personal travel. Domestic flying to virtually cease; cars to be limited and electric powered.
- Power supply by renewables that are inefficient.
- Eradication of eating meat. Insects for protein.
- Food shortages.
- Eradication of decent, cheap domestic heating.
- Traditional farming replaced by GMO, synthetic meat, rewilding.
- Enforced family planning.
- Privatisation of water sources.
- Removal of national sovereignty.

The purpose

There are currently three main peacetime strategies to develop total control over people. The first is economic, bringing in CBDCs based on social credit and ESG;¹⁰⁴ the second is false pandemics to bring in vaccines; the third is climate change.

The climate change agenda, including net zero CO₂, is one of the vital foundations for the greater aims of the Elite to control the world. Without climate change alarmism there would be no need for the sustainability strategies of Agenda 2030 or the WEF's plans. Without these many of the policies to gradually gain control over people in multiple areas of society would have no foundation.

¹⁰⁴ Environmental, Social and Governance. An Elite measurement score to calculate compliance to Green and other issues. It will form the basis of a social credit system for business. It is a rigged system. For example, Tesla got a bad ESG score (because Elon Musk is confronting the Elite) but the polluting Exxon got a high score.

In short, climate change scaremongering is a vital weapon in the Elite arsenal to drive gradual totalitarian control.

Movies and music

To establish total control over people, the Elite need more than conditioning kids in education and adults through the media and politics, they also need to control people's 'down-time'. By controlling conditioning inherent in movies, video games, music and all entertainment, this gives the Elite 24-hour coverage of propaganda and brainwashing.

That the Elite control Hollywood is undeniable. As usual a very few people control nearly all the movies made; money gives power and control.

One can easily see this control in action through the adoption of certain political agendas in fashion. For example, currently it is Wokeness to diminish intellectuality, imagination and individuality. Movies have taken up Wokeness with a passion introducing all sorts of issues to ruin films: inappropriate diversity, inappropriate gender politics, anachronisms, etc. Netflix produced a film about a man becoming pregnant – which caused a massive negative backlash. Prime produced a retelling of the Gawain and the Green Knight story using an Indian character as Gawain and an Indian lady as his mother and trashing the production with poor story telling and even appalling pronunciation of English (e.g. Gawain ['Ga-wain'] was pronounced 'Gar-wen').

The point is that the political agenda of the Elite is transferred into movies to further push that agenda home.

In addition, general foundational issues favoured by the Elite are constantly promoted in films: Satanism, occultism, darkness, death, infidelity, violence and so on. This is both overtly in subject matter but also secretively in subliminal messages and hidden symbols.

The Hollywood basis of this is a cesspit. Many actor whistleblowers have exposed that Hollywood is riddled with paedophilia, Satanism, drugs, pornography and so on. Multiple Hollywood producers, actors and directors and crew have been convicted of abuse and worse. Decent film stars avoid Hollywood.

The music business is no different. This promotes the same evil stuff but packaged for people that are not interested in movies. Again, insiders, including John Lennon, have explained that the music business is riddled with corruption, fraud, licentiousness, robbery and criminal activity. The number of creative people that were completely ripped off by those in

control is truly shocking. Artists that had international hit records found that all their money was stolen by managers and people above them. John Lennon and George Harrison explained, at the height of their Beatles success when they were worth billions, that although they had houses, they did not have access to money. When Jimi Hendrix died, though his talent was worth billions worldwide, he had only £50 in a Post Office savings account. The music industry is rapacious.

Again, the music industry is pumped full of the same occult and evil conditioning as movies. Some would affirm that all successful artists are actually people controlled by the Tavistock Institute. The problem is that this is difficult to prove. Were the Beatles a creation of Tavistock? I doubt it. No doubt they were manipulated by the Elite (especially as Brian Epstein did not know what he was doing and could be manipulated) but their grassroots back story is too well understood to be a Tavistock creation.

What was subtle in the past is now brazen. The occultism and focus upon demons and Satan is right in your face. Many people have exposed how records and concerts are loaded with occult imagery, symbolism and hidden messages. Different artists focus upon different aspects. Madonna is centred upon Kabbalism for example. Lady Gaga is heavily occultic. Some rap artists have brazen Satanic images in their concerts and backdrops and openly rap about killing people, sacrificing people, abusing people and raping women.

