

The character of Satan

And his manifestation in the ruling powers

Introduction

The Bible explains exactly what Satan is like. It also informs us what Satan plans for the future and that God temporarily allows him to erect a world empire in his image.

This paper analyses Satan's personality and shows how this is reflected in the actions of the global Elite cabal that rules over nations.¹

The reversal of God's testimony

Satan is a created, immaterial spirit-being, or angel, meant to serve God. He is a superhuman, personal, evil, world-power, who acts as the adversary both of God and men.

Thus Satan supremely both hates and envies God.

Aside

Satan is certainly the enemy both of God and man.

It is usually considered that Satan is the enemy of man because of his intense hatred and opposition to God. However, Scripture appears to indicate that Satan's jealousy and hatred of men led him into antagonism to God and, consequently, to goodness. The speculation is that the creation of man on the Earth led to Satan's anger, jealousy and revolt; perhaps indicating that he had some original stewardship over God's realm.

Satan, as the creation of God, was originally good; yet he became 'the evil one' (Matt 13:19, 38). This is in opposition to God as the Holy One (Isa 1:4). Moral evil is his controlling attribute. This moral evil is the creation of Satan's free will. We are not told in definite terms how Satan became the evil one, but it could only be by a fall, whereby, by freewill choice, an evil will takes the place of a good one.

Satan would like to destroy God and usurp his whole creation, lording it over the universe. But this is impossible; Satan (as a creation of God) has an infinitesimal fraction of the power of the omnipotent God. He cannot hope to have any negative effect on the Person of God.

So Satan seeks to destroy everything he can of the material testimony of God in the world (which he is limited to). Satan wants to mar everything visible of God; both in terms of the material creation (e.g. by pollution) and the morals of mankind (through sin).

Satan does not own the world or have power over all natural creation. Satan controls people in this world through sin thus making him:

¹ See many others of my papers analysing this topic.

The prince of this world. Jn 12:31, 14:30

The prince of the power of the air. Eph 2:2

The god of this world. 2 Cor 4:4

The spirit that now worketh in the children of disobedience. Eph 2:2

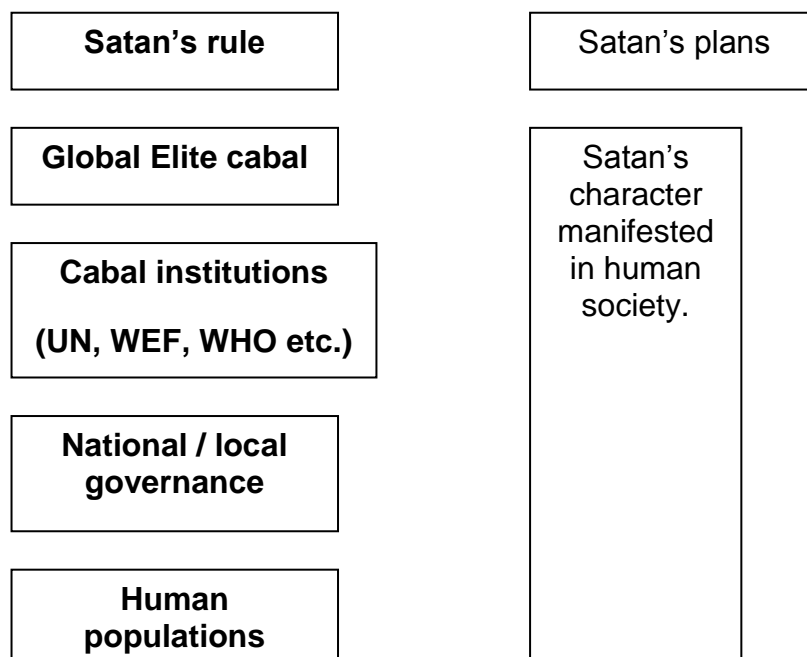

Thus Satan is engaged in the great reversal; the reversing of everything that speaks of God in the world. This is an inversion where everything normal is turned upside down.

Thus all good is rendered into evil; righteousness into lawlessness; love into hate; compassion into cruelty; beauty into ugliness; order into chaos and so on. Each successive new movement of Satan in the world brings us closer to a full manifestation of the character of the Devil in society.

Thus the chief objects of Satan's anger are those things that most testify to the character of God: pure Christianity (dogmatic truth) and the family unit (the testimony to the loving community in the Godhead) for example. After these the targets are the Christian and godly principles upon which Western societies are founded; such as just laws, godly governance and philanthropic institutions (e.g. hospitals, orphanages). A special target is children; whom Satan hates because God loves. This is why there is so much child slavery and trafficking plus ritual murder and abuse.

Satan's plan is reflected in his strategic purposes through men represented in the 'Great Reset' of the Elite cabal. 'Building back better' is just enacting the great reversal. The cabal is just the servant of Satan fighting against God and all that represents God.

So as we understand the characteristics of Satan so we see a commensurate illustration of these in the plans of the cabal.

Satan's names = his character

Satan's proper names

Satan

Adversary. The Hebrew verb '*satan*' means 'to lie in wait' (as adversary). The Greek word 'Satan' is from the word *satanas*, meaning 'adversary'. Satan is an adversary because he is hostile to all goodness and the foe of God and man.

We could illustrate his character as adversary in such actions as:

- Aiming to undo the work of God (e.g. Mk 4:15). Reversal of God being the Creator and author of all goodness.
- Tempting man to sin, trying to get man to renounce God (Job 2:15; Matt 4:9-10). Reversal of God creating man to be righteous and holy.
- Trying to hinder men from finding God's salvation (Zech 3:1-2). Trying to reverse God's deliverance of the elect from the kingdom of darkness.

