

Explain the Messianic Hope. Conclusion.

What was the purpose of God in his decree to save the elect?

It is explained in verses like this, 'This people I have formed for myself; they shall declare my praise'; (Isa 43:21) or 'the manifold wisdom of God might be made known by the church' (Eph 3:10). God is the fulness of perfection and desired to create a universe that reflected his perfection in a material way since he is invisible. As his glory and virtue are manifestations of personality, a rational creation (man) was also necessary to express character. This necessitates man knowing good and evil but choosing good. The plan of salvation was designed to produce an elect people saved from evil and brought into relationship with God; it also secures a demonstration of holiness and justice in hell. **Synopsis -**
