

The problem of perjury

Influential religious groups in society that are allowed to lie, deceive and commit perjury by their religion.

Introduction

There are certain basic rules that are necessary to ensure a proper working of society, such as justice, law, compassion, integrity, honesty, responsibility etc. Unless these are present at all levels of society there will be problems. When these are lacking at high levels of society then the problems are acute and that society is in trouble.

One of the absolute basic characteristics of good society is honesty. At any level of society, lying ruins everything because you can never be certain what any particular circumstances apply when lies are involved. This is true whether the situation is a friend lying to you or the government lying to you.

This is why lying is absolutely forbidden to Christians. There are no such things as allowable 'white lies'; all lying is wrong. There is never a reason to lie. We could examine all the hypothetical problems this may cause (and I have done that elsewhere) but that is not our purpose here.

You shall not steal, nor deal falsely, nor lie to one another. Lev 19:11

Lying lips *are* an abomination to the LORD. Prov 12:22

You are of *your* father the devil, and the desires of your father you want to do. He was a murderer from the beginning, and *does not* stand in the truth, because there is no truth in him. When he speaks a lie, he speaks from his own *resources*, for he is a liar and the father of it. Jn 8:44

Therefore, putting away lying, '*Let each one of you speak truth with his neighbour*'. Eph 4:25

In the early church Ananias and Sapphira were struck dead for telling a very simple lie (Acts 5:1ff).

Since British jurisprudence was based upon Christian principles, and the Bible in particular, witnesses in court swear that they will not lie with their hand upon the Bible (until recently at least). The historic principle was the belief that anyone lying in court (perjury) would be condemned by God and go to hell. Lying ruins seeking out justice.

So, lying is detrimental to the order of a good society.

There is a serious problem then if certain sections of society are allowed by their religious beliefs or mores to lie any time they want. If such people get into high levels of power then the problem is exacerbated.

Are there such people? Yes there are. Worse, many of these are at the top echelons of society.

Lying

Lies

A lie is an intentionally false statement. It is usually part of a system of deception.

Deception

This is the action of deceiving someone. It is deliberately leading someone astray, down a wrong path. Deception will include lies or a series of lies.

Perjury

This is the making of a false statement while under oath in a court of law, before a tribunal, or in front of someone having power at law to hear evidence. The statement must be materially important, and made wilfully rather than through inadvertence.

Perjury is serious since it perverts the course of justice, could enable evildoers to go free, could result in innocent people being convicted and, therefore, it is severely penalised by courts.

Obfuscation

This is the process of rendering obscure, unclear, or unintelligible. It is misleading someone by creating a fog of information that obscures the truth. It is not lying but it stops people seeing the truth and is just as bad.

Misinformation (wrong or mistaken data) and disinformation (publishing deliberately false data, propaganda) are types of obfuscation.

The presence of all these in society is detrimental to good order and justice. Let us look at groups that allow such behaviour as part of their moral system.

Islamic Taqiyya

Taqiyya (a Muslim lying) is part of Muhammad's teaching on jihad.

Jihad is the struggle of Muslims to enlarge Islam so that it eventually subjugates the entire world. This struggle can involve many things, including the struggle for inner compliance with Islam, but in Muhammad's teaching it mostly relates to violent overthrow of non-Muslims (*kafirs*) by any means. Most of the Hadith is about jihad.

Lying by omission is called *kitman*; not telling the whole truth (obfuscation). When a Muslim states that jihad is not violent struggle but the inner struggle for purity, that is *kitman*. In the Hadith the inner struggle comprises only 3% of the doctrine, 97% is about violent struggle.

With jihad, *taqiyya* is used by Muslims to enlarge Islam by stealth or to defend yourself when outnumbered. *Taqiyya* allows Muslims to lie in a non-Islamic society to advance Islam even to the point of allowing a Muslim to deny that he is a Muslim. This is also affirmed in Sharia Law. The original basis of *taqiyya* was how to behave in societies where Muslims were in a minority.