Satan is thus the ultimate adversary or opponent of God.

The Devil

Greek *diabolos*, meaning 'adversary' or 'slanderer', 'false accuser'. Not used in the OT.

These are the proper names of Satan; the rest of his titles are descriptive terms only.

Lucifer

This is the preferred name used by the global Elite cabal and many other occult groups. It appears in the Bible in Isa 14:12 where it is ascribed to the King of Babylon, but by figurative extension to Satan. The following text implies a being more than a mere man, 'How you are fallen from heaven, O Lucifer, son of the morning! How you are cut down to the ground, You who weakened the nations! For you have said in your heart: "I will ascend into heaven, I will exalt my throne above the stars of God; I will also sit on the mount of the congregation on the farthest sides of the north; I will ascend above the heights of the clouds, I will be like the Most High".' (Isa 14:12-14).

Lucifer means: 'light-bearer', 'shining one', 'morning star'. Occultists use this name to indicate wisdom and the bringer of revelation or enlightenment. Thus we have Luciferianism; the religion devoted to Lucifer as a Gnostic revelation.

Lucifer holds different places in occultism. To many, Lucifer is the personification of the independent, self-conscious mind. To Satanists, Lucifer is the most powerful god. In Mormonism, Lucifer is the brother of Christ who offered himself as redeemer but was rejected by God and then rebelled.

Lucifer is not a primary name for Satan in the Bible.

Titles

- Apollyon (Gk) / Abaddon (Heb); = the destroyer (Rev 9:11).
- Tempter (Matt 4:5; 1 Thess 3:5).
- Beelzebub (Greek, Beel'zebul): 'lord of the house' (Matt 10:25 12:24,27; Mk 3:22). It is probably the same as Baalzebub the god of Ekron, meaning 'the lord of flies', or, 'the lord of dung'.

- Enemy (Matt 13:39).
- Evil One (Matt 13:19, 13:38; 1 Jn 2:13-14; 3:12, 5:18).
- Belial: worthlessness, frequently used in the Old Testament as a proper name. It is first used in Deut 13:13. It is translated 'wicked' in (Deut 15:9; Ps 41:8, 101:3; Prov 6:12) etc. In the New Testament it is found only in 2 Cor 6:15 where it is used as a name of Satan. The expression 'son' or 'man of Belial' means simply a worthless, lawless person (Judg 19:22 20:13; 1 Sam 1:16 2:12).
- Adversary (1 Pt 5:8).
- Deceiver (Rev 12:9).
- The Great Dragon (Rev 12:3).
- The serpent (Gen 3:1ff; Rev 12:14-15, 20:2).
- Father of Lies (Jn 8:44).
- Murderer (Jn 8:44).
- Sinner (1 Jn 3:8).

Occultism

Taking occultism as a broad term for all types of pagan religion and mystery cults, Satan has used many levels of idolatry and occultism (magic, spiritualism and divination) in order to absorb human worship and also control groups of people.

Thus Satan has hidden behind this or that god, starting with the worship of the sun god in Sumer established by Nimrod.² As the Sumerian, then Babylonian, pantheon developed this was then exported to other pagan countries over time and various differences emerged. Satan was usually worshipped as the chief God (say Saturn / Kronos) or sometimes by several gods (e.g. the sun god, the creator god, the storm god, the god of death, the god of war). In general, the lesser gods were ascribed to various demons who thrived on this worship. All submission and reverence to pagan gods is worship of demons.

But the rest of mankind, who were not killed by these plagues, did not repent of the works of their hands, that they should not worship demons, and idols of gold, silver, brass, stone, and wood, which can neither see nor hear nor walk. Rev 9:20

They shall no more offer their sacrifices to demons, after whom they have played the harlot. Lev 17:7

They sacrificed to demons, not to God, to gods they did not know. Deut 32:17

They even sacrificed their sons and their daughters to demons. Ps 106:37

² Nimrod was the self-deified sun god but acted as the representative of Satan.

The things which the Gentiles sacrifice they sacrifice to demons and not to God, and I do not want you to have fellowship with demons.
1 Cor 10:20

Now the Spirit expressly says that in latter times some will depart from the faith, giving heed to deceiving spirits and doctrines of demons.
1 Tim 4:1

As Satan worship progressed beyond ancient paganism so it became more refined. Satan became affiliated with certain tropes in certain cults. In Freemasonry he is represented by Baphomet, sometimes called the 'Goat of Mendes' in certain witchcraft sects. This is a half man half goat with a goat head, legs and horns plus wings. Presumably the goat was chosen because Christ is the lamb of God and at the end the sheep, Christ's followers, are separated from the goats (who go to Hell). The term 'Baphomet' originated in the trials of the Knights Templar beginning in 1307 but became popularised in the 19th century amongst occult groups. So the idea of the Devil as a horned god is quite late, unless you attribute the Greek god Pan to Satanism.

The 'horned god'³ became a popular description of Satan and this is how many people imagine him. But this has nothing at all to do with the Biblical teaching which treats Satan as the anointed cherub⁴ (Ezek 28:14), 'perfect in beauty' (Ezek 28:12, 17), the 'son of the morning' (Isa 14:12) who casts himself as an 'angel of light' (2 Cor 11:14).