Some examples:

- Many artists have admitted to selling their souls to the Devil for success (e.g. Snoop Dog and Katy Perry).
- Many have admitted to channelling (being a conduit for) evil spirits (demons) through their music (e.g. Eminem).
- Many have admitted that they are possessed by demons (such as Prince or Jay-Z).
- Some have openly stated that they worship Satan (e.g. Kurt Cobain).
- Some admit to following Satanism (such as Jimmy Page, a disciple of Aleister Crowley).
- Some have admitted to practising witchcraft.
- Some have admitted to spiritualism as the source of their songs (e.g. Carlos Santana).
- Some have been accused of performing occult rituals. Lady Gaga was accused of performing a satanic ritual after leaving a hotel bathtub filled with blood. Gaga has also admitted to 'swearing to Lucifer'. Her performances also include occult symbols, such as an inverted pentagram.

Evil in the form of Mammon, occultism and Satanism permeate movies, video games and music. Some genres are more prone than others. The sheer amount of darkness in modern entertainment is truly shocking.

Conclusion

The entertainment industries are fully controlled by the Elite. Individual creators may have some independence if they self-publish and self-promote, but big stars require massive financial backing to continue and they get stuck inside the Elite treadmill. You cannot hire the O2 arena without a banker backing you. In some cases, entire movements were the creation of the Elite, such as the West Coast, drug-infused, music scene in the 60s which spawned: Jefferson Airplane, Moby Grape, The Doors, The Grateful Dead, Quicksilver Messenger Service, Joni Mitchell, the Mamas and the Papas, Crosby, Stills, Nash and Young etc.

Whether artists are picked out or groomed, whether they are willingly compliant or controlled, in general the Elite use musicians to preach their messages. Only a very few have been able to continue in integrity, such as Van Morrison, Roger Waters or Eric Clapton; and

look what castigation they suffered for sticking to their principles. It is interesting that Clapton and Morrison both admit to believing in God and praying.

False flags

A false flag is a deception whereby an attack is made on country A supposedly by country B that results in a military action against country B. In fact, the attack was actually made by country A to provide a means to get popular support. The name is taken from pirate ships that changed their flag in order to get closer to a ship they intended to attack.

9/11

It is impossible to summarise the myriad of complex factors in this hoax. However, some simple points include:

- Building 7 collapsed in its own footprint in a controlled demolition (confirmed by engineers) with no prior cause (no plane hit it). This means that explosives were planted, at least in this building.
- It is impossible for a passenger aircraft, made of aluminium and easily collapsed, to pass through 47 hardened steel frames and emerge the other side of a tower. Yet this is what news reports and videos claim.
- The first witnesses saw no planes hit the buildings.
- Firemen heard explosions in the basement of the towers.
- It is impossible for a fire caused by jet fuel to reach sufficient temperatures to melt steel to nothing. Jet fuel is essentially kerosene and this ignites at 444 degrees F (229 degrees C).¹⁰⁵ The combustion of the jet fuel, even combined with combustibles in the offices, was nowhere near enough to melt steel. Yet much steel melted.
- Traces of military grade nano-thermite were found in the debris, still burning days later. This fact alone is the clincher to the whole charade. With only this fact we can prove that the destruction of the towers was a pre-conceived, pre-planned, pre-arranged destruction.
- There were no large pieces of concrete debris at ground level as there should have been. All the concrete was turned into fine dust and spread over the city. This is only possible as a result of enormous levels of energy, far more than any kind of fire.
- Despite fires melting steel, a passport of one of the claimed hijackers was found in the smoking debris.
- The turbine of a plane found in the street was the wrong type.
- The location of the Flight 93 crash site showed no signs of debris, bodies or luggage.
- It is impossible that a plane caused the damage to the Pentagon.

The attack on the USS Liberty

This was a co-ordinated Israeli attack on a US ship by warplanes and boats.

The Liberty was a US intelligence gathering vessel sailing in international waters. On 8 June 1967, during the Six-Day War, Israel used unmarked military fighter-bombers to attack the American reconnaissance ship USS Liberty, along with three torpedo boats, which fired six torpedoes. Unmarked jets are a violation of the Geneva Convention.