Muhammad cried out, 'Jihad is deceit'.
Bukhari, 4.52.267.

Whoso disbelieves in Allah after his belief – save him who is forced thereto and whose heart is still content with Faith – but whoso finds ease in disbelief: on them is wrath from Allah. Theirs will be an awful doom. [I.e. apostates are doomed except those who pretend to be apostates by lying. This was written after a companion of Muhammad cursed Muhammad during torture and was later forgiven.]

Qur'an 16.106

Let not the believers take disbelievers for their friends in preference to believers. Whoso does that has no connection with Allah unless [it be] that you but guard yourselves against them, taking [as it were] security. [I.e. only take unbelievers as your friends to guard yourself against them. That is, lie for security, pretend to be friendly.]

Qur'an 3:28

We smile in the face of some people although our hearts curse them. Al-Bukhari said that Al-Hasan said, 'Taqiyya is allowed until the Day of Resurrection'.

Abu Adf-Darda (one of Muhammad's companions.)

See also: Bukhari 5.59.369; 9.84.64; Muslim 032.6303.

Islam is not based on absolute principles of right and wrong, on justice for all, on freedom for all. Its ethics are based upon what Muhammad did or didn't do. Whether it is morally right or wrong, a Muslim follows what Muhammad did. Thus they deceive *kafirs*, kill *kafirs*, enslave *kafirs* and rape *kafirs*. All sorts of injustice, oppression and violence are justified as being what Muhammad did. Thus Muslims are commanded to commit violence in non-Muslim nations and be continual enemies of *kafirs* UNLESS they are too few to do this – then they can lie, deceive and pretend to be friendly.

Deception is legitimately used to further jihad. Thus we have seen Muslim spokesmen in high office in western democracies denounce Islamic terrorism publicly and yet praise the terrorists within mosques. Examples of this are: Ali Al Timimi who worked with a White House Chief of Staff and had US government clearance or Abdurahman Alamoudi who developed the Pentagon's chaplain corps.¹

Muslim apologists claim that terrorism is not part of Islam. This is deceit; it is a part of Islam and has been from the beginning. Muhammad actually stated that Allah had allowed him to spread Islam by terror and awe. Modern Islamic terrorists are not radicals, they are ordinary Muslims. As Prime Minister Erdogan of Turkey affirmed, '*The term "moderate Islam" is ugly and offensive; there is no moderate Islam; Islam is Islam*'.² The Qur'an explicitly commands Muslims to commit acts of terror.

For some quotes showing that the Qur'an gives multiple commands to kill kafirs see my paper, 'Islam in 5 minutes', or my book, 'Islam: theology, politics and history', which give a vast amount of data. ISIS is not an aberrant form of Islam, it is pure Islam. Saudi Arabia's oppression of women and human rights abuses is not a rogue form of Islam, it is doing what Muhammad taught and modelled. Lying is also pure Islam and a form of jihad.

Muslims can swear on the Qur'an in court and deliberately lie because they know that Allah will forgive them since they are working against the kafir. If this is the case, how can the evidence of any Muslim in court be considered safe?

Muslims can lie when they swear oaths of office committing them to honour the Queen and the state. This is *taqiyya*. How then can it be sane for any Muslim to hold any high office?

² Comment on Kanal D TV Arena programme, Milliyet, Turkey, 21 August 2007.

The mayor of London, Sadiq Khan, is a Muslim. He has shared platforms with radical Muslims on many occasions and shows that he supports radical Islam. How can he be trusted to fulfil his oath to Londoners and the crown?

So, the first group that is allowed to lie to further a religious end are Muslims.

[Aside: I am not a hater of all Muslims. I grew up with Muslim friends and have beloved secular Muslims in my own family.]

Talmudic Jews

The Talmud is the most evil set of documents known to man. Apart from its foul blasphemies against the Lord Jesus Christ (no other religion has this),³ there are multiple commands to sin or excuses for sin (stealing,⁴ lying,⁵ adultery,⁶ deception,⁷ murder,⁸ bestiality,⁹ incest,¹⁰ paedophilia etc.).