Amongst the occult Elite, Satan is worshipped as Lucifer, the personification of wisdom and enlightenment. Lucifer brings revelation and mind expansion to his followers so that they consider themselves the rightful rulers of the world because they alone are wise enough to control humanity and planetary resources.⁵ Their insanity (way beyond hubris and arrogance) is revealed in their strategies, which are actually destroying the planet, animals and all humans.⁶

³ Herne the Hunter is not a personification of Satan but a modern poetic folklore figure representing a Celtic or Romantic tradition about nature; he is a ghost in the Windsor Forest. The origin of Herne is in the Shakespeare play, 'the Merry Wives of Windsor' (1597).

⁴ Special servant of God.

⁵ The Rockefellers have actually admitted this.

⁶ Just one example: offshore wind turbines are killing cetaceans in large numbers by damaging their sonar receptors causing them to beach.

The characteristics of Satan

Satan is our opponent

Your adversary the devil. 1 Pt 5:8

Both the name 'Satan' and the name 'Devil' mean an adversary. Being an adversary means opposition, contrariness, perverseness, antagonism and attack. We have an unrelenting foe in Satan.

Satan is the adversary of all men, not just Christians. Though he deceives many to be his servants with promises of wealth, power and luxury, he will turn on these at a moment's notice because he does not love human beings but hates them as the creation of God.

His character is to be an adversary; he is adversarial by nature. He is not someone to be placated. He is not peaceful. He is never satisfied. He delights in opposition. He is reproachful.

Application to the Elite cabal

The Elite cabal is equally our adversary. Everything the cabal does in the world is adversarial because they also hate ordinary people, seeing themselves as superior to ordinary men, whom they view as cattle or dogs.

Consequently, they have no qualms in pursuing their goal of eradicating 95% of the world's population to serve their interests in controlling the world for themselves.

Every policy they come up with is adversarial, perverse and destructive. They try to hide this in a superficial cover of terms like 'sustainability', 'diversity', 'equality', 'social justice' and such like, but underneath the agenda is destructive to people and the planet. For example the Net-Zero Green agenda will impoverish all human beings. It will de-industrialise society taking it back to medieval serfdom. It will wreck economies. It will bring famine and power shortages. It will collapse the standard of living for the West. It will excessively oppress the poor. It is already killing millions of bats, insects and birds and causing cetaceans to beach and die in huge numbers. Yet this is pushed as saving the planet.

The Elite cabal is the adversary of mankind.

Satan is our accuser

The accuser of our brethren, who accused them before our God day and night. Rev 12:10

The word 'Devil' also means accuser as well as adversary. The Devil accuses because he is our opponent.

Satan particularly accuses Christians to try to get them depressed and ineffective. He points out our sins and weakness and accuses us to God. However, satanic accusations are also used against all men to secure certain goals.

Application to the Elite cabal

The Elite constantly use accusations in order to achieve their objectives in the world.

They accuse politicians that they want to control by exposing their crimes and misdemeanours. The evidence is then used to blackmail them into securing their compliance to cabal directions. Often a complex sting operation is set up to film people in incriminating situations.

Threats and accusations are used to scare people off that are causing trouble and hindering cabal plans. The accusations will include public exposure but also threats of violence, bankruptcy and even assassination.

Satan is a destroyer

They had as king over them [demons, as locusts] the angel of the bottomless pit, whose name in Hebrew *is* Abaddon, but in Greek he has the name Apollyon. Rev 9:11

The title Apollyon, which means destroyer, is attributed to Satan.

Satan's character is to destroy. This is in opposition to the attributes of God which are all about building something good; such as the work of God in creation which originally was 'very good' (Gen 1:31). God saves, God reconciles, God delivers from darkness, God loves with a steadfast love, God is merciful, God restores, God builds up, God provides – we could go on an on. God builds but Satan destroys.

Application to the Elite cabal

Like their master the Elite cabal cannot help but destroy. They claim to be intent on building a better world under their direct control but their plans will destroy the world.

Everything the Elite does is destructive:

- The Elite system of allopathic medicine is slowly destroying people. E.g. chemotherapy has a 97% failure rate⁷ because it destroys the immune system.
- The Elite banking system is about to collapse the Western economic structure. Over 200 American banks are about to fail; several have already failed. Banking debt is out of control as the Ponzi scheme is about to burst. National debt is unsustainable. Eastern nations are now de-dollarising fast and joining the BRICS union.
- The toxins in most supermarket food, provided by Elite corporations, are fast ruining the health of people. (E.g. transfats, high fructose corn syrup, polyunsaturated spreads, seed oils, GM food containing glysohate, etc.)
- Insecticides and herbicides are killing pollinators and harming local people.
- Agricultural biosludge is destroying rivers.
- Chemicals sprayed out of aircraft to control the weather are poisoning people, plants, animals, the water supply and the earth.
- Vaccines are injuring and killing people.

⁷ Journal of Oncology.

- The 5G-telecommunication network is highly dangerous and has the capacity to kill people and animals by EMF radiation.
- The planned termination of farms to grow food will destroy the food supply.

We could go on and on.

Satan is dark

Satan is associated with darkness (2 Cor 11:14; Lk 22:53; Eph 6:12; Col 1:13). His power is that of darkness. Salvation is being delivered from that darkness; 'He has delivered us from the power of darkness and conveyed us into the kingdom of the Son of His love' (Col 1:13).

Darkness suggests evil, sin, wickedness, death, danger, secretive planning, unrighteous motives.

Because Satan is darkness, there is no light in him. Thus any manifestation of Satan claiming to be light is a lie and deception (2 Cor 11:14).