¹⁰⁵ Journal of Australian Fire Investigators. <http://www.tforensic.com.au/docs/article10.html>

The attack lasted 75 minutes and included machine gun / cannon fire, missiles and napalm bombs. The attack followed 13 close up Israeli reconnaissance sorties. Miraculously, the ship was not sunk, but it did have a large gaping hole in the side. When life rafts were launched, they were immediately shot up by machine gun fire from the aircraft. The intent was clearly to leave no survivors. An Israeli helicopter gun ship waited nearby expecting the Liberty to sink; this was presumed to be to machine gun any survivors in the water. With no survivors the Israelis could easily blame Egyptian Arabs.

This was completely covered up by President Lyndon Johnson who even recalled planes sent to assist. The US had intercepted the radio transmissions of the Israeli aircraft and knew that the unmarked warplanes were Israel in origin. The shows the hold of Israel over a US president.

*Not only did they [Israel] attack the USS Liberty, they did 9/11. They did it. ... I have made it absolutely clear that it is 100% certain that 9/11 was a Mossad operation. Period.*¹⁰⁶

Dr Alan Sabrosky (part-Jew), Director of Studies for the Strategic Studies Institute at the US Army War College.

The sinking of the Lusitania

This was used in order to get US troops into WWII despite America being promised by the president (Woodrow Wilson) that it would not enter the European war.

It was arranged for this passenger ship to be illegally filled with munitions bound for Britain and then this information was deliberately leaked to Germany. A German U-boat, therefore torpedoed the ship as a genuine military target on 7 May 1915 off the Irish coast.

There were many Americans on board, including some celebrities and the sinking took 128 US lives. This was then played upon by the US government to successfully get America into the war.

Economics

We have already covered some aspects of economic control by the Elite but here I wish to show how Big Money controls political events. Nothing is as you think it is.

Political revolutions

Revolutions cost money; they cannot continue without investment or stealing cash. Virtually all major revolutions since the late 1800s were financed by the Elite, mostly the big corporate bankers headed by the Rockefellers, Rothschilds, JP Morgan and so on. The correspondence between Albert Pike and Giuseppe Mazzini [1805–72], in the late 1800s, show us that

¹⁰⁶ Interview with Mark Glen, 15 March 2010. See also Sabrosky 'Zionism Unmasked: the dark face of Jewish nationalism', 11 March 2010. See 'Veterans Today' web page.

revolutionary uprisings are an important Elite strategy. I cannot delve into details here as it would take many books and I have discussed these matters in other papers.

Pancho Villa [1878–1923]

Villa was a Mexican revolutionary. He played a prominent role in the revolution of 1910–11 led by Francisco Madero, and together with Venustiano Carranza overthrew the dictatorial regime of General Victoriano Huerta in 1914. Later that year, however, he and Emiliano Zapata rebelled against Carranza and fled to the north of the country after suffering a series of defeats. Villa invaded the USA in 1916 but was forced back into Mexico by the US army. He continued to oppose Carranza's regime until the latter's overthrow in 1920. Villa was eventually assassinated.

The point about Villa is that he was financed by Big Money and his revolution was a dry run for the later Bolshevik rebellion.

Bolshevik Revolution

I have explained many times that Trotsky and Lenin were heavily financed by Wall Street. The Rothschilds provided gold, which was project managed by Jacob Schiff. But other banks also provided finance, such as the Rockefellers and numerous smaller banking operations, even a Swedish bank, channelled through Germany.

The Soviet Union was heavily financed by the Elite. The Cold War was a smokescreen, US corporations were invested in the USSR. In fact, top Elite bankers were openly favourable to collectivism.

Dethroning the conservative Tsar and smashing the country with a bloody revolution enabled western corporations to start investing in capital projects and establish industries in the country. It was a bonanza for corporations. Bolshevik leaders also became rich and lived in stolen aristocratic mansions.

All the time that politics portrayed the US as the ardent enemy of Bolshevism and Stalin, Wall Street and the top rich people were doing big business with the Soviets and supporting them (just as they did with Hitler).