Most modern Christians have no understanding about this and think that modern Jews are simply following the Torah (five books of Moses). Nothing could be further from the truth.

The majority of modern Jews, especially Ashkenazi Jews, are subject to the Talmud as their prime authority. This is openly declared in Jewish literature.¹¹ It is the Talmud that directs the modern Jew and it produced rabbinic Judaism. The Babylonian Talmud has the status of law.

The Talmud is the product of the Pharisees,¹² the enemies of Jesus, who produced this work in Babylonia after the fall of Jerusalem to direct the Diaspora in how to live and worship. It is not just the work of mere men, but it is the work of very evil men who hated Christ.

There are offshoots of Talmudic Judaism, which are even worse than the mainstream, such as Sabbateanism or sects that involve Luciferianism, serpent worship and phallus worship. This undergirds the theology of many of the global elite controlling the world. One of its foul doctrines is the notion that in order to bring the Messiah to earth (which is conceived

³ For example, Jesus is said to be boiling in excrement in hell [Gittin, 57a, 56b].

¹¹ '[The Talmud] is still the supreme authority in religion.' [The Jewish Encyclopaedia, Vol 12, p26.] [The Talmud is] 'the central pillar supporting the entire spiritual and intellectual edifice of Jewish life.' [Rabbi Adin Steinsaltz, Daily News, Los Angeles, 13 March 1990, p10.] 'The modern Jew is the product of the Talmud.' [Dr. Isaac H Wise, Commentary on the Talmud; quoted in Griffin p31.]

as corporate Jewry ruling the world)¹³ the world has to become more and more evil until evil dominates the planet.

Thus Sabbateans commit as many evil acts as possible and descend to the foulest depths. One manifestation of this was the Red Terror of the Bolsheviks in Russia, which was a Jewish funded and dominated group and which continued to promote terror under Stalin until his death. Millions died and Christians were targeted for the most foul tortures and deaths. Thousands of churches were destroyed.

Jews that are dominated by such evil forms of faith are behind the gradual emergence of a world dominated by sin and devoted to Satan. For 150 years various Jewish Zionist interests have been gradually fulfilling a plan to build a global totalitarian empire through manipulating wars, financial collapses, revolutions and dominating media and politics. They have been able to do this by gradually taking over the whole banking system of the west, running the corporations behind most of the world's biggest companies and dominating politicians and the media.¹⁴ Thus they have been able to sponsor wars and revolutions, such as WWI, WWII, and the Bolshevik Revolution.

Most people do not consult the Talmud because it is so huge, covering many volumes. However, if you do read it you soon find that it is the most obnoxious and foul collection of writings on the planet. However, for our purposes here we restrict ourselves to lying.

Talmudic Jews practice something called the 'Kol Nidre' vow.

The *Kol Nidre* ('all vows') prayer teaches that all vows can be ignored, all pledges rescinded, all obligations refused and all commitments lied about, if this prayer is prayed first:

He who desires that none of his vows made during the year shall be valid, let him stand at the beginning of the year, and declare 'every vow which I make in the future shall be null'. His vows are then invalid provided that he remembers this at the time of the vow.¹⁵

This supported the practice of the Kol Nidre prayer, which developed later than the Talmud. Such a practice is in opposition to any honest functioning in society.

One can deny all the Ten Commandments and still be a faithful Jew. It is a 'get out of jail free card'. Thus it is impossible to trust any Jew that follows the Talmud. They can lie in court and still be righteous if they have confessed this ritual. It is prayed during the Day of Atonement.

This was one of the reasons why Jews were expelled from country after country throughout history. The Talmud enabled them to subvert society like some fifth monarchy group. They could not even be trusted to tell the truth in a court of law regarding their other misdeeds (such as stealing).

Like the Muslims, Talmudic Jews see themselves as God's special people and all other human beings are considered as worse than dogs to be taken advantage of; i.e. Gentiles.¹⁶ This awful discrimination leads them to lie to Gentiles, profit from Gentiles, steal from

Gentiles, abuse Gentiles and even kill Gentiles with no compunction because they are dogs not people.