Contrariwise, God is light: 'God is light and in Him is no darkness at all' (1 Jn 1:5). 'The LORD will be to you an everlasting light' (Isa 60:19). 'Jesus spoke to them again, saying, "I am the light of the world. He who follows Me shall not walk in darkness, but have the light of life"' (Jn 8:12).

Application to the Elite cabal

Everything the Elite cabal does is dark; the Elite live in a world of psychopathic darkness and insanity.

For example, their current plans to destroy farms and food production to create world famine is truly dark. Sane people cannot imagine such a crazy thing; yet it is currently underway.⁸ Spraying a multitude of chemicals from aircraft into the sky, all of which are harmful or even deadly,⁹ is dark yet it is happening constantly.

Satan is violent

You became filled with violence within, and you sinned; therefore I cast you as a profane thing out of the mountain of God; and I destroyed you, O covering cherub, from the midst of the fiery stones. Ezek 28:16

⁸ Millions of chickens and cattle have been culled on false pretences. Food supply chains have been destroyed. Over 100 food processing plants globally have mysteriously burned down in a short time frame. Farms are being purchased by Elite figures such as Bill Gates. Farms are being forced to close down by governments, such as The Netherlands (planning to close 90%). Eating meat is planned to be terminated. Farmers are being paid off to stop agriculture and grow wild flowers. Chemtrails are stopping the planting of grain crops because it is too wet. Fertiliser has become too expensive for farmers to use due to Elite policies (e.g. sanctions against Russia).

⁹ E.g. aluminium oxide (causes dementia), barium (causes cancer), strontium (causes cancer), mercury (nerve toxin), arsenic (killing poison).

This is initially in a section denouncing the King of Tyre but which is figuratively applied to Satan who was actually cast out of the mountain (kingdom) of God (heaven).

It shows us that part of Satan's rebellion against God in heaven included being filled with violence. Violence is a key aspect of Satan's character.

Application to the Elite cabal

The cabal dwells in violence and violent schemes. It constantly foments war, aggression and illegal military conflicts. In the last 150 years it has caused scores of millions of unnecessary deaths.

It commits acts of violence in the medical profession constantly. Vaccination is an act of violence upon people causing injury, sickness and death. Millions have been killed by vaccinations while others have been paralysed, blinded, suffered amputation, made deaf, and many other injuries.

Rampant violence by the controlled police is another tactic of the Elite. The Covid chaos proved this categorically whereby the police turned into the Gestapo, violently attacking and assaulting even old ladies engaged in peaceful protests or young girls for not wearing a facemask.

People that constitute a problem for the Elite are frequently assassinated. Sometimes these are celebrities such as JF Kennedy, who threatened to cast the CIA to the four winds, but often they are unknown people, such as doctors that cured cancer.

However, the worst example of violence against people by the cabal is the depopulation agenda. This utilises many strategies, from chemtrails to manufactured pathogens, to destroy as many people as possible. The plan of the Elite is to kill 95% of the world population in the next two years. The Covid vaccine has already killed 20 million of them.

Satan is a murderer

You are of your father the devil, and the desires of your father you want to do. He was a murderer from the beginning, Jn 8:44

Over and above violence, Satan is an active murderer, through his proxies on Earth. Satan revels in death because God is the giver of life.

The first murder was a demonically inspired jealousy killing when Cain slew his brother Abel.

On the larger scale this would include wars whereby Satan tempts a king to invade another country for profit and hundreds of thousands of lives are lost. On a smaller scale this involves the murder of individuals for a variety of reasons.

Prolific murderers, i.e. serial killers, are those who are so demonised that they enjoy the act of taking someone's life. Perversely, many serial killers were satanically-inspired women. Sometimes these were women in power, such as Hungarian Countess Elizabeth Bathory [1560-1614] but more often simple working class women, such as those that killed many children, such as Amelia Dyer [1836-1896]. Often murders are more ad hoc, such as caused by mugging, jealousy, rage, money, power or anger.

Sometimes satanically-inspired killing is turned into a corporate enterprise, such as Murder Incorporated led by Jewish American mobster Meyer Lansky.

That through death He [Christ] might destroy him who had the power of death, that is, the devil. Heb 2:14

Satan has the power of death not as lord but as an illegal executioner. He kills. Only God has absolute power over life and death but Satan, lawlessly, robs people of life through his various schemes involving people.

Application to the Elite cabal

We have already noted that the Elite cabal engages in killing people frequently, and even in genocide. Routinely the cabal murders people that pose a threat to its interests, whether these be politicians (e.g. JFK), whistleblowers (e.g. David Kelly),¹⁰ opposing celebrities (e.g. General Patton), people that know too much (e.g. Princess Diana) and so on.

The current conflict in Ukraine is an example of satanic blood lust. Hundreds of thousands of people have been needlessly killed but the cabal continues to drive NATO nations to keep the war and death going. Russia sought peace two years ago and three more times since – to no avail.

Satan torments men

And he opened the bottomless pit, and smoke arose out of the pit like the smoke of a great furnace. So the sun and the air were darkened because of the smoke of the pit. Then out of the smoke locusts came upon the earth. And to them was given power, as the scorpions of the earth have power. They were commanded not to harm the grass of the earth, or any green thing, or any tree, but only those men who do not have the seal of God on their foreheads. And they were not given authority to kill them, but to torment them for five months. Their torment was like the torment of a scorpion when it strikes a man. In those days men will seek death and will not find it; they will desire to die, and death will flee from them. Rev 9:2-6

‘Locusts’ here refers to demons. Their power is like scorpions; that is, the sting is in the tail not the obvious claws. In other words, deception.