Chairman Mao

In other papers I have explained that the US resourced and supported Chairman Mao even though it had munitions contracts to supply Chiang Kai Shek (which it reneged upon). Without Elite support Mao would not have risen to power. When he did, he was praised by David Rockefeller, who immediately established a Chase bank in China, the first western bank in Communist China.

Conclusion

We need not list more rebellions. These show the Elite pattern.

Revolutions are a means of achieving many Elite goals: they can overturn regimes they do not like. They can implant a puppet government. They have opportunities to make vast amounts of wealth by loans and investments. When a nation cannot pay back these loans, they steal the infrastructure of the country. That is the prime task of the IMF.

Ukraine is a classic case. The Elite (through the CIA and Victoria Nuland) overturned the democratic government in 2014 and installed a puppet regime. It then profited from the criminal enterprises that took over (money laundering, human trafficking, drug trafficking). It goaded Ukraine into war with Russia by persecuting and bombing the Donbass for eight years. It then gave huge loans and lend-lease military supplies. Ukraine is now bankrupt and

in internal collapse. More loans are required. Shortly, as Ukraine will fail to repay these loans (its economy is ruined and it has lost a lot its wealth provision in the East) the Elite will steal all its infrastructure and Ukraine will become a failed state, bled dry by Wall Street and the international bankers.

Boom and bust

The Elite control national economies through central banks and establish a cycle of boom and bust in order to make profits and gain political control. They can expand or contract the currency supply because they print the money.

The Federal Reserve openly admitted that it caused the great depression by contracting the money supply. The Stock Market crashed in October 1929 ('Black Tuesday') leading to global effects. Worldwide GDP fell by 15% (in 2008 it only fell by 1%). Unemployment skyrocketed; international trade dropped; tax revenues fell; personal income fell; construction virtually ceased, crop prices fell by 60% putting farmers out of business. However, the Elite has caused numerous recessions. For example: 1890 - US depression; 1907 - world depression; 2008 – international depression.

The Club of Rome is an umbrella organisation comprising the Black Nobility dynasties and Anglo-American bankers. Its goal is world government through manipulating economic recessions and depressions. It claims to focus on global challenges, which it offers solutions for but it is the chief organisation that creates the booms and busts.

The coming global crash

As the dollar becomes increasingly unstable and America descends into social upheaval, the Elite are already engineering a global economic collapse to follow a series of global crises (see later).

As crypto currencies collapse and fail to be the hope investors trusted in, the global bankers will usher in a Central Bank Digital Currency (CBDC). This will enable complete control of the Elite over everyone at the press of a button. You could be prevented from specific transactions or your account suspended completely by an algorithm. Watch a government banned video and you could face no food on your table.

In addition to this digital monetary system, the Elite will bring out Universal Basic Income (UBI), a Socialist project to make everyone equal. Everyone will have the same money. Thus people will be forced to rely upon government handouts. The Covid furlough scheme was a dry-run for this; everybody went along like lemmings.

This income will be allied to a Social Credit score system, just as exists already in China. Your money will depend upon how compliant you are to government diktats. Dissent and you will lose some or all of your UBI.

Society will be divided in classes: those who comply, the dissenters, those in quarantine (pandemic threats will continue) and above all the superior Elite ruling class comprising a plutocracy. The superior class will have no restrictions and no limit on money. Ordinary people become serfs. This is already being programmed into the development of CBDC as whistleblowers in the IT development have exposed. The code is: CSRQ, standing for Common people (the majority); restricted (those troubling the government), the Quarantined (those interned for activism) and S = the superior class.

This is a return to feudalism and effectively creates a slave society submitted to lords.

As Agenda 2030 is fulfilled, the serfs will live in huge cramped urban mega-cities with the countryside forbidden to access. Only the superior class will be able to visit green spaces.

This is the Socialist dystopia that will begin to be developed once CBDCs come in. Control of universal digital money will enable the final total social control of the population.

- Paul Fahy, The coming economic collapse.

Needless Wars

Most wars need never have happened. All wars make billions for the bankers and corporatists. Wars are used by the Elite to achieve various ends and to make money. The Elite funds both sides of major wars and had done so since at least the Napoleonic Wars. This was when the Rothschilds took over the Bank of England and the financial systems in London. Note the elite corporations that aided Hitler, such as Ford or IBM or US firms that aided the USSR in the Cold War.

