

## You have been played

### Exposing the government lies and the dictatorial take-over of Britain.

#### **There was no pandemic**

Excess deaths for 2020 were not unusual. Most years before 2010 had higher mortality. UK, USA etc. mortality was in the normal range.

Covid-19 is a bad flu. The survival rate is over 99.9%. You take a greater risk crossing the road. Severe symptoms were reactions to previous flu vaccines and co-morbidities.

Deaths were wrongly attributed to Covid but were actually something else, e.g. car crash. Death certs. were falsified and autopsies were cancelled.

Covid is 26<sup>th</sup> in the list of serious diseases. On 19 March 2020 Covid was officially downgraded to a non-serious disease.

#### **Testing**

The entire testing regime is flawed and useless. The PCR test cannot be used to diagnose an infectious disease. At a high cycle rate it produces a 97% false positive result. This means that the case numbers are rubbish. This lie drove fear.

Many patients have been damaged by the test procedure and some have died. The test swabs have also been proved to be contaminated in various ways (e.g. aluminium, ethylene oxide).

Lateral flow tests are so useless that they have been ditched in America.

#### **Non medical interventions**

All these have no medical value whatsoever but are means of asserting social control and compliance to diktats.

**FACEMASKS:** have no value in stopping a virus. A virus is far smaller than the pores on the mask and passes straight through.

Facemasks are dangerous to health. Prolonged use causes a number of conditions including: hypoxia, bacterial pneumonia, cognitive disability, headaches, and skin problems.

**SOCIAL DISTANCING** to stop a virus is stupid. Viruses can travel miles. Six feet distance offers no protection.

**PPE** has no value in protecting from an airborne virus. How can a plastic apron or visor stop an airborne pathogen?

**LOCKDOWN OF SOCIETY** does nothing to stop a viral epidemic; it just hinders the flow of what will naturally happen. Viruses pass through a

population until there is herd / community immunity. Places that did not lock down (Sweden, Belarus, South Dakota etc.) had a far better medical outcome and no social disruption.

Lockdowns, however, do terrible harm to society: they destroy economies; they wreck small businesses; they stop people attending hospital when they need treatment, scans and consultations; they build up a tidal wave of hospital attendance when the lockdown stops.

GPs refusing to see patients has caused a massive flood of un-diagnosed sickness and avoidable deaths.

**CLOSING SCHOOLS** was insane since kids are at almost zero risk from Covid and don't pass it on to teachers. However, this has ruined the education of millions of kids and caused a massive spike in mental disease and suicides.

#### **Treatments for Covid**

There are multiple safe and cheap treatments for Covid that have proven efficacy in experience and scientific papers.

These include: Vitamin C and D, Zinc, Hydroxychloroquine, and Ivermectin. There are others but this will suffice. Uttar Pradesh (pop. 230 million) eradicated Covid with Ivermectin alone; so did Japan in one month.

#### **The Covid vaccines**

These are not vaccines at all. They work on a different basis. They are unproven, untested, unauthorised, experimental gene treatments.

The delivery of the Covid spike protein in mRNA results in the body becoming a spike protein factory, making its own supply. This spike protein is toxic causing harm to multiple organs.

The vaccines also have foreign bodies including: shards of nano-metal that self assemble; parasites (hydra), graphene-oxide (highly toxic), cancerous aborted foetus cells and other carcinogens, HIV virus fragments. It also has PEG which causes anaphylactic shock (hence the seizures).

There have been millions of global reported adverse events including thousands of deaths. These are officially recorded events, such as in the US VAERS system or the UK Yellow Card system. Studies show that the actual adverse events is a hundred times higher. Therefore there are likely already hundreds of thousands of deaths caused by the vaccines. The adverse events include death, heart attack, myocarditis, pericarditis, stroke,

blindness, seizures, paralysis, deafness, early abortions and stillbirths, nerve disorders, thrombosis, blood clots and many more.