Satan sends out his demons to torment men because he hates the creation of God.

Application to the Elite cabal

Following Satan, the Elite torment men and mankind in general. They oppress, persecute, attack, despoil and ruin people.

¹⁰ UN weapons inspector.

This is done in multiple ways: through excessive taxation, through inflation, through oppressive regulation, through social restrictions, through toxic medication intended to harm, through toxic food, air and water, through wars, through perverse media and so on. The cabal delights in causing torment.

Satan tempts men

Now when the tempter came to Him. Matt 4:3

Now when the devil had ended every temptation, he departed from Him until an opportune time. Lk 4:13

Lest by some means the tempter had tempted you. 1 Thess 3:5

At the beginning of his ministry the Lord himself was severely tempted by the Devil for 40 days and nights to no avail. If the Devil thought that this was worth trying how much more does he tempt ordinary people?

Temptation, using deception and false promises, is one of the main activities of the Devil. He tempts men to suit his purposes in the world. Temptation to sin is not the primary goal, though he delights in that, but the purpose is always strategic. Satan works to a plan. A key issue is to try to get men to lose faith in God, disobey him, deny him and rebel against him. That was the goal of the first temptation in Eden.

Application to the Elite cabal

The Elite use the power of temptation all the time. Vainglorious politicians are constantly tempted by the promise of greater political power. People who thus willingly submit to this temptation are thrust into places of global influence to serve a greater purpose – even if they are intellectually or emotionally incapable of coping with such power. Joe Biden is an obvious example, but there have been very many other unsuitable people in significant power. History is full of weak people leading nations into ruin.

Satan brings about loss and injury

And behold, there was a woman who had a spirit of infirmity [demon] eighteen years, and was bent over and could in no way raise *herself* up. But when Jesus saw her, He called *her* to *Him* and said to her, 'Woman, you are loosed from your infirmity'. And He laid *His* hands on her, and immediately she was made straight, and glorified God. ... So ought not this woman, being a daughter of Abraham, whom Satan has bound -- think of it -- for eighteen years, be loosed from this bond? Lk 13:11-13, 16

This includes sickness, loss of property and bereavement. It must be emphasised that this is limited by the permission of God who oversees this to his own end (Job 1:10-22, 2:4-7).

Now He arose from the synagogue and entered Simon's house. But Simon's wife's mother was sick with a high fever, and they made request

of Him concerning her. So He stood over her and rebuked the fever, and it left her. And immediately she arose and served them. When the sun was setting, all those who had any that were sick with various diseases brought them to Him; and He laid His hands on every one of them and healed them. And demons also came out of many. Lk 4:38-41

Certain women who had been healed of evil spirits and infirmities. Lk 8:2

Satan went out from the presence of the LORD, and struck Job with painful boils from the sole of his foot to the crown of his head. Job 2:7

As they went out, behold, they brought to Him a man, mute and demon-possessed. And when the demon was cast out, the mute spoke. Matt 9:32-33

Application to the Elite cabal

The Elite cabal has flourished in causing loss for centuries. They do this through causing loss of life, loss of reputation, loss of goods, loss of livelihood, loss of savings, loss of health, loss of family and loss of friends.

The ways in which the Elite cause loss is too varied and extensive to delineate here; it would require many volumes to analyse this.

One example is the wicked Covid vaccine, which is not a vaccine (that is now official)¹¹ but an unsafe gene treatment. This causes a multiplicity of loss. It causes loss of general health by suppressing the immune system. It has caused a loss of babies. It causes organ damage, such as myocarditis (which eventually kills), ovary damage, brain damage, nerve damage etc. It causes massive blood clots. It causes a nano-technology build up of self-assembling chips through micro and nano polymers and graphene. It is toxic in multiple ways. It has caused amputations of limbs. It causes brain fog, enervation and debility. We could go on. This single Elite strategy causes massive loss in billions of people.

¹¹ Recently a ninth circuit American court ruled that the Covid vaccines were not vaccines. The good news is that this opens the way to prosecute everyone involved.

Satan is proud and arrogant

How you are fallen from heaven, O Lucifer, son of the morning! How you are cut down to the ground, you who weakened the nations! For you have said in your heart: 'I will ascend into heaven, I will exalt my throne above the stars of God; I will also sit on the mount of the congregation On the farthest sides of the north; I will ascend above the heights of the clouds, I will be like the Most High.' Yet you shall be brought down to Sheol, to the lowest depths of the Pit. Isa 14:12-15

This is a reference to the King of Babylon but by figurative extension also to Satan as Lucifer (light bringer).

It is thought to be excessive pride that led to Satan's rebellion against God in heaven. Being a beautiful and powerful angel, he desired to claim the throne of heaven and Earth and led a third of the angels to revolt against God. Michael and the legions of heaven defeated him and threw the rebels out casting them down to Earth.

The pride of the Devil is symbolised by the sea monster Leviathan. 'He [Leviathan] beholds every high thing; He is king over all the children of pride', (Job 41:34). Leviathan is pictured as a scaly monster (v15) breathing smoke and fire (v19-21); invulnerable to pointed weapons (v26-29). This suggests a dinosaur or a dragon.

The Devil is called a serpent and a dragon, so a saurian¹² sea creature is a suitable symbol for him. Like Leviathan, Satan cares about no one, is subject to no one and does what he pleases with no compunction about anyone. He is cruel, lawless and unrelenting. He cares only about devouring; unlike Leviathan he eats up mankind's worship, submission, loyalty, artifice, and the vainglorious testimony of wicked actions.