Wars and revolutions were planned by the cabal centuries before they occurred. Freemasonic leader Albert Pike wrote a letter in c.1870/71, that used to be visible in the British Museum¹⁰⁷ (until it was hidden by the Rothschilds), explaining the plan for three world wars and major revolutions in order to achieve certain objectives.

WWI was to eliminate certain monarchies, especially the Christian Romanovs and the Hapsburgs, begin the process of establishing a Jewish homeland in Palestine,¹⁰⁸ and to destroy Germany. WWII was again to destroy Germany, establish the USSR as a major power, and further enable the Jewish homeland in Palestine. The final war will be to destroy Christianity and the power of the West.

All the more minor wars are for specific purposes, many based upon serving the Yinon Plan to build a Greater Israel in the Middle East. This explains the Iraq War, the Syrian conflict, the Libyan attack, the Lebanese Wars, the Yemen conflict and other co-operative events (such as revolutions and missile strikes).

The current Ukraine conflict is a classic case. The Elite controlled media is blasting Putin (the Elite hate him and Russia)¹⁰⁹ and is controlling NATO to continue the war to the last dead Ukrainian soldier by sending arms and munitions to aid Zelensky. In fact, Russia has already won the war bar the shouting and now controls 20% of Ukraine (the size of England), which is what it seeks to do. The purpose was to stop the planned genocide of the Russian-speaking population in the Donbass and secure the independence of the DPR and LPR which was ratified by the UN and the Minsk Agreements (2014/15). The Ukraine cannot win against the far superior military resources of Russia and prolonging the fight is just

¹⁰⁷ W G Carr claims that the 1871 letter is held by the 'British Museum' ('Pawns in the Game', p.XVI).

¹⁰⁸ NB the Balfour Declaration to Lord Rothschild.

¹⁰⁹ See my paper, 'Why the West hates Russia'.

detrimental to the Ukrainian people, whose nation is already bankrupt and whose leadership are literally crooks.

The purpose of the Elite in this is to bleed Russia and severely weaken it ready for a later attack. The Elite care nothing about the welfare of the Ukrainian people, who are being devastated economically.

The Elite like wars for various reasons; one of which is to kill as many people as possible. Other reasons include: to distract from economic collapse; to make billions through funding both sides; to test new military equipment (note the needless atomic bombs in Japan, which targeted the two biggest Christian communities);¹¹⁰ to effect political changes; to control oil fields; to gain a strategic geo-political advantage; to establish a Rothschild central bank; to effect a superior plan (e.g. a Jewish homeland).

We do not need further analyse of multiple wars; suffice to say that they are all controlled by bankers and serve Elite interests.

Resources

General principles

The media

Those who manipulate the unseen mechanism of society constitute an invisible government which is the true ruling power of our country. ... Propaganda is the executive arm of the invisible government.

Edward Bernays, *Propaganda*, p37, 48.

None of the policies could be carried through were it not for a fully compliant media failing to expose the truth about what is going on. Media control ensures that there is no effective fourth estate confronting politicians doing bad things.

Now we could spend scores of pages analysing this (as I have done so elsewhere). The recent experience of the media during the Covid crisis proves that the Elite control the media completely. The only sound information (later proved to be accurate) emanated from censored independent channels, labelled as conspiracy theorists.

At one level the control is ensured by the few corporatists that own almost all the media. Probably as few as five people control over 90% of all media, including news and entertainment. The firms that have the most control are the usual suspects, Blackrock, State Street and Vanguard. This ensures overall policy control.

At a more cutting edge level, control is ensured by the domination of the secret services over the news narrative. This has been confirmed by whistleblowers who explained that the CIA dominated their news feed (e.g. Udo Ulfkotte). The news is centred in a few key outlets, such as Reuters or Associated Press and the newspapers get their information from these few controlled sources.

This results in utter lies being spouted, especially by the BBC. Literally, the reverse of what's actually happening is spouted on the news. This came to a head with the Syrian conflict and the Ukraine conflict. The continual news narrative was the reverse of what actually happened on the ground. I have exposed this many times.