The vaccines don't work. Officially, they do not stop you catching Covid or passing it on. Data now shows conclusively that vaccinated people are at far more risk of catching Covid than unvaccinated people. Israel is highly vaccinated. Currently over 90% of hospitalised Covid patients are fully vaccinated.

### **What is really going on?**

The narrative was driven by government propaganda and fearmongering. SAGE's SPI-B department determined to use fear to ram home illegal policy. Government units, including the 77 Brigade, used military behavioural psychology methods, including neuro-linguistic programming, to make you scared. A scared population becomes a compliant population. The government-sponsored media drove the panic. Why would a government use such terrible methods to scare its population if its intentions were benevolent?

The Covid social policies were long planned for. These were evidenced in numerous publications and simulation events. These include Bill Gates' *Event 201* in 2019 and the Rockefeller 'Lock-Step' programme of 2010. Fauci and Gates announced a imminent coronavirus pandemic in the years prior to 2020. PCR test kits were ordered in 2016.

The published genome of SARS-COV-2 consists of numerous patented fragments going back 20 years or more. It is a weaponised form of the cold virus that was subjected to 'gain-of-function' research paid for by Fauci using Wuhan when such research became illegal in the US.

There is no actual, real, wild virus called SARS-COV-2. No one has isolated and purified a specimen from a sick person anywhere in the world; this has been formally admitted by the CDC, FDA and MHRA. It only exists as a computer-generated genome with a coronavirus plus monkey kidney cells, HIV fragments and other things forged together in various patented designs.

So, the 'virus' causing Covid was created in an American lab, manipulated in a Chinese lab and was patented by rich elite people. There are multiple American patents on aspects of the 'virus'. Fauci is at the heart of this weapon.

The initial purpose of the fake pandemic was to scare the population into accepting multiple vaccinations for their safety and social interactions. The vaccines, and the notion of vaccine passports to be able to function, are the foundation of a bio-surveillance state and the

introduction of central bank digital currency necessary to reset the global economy which is collapsing due to the creation of debt-based fiat money, banking corruption and excessive money printing.

The overall global purpose of this fake pandemic is to bring in the long published strategies outlined in various sources such as: the UN's *Agenda 2030* or the World Economic Forum's '*The Great Reset*' and the '*Fourth Industrial Revolution*'. It is also combined with the Green Climate Change agenda.

The intention of these is to create a world government ruling over a fascist state where the 1% are in control. Most of humanity is to be destroyed through poverty and starvation (caused by lockdowns and engineered supply chain collapse), sterility and the reactions to the vaccine (mostly ADE in coming winter flu seasons).<sup>1</sup> The remaining less than a billion people will be serfs and slaves in a technocratic state that will be a combination of Huxley's *Brave New World* and Orwell's *1984*. This is all openly published and admitted. Note Klaus Schwab (WEF), 'You will own nothing' (i.e. Marxism). Note that Australia and New Zealand have become police states.

The vaccines will create a transhuman society where people and digital machines merge. It will be the end of humanity. The vaccines enable this with biomarker technology, nano-systems and effectively creating nano-computer systems within the blood stream. This is already being done right now. It is not theoretical; it has begun.

5G is vital to this technocratic system based on the 'Internet of Things'. This is why 5G was rolled out during the lockdowns with no parliamentary consent or public discussion. Every school and hospital now has a 5G mast, which is highly dangerous due to the 60GHz and above microwave frequencies that kill birds. [Testing in The Hague, Wales and Coventry saw birds drop down dead out of the sky.]

### **Conclusion**

The pandemic was a ruse to deliver the long-planned curtailment of freedom and the destruction of a liberal society to enable the take-over of the world by globalist elites.

<sup>1</sup> ADE (Antibody Dependent Enhancement) or viral interference, is when a vaccine causes an excessive immune system reaction when the person confronts the wild virus. This causes a cytokine storm when the body literally eats itself.