Application to the Elite cabal

Like their master, the global Elite are full of hubris and arrogance. It is not uncommon that in their arrogance they make mistakes and overreach themselves.

If you check the biographies of Elite figures, you will see that they routinely state that they should rule the world due to their vast wealth and wisdom (e.g. John D Rockefeller). Or they set themselves up as lords over lesser people of no value, such as Henry Kissinger who stated that old people were '*useless eaters*'.

¹² Lizard-like reptile.

Satan is a liar and deceiver

He is a liar

The devil ... *does not* stand in the truth, because there is no truth in him. When he speaks a lie, he speaks from his own *resources*, for he is a liar and the father of it. Jn 8:44

He makes people lie

Why has Satan filled your heart to lie to the Holy Spirit. Acts 5:3

He makes people betray friends using lies

And supper being ended, the devil having already put it into the heart of Judas Iscariot, Simon's *son*, to betray Him. Jn 13:2

He deceives nations

The great dragon was cast out, that serpent of old, called the Devil and Satan, who deceives the whole world. Rev 12:9

He cast him [Satan] into the bottomless pit, and shut him up, and set a seal on him, so that he should deceive the nations no more till the thousand years were finished. Rev 20:3

Now when the thousand years have expired, Satan will be released from his prison and will go out to deceive the nations. Rev 20:7-8

He has many devices

Lest Satan should take advantage of us; for we are not ignorant of his devices. 2 Cor 2:11

‘Devices’ (*noema*) means: a mental perception, a thought, an evil purpose, that which thinks, the mind, thoughts or purposes. Here it refers to an evil purpose that seeks to take advantage over others. The Devil uses plans and strategies in order to capture or deceive people so that he can use them to his evil purposes.

Put on the whole armour of God, that you may be able to stand against the wiles of the devil. Eph 6:11

‘Wiles: (*methodeias*) means ‘methodical stratagems’, ‘cunning arts’, ‘deceit’, ‘craft’, ‘trickery’.

Deception

The chief weapon in Satan’s arsenal is deception. Satan gets people to do his will by deceiving them. He uses any means possible to do this and tailors his deceptions to the character of his victims. To some he tempts to sin using the enticement of money; to others sex; to others drugs; to others power; to others fame; etc. What he wants is control.

None of these things satisfy and those following the deception end up being addicted to more and more of the same, never finding contentment. But they are then under the thumb of the Devil.

The essence of deception is falling aside, falling away, being diverted from the true path, being misled. The basis of the deception is a lie painted as the truth. In some cases Satan even disguises himself as an angel of light to fool people into false religious teachings and experiences (2 Cor 11:14). The established church is filled with people claiming to be Christian but who serve the purposes of the Devil. Many famous church leaders are proven Freemasons, who follow the Devil.¹³

Application to the Elite cabal

The work of the Global Elite is filled with deception and lies.

Just take the Covid crisis; everything that the government was forced to state was a lie; everything. There was no pandemic. Covid was not a serious infectious disease but the rebranding of flu. The death rate in 2020 was entirely normal (after the vaccine rollout it skyrocketed). Facemasks did no good but did serious medical harm. PCR tests could not make a diagnosis but did cause harm. Lockdowns were monumentally damaging. Stopping kids being at school was pointless but hugely damaging. Social distancing was stupid. Track and trace was pointless. The vaccines were neither safe nor effective. Giving sick elderly people in care homes Midazolam and morphine was effective manslaughter. Giving Remdesivir to people with a respiratory disease was injurious. We could go on.

Everything about the Ukraine conflict is a lie. Everything about Israel's conduct in Gaza is a lie. Everything you are told about the economy is a lie. Nearly everything you are told about history is a lie; certainly the history of the 20th century. It goes on and on.

The Elite lie continually without compunction.

Satan sifts people

And the Lord said, 'Simon, Simon! Indeed, Satan has asked for you, that he may sift *you* as wheat'. Lk 22:31

'Satan has asked for you'

That is, all the apostles: the plural pronoun, proves that the words were not addressed to Peter alone. We see by this that the devil cannot tempt a disciple unless he receives permission (cf. Job).

'May sift you as wheat'

Grain was shaken in a fan or sieve. The grain remained in the fan, and lighter chaff and dust were thrown off. So Christ says that Satan desired to try Peter; to place trials and

¹³ This is openly admitted by 33rd degree Masons and Masonic leaders, such as Manly P Hall and Albert Pike. The worship of Satan through Jahbulon and Baphomet is hidden from the first three degrees of Masonry. Billy Graham was a Freemason for example.

temptations before him; to agitate him to see whether anything of faith would remain, or whether all would not be found to be chaff - mere natural order and false professions.¹⁴

Satan shakes people up to distress them, pressurise them and stress them in an effort to remove what good they have and make them vulnerable to temptation.

Application to the Elite cabal

The Elite cabal, following Satan, also sifts people or shakes them up to expose them. It puts pressure upon dissenters with a view to distressing them to coerce them to stop exposing cabal actions. In some cases the cabal stresses individuals by revealing embarrassing past history about them to denounce them. This is called 'data mining' whereby some awkward statement or Tweet from many years ago, and which may have been recanted and apologised for, is published in an expose to collapse support for the person.

In other cases external pressure is placed upon a thorn in the side of the Elite by crushing them financially, perhaps by lawsuits of various kinds. People are also de-platformed (banned), smeared, publicly castigated and ridiculed.

Satan takes people captive

The snare of the devil. 1 Tim 3:7 [Here referring to pride.]