I will give an example. The BBC reported that the Russians had bombed a certain hospital in Syria killing many innocent sick people and staff. This led to a worldwide denunciation of Russia for war crimes. Independent reporters of value went to the site to talk to locals. They reported that the aircraft involved was an American A-10 Tankbuster. This is a very distinctive, slow moving, ground attack warplane known as the 'Warthog' due to its ugly appearance. It is not a plane that can be confused with something else. Thus this was an American atrocity, not a Russian one. The data provided by the Pentagon on the attack was scarce and flimsy, just blaming Russia. RT did an interview with a Russian general who, for 15 minutes, gave a full presentation giving time, direction, compass points, speeds, maps and satellite data proving that the plane came from an American air base. No western media reported on this presentation or even mentioned it.

Another example involves the Telegraph correspondent Roland Oliphant, who was interviewed on the (usually excellent) *Planet Normal* Telegraph podcast (episode 95). He

continually pushed the mainstream anti-Russian view ignoring actual facts. At one point he mentioned the Bucha massacre whereby a soldier asks his commander if he could shoot certain people (to which this answer is yes). He said that these were Russian troops but the video of this conversation was uploaded and it is clearly Ukrainian military police forces. This is egregious lying.

The only way to get to the truth of what is going on is to ditch all the mainstream media channels immediately, especially the BBC. They are all liars and the more you watch them the more you will be led into deception. Just look at how many Christians were duped by media fearmongering to get the demonic vaccine, which is poison in a needle. The deaths are mounting up. Or how many churches closed down for months on end because of pressure from the media – one of the greatest sins of the church in history. Without constant fear and pressure from the government through the media these things would not have happened.

The Elite control the media and it is full of lies and serves to push their policies. It is demonic control over society.

The current engineered global crisis

Remember the Hegelian dialectic? The Elite intend on initiating global consternation and multiple crises to destroy societal infrastructure as a preparation for a Great Reset.

The Covid crisis restrictions, despite being an exceptional disruption all over the world, were but a preparation for an even bigger crisis that is unfolding this year. The Elite call it the 'Great Cull' whereby they get rid of billions of 'useless eaters'.

The end goal for fully bringing in world government and the Great Reset is 2030 but the first thing is to kill over 6 billion people.

I have already explained that the death rate from the Covid vaccine is really in the millions already, and this will get worse. It is mainly designed to kill over time so that the deaths are not associated with the vaccine. British excess deaths are currently way above average; on one week recently it was over 1300 above average. But the media or medical agencies are not linking this to the vaccine adverse effects.

But there are other plans afoot to kill people. These are coalescing to cause a mass die off by the end of this year. All directly result from insane government policies. There is an unprecedented tsunami of crises about to hit the world population.

The energy crisis

There are multiple strands in this:

- The Russian sanctions. This has boomeranged back on the West creating huge energy shortages. Germany and Austria are facing a catastrophe and are already rationing energy. Yet this is summer! If Russia turns off the other pipeline (it is closed for maintenance currently) then Germany will cease to operate because wind turbines cannot supply the necessary power. Already its GDP is threatened to drop 12.7% by the end of the year. Russia has maintained its profits by increasing energy exports to India, China, and Iran. France is currently deciding who to shut off power to (load shedding).
- Net-zero Green strategies. This ensures that efficient, cheap systems (coal, nuclear) are closed down, despite the fact that nuclear power stations are greener than wind farms.
- Failure of existing sustainable power systems. Power supply from wind turbines in the UK can be as low as 3% of the national requirement.
- Inflation. The cost of energy is increasing due to restrictions of supply. There is talk that a barrel of oil could reach the unprecedented price of \$380 soon. This would put food and energy costs through the roof.
- Cargo ships prevented from delivering cargo, such as LNG [liquid natural gas], due to Covid policies and wars.
- Destruction of facilities. Energy hubs in the US have been destroyed by explosions. This includes a liquid natural gas plant in Medford, Oklahoma. The Freeport, Texas, natural gas plant was also damaged by an explosion, which is out of action for a year. Much of the Freeport products are exported to Europe, so Europe is even more threatened. Then a natural gas facility in Willis, Texas (near Houston) exploded. These happening in the same time frame goes beyond accidental.