Needless to say, there are large numbers of Talmudic Jews in positions of high authority in every walk of life. Their ability to lie without compunction is a terrific blow to democracy.

[Aside: I am not Anti-Semitic. I have had many Jewish friends and admire many Jewish people. The problem is not Jews per se, many of which are secular, but those who follow the Talmud or some other evil Judaistic sect or political Zionism. Note than many Jews, and even many Judaistic religious organisations, deny the validity of Zionism or the excesses of the Talmud.]

Freemasons

It is a simple fact that Freemasons occupy many positions of power in British society.¹⁷ In some organisations it is difficult to progress unless you become a Freemason. I was inhibited for a time by refusing to become a Mason in the Post Office. Some areas where Freemasons are especially powerful are: the police force, banks, the judiciary, the magistracy,¹⁸ local politics, medicine, the civil service, national politics, the armed forces and the secret services.

Many people join Freemasonry in the mistaken view that it is merely a communal society committed to helping brethren and supporting charities. That is just a front. Even its own publications affirm that it is a secret society (if it is innocent, why the secrecy?). The secrecy is protected by horrible oaths.¹⁹

In fact Freemasonry is a religious institution; its lodges are temples and its rituals are worship.²⁰ The god of Freemasons is not the Christian God but Satan, under the worship of the gods of all faiths. He is worshipped under various names, such as: 'Great Architect of the Universe', Grand Artificer, Grand Master of the Grand Lodge Above, Jehovah, Allah, Buddha, Vishnu, Shiva, or Great Geometer. Like Talmudic Jews, the key god is Lucifer (the light bearer, or the sun god).²¹

Initiates of the higher Royal Arch Degree invoke a god named *Jahbulon*. This is a composite word made from *Jah* (shortened form of Jehovah), the chief Canaanite god *Bul*, (alternative name for Baal) and the greatest Egyptian god *Osiris* (god of the underworld);

¹⁷ In his book, *The Brotherhood*, Stephen Knight tells of a meeting with a judge and a very senior civil servant who agreed to give information on the secrets of the UK Masons. There are more than half a million brethren under the jurisdiction of the Grand Lodge.

¹⁸ In my early years in the Post Office I knew several magistrates; every single one was a Freemason, as were all the union reps.

¹⁹ *'I will always hail, ever conceal, and never reveal any part or parts, art or arts, point or points of the secrets, arts, and mysteries of Ancient Freemasonry which I have received, am about to receive, or may hereafter be instructed in ... binding myself under no less penalty than to have my throat cut across, my tongue torn out by the roots, and my body buried in the rough sands of the sea.'* [Charles G Finney, *Freemasonry*, Chap 4.]

²⁰ *'Every Masonic Lodge is a temple of religion; and its teachings are instructions in religion.'* [Albert Pike, *Morals and Dogma*, the official book of the Scottish Rite of Freemasonry. (Charleston, S. C.: The Supreme Council of the 33rd Degree for the Southern Jurisdiction of the U.S.A., 1950), p213.]

²¹ *'When the Mason learns ... the mystery of his craft. The seething energies of Lucifer are in his hands.'* [Manly P Hall, *The Lost Keys of Masonry*, p48.]

thus comprising a universal deity of many faiths - completely opposed to the true God of the Bible. Higher levels worship the witchcraft god Baphomet – the goat of Mendes.²²

In fact, Freemasonry is occult and the foundation of many occult orders.²³ Its basis is witchcraft. Initiation into the different degrees is an initiation into demonic invasion.²⁴ The light in Freemasonry is the Jewish Kabbalah and Luciferianism.²⁵ Foster Bailey declared that '*Masonry in its true and highest sense is magical work.*'²⁶ Freemasonry top leader Albert Pike said that the power of Freemasonry was magic and Satanism.²⁷ One Masonic writer gave instructions for conjuring up Satan.²⁸

Masonry has taken on board many occult symbols: the pentagram, the Baphomet, the pyramid, the 'symbol of Solomon' (Davidic star) etc. For instance, the emblem of the Eastern Star lodge is the inverted five pointed star. This is the pentagram (or 'pentacle', sometimes pictured within a circle), the symbol of the goat of Mendes, the geometric symbol of the demon Baphomet (a form of Satan).