That they may come to their senses and escape the snare of the devil, having been taken captive by him to do his will. 2 Tim 2:26

Satan takes people prey. He pursues and captures them. He does this in multiple ways. Some he chases down and kills (by proxies). Some he denounces and ruins their reputation. Some he causes to be paralysed by fear. Some he tempts into sin, and thus ruins. Some he attracts into occultism and ruins or kills. He seeks the best way to capture the particular individual with the specific method suitable for him.

His aim is to get them to either be removed from being an obstacle or to get them to do his will. For example, he will entice a person to become proud and get them to follow his methods.

Application to the Elite cabal

The cabal captures people in many ways. Politicians are captured by being ensnared in gross sins that could ruin their careers; particularly paedophilia. Evidence of these crimes is then used to blackmail politicians into doing what they are told.

Notice how Boris Johnson was initially driven by the UK pandemic preparedness policy going back years: i.e. to keep the nation going, protect the vulnerable and quarantine just the sick. After a secret meeting with Bill Gates this completely changed. Johnson then followed the rest of the world (bar Sweden and Belarus) with lockdowns, PCR tests, furlough, facemasks, social distancing, test and trace, taking kids out of school, vaccine coercion and vaccine IDs. All of which were pointless and highly damaging, leading to ongoing problems.

¹⁴ Adapted from Albert Barnes notes.

Where they deem it necessary the cabal kidnaps people, such as by special rendition, and tortures them in foreign prisons. Others are arrested on false charges to spend years rotting in jails for blowing the whistle.

In many cases the cabal captures people through bribery. During Covid many of the commentators and health practitioners supporting Covid vaccines were paid large sums of money by Big Pharma.

Satan devours people

Be sober, be vigilant; because your adversary the devil walks about like a roaring lion, seeking whom he may devour. 1 Pt 5:8

‘Devour’ here has the meaning of: to drink down, swallow down, to devour, to swallow up, destroy.

This is not to be taken literally since Satan is a spirit; an immaterial being. Satan destroys people and enjoys doing it. Ultimately this will mean death; Satan’s deceptions often end up killing people. But it also means all forms of destruction.

Satan enjoys the suffering of victims and so destroys all aspects of their life piece by piece. To those that oppose him he revels in smearing them with lies and slander; ruining their reputation. He will destroy their marriage and family. He will destroy their career. He will remove their home and all their possessions. He will restrict their freedom or imprison them (Rev 2:10).

A chief characteristic of Satan is devouring people.

Application to the Elite cabal

The global Elite fully represent this characteristic. An example is the treatment of Julian Assange. For simply revealing the truth he has been in effective house arrest for years followed by imprisonment whereby his health has been severely compromised. He still faces extradition to America where he could be executed or sentenced to life imprisonment.¹⁵ He has been separated from his family and friends (bar occasional visits) for many years, yet has committed no actual crime, apart from proving the lying of governments. This is systematic destruction.

Another example is David Noakes who cured cancer in patients with his product GCMaff, which is a protein found in the body. For those who could not afford the treatment, he treated them for free. For the sin of curing cancer Noakes was ruined, his money and laboratory sequestered. He went to trial and, despite the judge admitting that he had cured cancer, he was sentenced. He was then extradited to France where he was again sentenced and spent a long time rotting in an awful French jail until a campaign was launched which secured his release. He emerged as a broken and sick man. Another life destroyed for doing good.

¹⁵ Update: he has just been released.

Satan is a slanderer

Under the proper name of 'the Devil' Satan is a slanderer, for that is the meaning of the name *diabolos*.

Satan slanders God to man (Gen 3:1-5), being envious of man's stewardship of the Earth and having divine favour. Satan also slanders man to God (Job 1:9-11, 2:4-5) out of jealousy.

Application to the Elite cabal

The works of the Elite are full of slander. Opposing voices of reason to their wicked plans are castigated and smeared with blatant slander and libel.

Satan hates the Christian church

And the dragon [Satan] was enraged with the woman, [OT saints] and he went to make war with the rest of her offspring, [NT saints, the church] who keep the commandments of God and have the testimony of Jesus Christ. Rev 12:17

It was granted to him [the first beast acting for Satan] to make war with the saints and to overcome them. Rev 13:7

As the church is the embodiment of God on Earth, Satan vents his anger against God at the the people of God.

The intention of Satan is to completely destroy the church from the Earth. This is the closest he can come to killing God. Thus there is a constant war against Christianity in all its forms, but especially the church. This is why the Christian foundations of Western society have been viciously attacked for decades; the intention is to destroy all these principles operating in society and replacing them with satanic policies.

Application to the Elite cabal

Like their master, the cabal hates Christians and everything godly.

One by one the Christian pillars of society have been either destroyed, relegated or inverted; such as: the faithful marriage of a man and a woman; the clear affirmation of biological sex; the careful classical education of children to think critically; teaching children to obey the golden rule; a fair and unbiased justice system; the penalisation of crime; the teaching of creation by intelligent design and so on.

Day by day Christianity is ridiculed and denounced. Blasphemy against Christ is commonplace, even in the media, movies, TV, radio and print media. The Bible is castigated and people quoting it in public are arrested. People preaching the Gospel are arrested. Even people praying are arrested. Celebrities constantly denounce God as evil (such as Stephen Fry).

Meanwhile Devil worship is growing. Paganism is the fastest growing religion. Covens and Satanic churches are growing. Gaia worship is growing and becoming mainstream.