Inflation crisis

Caused by excessive money printing, especially the waste during lockdowns. This expansion of the money supply inevitably (as we all warned) causes inflation. That is a simple rule of economics, whatever the governor of the Bank of England says otherwise. It is also exacerbated by supply chain collapses caused by lockdowns.

The level of inflation is very serious and the highest since the 1990s. We are, in reality, already in stagflation (recession plus stagnant growth). But inflation could easily get to 25% in months. The PPI (Product Price Index) is already in the mid-teens. In some countries, like Turkey, inflation is already out of control.

- Massive rise in the cost of domestic energy.
- Massive spike in price of petrol and diesel. This feeds in to increased food and commodity costs.
- Continual rises in the cost of food products.

Food crisis

This has been engineered. There are various strands:

- Encouraging farmers to stop farming.
- Subsidising farmers to rewild instead of planting wheat.
- Massive cost of fertilisers so that many farmers imply did not plant wheat and such like.
- High cost of diesel, especially used by farmers, leading to food cost spikes.
- A serious drought in the American Mid-West has led to a very poor yield of corn.
- Demanding that farmers in The Netherlands cut livestock to 30% and meet nitrogen and methane Green targets, which will put half of the farmers out of business. One farmer was commanded to cull over 90% of his cows. The Netherlands is one of the biggest exporters of farm products in the world. Thus a major source of food is being threatened by political decisions in a time of food crisis.

- Destruction of over 100 food processing plants in the US and some other nations. This is sabotage, being caused by arson and explosions.
- Termination of freight contracts to distribute food in the US.
- Culling of millions of chickens due to a fake threat of Covid.
- Entire herds of hundreds of cattle have been found dead in the fields.
- Supply chain breakdowns means that livestock producers in the US are only days away from running out of animal feed.

All of this means that there will be devastation next autumn/winter. Poor people will be not only starving but also cold and unable to drive their cars. There will be social unrest, food riots and possibly revolutions in some countries. Cities will be hardest hit and the most likely to see social disruption.

Social upheaval has already started in Sri Lanka and the government has collapsed; this is a model for other nations later this year. Mobs overran government buildings. There is no food, no fuel, no transport, no government, debt default, the currency has collapsed. Sri Lanka was previously a comparatively stable, prosperous country with a thriving tourist industry.

But all this has been the Elite plan for some time. They desire a food and energy crisis that will kill lots of poor and frail people and also lead to social unrest and societal collapse. This will be followed by an economic collapse. In the ruins of western society, the Elite hope to build their dystopia – the Great Reset. As society falls apart, they will be in their bunkers and secluded islands, which they have prepared to deal with what is coming.

Economic collapse

This has been underway for years and was always inevitable due to the foolish policies of the Fed and governments. Quantitative Easing is the main culprit. You cannot print trillions of currency, with low productivity, and not get inflation.

Saudi Arabia may be about to ditch the Petro-Dollar. This alone will collapse the American economy. China has encouraged Saudi Arabia to join BRICS.

The Russian rouble is soaring against western currencies (the opposite effect intended by the sanctions) and trade between Russia, China, Iran and the BRICS nations is thriving.

Chinese banks have already enacted bail-ins and customers are rioting to try to get their savings back.

Over 100 countries are in a sovereign debt crisis.

As interest rates rise to combat inflation the housing market will collapse. In the 90s mortgage interest rose to 15%. The current rapid rise in inflation means that similar rates are likely.

The Sri Lanka economy has already collapsed due to bad government choices and lockdowns.

Inflation in the West is at a 40-year high and getting worse by the week.

The Elite intend to collapse the global economy at the end of multiple other crises so that they can start up their Great Reset, with a global currency based on a Central Bank Digital

Currency (CBDC). This will be the beginning of a socialist system being rolled out across the world.

Section 4: Epilogue

What do we do about all this?

Whenever I talk to people about this subject, people who know absolutely nothing about it, the immediate question is, ‘*What can I do about this?*’.

In fact, there is usually a range of reactions to being presented with this information. These span from anger (shooting the messenger) to depression to introspection and to fear. These are all reactions from immature personalities. Characters that have not properly developed their personality to be strong and rigorous tend to react to bad news with weakness instead of determination.