Most Masons are unaware of the darker secrets of the craft and anyone below the level of Master Mason (3rd degree) knows virtually nothing at all because it is deliberately hidden from them.²⁹

The nonsense rituals and oaths of Masons are no problem if that was where they ceased; the problem is that Masons deliberately affect large areas of society by their preferment of one another and the aims of Freemasonry. For example:

*I will promote a companion Royal Arch Mason's political preferment in preference to another of equal qualifications.*³⁰

There have been multiple scandals, in Britain alone, whereby Masons colluded in a conspiracy.

There have been repeated cases when a Masonic judge has found ways of finding a Masonic defendant innocent, or declaring a mistrial, despite clear evidence to the contrary.³¹

The key problem is that a Freemason is bound by a terrible oath to look after a fellow Mason whatever the situation. Thus all other oaths are subject to this overriding oath. This is when judges free guilty Masons and police officers set free and do not prosecute guilty Mason suspects. This oath forces Freemasons to lie about whatever the situation is in front

Their true explication is reserved for the Adepts, the Princes of Masonry.*' [Albert Pike, *Morals and Dogma*, p819.]

of them. Thus no Freemason can be trusted in any high office; he will lie when another Mason is affected.

There have been many calls for a public register of Freemasons so that conflicts of interests can be monitored and checked. This has been prevented at every turn because the top officials and politicians are Freemasons. Indeed, the most senior Freemasons are members of the royal family.

Satanists

The objective of Satanists is to subvert the law and blaspheme the person of God as part of a system of worship of Satan. Thus a key feature of Satanism is to overturn morals and introduce the very opposite of what God commands. Thus a symbol of Satanism is an upside-down crucifix and the actions of Satanists are iniquitous.

In this system, lying is normal behaviour. Lying is part and parcel of what Satanists do. Indeed, many of the deeds, beliefs and rituals of Satanists are illegal and thus lying about them is absolutely normative.

Most people think that Satanism is a thing of the past, something historical that disappeared after the Enlightenment and the development of modern society. This is a huge mistake; Satanism is probably more prevalent today than ever due to improved communications and travel. Many investigators have done outstanding research and demonstrated that Satanism is very active within many high level echelons of government. Indeed, there are close connections between Satanism and Talmudic Jews (Luciferianism) and Freemasons (also Luciferianism).

Repercussions of lies

Lies are so fundamental that they affect numerous issues. After all, a lie is merely a defensive tactic to avoid being caught in some greater offence or embarrassment.

Paedophilia

One of the manifestations of lying in high office is the attempt to divert attention away from the massive scale of paedophilia that is rampant in the top echelons of society. This is a characteristic of all the lying groups that we have examined. There are two aspects to modern paedophilia (excluding grooming and trafficking). These are: a) sexual abuse and rape; b) ritual murder or murder to get rid of evidence.

I have explained in many other papers (such as 'Suffer the little children') that the sexual abuse and even murder of young children is rampant in government at all levels. The wider public is gradually realising that this is true after the Jimmy Savile scandal, a man who had connections to royals, aristocrats, police commissioners, the secret service, prime ministers, judges and even the IRA. His job was to procure children for top-ranking officials. His whole life was full of lies, day after day, and these lies were to hide the paedophilia of his own wickedness and that of others. Many of the people that were involved in child abuse were Freemasons.