Children perform seances with Ouija boards (this is incredibly dangerous). Divination is commonplace now using multiple formats.¹⁶ Sailors are formally allowed to practice Satan worship on board His Majesty's vessels. Musicians and entertainers utilise occult and satanic symbolism in their performances, while some even sing hymns to Satan. In many US colleges there are regular meetings devoted to Black magic and Devil worship. Various US government departments are now using satanic symbolism and satanic practices as part of state and government business.

Satan controls the evil world

The prince of this world. Jn 12:31, 14:30

The god of this world. 2 Cor 4:4

The spirit that now worketh in the children of disobedience. Eph 2:2

Satan does not control the world by right and is not the sovereign over the Earth. God is Lord over the whole Earth and has committed the rule of the universe to his Son Jesus.

The earth is the LORD'S, and all its fullness, the world and those who dwell therein. Ps 24:1

The world *is* Mine, and all its fullness. Ps 50:12

The heavens *are* Yours, the earth also *is* Yours; the world and all its fullness, you have founded them. Ps 89:11

All the earth *is* Mine. Exod 19:5

Indeed heaven and the highest heavens belong to the LORD your God, *also* the earth with all that *is* in it. Deut 10:14

Everything under heaven is Mine. Job 41:11

The Most High rules in the kingdom of men. Dan 4:25

Jesus came and spoke to them, saying, 'All authority has been given to Me in heaven and on earth'. Matt 28:18

¹⁶ Tarot cards, I Ching, astrology, tea readings, palm readings, crystal balls, numerology, seances, etc.

At the name of Jesus every knee should bow, of those in heaven, and of those on earth, and of those under the earth, and that every tongue should confess that Jesus Christ is Lord, to the glory of God the Father.

Phil 2:10-11

For it is written: 'As I live, says the LORD, every knee shall bow to Me, and every tongue shall confess to God'. Rm 14:11

Satan can only rule anything through God's permissive will and for his greater purposes. God allows Satan a certain measure of control within his sovereign will.

Satan can also only rule men through sin. He cannot control the natural order unless God wills it (Mk 4:39). He cannot control the boundaries of nations unless God wills it (Acts 17:26). Satan controls men through sin, which he controls using deception, beguiling and temptation.

By controlling men in power he thus controls the world of men. He works through the children of disobedience. He can thus deceive whole nations (Rev 12:9, 20:3, 8, 9).

Application to the Elite cabal

At the end, the first beast (from the sea) rules the world as Satan's proxy, being the wicked political satanic system gaining control over mankind. The second beast (from the earth) is the false religious system causing men to worship the first beast. Control over men is by deception: 'And he [the second beast] deceives those who dwell on the earth' (Rev 13:14). The satanic end-time cultural system is called Babylon. This uses occult deception to corrupt the minds of men into following satanic lusts: 'For your merchants were the great men of the earth, for by your sorcery all the nations were deceived' (Rev 18:23).

The Devil deceives the world through his proxies, his servants, which deceive nations and gain universal control.

Deception is the key satanic tool used to gain control over men.

The Elite cabal uses deception continually in order to gain control in this or that area. Sometimes Elite organisations openly admit this, such as Israel's Mossad (secret service) whose motto is, '*by deception conquer (or make war)*'.

This is why everything around us today is a lie. The government does not want to protect us but to ravage us. Pharmaceutical companies do not want to heal people or they would lose their entire market. The mainstream media does not want to tell us the truth about the news but to control us through false propaganda. Fact check cabal organisations do not produce facts but lies to foist off dissent. The NHS is already mostly privatised and privatisation of departments is continuing with outsourcing to corporate interests; yet politicians pretend that it is a nationalised industry, safe in their hands. The Covid vaccine was never safe or effective but is a bioweapon that continues to kill and maim.

Deception is the means to gain global control. The whole UN Agenda 2030 programme is the current chief means to possess the resources of the world, concentrated into the hands of the rich, and also to control the people by Green taxes, fines, laws and regulations.

The three strands of Satanic control at the end is:

- The first beast from the sea: the Satanic, wicked, totalitarian political system that governs (Rev 13:1-10). Anti-Christian rule.
- The second beast from the Earth (the false prophet): the blasphemous, idolatrous, global religious system that causes men to worship the first beast (Rev 13:11-18). Anti-Christian religion.
- Babylon (the great harlot): the end-time wicked, blasphemous, idolatrous, immoral cultural system sitting on the political system (Rev 17:3ff.). Anti-Christian society.

In implementing this plan, the global Elite seek to gain world political power (wicked government), connected to global religious domination (blasphemous, Satanic religion) with complete corruption of culture (licentious, lawless, blasphemous behaviour filling society).

This is the evil Antichrist trinity dominating the final world empire. The Antichrist is the fulness of sin manifested in mankind, seeking to be God.

The evil we see all around us today is but the beginning of the fulness of iniquity that is to come: Satan in full manifestation in men.

Conclusion

While Satan is a ruthless foe, to Christians he is a defeated enemy. The Lord Jesus completely triumphed over him at the cross and Christians share in that victory through Christ. Do not be downhearted from seeing the work of Satan in humanity.

Only what is of Christ will overcome the Devil's purposes in the world. No amount of action against his strategies will prosper; it requires the power of Christ to fully defeat Satan.

The Bible fully explains the rise of the Satanic world empire at the end and delineates what it will be like. This empire is finite and short-lived, even though it is devastating for a time. Christ returns to the Earth in glory and power and everything the Devil has done will be burned up and a new world begin. A world of glory, peace, love and harmony where God dwells with man and Christ is king.