The general problem is cognitive dissonance.¹¹¹ They simply cannot conceive that people in control of society could be psychopaths intent on evil. The truth is too difficult to compute. It means that their whole worldview has to be irrevocably changed – and that is too uncomfortable; except for strong-minded people.

But for those who genuinely want to know what to do, here are some thoughts.

Be fully informed

Now that you know that the news is lying to you and that there is massive cover up about what the real agendas are, determine to be more careful and better researched about the information you absorb. Commit yourself to be a searcher for truth and not content with the drivel that you have been drip-fed.

Make a firm decision to be consistent. This will mean completely ditching mainstream media. Stop watching the lying BBC and other mainstream broadcast channels. Stop buying a newspaper. Find alternative sources (I have provided suggestions in other papers). As a one-stop regular sound news source I would suggest the *UK Column* news broadcast four days a week. This gives excellent analytical and well-sourced content from people that I trust. From this source you will gradually find other trustworthy sources over time.

Truth is liberating

Those who do not bother to research these issues are in bondage to the lies and deception put forth by the government. These lies create compliant slaves. The only way out of this control is the truth. Therefore, people should be glad to receive this information and set themselves free.

And you shall know the truth, and the truth shall make you free. Jn 8:32

Tell other people

There is an awakening going on. The mainstream media channels, such as CNN, are collapsing; nobody trusts them anymore and advertisers are fleeing. They are only being propped up by donations from the Elite, but are still having to sack thousands of employees.

The reason is that more people are becoming aware of the truth and are ditching the lying sources. We need more and more people to awake to what is going on so that a momentum

¹¹¹ The state of having inconsistent thoughts, beliefs, or attitudes, especially as relating to behavioural decisions and attitude change.

builds up that will help us confront and change the societal decline. People must start saying 'no'.

Make people accountable

The more people that wake up, the more everyone should make those in charge accountable for the destructive measures in society. This means writing to your MP about issues that particularly concern you. Write to government bodies and regulators, such as the MHRA that is utterly corrupt and in hock to Bill Gates. Stand up for children and speak to headmasters or complain to school boards.

Years ago I had a meeting with my daughter's headmistress about a certain issue. It turned out that she had no background knowledge to this issue at all and removed it from the curriculum. One person can make a difference.

My advice in confrontation with authorities is: be courteous, polite, well-prepared and have good source documentation ready to hand.

Be prepared

Ensure that you are stocking up on long-lasting food products and necessary infrastructure items: batteries, candles, wind-up lanterns, torches etc. Get a water filter. Arrange for water storage in the garden.

Don't buy into new Elite strategies

Now that you know about a few Elite plans make sure that you become aware of new strategies that the Elite bring out and refuse to accept them. Eating insects instead of meat is a strategy beginning to be rolled out. Utterly refuse to be a part of that. Don't even think about buying insect products and stop your children eating them at school.

Why are insects being pushed for food? Because this contradicts the commands of God for mankind. It defiles a human being in the sight of God.

And every creeping thing that creeps on the earth shall be an abomination. It shall not be eaten. Whatever crawls on its belly, whatever goes on all fours, or whatever has many feet among all creeping things that creep on the earth -- these you shall not eat, for they are an abomination. Lev 11:41-42

Neither shall you defile yourselves with any creeping thing that creeps on the earth. Lev 11:44

Conclusion

This paper is longer than I intended, and yet it is far from complete. This is but a taster of the complex structure and strategies of the global Elite.

Unless you are happy to be a victim of the Elite's psychopathic goals, you need to develop some understanding of what is going on in order to protect yourself and your family. Christians also must not comply with satanic demands hidden in deception.

For example, millions will die from the Covid vaccine (officially over 77,000 have already died in the West); if these victims had known about the Elite's methods and goals, they would have refused to accept it. Vaccines are vectors of sickness and death; the Covid vaccine takes this to genocidal levels.

The Elite will continue in their domineering plans but only according to God's will. The divine hand is really in control of all things and the Elite satanic domination of the world

will be temporary. Christians should have hope as they see Elite plans cementing because it shows that the Return of the Lord Jesus to change all things is getting closer.

Understand what the Elite is doing so that you can protect yourself and warn other people, but do not get into despair; be confident and hopeful in God; our times are in his hands.