Talmudic Jews

Talmudic Jews are involved in paedophilia and ritual child sacrifice. There have been multiple charges of Jews for this crime over many centuries but the Talmud explicitly

teaches that paedophilia is acceptable. Even the OT demonstrates that Jews regularly sacrificed children to Moloch by slow burning,³² but there was also stabbing with knives and drinking the child's blood as it lay dying. Jews killed children throughout their entire history.³³

The Kabbala source, *The Zohar*, authorises ritual murder (as does the Talmud): '*There is a commandment pertaining to the killing of strangers, who are like beasts. This killing has to be done in the lawful method. Those who do not ascribe themselves to the Jewish religious law must be offered up as sacrifices to the High God*'.³⁴ One Catholic priest (Father James E Bulger) has claimed that 6 million children have been killed by Jews since the time of Jesus.³⁵

The Talmud openly supports paedophilia. It was rampant amongst Pharisaic Jews (who wrote the Talmud) and is endorsed by them. Babies were considered suitable for sodomy by men since they were not sexually mature and thus not considered a person.

R. Joseph said: 'Come and hear! A maiden aged three years and a day may be acquired in marriage by coition, and if her deceased husband's brother cohabits with her, she becomes his'.³⁶

Rab said: 'Pederasty with a child below nine years of age is not deemed as pederasty with a child above that'. Samuel said: 'Pederasty with a child below three years is not treated as with a child above that'.³⁷

Raba said, 'It means this: When a grown-up man has intercourse with a little girl, it is nothing, for when the girl is less than this [that is, less than three-years-old] it is as if one puts the finger into the eye [tears come to the eye again and again, so does the virginity come back to the little girl under three years]'.³⁸

It was taught: R. Simeon b. Yohai stated: 'A proselyte who is under the age of three years and one day is permitted to marry a priest'.³⁹

Rabbi sent R. Romanos who conducted an enquiry and found in it the daughter of a proselyte [footnote 38: 'and was married to a priest'] who was under the age of three years and one day, and Rabbi declared her eligible to live with a priest [footnote 39: 'i.e. permitted her to continue to live with her husband'].⁴⁰

Muslims

The paedophilia connected to Muslims is now public information. The scandals in Rotherham and several other towns prove this beyond a doubt but it is also evidenced in Europe wherever Muslim migrants have settled in large numbers, such as the no-go areas

in Sweden.⁴¹ *Kafirs* are sub-human to Muslims and can thus be treated in any way they like, even killing them. Thus in Swedish migrant areas girls have been raped (and sometimes murdered) from the ages of five up to over 80.

Satanist ritual murder

Again, the paedophilia connected to Satanism is also widely understood. It is well understood that Satanism has historically involved human sacrifices in many forms of the cult. Child sacrifices have been a part of satanic rituals for millennia and are even described in the Bible. Celtic druids presided over beheading of prisoners for ritual uses as archaeology has now proved. Similarly, Aztecs used prisoners for sacrifice to placate the gods of fertility, just like Baal worshippers. Wherever there is satanic worship there is child or human sacrifice.

These rituals never stopped, they just became more hidden. There have been multiple testimonies of child ritual sacrifice in recent years connected to royals, aristocrats, the papacy, top businessmen, celebrities, government officials and so on, in many countries, but particularly America, Britain, Europe and Australia.

In modern rituals adults are sometimes kidnapped and ritually murdered but by far the greatest number of victims are children.

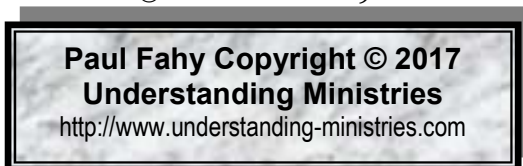

Conclusion

Western society is sick. It is thoroughly iniquitous after centuries of following satanic principles fostered by dominant politicians, the top echelons of the state and business leaders.

A key part of the problem is the ability of top people to lie without any compunction of morals or religious principles. They lie freely without guilt; enabled by their faith. This then leads to the cover up of many wicked actions, such as paedophilia and murder.

Unless society were to secure honesty (which will never happen) there is no guarantee of justice, liberty, peace, security and the civil rights of ordinary honest people. Anything can happen in this society (and often does) where miscarriages of justice are staggeringly frequent. It is vital that people understand that this is going on.
